ORDINANCE NO. 4

THE TOWNSHIP OF CHARLEVOIX ORDAINS:

Section 1. Subject to all the terms and conditions mentioned in this ordinance, consent is hereby given to Michigan Consolidated Gas Company, a corporation organized under the laws of the State of Michigan, and to its successors and assigns, to lay, maintain, operate and use gas pipes, mains, conductors, service pipes and other necessary equipment in the highways, streets, alleys and other public places in the Township of Charlevoix, Charlevoix County, Michigan and a franchise is hereby granted to Michigan Consolidated Gas Company, its successors and assigns, to transact a local business in said Township of Charlevoix, for the purpose of convcying gas into and through, and supplying and selling gas in said Township and all other matters incidental thereto.

Section 2. The Company has made application to the City of Petoskey for a permit to supply and sell gas therein, and for a franchise to supply and sell gas in the City of Charlevoix. If such permit and franchise are granted to the Company and continue effective, and if the provisions and conditions herein contained are accepted by the Company as in Section 6 hereof provided, then Michigan Consolidated Gas Company, after it receives such regulatory approval as may be necessary to convey natural gas to the City of Petoskey, the City of Charlevoix and the Township of Charlevoix, shall within a reasonsble time thereafter commence the installation of a gas main in the Township of Charlevoix as indicated upon the map heretofore filed by the Company in the office of the Township Clerk, and proceed to complete the installation of same as soon thereafter as reasonably practicable; provided however, that the Company shall not be held responsible for delays due to weather or labor conditions, inability to procure necessary materials, or other causes beyond its control; and provided further that any extensions from such main shall be subject to the Main Extension provisions contained in the Company's Rules and Regulations for Gas Service approved by the Michigan Public Service Commission.

Section 3. Michigan Consolidated Gas Company, its successors and assigns, shall not unnecessarily obstruct the passage of any of the highways, streets, alleys or other public places within said Township and shall within a reasonable time after making an opening or excavation, repair the same and leave it in as good condition as before the opening or excavation was made. The Company, its successors and assigns, shall use due care in exercising the privileges herein contained and shall be liable to said Township for all damages and costs which may be recovered against said township arising from the default, carelessness or negligence of the Company or its officers, agents and servants.

No road, street, alley or highway shall be opened for the laying of trunk lines or lateral mains except upon application to the Highway Commissioners or the Township Board, or other authority having jurisdiction in the premises, stating the nature of the proposed work and the route. Upon receipt of such application, it shall be the duty of the Highway Commissioner or the Township Board, or such other authority as may have jurisdiction, to issue a permit to the Company to do the work proposed.

Section 4. The Company is now under the jurisdiction of the Michigan Public Service Commission to the extent provided by statute, and the rates to be charged for gas, and the standards and conditions of service and operation hereunder, shall be the same as now set forth in the Company's Schedule of Rules, Regulations and Rates as applicable in the City of Traverse City, or that shall hereafter be validly prescribed for the Township of Charlevoix, under the orders, rules and regulations of the Michigan Public Service Commission or other authority having jurisdiction in the premises.

Section 5. The words "Michigan Consolidated Gas Company" and "the Company", wherever used herein, are intended and shall be held and construed to mean and include both Michigan Consolidated Gas Company and its successors and assigns, whether so expressed or not.

Section 6. This ordinance shall take effect immediately after the date of publication thereof, which shall be within ten (10) days after the date of its adoption, and shall continue in effect for a period of thirty (30) years thereafter, subject to revocation at the will of the Township at any time during said thirty (30) year period; provided, however, that when this ordinance shall become effective the Township Clerk shall deliver to the Company a certified copy of the ordinance accompanied by written evidence of publication and recording thereof as required by law and the Michigan Consolidated Gas Company, shall within sixty (60) days after the date of the adoption of this ordinance, file with the Township Clerk its written acceptance of the conditions and provisions hereof; and further provided, that, if the Company shall for any reason cease to supply gas in the City of Traverse City, it shall be under no obligation to thereafter suppply gas in the Township of Charlevoix.

Joan Y. Blanchard, Charlevoix Twp. Clerk

Detroit Quintet Wins Ovation For Concert

An idea new to northern Michigan, a clinic for music students followed by a concert by the Detroit Arts Woodwind Quintet, proved most successful when it was held here Friday under the sponsorship of District II of the Michigan School Band and Orchestra Association.

The concert attended by more than 600 area residents will be long remembered as one of the musical highlights of the year.

The group performed unerringly with perfect precision, its shadings and nuances evidence of the highest standards of musicianship. The concert, however, was anything but dull and the standing ovation the ensemble received from the audience showed its appreciation for fine music superbly performed.

The program consisted of music written for the woodwind quintet from Anton Teicha, a contemporary of Beethoven to modern contemporary works proving that such music can be fun to play and to listen to.

The concert climaxed a busy day for more than 400 students from 12 northern Michigan communities who enjoyed a 'get-acquainted' concert by the quintet at 4 p.m. before the five members of the ensemble conducted clinics on their particular instruments at various locations in the high school.

The students were guests of the Charlevoix Band Parents Association at a dinner at the cafeteria prepared by Mrs. Marie Blissett, Mrs. A. D. Cunningham and Mrs. Myron Hilton assisted by band parents. Mrs. Clifford Riley was chairman of the event.

A mixer for the visiting students was later held in the band room. Senior Band members hosted the event which was supervised by Delbert R. Terrill and Max Novak, both band parents.

Mrs. Robert Martin, Mrs. Albert Russell and Harry Stewart manned ticket booths and entrances.

Despite the fact that the quintet had to leave Charlevoix at 5 a.m. the next morning in order to attend an 11 a.m. rehearsal of the Detroit Symphony orchestra the group was enthusiastic about the clinic and concert and hope to return to Charlevoix in the near future.

Assign New Executive Officer To Charlevoix U. S. C. G. Unit

Albert J. Bates Ch. Bosn W-4, (seated) commanding officer of U.S.C.G. Group Charlevoix, discusses with his new executive officer, Raymond J. Gorman, Ch. Bosn W-2, his duties as second in command of the group which embraces all Coast Guard units from Grand Traverse Bay on Lake Michigan through the Straits of Mackinac to Alpena on Lake Huron.

★ ★ ★

Raymond J. Gorman, Ch. Bosn. W-2, has assumed his duties as executive officer of U. S. Coast Guard Group Charlevoix according to Albert G. Bates Ch. Bosn. W-4, commanding officer of the group.

Mr. Gorman, a veteran of 23 years in the U.S.C.G., came to Charlevoix from Langley Point in Luzon, Republic of the Phillipines, where he had served 26 months aboard the U.S.C.G. Cutter Nettle.

He was assigned here to succeed Louis DeBenardi, Bosn W-1 who left here in June for duty aboard the cutter Woodbine at Grand Haven.

Like so many veteran Coastguardsmen, Mr. Gorman's assignments have been many and varied since he first enlisted in the country's oldest service in Oct. 1939 at Chicago.

After initial training at Curtis Bay, Md., he was assigned to an Attack Transport L.S.T. with duty in the Atlantic during the years of World War II, participating in all the major invasions in the European theatre.

Later he served briefly at Charleston, S.C., before being assigned to the Cutter Clover operating out of Kodiak, Alaska, where he spent 18 months. After a short stint at Peoria, Ill., he was sent to the Pacific in November, 1953, for duty aboard the Cutter Plaintree operating out of Guam and in the Mariannas Islands. He returned to St. Petersburg, Fla., for a four-months tour of duty before being re-assigned to the Pacific, first on isolated duty at Miyako Jime in the Ryukyo Islands and later at a Loran station off Pusan, Korea.

A year's tour of duty aboard the Arundel at Chicago was followed by another assignment in the Pacific including duty aboard the Cutter Basswood out of Honolulu, Hawaii, and a year at a Loran Station at Miho, Honshu, Japan, before assignment to the Nettle at Langley Point.

At the present time Mr. Gorman is patiently awaiting the arrival of his lovely Japanese bride of one year, Shizuko Murakmi, who is in Japan waiting for the red tape to unravel before she can come to this country to join her husband.

Attend Future Homemakers Meeting

Five members of the Charlevoix high school chapter of the Future Homemakers of America and their adult advisor, Mrs. C. A. Odmark, homemaking instructor at the Charlevoix high school, were in Grand Rapids Wednesday through Friday of last week for the 17th annual state meeting of the Michigan Association of Future Homemakers of America.

Cynthia Cunningham, Eileen Elliott, Rosemary McCracken, Barbara Clarke and Ellen Cunningham were among the 1,200 teenagers who attended the three-day meeting at the Pantlind Hotel and Civic Center. Theme of the State Department of Public Instruction-sponsored conference was "FHA-Red, White and You".

Highlight of the meeting was an address by Mrs. George Romney who spoke on "Action for Citizenship" in which she said "Citizenship means doing a job well—and that job begins in the home". One of the greatest privileges of citizenship in this country is marriage and children—this is your great role. Forgetting our kids has been the great crime of my generation".

Mrs. William Johnson, the former Nancy Anne Fleming, Michigan's 1961 Miss America, also addressed the group on the subject "Education Lights Your Way".

The award of State Homemaker Degrees of Achievement and scholarships and the election of officers were among the business activities.

Michigan's 326 FHA chapters with a membership of 12,352 girls are sponsored by the home economics departments in local schools and the Home and Family Life Education service of the State Department of Public Instruction.

TOTAL PERFORMANCE:

FORD GALAXIE 500/XL SPORTS HARDTOP

YOU'LL KNOW WHY SHE DOESN'T FEEL THE BUMPS...WHEN YOU TEST-DRIVE FORD'S NEW $10,000,000 RIDE

The 1963 Ford gives you a ride every bit as smooth as cars costing hundreds more, and for two reasons: a revolutionary new suspension system . . . and added road-hugging weight.

It took ten million dollars to develop the new Ford ride. We designed a revolutionary new suspension system for the '63 Ford. Where ordinary suspensions move only up and down to absorb road shock, the Ford suspension moves *backward* as well. In this double-action suspension system, coil springs up front and leaf springs in the rear combine to give you firmness in cornering and a special smoothness over the road.

We added weight, strength and stability. The new Ford is now actually hundreds of pounds more car than any other car in its class. This remarkable weight advantage is in the suspension, frame, and body. And, as you know, this added weight means a more stable ride.

But a solid, road-smoothing ride is only part of Ford's total performance story for 1963. Look how Ford swept the field this year in the grueling Daytona, Riverside and Atlanta 500's and in the demanding Pure Oil Performance Trials. Only a car with *total* performance—the best combination of strength, balance, precision control, braking power and road-clinging suspension—could roll up so many wins.

Before you buy any new car, test-drive a Super Torque Ford. If you haven't driven one lately, you can't really know what a new Ford is like. Make this important discovery—**if it's built by Ford, it's built for performance . . . total performance.**

TOTAL PERFORMANCE:

FORD GALAXIE 500/XL SPORTS HARDTOP

YOU'LL KNOW WHY SHE DOESN'T FEEL THE BUMPS...WHEN YOU TEST-DRIVE FORD'S NEW $10,000,000 RIDE

The 1963 Ford gives you a ride every bit as smooth as cars costing hundreds more, and for two reasons: a revolutionary new suspension system . . . and added road-hugging weight.

It took ten million dollars to develop the new Ford ride. We designed a revolutionary new suspension system for the '63 Ford. Where ordinary suspensions move only up and down to absorb road shock, the Ford suspension moves *backward* as well. In this double-action suspension system, coil springs up front and leaf springs in the rear combine to give you firmness in cornering *and* a special smoothness over the road.

We added weight, strength and stability. The new Ford is now actually hundreds of pounds *more* car than any other car in its class. This remarkable weight advantage is in the suspension, frame, and body. And, as you know, this added weight means a more stable ride.

But a solid, road-smoothing ride is only part of Ford's total performance story for 1963. Look how Ford swept the field this year in the grueling Daytona, Riverside and Atlanta 500's snd in the demanding Pure Oil Performance Trials. Only a car with *total* performance—the best combination of strength, balsnce, precision control, braking power and road-clinging suspension—could roll up so many wins.

Before you buy any new car, test-drive a Super Torque Ford. If you haven't driven one lately, you can't really know what a new Ford is like. Make this important discovery—**If it's built by Ford, it's built for performance . . . total performance.**

Mesquite Transports Light Station Crews To Their Assignments

Gray's Reef light station became the first in northern Lake Michigan and Lake Huron to be manned this season according to Albert J. Bates, ChBosn W-4, commanding officer of U.S.C.G. Group Charlevoix who said that the crew of the light station was placed on the 'crib' by the U.S.C.G. Cutter Mesquite Monday.

The Mesquite was ordered to Charlevoix to transport light station crews to their assignments and petroleum supplies to both Beaver Island and Mackinac Island when the Cutter Sundew was sent to the shipyards last week for the repair of a major engine breakdown.

Enroute to Gray's Reef light station the Mesquite transported 1,000 gallons of No. 1 fuel oil to Beaver Island for use of island residents whose supply was running low and 1,825 gallons of gasoline including 500 gallons for the Charlevoix county road commission and the remainder for use by island residents.

The ship then proceeded to Grey's Reef light station where the four-man crew and their supplies were put aboard the station.

At White Shoals light station which marks the entrance to Greys Reef passage at the Straits of Mackinac the crew could not be put on atation because of extensive ice conditions around the station.

The ship continued to Mackinac Island where two men joining the Lifeboat Station crew left the ship and where 11,000 gal. of fuel oil was unloaded for use at the station.

Plans call for the ship to transport light station crews to Spectacle Reed, Poe Reef and Martin Reef light stations before returning to Sturgeon Bay, Wis., placing other crews on White Shoal and Lansing Shoal light stations enroute. The latter is located at the western entrance to the Straits.

The Cutter Acacia out of Port Huron will transport the four-man crew to Thunder Bay light station off Alpena this week.

The Beaver Island Mooring station will be manned later this month or early in May when the crew is transported by commercial craft.

Assignments in northern Lake Michigan as made by Raymond J. Gorman, ChBosn W-2, executive officer at the Group Charlevoix office are as follows:

Grays Reef light station: Donald F. Thurston BMI, Ernest Williams BMI, Jack W. Hopkins ENI and Michael J. Zuraw Fn.

White Shoal light station: Harry W. Towne BM2, Leland O. Steele ENI and Allan E. Schmid EN3.

Mackinac Island Lifeboat Station: Robert C. Betz, BMC, Officer in Charge, Charles Conway, Jr. BMI, Rupert P. Perry BMI, Daniel White BM2, Leo F. Glombowski ENf, Charles A. Hartman EN2, Craig A. Hultgren EN2, Edward D. Penk EN3, Lindy W. Schultz SN, William H. Isaacson SN, Michael T. Genier SN and Charles M. Coffey SA.

Poe Reef light station: Earl F. Dubby (civilian), Officer in Charge, Garabad Arsianian BMI, James J. DeMille ENI and Robert J. Porter FN.

Martin Reef light station: John G. Schuman BMI, Officer in Charge, Robert W. Copenhagen BM3, Clayton W. Locke ENI and Gerald R. Boardman FN.

Spectacle Reef light station: Robert M. Schultz BMI, Officer in Charge, John T. Crowe BM2, Harland D. Speer ENI, Wayne N. St. Pierre FN and Raymond J. Tarr BM2.

Thunder Bay light station: Edwin Pyrzynski BMCM, Officer in Charge, Arthur H. Greenwald BMI, Vernon C. Bullers ENI, Lloyd B. Aikens EN2 and Robert J. Hudspeth FA.

Assignments to stations located on the mainland will be published at a later date.

Petoskey Lions and Traveling Porky Visits Local Club

Eight members of the Petoskey Lions club, accompanied by a surprise guest who answers to the name of Porky, were guests at the regular luncheon meeting of the Charlevoix Lions club held Monday at the Weathervane Inn.

Porky, who began his travels at Kaleva on Nov. 16 is enroute to his 'home' there after visits to 15 northern Michigan clubs to date. He will be escorted along his journey by a delegation from the local club at a later date.

Porky shared the limelight with C. L. Johnson of Petoskey, area manager for Michigan Bell Telephone Co., who spoke on "Telestar". He showed a model of Telestar and played recordings of programs broadcast via the satellite which is the result of 35 years of experimentation. He explained how Telestar was launched, that it is operated by the use of solar batteries and that its effectiveness is due to transistors which have replaced the conventional vacuum tube. He said that Telestar II would be launched shortly and that eventually there will be a system of Telestars orbiting the earth thus making it possible to handle an infinite number of overseas calls where now there are only 700 overseas circuits. He added that the Bell Company had already invested $50 million of its own money in the project.

Guests at the meeting were George Cales president of the Traverse City club and Dr. E. Charles Price, president of the Petoskey club, William Blanchard, Dennis Custer Jr., Dale Graham, Harold Hayner, Carl Smith, Ray Fochtman and Al Sidow, also of the Petoskey club who served as Porky's honor guard.

Mrs. Gross Becomes Bride Of Henry Allen Pontious

Westminster Presbyterian church in Akron, Ohio, was the scene Saturday of the wedding of Virginia Kay Gross of Hanover, N. J., and Henry Allen Pontious of Wharton, N. J.

Parents of the couple are Mr. and Mrs. Lester Paul Gross of Wadsworth, Ohio, and Mrs. Isaksen Pontious of Charlevoix and Elry E. Pontious of Portland, Ore.

Dr. Noel E. Calhoun Jr. officiated at the double ring service in the presence of more than 75 guests. Dr. Farley Hutchins was the organist and John Crowe the soloist.

Given in marriage by her father the bride selected a bridal gown of white silk organza over taffeta for her wedding. Designed with a moulded bodice, elbow length sleeves, scoop neckline and ballerina length skirt, the gown featured a front panel enhanced with Venice lace appliques extending to the hemline. Her shoulder length veil of imported silk illusion fell from satin and lace petals edged in seedpearls. She carried a white Testament and white cymbidium orchids.

Mrs. Paul McClure of Lansing, sister of the bridegroom, was matron of honor. She wore a peacock blue silk organza over taffeta dress fashioned with a fitted bodice, cap sleeves, scoop neckline and a dome-shaped skirt formed by unpressed pleats. Her crescent-shaped bouquet was of pale pink carnations.

Mr. McClure assisted his brother-in-law as best man.

Seating the guests were Harold J. Isaksen and Henry M. Isaksen of Sturgeon Bay, Wis., cousins of the bridegroom.

Immediately following the afternoon service a reception was held in the Fellowship Hall of the church and catered by the Wedding Reception Committee of the Church Women's Association. Judy Isaksen of Sturgeon Bay, cousin of the bridegroom, was in charge of the guest book.

The couple left on a week's wedding trip to Bermuda and after Apr. 22 will be at home at 157 Pleasant ave., Hanover, N.J. For traveling the bride changed to a neutral plaid wool suit and black patent accessories complimented by white cybidium orchids.

The bride is a graduate of Pennsylvania State University where she was affillated with Gamma Phi Beta social sorority and Phi Sigma Iota and Pi Gamma Mu honorary sororities. She is presently teaching Spanish at Hanover Park high school in Hanover, N. J. Mr. Pontious is a graduate of the University of Michigan and is a mechanical engineer at Picatinny Arsenal at Dover, N. J.

Mrs. Pontious entertained at a rehearsal dinner at the Holiday Inn in Akron, Ohio, Friday evening.

Among the guests were Henry Isaksen of this city, grandfather of the bridegroom, Mr. and Mrs. William Kerr, also of Charlevoix and Linda Potts of Petoskey, cousin of the bridegroom.

Mrs. Robert Hooper Named President Dickens Study Club

Mrs. Robert L. Hooper was named president of the Dickens Study club for 1963-64 at the final meeting of the club held Monday at the home of Mrs. Earl A. Young.

Mrs. Harold Bedford was elected first vice president; Mrs. Frank Courier, second vice president; Mrs. Robert Winchester, secretary and Mrs. Terry Rice, treasurer.

Mrs. Hooper will succeed Mrs. Robert Gill.

At the tea which followed Mrs. Hooper and Mrs. Courier presided at the refreshment table which was decorated in a spring motif.

The club will suspend activities until October when the club year begins.

American Legion Auxiliary Hears Mrs. James Bates

Mrs. James Bates, Lower 11th district president of the American Legion Auxiliary, was a guest at the regular meeting of the local Auxiliary held Monday at the home of Mrs. George Hallam.

Mrs. Bates spoke on the accomplishments of the district and outlined new procedures and rules now in effect. She also presented the local group with a national citation for its 1963 membership which is two over the quota.

An invitation to participate in a joint initiation of new members with the East Jordan group on Apr. 23 was read; the auxiliary voted to contribute $10.00 to the V. A. Hospital at Battle Creek toward the cost of a veterans party and to send seven Mother's Day greetings and handkerchiefs to the VA hospital gift shop. It was announced that the annual veterans' party would be held at the Battle Creek hospital on May 10 and that everyone who wished was invited to assist with the project.

A social hour and refreshments served by Mrs. Halian and cohostess Mrs. E. A. Mock were enjoyed by the 15 members present.

Schedule Meetings To Air Pros and Cons Of Wheat Referendum

Pros and cons of the proposed wheat program for the ensuing year will be the subject for discussion at two separate meetings which have been scheduled in advance of the referendum vote to be held May 21.

The first meeting, sponsored by the Charlevoix County Farm Bureau is scheduled for 6 o'clock next Monday evening at the Top 'O Michigan Rural Electric Co., office, Boyne City, according to Edward K. Shanahan. All persons interested in the proposed wheat program are invited to attend.

The second meeting is planned for 6 o'clock, May 1, at the county building, Charlevoix. The Agricultural Stabilization and Conservation County Committee is sponsoring this meeting for the purpose of explaining and answering questions relative to the proposed wheat program. Wheat growers and others interested in the wheat program are invited to attend.

All farmers who have signed up to participate in the wheat control program during the ensuing year are eligible to register at the May 21 election. Heretofore, only growers who had a quota of 15 or more acres were permitted to vote on the wheat quota and allotment program. Growers must register not later than May 13 at the office of the Agricultural Stabilization and Conservation County Committee, Boyne City. Applieations to participate in the program and registration form have been mailed to farmers who have previously participated in the program.

It can be assumed the two scheduled meetings will have opposite purposes, since the Farm Bureau organization has gone on record opposing government controls of agriculture. In all probability the meeting sponsored by the Farm Bureau will present what they believe to be pitfalls and shortcomings of the proposed program. The other side of the story will likely be the theme at the meeting sponsored by the ASCC.

Mayor Appoints John R. Michael City Attorney

Mayor E. D. Hawley's appointment of John R. Michael as city attorney to succeed Norman D. Ance was approved by a four to two vote when presented to the city council at its regular meeting Monday night.

Mr. Michael came here earlier this year from Detroit to open a practice.

Approving the appointment were William Fochtman, Kenneth Staley, Jack Grubaugh and Donald Parsel while Robert Neff and Robert Gill voted against it. He will succeed Mr. Ance who has served in the office for 17 years.

Re-appointments which were approved include: James Taylor, city superintendent; Leo Allard, street commissioner; Joseph L. Smith, Chief of Police and Harbor master; John Curtis, Fire Chief; Patrick R. Martin, assistant Fire Chief; J. L. Feindt, assessor; Joseph McPhillips, Airport Manager; Mary Feindt, surveyor, and Dr. Robert G. Martin, health officer.

Mayor Hawley also appointed council committee with the first named serving as chairman. They are as follows: Finance, budget and licenses: William Fochtman, Kenneth Staley, Robert Gill; Utilities, streets and airport: Gill, Jack Grubaugh, Staley; Police, fire and ordinance: Robert Neff, Fochtman, Donald Parsel; Docks and harbors, parks and cemetery: Staley, Fochtman, Grubaugh; Board of Commerce, public buildings and public health: Parsel, Gill, Neff; Recreation, industrial development and resort development: Grubaugh, Parsel, Neff.

Beaver Islander Begins Regular Spring Schedule

The motorship, Beaver Islander of the Beaver Island Boat Co., made its initial run of the 1963 season Friday, leaving here at 9 a.m. and making the trip without incident though it was necessary to skirt drifting ice enroute.

Effective Monday the trip began its regular schedule of three trips weekly until May 1 when it will operate daily except Sunday from St. James harbor.

This will be the first full season for the Beaver Islander which makes the 32 mile trip in two hours, leaving the island at 9 a.m. and arriving here at 11 a.m. It departs on the return trip at 1:30 p.m.

To Give Postal Carrier Exams

Area residents interested in filing an application for the postal clerk-carrier examination are reminded by Postmaster Peter H. Timmer that applications must be filed at Marquette by May 2.

Applications and information regarding the examination may be obtained at the local postoffice.

Mr. Timmer said there were no vacancies to be filled at this time but that examinations were being given in order to compile a list of prospective candidates for any future vacancies.

U.S. 31 Detour Now in Effect

A detour on US-31 between Eastport and Atwood in Antrim county went into effect Tuesday according to the State Highway Department.

The detour, scheduled to remain in effect until mid-summer, is in conjunction with a $424,681 modernization project of five miles of US-31 between Atwood and Eastport.

Traffic will be routed onto M-66 at Eastport, east to Central Lake and north on the Ellsworth road to Charlevoix.

Charlevoix Band Parents Continne Candy Sale

The annual Charlevoix Band parents candy sale is in full swing according to C. A. Odmark, director of bands, who is coordinating the sale of the delicious Murdick confection.

Approximately 700 boxes of candy were sold on the opening day door-to-door solicitation staged by the Senior band members on the day before Easter. Since then Reserve and Senior band members have been issued additional candy and have reported brisk sales. At the present rate, all candy will be gone by the end of the week, Mr. Odmark said.

If anyone has been missed or wants more candy he should contact any band member or call Mr. Odmark at LI 7-2493. A salesman will call promptly.

Proceeds from the event will be used to underwrite the cost of total accomodations for the Senior Band at Lansing Saturday when the 80 piece organization participates in the State Band and Orchestra Festival at Battle Creek. The plea now is: Help send the band downstate by buying several boxes of this year's band candy!

Beaver Islander Makes First Trip of Season

Courier Photo

Heralds of spring and aummer are the first robins, opening of motels that have been closed for the winter, arrival of the first tanker vessel with its load of motor fuel and finally the Beaver Island ferry (above) leaves Charlevoix on her first trip to Beaver Island with a load of supplies, which marks the opening of regular ferry service between Charlevoix and the Beavers.

Presently the Beaver Islander is operating from Beaver Island to Charlevoix and return on Mondays, Wednesdays and Fridays. Beginning May 1 the schedule will be daily, except Sundays, leaving the Island at 9 a.m. and leaving Charlevoix at 1:30 p.m.

The seven day a week schedule will start June 15, leaving Charlevoix at 9 a.m. and leaving Beaver Island at 1:30 p.m.

Highway Dept. Compromises on Signs Program

As the result of a year's work between six northwestern Michigan communities and the Michigan Highway Department, a compromise signing program for I-75 and US 31 haa been worked out according to Paul Kohler, secretary-manager of the Charlevoix Chamber of Commerce.

Under the plan Charlevoix will be added to the southbound US 31 sign just south of Mackinaw City and M-32 at Gaylord which has been extended by signs from Gaylord to Charlevoix aria East Jordan. East Jordan will also be on the M-32 sign.

Other changes will find M-66 extended from Alanson to Petoskey along with US 31 and Petoskey will be added to the sign at Indian River on both north and south routes. Cross Village will be added to signs at the Cheboygan Highway (also known as the Levering interchange) north of Riggsville.

The purpose of the long eampaign was to let transient motorists on the expressway know where various resort communities were located and how to get to them, Mr. Kohler explained. Part of the problem was federal regulations on federal highways requiring towns to be on the route to be listed and limiting the number of highway markers.

The area chambers including Charlevoix, East Jordan, Petoskey, Cadillac, Traverse City, and Manistee prepared a serles of slides for the Michigan Highway Department showing the existing signs and then presented with them an artist's eoneeption of signs they would like.

The results of the extensive campaign were announced in Lansing last week by John Meyer, deputy administrator of the department.

Charles Stokes' Purchase Ironton Service Station

Ironton—The sale of the Ironton Service Station, garage and laundromat to Mr. and Mrs. Charles Stokes who have come here from Virginia Beach, Va., has been announced by Mr. and Mrs. Glenn Williams, well known Ironton residents who established the business in 1947.

Mr. and Mrs. Stokes have assumed possession of the business and will continue to operate it as in the past.

Mr. Stokes was manager of a Rambler dealer service at Viginia Beach prior to coming to northern Michigan. Before that he had served 11 years in the U. S. Army and Navy. Mrs. Stokes is the daughter of Mrs. Dorothy McClure who owns and operates the Lakeview Terrace Motel at Boyne City. They have one daughter, Carol, of school age. She is completing the school year at Virginia Beach before joining her family here.

The couple plan to operate the business from 7 a.m. to 9 p.m. Monday through Saturday and from 6 to 11 a.m. and 12:30 to 6 p.m. on Sunday.

Mr. and Mrs. Williams plan to retire and make their home in Ironton for the present.

Cedar Springs Chosen for Mayor's Exchange Day

Initial plans for the 1963 Mayor's Exchange Day when Charlevoix and Cedar Springs will exchange city officials were discussed at the regular meeting of the city council Monday night.

Mayor E. D. Hawley appointed First Ward Alderman Robert Neff to serve as local chairman for the entertainment of city officials from the downstate community on Monday, May 20.

Tanker Polaris Makes Petroleum Delivery Here

The Cities Service Marine Terminal on Ferry ave. received its first ship of petroleum products Saturday via the tanker Polaris of Cleveland Tankers Inc., 16 days later than in 1962, T. R. Weidman, terminal manager, has announred.

The tanker delivered more than 1.3 million gallons of petroleum products including 551,166 gallons of gasolines and 752, 420 gallons of fuel oils.

Mr. Weidman had said earlier that a late delivery in December had kept the terminal from running out of any of its products. However, when the tanker arrived Saturday the No. I fuel oil supply was very low.

Who missed his calling? Pictured above are members of the Charlevoix Lions club pampering Porky which was presented to them last week Monday by the Petoskey club with instructions to increase bis weight by 10 pounds and deliver him to another Lions club. Five days later. on Friday, he was presented to the Ellsworth Lions weighing 10 pounds (?) more. Bob Ferguson cared for Porky and we can't help but wonder if he fed him cement instead of corn.

Pictured above, attempting to get Porky into his portable home, are from (l to r) Don Meggison and Dean Davenport; back row (l to r) Paul Kohler, Robert Ferguson, Don Kowbel, Jack Erber and Franklyn Ochs.

Free Porch Lights Is Problem Facing City Adminstration

The Charlevoix city council had one of its busiest sessions in recent months Monday night, taking under advisement a number of issues while completing action on others.

Mayor E. D. Hawley announced his appointments for the 1963-64 session before launching into the other issues that face the new council.

Mayor E. D. Hawley announced his appointments for the 1963-64 session before launching into the other issues that face the new council.

Fred White, supervisor of 20 Northern Michigan counties for the Michigan Tax Commission, appeared before the council to speak on the feasibility of the city engaging an outside appraisal firm to conduct a complete new appraisal of the city and set new valuations. He added that this also could be done by adding new personnel to the present assessing staff to work with Russell Curtis, head of the Charlevoix county Assessment-Equalization Department. Mr. White did not say that the new appraisal had to be made but did suggest that it should be done. City Supt. James Taylor was asked by the council to draw up specifications in the event the council decided to engage a firm to do this job.

Lee Sneathen Jr., Hayes township supervisor, accompanied by Clyde Cunningham, supervisor of Marion township, appeared to ask that Hayes township fire contract with the city be decreased from 6/10 of a mill to .55 mills because of the large increase in the township's valuation. He also stated that the Charlevoix fire department had not provided a tanker truck for water as had been promised earlier. He was advised that the situation would be improved and that the proposed decrease would ge taken under advisement.

Mayor Hawley has asked the electrical eommittee headed by Alderman Robert Gill to work out a system whereby the City can meter all porchlights. In the past many homes, especially the older homes in the city, have enjoyed free porchlights.

Third ward alderman Jack Grubaugh asked that a monthly or quarterly report of the electric department on an accrual basis be made. This also was taken under advisement.

The airport improvement program was discussed and the council advised by Mr. Taylor that the Michigan Department of Aeronautics has advised that the council acquire two five-acre parcels of property east of the runway in order to have an air easement at the approaches to the field. The council considered two proposals made by the property owners, Richard Lyons and Percy Butler, and then decided to leave the final decision regarding the acquisition of the property to the Department of Aeronautics.

The council approved a resolution releasing any mineral rights on the airport property to the state. This became necessary when the city obtained state aid for airport improvements.

The bid of the Dolman Knoll Co. of Holland in the amount of $1,492 for the cleaning of the exterior of the city hall by sand blasting was accepted. It was lowest of three bids received for the work to be completed within 30 days of the awarding of the bid. Other bidders were Chicago Tank and Bridge Co. of Rockford, Ill., whose bid was $1,695 and Greenwell-Cashero Co. of Detroit, $2,335.

Approvai was given the transfer of a Class C and SDM license from Steve Dubell to Irving and Anna Drost subject to approval by the Michigan Liquor Control Cimmission.

Mrs. Rebecca Adamson of Jackson who owns property at the northwest corner of May and East Lincoln will be advised in a letter that she must have the property eleaned up or the city will do it and bill her for the work.

A special meeting of the finance committee was scheduled for May 6 prior to presenting the 1963-64 budget to the council for approval.

BETWEEN YOU AND ME

- By Harold E. Kohn -

Remove The Insulation, Lord

O Lord,
Children are so fortunate.
They are not yet
Heavily insulated
by too much familiarity
with the world.

* * *

They still feel
The exciting surge
of electric delight
upon discovering
A wasp drowsily crawling
on a window pane
while first emerging
from winter sleep
or upon
Hearing the first
spring peeper's call
in the greening marsh,
or upon
Seeing the first tree swallow
floating on spring's
damp breezes.

* * *

Children revel
in April's first rain
and
Gambol on May's new grass
and
Lounge in June's languid
sunshine
and
Swim in July's laughing waters
and
Become gladly grimey
with August's dust
and
In every season
draw good Nature
to their hearts
with gladness.

* * *

O Lord,
Strip the insulation
from our souls
So that, like little children,
We may savor
life's simple pleasures,
Taking nothing for granted,
Taking all things for joy.
In the name of One
Whose soul was bared to Thee
and all Thy works
and
Who delightedly pointed
Near His feet and said,
"Behold
the
lilies
of
the
field."

— AMEN —

CORRECTION

Mrs. James Votrube's obituary eppearing in the April 11 issue of the Charlevoix Courier should be corrected to read: Mrs. Votruba wes born May 12, 1878 at Kenosha Wis., and died at the St. Lawrence Hospital in Lansing.

Sorry

"The heading on the Gross-Pontious wedding report which appeared in the April 18 issue of the Cherlevoix Courier should have read: Miss (not Mrs.) Gross Becomes Bride of Henry Allen Pontious.

Charlevoix IN UNIFORM

Pvt. Ronald B. Fratrick who departed recently for duty in Europe now has the following new address: US 5573 8912 Co. A 8th Sig. BN. APO 111 New York, N.Y.

He recently completed an eight-week radio relay and carrier operation course at the Southeastern Signal School at Fort Gordon, Ga.

A 1060 graduate of the Charlevoix high school, he enlisted in the U.S. Army in Nov. 1962 and completed basic training at Fort Leonard Wood, Mo., before going to Fort Gordon. He is the son of Mr. and Mrs. John Fratrick.

Pvt. Fratrick expects to remain in Germany for the next 18 months.

Pfc. Steven LaBlance arrived unexpectedly Sunday from Fort Carson, Colo., to spend an Easter week leave with his parents, Mr. and Mrs. George A. LaBlance.

Pfc. LaBlance received publicity recently when he found a cash-filled wallet lost near Carson two years ago by a Colorado Springs resident. He wa attempting a 50 mile hike to Pueblo when he saw the wallet on the median strip of the highway. He turned the wallet and the $74 and papers into the Provost Marshal's office.

The owner, H. L. Reibscheid remembered losing the wallot in '60 while returning from a Civil Air Patrol inspection at La Junta when he stopped to pick up five young hitchhikers.

"His honesty is refreshing in the era", Reibscheid said, astonished at this extraordinary display of integrity on the part of the young soldier.

Five Generations

Mrs. Agnes 'Grandma' Engstrom, celebrated her ninety-ninth birthday anniversary last week, is pictured here with the four succeeding generations of her family. They are Mrs. Emerson Hull (standing right), her daughter, Mrs. Robert D. Miller, her daughter, Mrs. Ernest Smith Jr. of LeMesa, Calif., and the youngest member of the group, Sandra Smith, also of LeMesa.

Community Chest Sets June 3 for Budgets and Admissions Meet

The Charlevoix Community Chest will hold its annual Budget and Admissions meeting for the 1963 fund drive on Monday, June 3, it has been announced following the annual meeting and election held last week.

At that time all participating agencies are to submit copies of their itemized budgets. Prior to that date any agency not a member may apply for admission in writing for procedures to qualify. Member agencies must submit 11 copies of their budget requests to the secretary.

At the annual meeting, four directors were named to the board. They are Ann Cunningham and Frank M. Oleksy who had been completing unexpired terms and who were elected to full terms and Ernest L. Murri, all of whom were elected to three-year terms and Mrs. Robert Anderson who was elected to fill the unexpired term of Mrs. Dean Davenport who has resigned. Mrs. Davenport has served as chairman of the board for the past year.

At the organizational meeting following the election, Don Anders was elected president; Robert O. Pearl, vice-president Mr. Oleksy, secretary, and Mr. Murri, treasurer.

Committees for the year as named by Mr. Anders include: Budget; Miss Cunningham, Curtis B. Burlin and Mr. Murri; campaign, Mrs. Anderson, J. L. Feindt and Mr. Murri; publicity; Mr. Pearl, Mr. Oleksy and Mrs. Frank Bourgoin.

Several amendments regarding member agencies, payment of funds to agencies and fund-raising projects of member agencies were adopted. The board also voted that a member cannot be re-elected to succeed himself after serving a full three-year term but must be off the board for one year before accepting another term.

Mrs. C. A. Duerr is executive secretary of the board.

C.H.S. Concert Band to Participate In Band and Orchestra Festival

The 80-piece Charlevoix high school concert band, under the direction of C. A. Odmark, will participate in the State Band and Orchestra Festival at Battle Creek Saturday.

The Charlevoix group is scheduled to play at the Springfield high school two miles outside Battle Creek at 3:45 p.m. Saturday.

The band will leave here early Saturday via school bus for the trip to southern Michigan. After appearing in the festival at Battle Creek, the group will spend the night at the Capitol Park Motor Hotel in Lansing before starting the return trip shortly after noon on Sunday.

The adjudicators who will hear and rate the band will be Dr. Allen P. Britton of the University of Michigan, Karl Schlabach, registrar at the Benton Harbor Community College, Bruce Houseknecht, director of bands at Joliet Township high school at Joliet, Ill., and Roger E. Jacobi of the University of Michigan.

The band will play as its warm-up march the "Emblem of Unity" by Richards before presenting the State Class C required number, "Overture in a Classical Style" by Carter and its selected number, "Grecian Theme and Dance" by Cacavas. Following the playing of the concert numbers, the band will go to the sight-reading room where it will read two numbers at sight with only five minutes for preparation. Ratings given by the three concert judges will then be averaged with the rating awarded by the sight reading judge for the final and official rating.

This will mark the sixteenth time in 17 years that Charlevoix bands have qualified for State Festival participation by winning 1 rating in district festival. In 1962 the band received 11 rating in state competition.

Charlevoix will be among the more than 200 bands and orchestras participating in this year's state festivals. Other area bands, their directors and their schedules for appearance in the festival are Boyne City high school, directed by Herbert Parrott, playing at Springfield high school at 5 p.m., and the East Jordan high school band, directed by Dwight Smith, playing at Southwestern Junior high school in Battle Creek at 2:30 p.m.

Making the trip with the Charlevoix band will be Miss Frances Milner, Mrs. Ralph McRae, Mrs. Odmark, Louis Edwards who will drive Edwards van loaded with luggage to Lansing and Mr. Odmark. Two busses, driven by Martin Elzinga and John Martin, will make the trip.

Judith Ann DeYoung & Mr. Vollmer Speak Vows in Evening Rites

Ellsworth . . . Judith Ann DeYoung, daughter of Mr. and Mrs. Hans DeYoung of Atwood, became the bride of Robert Vollmer, foster son of Mr. and Mrs. Richard Kayner of Ellsworth at an impressive double ring service at the Atwood Reformed church Saturday evening.

The Rev. John Hamersma officiated at the ceremony in the presence of 140 guests before an altar decorated with baskets of white and yellow gladioli and snapdragons and lighted candelahra. Mary Jean Essenberg of Grand Rapids played the traditional wedding marches and accompanied Mrs. Robert Klooster of Norwood who sang "I'll Walk Beside You", "This Is the Day" and "The Wedding Prayer".

Given in marriage by her father, the bride chose a gown of de-lustered satin for her wedding. Fashioned with a fitted bodice, scalloped neckline and long sleeves, the gown featured a full skirt trimmed in lace which ended in a chapel length train. A crown of white roses secured her shoulder length veil. She carried a cascade bouquet of yellow roses and white carnations.

Larry Kayner, assisted his foster brother as best man. Dean DeYoung, brother of the bride, was groomsman. Seating the guests were Wayne Goeman of Mt. Pleasant, cousin of the bride, and William Wynsma.

A reception followed in the fellowship room of the church. Assisting were Mrs. William Wynsma, Mrs. Larry Kayner of Grand Rapids, and Mrs. Edwin Drenth.

Following a wedding trip to southern Michigan, the couple will make their home at Atwood. For traveling the bride chose a beige boucle dress and brown accessories complimented with a yellow rose corsage.

Both are graduates of the Ellsworth high school. The bride also attended Central Michigan University. Mr. Vollmer is a graduate of Grand Rapids Junior College and Calvin College. He is employed at the Ellsworth Farm Store.

Wedding guests were present from Palmyra, Adrian, Detroit, Grand Rapids, Lansing, Auburn, Mt. Pleasant and East Lansing.

Mrs. M. A. Levinson Honored by OES at Regular Meeting

Brownie Scouts to Entertain Fathers At Annual Banquet

Charlevoix's Brownie Scouts, numbering more than 80, have invited their fathers and other guests to join them for the annual Father and Daughter banquet to be held at the Charlevoix high school cafeteria at 6:30 p.m. Tuesday.

A box social type of banquet will replace the potluck suppers of the past with each little Brownie bringing food for herself and her father or guests in boxes which the girls have decorated at regular meetings. Tables will be laid with place mats also decorated in a spring motif by the Brownies.

Other guests will be their leaders and assistant leaders according to Mrs. Ray Wood, general chairman of the event.

Highlights of the entertainment will be a 'secret' skit and a spring fashion show featuring a Brownie' conception of the new spring fashions. Participating in the show will be Bess Bergmann, Alison Bevan, Kathy Blissett, Debbie Emmons, Mary Ann Reisland and Linda Wood. Mary Moore will be the commentator. Linda Supernaw will be song leader. The Rev. Raymond J. McBratnie will give the invocation, Mrs. Versal Seymour will be mistress of ceremonies. The flag ceremony will be conducted by Marijo Goss, Terry Wood and Peggy Williams.

Senior Aids will assist with the coffee. Mrs. Lester Smith is chairman of the coffee committee.

CHS Seniors Take Airman Qualifying Examination

As part of the overall testing program at the Charlevoix high school, 20 seniors took the Airman Qualifying Examination recently.

Administered by Air Force personnel, the two-hour test is designed to locate the operational levels of students in the four large fields of electronics, mechanics, administrative and general abilities according the H. E. Bingham, high school principle, and William Ratigan, school counselor.

Two senior girls, including one from Central Lake, were elected to write the service aptitude test which constitutes a definite challenge to any student, particularly in mechanical and electronical know-how.

The number of boys, all of whom were from Charlevoix, was more than double that of last year, reflecting the philosophy of the school and the board of education. . . .that a variety of tests be offered students so they may have a chance to explore their special capabilities and so they may get the benefit of test-practice for scholastic, industrial and other employment tests of the future.

Mr. Ratigan estimates that the majority of the local participants chose to take tho Airman Qualifying Examination for experience and for the opportunity of finding out the field of work for which they seem best qualifed. Without exception the Charlevoix students are bound for college, technical school or specialized training beyond graduation.

Results of the examination will be available in two weeks. At that time the scores will be individually interpreted by Mr. Ratigan to the seniors whose vocational plans and interests will be compared with the findings of the examination.

Mr. and Mrs. Roger Sitzema and daughter spent the weekend in Hudsonville and Grand Rapids.

Mr. and Mrs. Henry Rubingh of Grandville spent Saturday at the homes of his brothers, James and Martin Rubingh. A supper was enjoyed at Bud's Grill in Bellaire by the families in honor of the 19th wedding anniversary of Mr. and Mrs. James Rubingh.

Mr. and Mrs. Miner Koster of Grand Rapids were weekend guests of her brother-in-law and sister, Mr. and Mrs. Theodore Vail.

Mr. and Mrs. James Elzinga commerated their 61st wedding anniversary Wednesday, April 24.

Mrs. Winnie Hoffman has moved into the house she purchased last fall from Edward Tornga.

Mrs. John James has gone to Alba to be with her mother who is ill.

Beaver Island

By MARION MARTIN

Mrs. Mary Gatliff and son, Perry returned here last week after spending a couple of months in Detroit and Chicago with relatives.

Mrs. Vernon LaFreneire is a visitor in Charlevoix.

Bernie Ward, Jr. and Clayton Smith of Charlevoix spent the week of April 4 through 11 beaver trapping here and filled their quota.

Fire of unknown origin completely destroyed Earl Boyle's farm house, barn and outbuildings about 1 a.m. the morning of April 16. By tha time the fire was discovered it was out of control and high winds helped to fan the blaze. The home was unoccupied as Mr. Boyle, who had spent the winter in Charlevoix, had started the sailing season.

Edward Palmer left for a couple of weeks visit in Manistee and Ludington.

Frank Near of Detroit came last week to spend the season here. Mrs. Near who had major surgery several weeks ago will arrive at a later date.

John Adams and his two sons of Jackson spent the weekend on tha Island.

Mr. and Mrs. Mike Cull, who spent the winter months in Bay City and Chicago with their families, cama back last week. Their son Jack of Chicago brought them and remained for a few days.

Stanley Floyd who spent the winter in Chicago returned here last Friday.

Mr. and Mrs. James O'Donnell had as their guest for a couple of days, their son-in-law, Clifford White, of Muskegon.

Mr. and Mrs. Lynn Rosentree of Chicago are at their homa here for a few days.

Charlie Martin left for Grand Rapids to attend the funeral of his brother, Wilbur J. Martin, who died unexpectedly April 18 in Traverse City.

Mrs. Grace Coie is a visitor in Charlevoix.

Robert Gillespie who suffered a severe injury to two fingers on his left hand is a patient in Little Traverse hospital in Petoskey. His father, Jewell Gillespie, took him to the hospital.

Guests at the home of Mr. and Mrs. Jack Martin are their sons Jack and Jerry and their son-in-law and daughter, Mr. and Mrs. Griffin and sons all of Flint.

The ferry "Beaver Islander" was indeed a welcome sight as she made her first trip of the season Friday, April 19. Tha harbor here is completely free of ice.

Raymond Lewis who spent the winter on the mainland returned here Saturday.

Beaver Island Civic Association held their monthly meeting April 18 at the medical center.

Wedding bells rang March 23 for Kenneth Seuter and Judith Dorgal in Holland. Kenneth is the grandson of the Arthur Larsens of this city.

Mrs. Lila Jones (Lila L. Connoghan) of Charlevoix and Max Selfridge were married April 5 in Petoskey.

UNLIKE MOST APPLIANCES, your telephone will be repaired whenever necessary without extra charge to you. This applies, with normal use, even to complete replacement. This assurance, always in ... just one reason why telephone service is one of your biggest bargains. Should you have any telephone service problem, simply call Repair Service for prompt, courteous attention.

LIVING'S AS EASY AS 1-2-3 ... with handy extension phones to save trudging, time and temper. A space-saving wall phone in the kitchen, for instance, makes Mom's chores lighter, her days brighter. Or a lovely Princess telephone in the bedroom gives privacy by day, protection at night. And the whole family enjoys added convenience with a step-saving family-room extension. Ordering an extension telephone is as easy as 1-2-3, too! Just call our Business Office, or ask the man on the telephone truck.

THOUSANDS OF IDEAS for ways telephone people might do their jobs better! Where'd they come from? From Michigan Bell employees themselves, who submit their ideas through our Employee Suggestion Plan. Since the Plan was introduced sixteen years ago, 7,000 ideas have been accepted and put into use. In 1962 alone, 500 operating improvements resulted from employee suggestions, ranging from such a simple thing as an improved wire clamp to a major improvement in pole-setting methods. These practical ideas help us bring you the best possible service at the lowest possible cost.

To Broadcast The "Today" Show From N. Michigan

One of television's most popular daytime shows, the "Today" show, will broadcast from northern Michigan for five days in July, pending only final engineering surveys to be made by the network according to Hugh Downs, host of "Today", William T. McGraw, newly appointed director of the Michigan Tourist Council, and Mary Catherine Farley of Bay City, joint coordinator with Mr. McGraw.

Hugh Downs will be accompanied by the show's regular staff including Pat Fontaine and Jack Lescoulie. The show's news reporters, and commentators, Frank Blair and Martin Agronsky, will appear on the program from New York and Washington D.C.

In making the announcement Mr. McGraw said that the Michigan Tourist Council was happy that the National Broadcasting Co. and the show's cast and producers see Michigan as an excellent midsummer subject. He said the Council would return the honor by complete cooperation and every possible assistance to the writers, engineering staff and all other program personnel.

Also cooperation with NBC are Consumers Power Co., Leonard Refineries, the affiliated regional tourist associations of the Council and other interested Michigan organizations.

Several sites for the week's programming are being considered. The program's format of news, features and interviews will range over five basic themes to give the national audience a true picture of the beauty, culture and dynamic growth of Michigan.

The show has a weekly audience of more than 25 million persons and is carried on almost every NBC affiliate television station in the U.S.

John Cosgrove To Speak on Russia At P.T.A. Meeting

John Cosgrove of Traverse City, who visited Russia last fall on the People to People program sponsored by the U.S. State Department, will show slides and speak on his trip at the regular May meeting of the P.T.A. scheduled for 8 p.m. Wednesday May 1 at the elementary school cafeteria.

Mr. Cosgrove and his fellow travelers have combined their slides and information into a program whose aim is to bring a picture of the agricultural, educational and religious phases of life in the Soviet Union as they observed it.

At the recent P.T.A. meeting John Francis, Shiawassee county superintendent of schools, spoke on "Special Education" outlining in his talk how the program could include a speech correctionist and a remedial reading instructor and how it would aid the Retarded Children's Center.

Labels Are Your Key to Good Lawn Seeding

Sale of lawn supplies in the state each year amounts to millions of dollars, according to Agricultural Director G. S. McIntyre, who recommends prospective purchasers to read carefully the labels before buying.

Inspectors of the Michigan Department of Agriculture's laboratory division call at sales outlets to check labeling and take samples of such products as seeds, lawn fertilizers, soil conditioners and herbicides and pesticides often found in combination with lawn fertilizers.

Inspectors also check to see if products are licensed and registered with the Department. The label on seeds is especially important as it relates to germination and purity. Some grass seeds decline rapidly in germination ability from one year to the next.

During the last year's spring selling season inspectors picked up 245 samples of lawn seeding mixtures offered for sale in the state. Sixty-six of the samples had something wrong with the analytical claim. This included 15 that had incorrect purity analyses, while 10 had a germination below claim. Germination of 10 of the 19 as determined by the Department's seed testing laboratory was too low to permit further sale.

Chief Seed Analyst John E. Garver advises buyers to check carefully the components making a lawn mixture. "Bear in mind," he says, "blue grasses and red fescues make the best permanent fine-leaf turf, and rye grass is only a biennial. Germination of 75 per cent or higher should be expected, as well as reasonably low inert matter and weed content. The date of the test should never be more than nine months old."

Kiwanis Club Schedules Trip To Canadian Soo

Members of the Kiwanis club of, Charlevoix will play a leading role in the observance of Canada-U.S. Goodwill week Apr. 28-May 4 according to Barney Englehart, club president.

At this week's dinner meeting, all club members signed a letter being sent to the Kiwanis club at the Canadian Soo in recognition of Goodwill week, Mr. Englehart said.

On June 10 Charlevoix club members and their wives or guests will go to the Canadian Soo for a meeting at which the International present of Kiwanis will be the guest speaker.

On June 15, the local club will host its annual International golf tourney at the Belvedere club. Clubs in the Canadian Soo area will be among those invited to participate.

This marks the fortieth annual celebration of Goodwill week which is designed to focus attention on the century and a half that Canada and the U.S. have lived together in peace with their 3,000 miles of undefended border.

Banquet Honors CHS Coaches And Athletes

"I have never seen anything successful that doesn't have a winning philosophy" Coach Morley Fraser, head football coach at Albion College, told Charlevoix high school athletes and their coaches who were honored at the annual All-Sports banquet held Tuesday at the high school cafeteria and attended by more than 100 parents and friends of the team and school.

Coach Fraser, who gave an interesting as well as inspiring talk directed to both students and parents, went on to say that one must always have a winning philosophy on the athletic field, in the classroom and in everyday life. He urged students to keep busy with extra-curricular activities for it taught them to get along with their fellowmen. Athletics, he said teaches understanding, tolerance and the ability to work as a team and as a result teaches students to dress, act, speak and think as men.

He pointed out that everyone should have good credentials, both morally and academically, and that if one is to become a success he must start now to build these credentials. In conclusion he touched briefly on religion, saying that never yet has he walked out of church with a feeling of antagonism against anyone. He called religion and attendance at church a 'reconditioning" that everyone needs for, as he said "no one can go it alone".

Before hearing Coach Fraser, the guests heard Coach Don Carey introduce members of his championship football and his basketball squad as well as members of the track team and the cheerleaders. He introduced the latter in the absence of Coach S. E. Irish Coleman who is presently a patient at the Charlevoix hospital.

William Carey in his role of toastmaster, did an outstanding job. Supt. R .G. Bennett introduced Coach Fraser. C. A. Odmark directed group singing. Rev. George L. Majors gave the invocation.

William Carey please call at the Charlevoix Courier and pick up your free ticket to the Palace Theatre on or before May 4, 1963. Showing this week is "The 300 Spartans."

Annual Spring 4-H Achievement Set for May 6-7

The East Jordan high school will be the scene next month of the annual Spring 4-H Achievement Day according to Ed, Rebman, county extension director.

The event has been scheduled for Monday and Tuesday, May 6 and 7. Exhibits will be entered after school on Monday with the judging to be done that evening. The exhibits will be on display all day Tuesday with the style show scheduled for 8 p. m. Tuesday, May 7. At the latter event the 4-H girls will model the garments they have made and a style show winner will be selected to go to the state show.

Among the area leaders whose 4-H members will participate in the show were Mrs. Jerome Kimble, Mrs. William Potter, Mrs. C. A. Odmark, Mrs. Robert Bergmann, Mrs. Theodore Weidman, Mrs. Hiram Klooster, Mrs. Clyde Cunningham, Mrs. Thomas Louiselle, Mr. and Mrs. James McClanaghan, Darlene McClanaghan and Mrs. Aaron Brock. James McClanaghan and Peter Brock are junior leaders.

Expansion Program Planned by NMDC

Economic expansion in a 33-county area of northern Michigan is the goal of the Northern Michigan Development Council project which will start July 1 following approval of a Council application to the Area Redevelopment Administration for a $100,000 grant to carry out the project for the first year according to Myrton M. Riggs, Council president.

Approval of the ARA project was announced by Senators Patrick McNamara and Philip A. Hart.

The program will be carried directly to the counties by a three-man field staff. In addition to industrial promotion the program will include efforts to promote and build the Michigan area's tourist and resort industry, development of the economic use of forest products and community development.

Communities in the northern half of the lower peninsula may avail themselves of the service which will use Central Michigan University's Economic Expansion Center as its administrative headquarters executing most of the work in the counties themselves. CMU was selected as administrative headquarters and contractor for the Council-sponsored project because the University served approximately the same counties as the Council serves.

The federal grant will be supplemented by $18,000 contributed by CMU in the form of technical services through its schools of Business Administration, Arts and Sciences, Health, Physical Education and Recreation and Graduate Studies.

Charlevoix county is among the 24 in the lower peninsula designated for ARA assistance.

Problems Facing City Administration

(Continued from page 1)

Bills totaling $30,132.39 were approved and ordered paid. The figure includes a Social Security payment in the amount of $2,624.95; purchase of sewer and water accounts receivable, $7,070.49; final payment to Clifton Engineering Co. of Three Rivers for the new substation in the amount of $7,613.37; city used utilities, $1,368.65 and payroll, $6,186.15.

Many Apply for Admittance to Camp Daggett

Interest in the Camp Daggett camping sessions is running high this year according to Bob Woodruff, camp director, who said this week that applications were coming in much faster than in previous years and that one boya' session (July 8-20) is more than half filled.

A 10-week camping period is being planned for the 1963 season. This will include two-week period for both boys and girls.

Efforts are being made to accommodate the many people who could not be taken last season, Mr. Woodruff said.

Application blanks may be obtained at neighboring schools or by writing Camp Daggett at Petoskey.

New Law States When Hamburger Is Hamburger

A new state law regarding the making of meat labeled as 'hamburg, became effective recently. according to Mrs. Clare Brown, County Extension Agent, Home Economics, who said that beginning last Thursday beef which is ground and 30 per cent fat must be advertised as hamburg.

Meat advertised as ground beef cannot contain more than 20 per cent fat. The origanal law was amended by the 1962 legislature.

Michigan's new amendment to the Comminuted Meat Law makes this the most strict Meat Law in the United States.

Lions Club Inducts Four At Luncheon Meet

Four new members were inducted into the Lions club during a special induction meeting following the regular luncheon of the club at the Weathervane Inn.

They are John Michael, Ray T. Whaley, Norman D. Ance and Sylvester Weislik.

Dates for several special events were announced. They include the state convention in Lansing May 7 and 8; the White Cane sale July 27 and 28 and the broom sale to be held later this year.

Dean Davenport, King Lion, announced that he and a delegation composed of Don Meggison, Jack Erber, Don Kowbel, Kenneth Cellner, Don Johnson, Jesse Penn and Lyle Miles delivered Porky to the Ellsworth Lions club Friday night. Porky had arrived here from Petoskey Apr. 15 and was taken to neighboring Ellsworth after gaining 10 pounds in the five days he visited Charlevoix.

AGRICULTURE in ACTION

by M. L. Vogt

Which Way on Wheat?

Farmers sympathize with newspapers in their indignation at Washington attempts to "manage" news. For years farmers have been subject to the same kind of systematic, bureaucratic control efforts.

Most recently they boil down to the question of "Who will manage the farms of America,--farmers themselves, or the Secretary of Agriculture?"

Last year Congress enacted a multiple-price "certificate" wheat program, which contains the most restrictive, all-inclusive farm controls ever seriously considered for American farmers. Fortunately a section of the law gives farmers a chance to reject the proposed controls through a referendum to be held this spring. The program will be turned down if at least one-third of the growers vote "no."

Especially disturbing to farmers who believe that propagandizing by government is dangerous to self-government, is the flood of leaflets. news releases, tapes, speeches and films, streaming out of the Department of Agriculture. All urge a strong "yes" vote,—all hint that anything less would be disaster, and it goes without saying that all are paid for out of tax dollars. Against the millions of taxpayers funds spent by these public "servants," free farmers prepare to match their nickels and dimes.

In some areas of the state, it has been suggested that farmers who oppose the program enter public debate with local Agricultural Department employees. This is equal to farmers deciding which field to plow what seed to plant by engaging in argument with the hired man.

Farmers listen to talk of need to cut farm program costs and try to match this against the steady increase in Agricultural Department payrolls, now risen to 100,000 employees.

Last year Michigan Congressman Robert Griffin offered an amendment to the 1962 farm bill, stating that "employees in the Department of Agriculture shall at no time exeeed the number of farmers in America.

Although offered somewhat in humor at that time,--farmers are beginning to wonder.

CHS Band Gets All 1 Rating in State Competition

Charlevoix Band Wins Straight 1 Rating At State Festival

An elated Charlevoix high school band and an equally happy director, C. A. Odmark, returned home Sunday from the Michigan School Band and Orchestra Association-sponsored state festival after winning a straight I rating, the dream of all bandsmen.

Particularly gratifying to the band members and their director was the fact that all four judges who heard the band proclaimed it a First Division organization.

This is the first time a Charlevoix band has received the coveted straight I rating though it is the ninth time local bands have won top ratings in 18 years of state competition.

Comments by the judges, while technical in nature, were unanimous in their praise of the group. Typical comments include those of Dr. Allen Britten, professor of music at the University of Michigan, who said: "This is a superior organization that demonstrates the results of a highly competent and musically aensitive instructor as well as hard work on the part of the students".

Karl Schlabach, registrar of the Benton Harbor Community College, fomerly director of the Benton Harbor high achool bands and the composer of several compositions for wind emsembles, wrote: "The band seems to respond well to some of the old tonal changes . . . completes phrases well. Played very well as a whole".

Bruce Houseknecht, director of the nationally-famous Joliet Township high school band, Joliet, Ili., said: "A fine group reflecting fine training and conducting".

Roger E. Jacobi of the University of Michigan and supervisor of music in the Ann Arbor public schools and judge in the sight-reading division, considered by directors and students alike as the toughest part of the festival, wrote: "This is a fine band and one of the best I've heard today. This music was not too hard for o band of this caliber. Charlevoix is fortunate in having a fine teacher in Mr. Odmark. These students are receiving top quality instruction.

The band plays in tune with good tones and correct style. Congratulations on a very fine job. I'm glad you came—it was a pleasure to hear you".

The band caravan of three buses and a van returned home late Sunday afternoon from the successful trip which was without serious incident. The group had played at Battle Creek and spent Saturday night at the Capitol Park Motor Hotel, leaving there at 12:30 p.m. after the students had attended church and had breakfast.

Chaperones for the group were Miss Frances Milner, Mrs. Ralph McRae, Mrs. Odmark and Mr. Odmark of the faculty and Louis Edwards who also drove the luggage van. Drivers for the three buses necessary to transport the 80-piece group with their instruments and uniforms were Martin Elzinga, John Martin and James Elzinga.

School Head Resigns At Ellsworth

Ellsworth—Loren Hulsizer who has headed the Ellsworth Community School for the past four years, has advised the Ellsworth board of education that he has accepted a position of superintendent of the AuGres-Sims school district, effective July 1.

In submitting his resignation, Mr. Hulsizer indicated to the board of education that the past four years have been very enjoyable and professionally rewarding ond that his reason for changing position was for peraonal advancement.

The Class D school, located in Arenac county near the north shore of Saginaw Bay, has a membership of 500 as compared with 280 at Elisworth.

A native of Stephenson in Michigan's Upper Peninsula, Mr. Hulsizer is a groduate of Michigan State Univeraity with a B. A. degree and an M. A. degree, the lotter in school administration. Prior to coming to Ellsworth he was administrator and teacher at the Sheridan Road Air Force, is married and haa two daughters.

His successor at the local school has not been named.

School Board Sets Final Day For Petitions

May 11 will be the deadline for filing nominating petitions for the Charlevoix board of education, E. Darrell Dinwiddie, president of the board, has announced.

The election, at which one trustee will be elected for a term of three years, is scheduled for June 10.

The term of Clarence H. Smith will expire this year. Mr. Smith will be a candidate for re-eiection to the seven-member board.

Nominating petitions may be obtained at the elementary school offiee opposite the Grant st. entrance.

To be a candidate for trustee of the board, the person must be 21 years of age, a U. S. citizen, a resident of the state of Michigan for six months and of the school district for 30 days next preceding the election and own property which is assessed for taxes in his own right in the school district; if husband and wife own property jointly and, if otherwise qualified, each is eligible.

Farm Bureau to Campaign Against 1964 Wheat Program

Organized opposition at the county level was planned Monday night at a meeting sponsored by the Farm Bureau to oppose the 1964 wheat management program which will be voted on by wheat growers at a refcrendum May 21. The group met at the R.E.A. auditorium in Boyne City.

Dawson Way, district representative for the Michigan Farm Bureau summarized the effect the proposed wheat control program would have on wheat growers and agriculture in general. He said the real issue is, "Shall the formers transfer their right to manage their farms to a government bureaucracy directed from Washington for an experiment of a supply management theory?" He said the basic issue is not $2 versus $1 wheat in 1964.

He presented a campaign plan for the county Farm Bureau to use in an effort to familiarize forms with the vital issues and get their support to vote down tha program.

Members of the county farm bureau who attended the meeting are charged with the responsibility of carrying out the opposition to the wheat program in their respective communities, according to Edward K. Shanahan, chairmon of the Farm Bureau committee for this county.

Charlevoix to Host Annual Massed Band Festival

Charlevoix will be host Tuesday to one section of the annual Massed Band Festival to be held at Mancelona and Frankfort on succeeding days, according to C. A. Odmark, chairman of District II of the Michigan School Band and Orchestra Festival, sponsor of the popular event always held the first full week in May.

A total of 23 bands from throughout the north country will participate in the festivals, held in three sites because of the increased number of entries.

The festival format will be the same in oll three communities with the event beginning at 12 m. with each entry performing before a guest critic who will make a written criticism. The bands, however, will not be roted after playing a march and selected number of its choice.

The traditional parade through the business district will begin at 3 p.m. In Charlevoix, the parade will move out of the elementary school ond proceed through the business district from Park ave. to the high school where a massed band rehearsal will be held from 3:45 to 5:30 p.m.

The massed band concert, a thrilling spectacle, will begin at 7:45 p.m. with each of the visiting directors directing one of the numbers. The director's membership in the massed band will be recognized as he approaches the podium. In Charlevoix, 574 young musicians will combine their talents in the massed band.

Guest critics at the three sites will be Calvin Whitmore Benzie Central high school, Charlevoix; Herbert Parrott of Boyne City, Mancelona, and Max Smith of Petoskey, Frankfort.

A nominal charge will be made for all events with one ticket allowing the holder to attend the individual performances, the massed band rehearsal and concert.

Bands attending the festival here will be: Pellston, directed by Mrs. Thomas Spencer; Mackinaw City, Eric Kulpako; Harbor Springs, Joseph Jezlsek; Cheboygan, Ronald Smith; Rogers City, Delmar Conley; Onaway, Karan Preggitzer; Gaylord, Dean Fiedler; Boyne City, Herbert Parrott; the combined Bellaire-Central Lake-Ellsworth bands directed by Marshall Richards; Inland Lakes, Mr. Spencer and Charlevoix, Mr. Odmark.

Participating in the festival at Mancelona will be East Jordan directed by Dwight Smith; Grayling, Leroy Christian; Charlevoix Reserve band, Mr. Odmark; Mancelona, Gary Waldo; Petoskey Concert and Petoskey high school bands, Mr. Smith. The massed band will have a combined membership of 367 musicians.

At Frankfort where 330 young musicians will be participating in the massed band festivol the following bands will appear: Frankfort directed by Russell Little; Benzie Central, Mr. Whitmore; Leland-Glen Lake, Robert Jackson; Kingsley, Rolland Kaule ond the Traverse City Senior band, Rodney Cumberworth.

Conflicts and traveling distance sent the major number of bands to Charlevoix, Mr. Odmark said.

All locol residents are urged to turn out for this event, lending their support by attending all performances including the evening concert.

Cutter Bramble On Relief Duty For Sundew

U.S. Coast Guard Aids to Navigation including more than 70 buoys in various sizes are being placed at the present time by the U.S.C.G. Cutter Bramble which bas been dispatched from Detroit to take over the regular duties of the Cutter Sundew, now at the shipyard in Sturgeon Bay, Wis., for the repair of a major engine breakdown that sent the ship to the yards Apr. 10.

A total of 37 four ton buoys 6 ft. wide and 20 ft. long; 9 weighing approximately eight tons, 8 ft. wide and 26 ft. long and more than 30 radar reflector, nun and can buoys in several sizes will be placed at shoals and reefs and at the Mackinac bridge from Grand Traverse Bay through the Straits of Mackinac to 30 miles beyond St. Mary's river at False DeTour; south on Lake Huron to the Thunder Bay area and west on Lake Michigan to Manistique. The ship will also check and replace, if necessary, winter buoys.

The buoys are readied for the navigation season at Charlevoix and Mackinaw City where they are stored during the winter.

The Sundew is presently undergoing repairs at the Sturgeon Bay Shipbuilding and Drydock and may be back in operation later this month.

Mrs. Hilienbrand Dies in Detroit

Funeral services for Mrs. Veroniea Hillenbrand, 74, mother of Mrs. Frank Bourgoin, were held at the Church of Presentation in Detroit Wednesday. Burial was in Holy Sephulcer cemetery.

Mrs. Hillenbrand, who at one time lived here with her son-in-law and daughter, Mr. and Mrs. Leslie T. Ball who now live in Flint, died Sunday at the home of her daughter, Miss Elizabeth Hillenbrand, following a long illness.

Mr. and Mrs. Bourgoin were in Detroit for the services.

Set Dedication of Big Rock Nuclear Plant for May 21

Governor George Romney will be the principal speaker at the dedication of Consumers Power Company's Big Rock Point Nuclear Power plant scheduled for Tuesday, May 21, Consumers officials informed the Charlevoix Courier Wednesday.

The ceremonies, to be held at the plant site northwest of here, were planned to coincide with the state's observance of Michigan week May 19-25, the theme of which is "Science and Research for Our Future".

The Big Rock Point Plant, the first atomic power plant in Michigan to go into operation, is in the early phases of a four-year research and development program being conducted by Consumers in cooperation with the U.S. Atomic Energy Commission and General Electric. The plant achieved its "initial criticality" or first chain reaction of atoms last September, generated its first electricity for Consumers' statewide system on Dec. 8, and on March 27 this year reached its initial full capacity of 50,000 kilowatts. The research and development phase followed this milestone in the plant's brief history. At the conclusion of this period, it is expected that the plant's generating capacity will have increased to a total of 75,000 kilowatts.

Dedication ceremonies will be attended by representatives of Michigan's leading businesses and industries, the press and state officials along with dignitaries from the area near the plant in northwest lower Michigan. They will hear brief talks by top officials of Consumers, the U. S. Atomic Energy Commission and the General Electric Co.

GEORGE ROMNEY REPORTS

This is the first time I've been able to sit down and record some of my observations about capitol events for the weekly newspaper readers who comprise such a large segment of Michigan's population.

I intend to make this a weekly habit, and I hope that you will make reading it o weekly habit too. I believe that one of the most important ingredients of good government is effective communication between governmental leaders and the people they serve.

Of course this is a two-way street. The editor has graciously afforded me this opportunity to express my views, and the least I can do is to invite you to express yours.

The Capitol has a pretty big mailbox, but os far as I know it has not been filled to capacity yet. If you have opinions which you want to get off your chest, why not sit down and write a letter about them? Send your letters to your own legislator or to Governor Romney, Lansing, Mich.

Your response will help me keep informed about what you're thinking, and that'a one of the most important parts of my job.

You have been hearing a lot lately, I'm sure about the dispute over the Aid to Dependent Children of the Unemployed program which passed the Legislature with bipartisan support only to be delayed by federal officials in Washington and certain state officials.

I feel strongly about this matter and I want to make my views known as well as I can in the limited space available here.

The purpose of this program was to make federal funds available to the states to help them meet the needs of families living on reduced income because their breadwinners were unemployed.

When congress passed the law, it adopted language which made it crystal clear that the states would be able to define who should be covered under the program.

Michigan's program was designed by officials of the State Department of Social Welfare, who over the years have become experts in administering programs of this type. It was also approved by the Regional Office of Health, Education, and Welfare.

The social welfare department devised a program which would accomplish these three things::

1. Save taxpayers money by using existing agencies to administer the program..

2. Retain the strength of local welfare departments.

3. Provide special help in manoging costs for the needy in unstable and uncertain work areas.

This is the program that the Legislature adopted and which I signed into law. It is not a perfect program, but it is the best one that could reasonably be expected to pass through the Legislature.

I went to Washington in an attempt to discover why federal authorities appeared to believe that our program failed to meet specifications laid down by congress. I came back as mystified by their reasoning as ever.

You may have heard talk lately about how my refusal to bow to the dictates of federal authority is depriving needy children from the assistance of this program.

Nothing could be further from the truth. In the first place, no children are going hungry because they are all covered under general welfare assistance programs right now.

Secondly, I have not stood in the way of this program. I have signed it into law. The delay has been caused by federal officials attempting to force their will on our state, and by an attorney general in Michigan who ruled that the bill was unconstitutional.

Births recorded at the Charlevoix hospital recently include:

A son, Raymond Andrew Jr., born to Mr. and Mrs. Raymond A. Weisler of East Jordan Apr. 24.

AM 81 Rex Bebee and Mrs. Bebee of Kingsville, Tex., have announced the birth of a son, Steven Bradley, on Apr. 8. Mr. Bebee is the son of Mrs. Peter Crist and is stationed at Kingsville with the U.S. Naval Air Force.

NEED FAIR IDEAS

State Fair officials have a number of ideas for expanding the uses of the Fairgrounds at Detroit, but they are looking for more suggestions.

The State Fair Authority recently retained Oskar Stonorov, an internationally known architect, to design a site plan for future development of the Fairgrounds.

Walter A. Goodman, general manager of the Fair, emphasizes the Authority will keep the staging of the annual State Fair as its basic purpose but another objective is to provide facilities to meet the year-round recreational needs of the State.

* * *

Some of the suggestions for year-round facilities to be added to the Fairgrounds are for ice and field hockey, soccer, amateur and semi-professional theater, miniature golf, skiing, an antique car museum, and special buildings for use by groups.

The groups for which facilities have been recommended by interested citizens to date include 4-H, Future Farmers of America, Boy Scouts and Girl Scouts, and senior citizens.

Development of settings similar to California's Disneyland and Denmark's Tivoli Gardens also have been suggested.

Goodman is now looking for other ideas which the architect can use in laying out the plan for the Fairgrounds.

SOMETIMES ON SUNDAY

Effects of the controversial Sunday Closing Law passed by the 1962 Legislature are just beginning to be felt in counties where it will be enforced.

Many County Boards of Supervisors voted to exempt their areas from the provisions before the enactment actually became law late in March. Court action tied up enforcement in a number of other areas.

One of the more curious effects of the law came in the Legislature, however, where an attempt to repeal it throughout the state was started even before it became law.

* * *

Russell Strange, a fourth-term Republican Representative from Clare, introduced the repeal bill early in the 1963 session.

Although his proposal died in committee, Strange said he thought the committee's decision was a wise one. "They told me they wanted to give it a year to run before making a decision on whether it should remain in effect," he said.

Support for the repeal bill appeared to be strong although the measure never got to the floor for debate. Indications were another attempt to eliminate the mandatory one-day closing will be made during coming sessions.

* * *

SAVING STAMPS

Failure of his proposals to regulate the trading stamp industry disappointed Atty. Gen. Frank J. Kelly, but he says he plans to renew the effort during the next legislative session.

Identical bills introduced in the House and Senate this year on Kelly's behalf were designed to give an insurance factor to Mrs. Michigan Housewife that when she saves stamps over a long period of time she will receive some measure of value from them.

Both bills died in the committees to which they were assigned. The Senate State Affairs Committee held a hearing on the proposal which drew strong protest to the regulation from spokesmen for the industry. In the House working unit, the bill was lost in the shuffle to consider other measures.

* * *

"I am, of course, disappointed that this reasonable regulation failed to be adopted by the Legislature this year," said Kelley, the state's chief law enforcement officer. "However, I think we have made clear the necessity of regulation of this multi-million dollar industry in the public interest."

Kelley's strong interest in the legislation was prompted by the failure of two stamp companies in Michigan in the past three years. In both cases poor management was blamed primarily for the bankruptcy of the firms, but Kelley and others felt if the industry had been regulated the impractical management procedures might have been noted before the firms became insolvent.

In each case, housewives holding stamps issued by the firms were unable to redeem them for merchandise.

Belvedere to Host State Amateur Golf Tournament

The Michigan Amateur Golf tournament, scheduled to be held at the Belvedere golf dourse here June 26-30, is listed among more than 150 outstanding U.S. and Canadian golf events to be held during the 1963 season according to the 1963 golf tournament schedule announced this week by Bob Howell, schedule and publicity director for the Golf Association of Michigan.

This will mark the first time in several years that the popular Michigan Amateur tournament has been held in Charlevoix.

Plans Underway To Improve East-West Highway

Representatives of several northern Michigan counties have been invited to meet with Michigan State Highway Department representatives concerning the improving of M-32 to a Class A road according to Fenton R. Bulow, Charlevoix county clerk, who has been asked by Theodore W. Werts, Otsego county clerk, to advise area representatives of the meeting to be held at Schlang's restaurant in Gaylord May 15.

Mr. Bulow plans to notify members of the Charlevoix county board of supervisors, City officials including council members, the Chamber of Commerce and others interested in the improvement of the East-West highway to an 'all-season' road. The highway connects eastern Michigan at Alpena to western Michigan at East Jordan crossing such major highways as US-23, US-27, I-75, US-131 and other North-South highways to M-66.

It is expectea that a delegation from Charlevoix will attend the 12:30 p.m. luncheon meeting on Wednesday, May 15.

Scouting Program in Action Theme of Annual Banquet

The members of Charlevoix's four Girl Scout troops with their fathers or proxy fathers as guests, their leaders, troop committee members and Council and neighborhood officers gathered at the high school cafeteria Wednesday for the annual Father and Daughter banquet, a highlight in the Scouting program here.

Following a potluck supper served at tables decorated by each of the troops, those assembled enjoyed an interesting program designed to show the Scouting program in action in Charlevoix. Kathy Etienne and Nancy Rader showed and narrated slides taken at the local camp and on a trip made by Troop 263; Frances Arnold, who was mistress of ceremonies and Barbara Wood, song leader at the dinner, showed slides of a trip to Chicago taken by members of the alternate Round-up troop last August; two local members of the Round-up trip to Button Bay, Vt., Marilyn Lesher, still photographer for the troop, and Sherry Holborn showed slides taken at the Round-up and Ruth Cooley of Traverse City showed the official Round-up movie taken by Sheryl Soappmann also of Traverse City.

Mrs. Robert Thompson of Traverse City, field advisor for the Crooked Tree Council to which Charlevoix now belongs, spoke briefly on the council activities; Mrs. Benjamin S. Gill, Neighborhood chairman of the White Birch Neighborhood of which Charlevoix is a part, was introduced as were Mrs. Robert Richards, White Birch Neighborhood delegate to the Council; Mrs. Robert Bergmann of the nominating committee; Lloyd Arnold of the Site and Facilities division of the Council camping committee.

Credit was given leaders, assistant leaders, troop committee members and sponsoring organizations. They were then introduced. They are: Troop 265, Mrs. Darrell Dinwiddie and Mrs. Leland Warner, leaders; Mrs. Robert O. Pearl, Mrs. Omar Loe and Mrs. Wayne Woods, committee members; Garden Club, sponsor; Troop 264, Mrs. James Gallagher and Mrs. Robert Gill, leaders; Mrs. Eugene Bergmann, Mrs. Robert Hamilton and Mrs. Clare Staley, committee members; Charlevoix Rod and Gun Club Auxiliary, sponsor; Troop 263, Mrs. O. V. Cunningham and Mrs. Gary Armstrong, leaders; Mrs. Jack Rader, Mrs. Joseph Etienne and Mrs. Robert Somerville, committee members; Charlevoix V.F.W. Auxiliary, sponsor; Troop 256, Mrs. Jack Rader and Mrs. Lloyd Arnold, leaders; Mrs. Jack Bacot, Mrs. Lester Smith, and Mrs. Alexander Wood, committee members; Charlevoix Chapter No. 72, O. E. S. sponsor.

Jane Norton of Troop 263 was introduced as the top salesgirl of Girl Scout cookies, having sold more than 200 boxes. She was awarded a week's campership to the established Girl Scout camp, Camp Sakakawea, at Traverse City. Contributions to the Juliette Low World Friendship fund were accepted.

Linda Supernaw of Troop 256 welcomed the guests. The Rev. Charles A. Stoppels gave the invocation. The Pledge of Allegiance opened the dinner and program. Group singing was enjoyed by the Scouts and their guests.

Brownie Scouts were scheduled to hold their annual Father and Daughter banquet last night (Wednesday) at the same site.

This is the first time two separate banquets have been held.

Shakespeare Club Holds Election

The Shakespeare Study club concluded its activities for the club year at a tea and election of officers held at the home of the retiring president, Mrs. Jack Rader.

Mrs. Theodore R. Weidman was named president for the year to begin the first Monday in October; Mrs. Ralph Gillam, vice president; Mrs. Richard Edwards, secretary and Mrs. Jack Erber, treasurer.

Tea was served at a table decorated with spring flowers with Mrs. Weidman presiding.

Lutherans to Hold District Meeting In East Jordan

East Jordan will be host on Saturday and Sunday, May 4 and 5, to the delegates to the Michigan District Brotherhood of the American Lutheran church.

The convention is expected to attract from 3-500 delegates visitors and wives representing more than 3,000 members in lower Michigan and northeastern Ohio.

The gymnasiums of the East Jordan schools will be the sites of the two-day conference which will feature Dale Bruing of Burning, Neb., national president of the brotherhood and Rev. Paul G. Freyberg, missionary in New Guinea since 1939.

The banquet will be held at the high school gymnasium at 6:30 p.m. Saturday following the afternoon conference at 2 p.m. After morning worship on Sunday, the convention will reconvene at 1 p.m. for an afternoon meeting before adjourning.

The Rev. and Mrs. Warren Salveson of the East Jordan Lutheran church will host the convention.

State Police Issues Warning To All Parents

Parents are urged to warn their youngsters against going anywhere with strangers or accepting gifts or other lures from persons they do not know.

This warning was issued by Sgt. Jack Brouard, commander of the Petoskey State Police Post, who said that complaints invoiving molestation of small children increase in the warm weather months.

Last year the State Police investigated 571 sex offense compiaints which included child molestation, throughout the state. High month last year was July with 88 and then in order June 65, August 62, May 57, October 53, April 52, and September 48, with the remaining five months having 40 or less.

Reluctance by parents to report child molestation incidents to the police because of fear of embarrassing publicity is unwarranted, Sgt. Brouard said. Names of minor children involved and their parents are not used by the press, radio or television except in situations involving abduction or murder. He added that this reluctance conceals the actual total of molestation eases, tends to prevent action by law enforcement agencies and may encourage the offender to strike again.

He urged parents to impress their children with the importance of not accepting offers of money, candy or other gifts from strangers and refusing to ride or walk with them; reporting to parents, police or teachers any persons acting suspiciously near them or their playmates; having playmates or companions while at play, going to or from school and when running errands; not loitering in or near public rest rooms because they are danger spots or letting anyone persuade you to disobey these rules.

Children would be advised that their suspicions can help protect themselves and other youngsters from harm, Sgt. Brouard said in conclusion.

Reveal Methods To Eradicate Ground Moles

Every year Charlevoix County people report mole problems on their lawns to Ed Rebman, County Extension Director. Now is a good time to trap ground moles. These pesky little underground bulldozers work near the earth's surface in the spring.

Charles Schick, Michigan State University extension wildlife specialist, notes two basic mole-control methods.

Probably the easiest is poisoning with dried-meat or peanut baits. These are usualiy available from lawn and garden centers. Just poke a hole every four to five feet along an active runway and insert the bait. Schick suspects moles may take dried-meat baits more readily than peanuts because moles are basically "meat eaters."

"For reasons that aren't too clear, baits don't always work," Schick says. "If baits don't bring results in a few days, shift to trapping—a method that takes more time and patience, but is generally more effective."

First step in trapping is to identify active runways. Just step on some ridges and wait 24 hours. Active tunnels will be raised by then, while abandoned ones won't.

If trapping brings no results for a day or two, shift to other active runways.

Contrary to the belief of some people, moles destroy few plants by direct feeding. Being meat eaters, they feed largely on earthworms and grubs.

Accident Kills Mrs. Roy C. Melms Former Resident

News of the death of a former local resident, Mrs. Roy C. Melms, 54, in a freak accident at Trenton Apr. 19 has been received here.

Mrs. Melms was killed as she walked down a street in the business district of Trenton where she had lived for several years. In what was termed a 'one-in-a-million' accident, a car driven by a Rockwood man went out of control as his foot slipped, jamming the acceiorator as he backed out of an angle-parking space. The car lurched across the street, striking an angle-parked car and pushed it over the curb where it struck Mrs. Melms, pinning her against a building. She was pronounced dead on arrival at the Riverside hospital of injuries received in the accident.

The Melms family lived here during the 1940's, leaving here in 1948 to make their home in Detroit and later moving to Trenton. While here Mr. Melms operated a DX service station and Huoson agency at the corner of State and Antrim sts. Mr. Melms is now employed by the Fleetwood Division of the General Motors Co.

Among Mrs. Melms' survivors are her husband and a son, Gordon, of Detroit.

We often wonder how much time is saved by the "aggressive" driver who darts in every opening in traffic to get ahead. Recent tests by the University of Michigan indicate they lose more time than they gain. Driving 12 miles in traffic, the poor-risk drivers used the accelerator 90 per cent more than driver-education teachers; had 90 per cent more movement of the steering wheel; used brakes 60 per cent oftener--and took more time to cover the same distance. Moral: Drive sanely, get there just as fast—and alive.

MORE BABIES?

Michigan's birth rate is bound to go up soon, according to State Health Commissioner Dr. Albert E. Heustis.

The 1962 birth rate was 182,475 the lowest since 1952, and the fifth consecutive year to show a drop from the previous 12-month period. The births last year were nearly 10,000 fewer than in 1961, Heustis said.

"Whether births continue to go down or remain on a plateau for next few years is anybody's guess. One thing is certain, however, they are bound to go up later," Heustis said.

The health commissioner's prediction comes from a look at past statistics.

The majority of parents of babies born during the last few years were born during the 1930's and early 1940's, when births averaged around 90,000.

Within the coming five years most of the "War Babies', born from 1945 - 49 when births averaged around 150,000 per year, will be getting married and having babies of their own.

YOU NEED IT

The newspaper you are now reading is an essential part of our free society although you might at first think of it as just a frill.

J. Montgomery Curtis, director of the American Press Institute at Columbia University, recently described the newspaper as "the most intimate, personal and effective form of communication."

Pointing to the New York newspaper strikes earlier this year, Curtis said, "the loss of a newspaper to a community leaves a vacuum that cannot be filled by by any other means of communication."

Radio and television also contribute to the public's right to know. But both of these are immediate and not long lasting, said Curtis.

"When it comes to news in depth, television and radio just aren't in the same league with the newspaper,' he said. "The New York strike proved this point. The loss of newspapers resulted in a decrease in department store sales, as well as in food store sales, auto sales, and general stock market activity," he said.

In addition to these advertising benefits, Curtis pointed out the loss of newspapers caused drops in attendance at many of the cultural and entertainment events; people had difficulty locating available housing; and employers and potential employees couldnt get together.

Curtis predicts that the newspaper will continue to provide the most complete coverage of any media.

FEW HARM MANY

Most businessmen are honest and the exceptions hurt the majority as much as they harm the consumer.

This is one of the primary observations of the Consumer Protection Division of the Attorney General's office, which has been hearing complaints about these exceptions for nearly two years.

In this short time, the Division has processed more than 600 complaints involving frauds or cheats. The Division accepts only cases where facts show a violation of state law and a continuous pattern of operation sufficient to imperil the public interest.

The Division does not handle cases which can be handled exclusively by private counsel, but only those which involve a state question.

Deceptive or "bait" advertising, misrepresentations, referral sales and other deceptive buying, selling and lending practices are the primary areas brought to the attention of the Attorney Generals staff.

Hopes are that both the continued existence of the Division's probing into complaints, and likely legislation to tighten laws governing possible areas of fraud will discourage such practices and cut the minority in the business world which falls short of honest dealings.

BLUE RIBBON ROADS

Michigan's highway system, which has been pulling down one after the other of the "first" in road progress in the nation, has received another honor.

The 330-mile Ohio-to-Mackinac freeway has been cited as one of the nation's most scenic new highways. This marks the second year in a row that portions of the freeway have received such a citation from the Better Highways Information Foundation.

Both sections cited for their scenic attractiveness are in the northern half of the route, between Ciare and the Mackinac Bridge. A 22-mile section of the freeway between Indian River and the bridge was chosen as one of the most scenic new routes in 1961, and last year the section from Ciare to Gaylord was selected. This stretch is 85 miles long.

State highway officials fully expect the section between Gaylord and Indian River, considered the most scenic portion of the entire freeway, stands a good chance for honors from the Foundation this year.

Spring... Nature Notes

Local Couple Wins Prize Money in Bowling Tourney

The final results of the second annual Mixed Doubles bowling tournament sponsored by the Paul Bunyan Lanes have been announced bp Stan Fiedorek.

A local couple, Mrs. Ray Whaley and Don Kowbel posted a score of 1298 to walk off with top prize money, $120.

In second place were Virginia Murrell of Petoskey and Floyd Spears of Boyne City with a score of 1296 followed by Wanda Winowieckie and Earl Gee, both of East Jordan, with 1284 and Mr. and Mrs. Jake Watrocs of Bellaire 1270.

Mr. Fiedorek said 126 couples were entered in the tourney, an increase from 77 last season. The top 19 couples were awarded prize monies or one out of every seven couples entered.

Previewing the . . Palace Theater

"The Lion", showing at the Palace Theatre, Charlevoix this weekend is full of action, humor, romance and suspense.

Starring in the picture are William Holden, Trevor Howard, Capucine and Pamela Franklin.

The film tells the story of a young girl growing up wild in the African jungle and her deep love for a lion she has raised from a cub.

Several complex elements run through the screenplay as beautiful Capucine, her ex-husband, Holden, and her present husband, Howard, become concerned over the wild ways of 11-year old Miss Franklin, daughter of Holden and Capucine.

Holden is good as the former husband who has come to Africa on Capucine's request and Capucine is dramatically believeable as the mother. Howard is excellent as a former big game hunter, now warden of a large game reserve, rearing Miss Franklin in his own beliefs in jungle law and tribal taboo.

Miss Franklin is outstanding as the sensitive youngster and her scenes with the lion will keep viewers perched on the edge of their seats.

Howard is forced to kill the lion as the result of a man-beast battle which in turn kills the relationship between Miss Franklin and Howard, and the latter agrees to allow Capucine and the youngster to leave with Holden.

Elk Rapids Hosts Episcopal Church Deanery Meeting

St. Pauls Episcopal church in Elk Rapids will host the spring Traverse Deanery meeting and service of Catholic witness Sunday.

The event will feature a solemn choral evensong at 5 p.m. followed by an acolyte's festival; a men's meeting; junior altar guild meeting and mite box presentation service for the children.

The Rev. Benjamin Lavey of Sturgis, dean of the Eastern Deanery will deliver the sermon.

Vicars from throughout northwestern Michigan will be in attendance. Among them will be the Rev. Alexander Wood, vicar of Christ church here.

Raymond Nowland Awarded 20 Year Service Emblem

Raymond J. Nowland, assistant manager of the local hatchery operated by the Bureau of Sport Fisheries and wildlife of the Fish and Wildlife Service, Department of Interior, has been presented with a 20 year service emblem according to Don Toney, hatchery manager.

A U.S. Marine Corp veteran with a rank of sergeant at the time of his discharge following World War II, Mr. Nowland has been associated with the local hatchery since his return from the service. His years of military service count toward the 20 year emblem.

He is a native of Charlevoix and a graduate of the Charlevoix high school.

Fish to Leave Local Hatchery Via Plane

Even the fish are taking to the air these days, according to Don Toney, manager of the local hatchery operated by the Bureau of Sports Fisheries and Wildlife of the Fish and Wildlife Service, U. S. Department of the Interior, who reported this week that 4,000 pounds of fish representing I00,000 yearling lake trout will be flown to Lake Ontario beginning May 7, weather permitting.

An amphibious plane of the Fish and Wildlife Service is expected to land on Lake Michigan adjacent to the hatchery and taxi to the beach where the fish, in aeriated plastic bags, will be placed aboard for the trip east. Over Lake Ontario personnel of Bureau of Sports Fisheries and Wildlife will 'plant' the fish from the plane in the smallest of the Great Lakes. The procedure to be followed in the planting is not known at this time, but it is known that the fish will be planted from the aircraft, probably as it taxis over the lake, and that the operation will necessitate several trips by the plane.

This is the first time that fish, reared at the local hathcery, have been transported by this means or taken — as far from Charlevoix in such large numbers.

The brood stock was supplied by the State of Michigan.

This is one of the projects designed to replenish the supply of trout in the Great Lakes.

AGRICULTURE in ACTION .....

MICHIGAN FARM BUREAU

The Wheat Vote

"I have questions about the coming Wheat Referendum," reports a local reader who farms 160 acres and has raised wheat on 15 acres for the past five years.

"My actual allotment is 7 acres,—am I eligible to vote in the Wheat Referendum this spring?"

"Will it be necessary for me to register at some place or time before the date of actuel voting? What happens if I 'elect' to sign up to participate in the control program if the referendum carries? —Does that mean my so-called '15 free acres' is eliminated on my part but not for neighbors who did not 'elect' to sign up."

Questions such as these continue to bother thoughtful Michigan farmers who see in the referendum many implications for their future.

Thinking that most farmers might have similar questions, here, in part, is our reply: "Yes, you are eligible to vote in the referendum providing you register when the Secretary of Agriculture sets the time and place. Remember, 'signing up' means an agreement to participate in the program if the referendum passes. Bu it does not mean that because you have signed up in order to vote, that you must vote FOR the program. This is still America, and what you do in the polling booth is your own business. Many wheat growers plan to register only to make their positive NO vote count.

"When Congress passed the Wheat-Certificate plan last year, they did away with the old 55 million acre national wheat allotment, and with it, the 15 acre small-farm exemption. This is true whether or not the referendum is approved, and for all growers whether they 'sign up' or not.

"If you register, and the referendum is approved, you will be subject to the same strict controls that apply to larger growers. You will be given 'certificates' on a percentage of your wheat allotment as determined by the Secretary of Agriculture. The rest of the crop can be sold at no higher than the current feed-grain prices, regardless of quality.

"There are those who say that the referendum offers a choice between two wheat programs, nothing more. Farmers know better. The real choice is between the kind of farm future we want, —between 'supply-management' control by government, and the free-market system."

Full Circle

The government of modern Egypt could take a lesson from the Bible times of ancient Egypt. In the scriptures we read how Moses set about to make all of the decisions and to do everything for the people. Little wonder that both he and the system began to break down.

A group of U.S. farmers just back from present-day Egypt report that history is repeating itself, and that as usual, the man-on-the-land is caught in between.

Their reports show no evidence that the Egyptian peasant, the "fellaheen," who makes up the farming community, has benefited from recent land-reform programs and nationalization of farms and industry carried out by Nasser. When the land was arbitrarily divided among them, productivity fell as much as 50 per cent, because the fellaheen lacked management skills. To overcome this the government established "cooperatives" which are entirely different from our understanding of the term. Everything grown and all purchases are made through the cooperatives. Each village "elects" a council, whose decisions are "guided" by the government. "Actually, the cooperatives is a system of management operated by the government," the farm visitors report.

By government decree, no one can grow more than 30 per cent in cotton, or less than 30 per cent in wheat. What is grown and how it is grown is firmly decided by government.

All community services are "free." If the farmer "fails" to do a good job" as determined by the government through the co-operative, he may be removed as a farmer. Upon his death, one of his sons may, or may not, be selected to take over the land and its operation, or it may be given to someone else. Those who report state, "management at many levels is still lacking and too many decisions must come from the top man, with little provision for delegating authority."

So it was in the days of Mosea, those centuries ago. At that time, his father-in-law provided the answer, by advising Moses to divide the authority among the people so that they could govern themselves and share in the burden.

How sad that such obvious lessons must be continuolly relearned. Controls, regulation, rules and edicts from some central authority do not make camels prosper or crops grow.

Local Students at U. of M. Honored At Convocation

The 40th annual Honors Convocation giving recognition to 1,021 undergraduate and recent groduates of the University of Michigan was held Friday ot Hill auditorium on the campus in Ann Arbor.

Among the students honored were David L. Miles, son of Mr. and Mrs. Robert Miles, Mrs. Larry (Carolyn Kohn) Minch, daughter of Rev. ond Mrs. H. E. Kohn, and Donna L. Berg, doughter of Mr. and Mrs. Leo Berg. Ali are in the School of Literary Arts and Sciences. Mr. Miles is doing graduate work following his graduation in January; Mrs. Minch will be graduated in June. She was one of severol students who had been awarded the Regents Alumni Scholarship for eight consecutive semesters and who has been elected to the honor society for women in education, Pi Lambda Theta, in recognition of scholastic excellence; Miss Berg is a freshman student.

The above students received class honors which signify that the student has earned a grade point average of 3.5 or better for the past two semesters.

Highlight of the program was an address by Shio Sakanishi, M.A., Ph.D., U. of M. graduate who is considered one of Jopan's most influential women, an adviser to the Japanese government, broadcaster, poet and critic. Her topic was: "Education of a Heathen: Position of Women in New Japan". She was presented with a Degree of Humane Letters at the convocation. President Harlan Hatcher presented the students being honored.

President and Mrs. Hatcher hosted a tea honoring the students and their parents at the Vandenberg Room of the Women's League Friday afternoon.

Attending the event were Mr. and Mrs. Miles, Mr. Minch and Rev. and Mrs. Kohn.

CARD OF THANKS
FOUR MUSKETEERS

Four Musketeers
In the same bar 22 years
Now it's almost over
It's water over the dam.

We'll each go our own way
But always be on hand
If one is in trouble
The others will know
That's the way the musketeers go.

You may think it's been easy
These years in the bar
But the grief we have taken
Will leave a few scars,
But the pleasures were many
We will never regret
We will always remember
We'll never forget.

Two nicer people to work for
You never could find
Than Steve and Cressie Dubel
They'll always be in our mind.

Ups and downs we had many
But somehow you know
We respected the other fellow
And let the matter go.

Maybe you wondered why
So long we stayed
In the little old bar
On Bridge St. today
But our bosses were human
And treated us the same
As tho we were equals
And not as slaves.

So you can't beat that treatment
No matter where you go
Now you don't have to wonder,
you know.

Now in closing, We thank all our wonderful friends
And hope we remain,
As such unto the end.
Maude Warner and Mary Pearl

TOTAL PERFORMANCE:

FORD GALAXIE 500/XL

IF YOU KNEW
WHAT HE KNOWS...YOU'D BE DRIVING THE 1963 TOTAL PERFORMANCE FORD

Ford is traditionally the nation's Number One police car. The reason: Total Performance!

When it comes to cars the police don't take chances. Put yourself in a State Trooper's shoes. Every day you must patrol hundreds of miles in your cruiser. Mileage and time grind into a man and his machine, but when the bell rings you've got to be ready. Chase. Turn. Corner. Quick stop. You've got to be able to do it all if you're going to do your job.

Listen to a trooper list the reasons why he prefers a Ford and you realize how difficult it is for any car to measure up to his standards. The car must be *strong* . . . it has to stand up to big mileage. It must be *silent* . . . when you practically live in a car a rattle can sound like a kettle drum. It must be *swift* . . . powerful enough to catch any car on the road. It must be *sure* . . . dependable even in the face of the unexpected. Strong. Silent. Swift. Sure. A four-word outline of total performance. The police demand it. That is why they choose the total performance Ford. Why should you settle for anything less?

Whatever your special demands and needs, the total performance Ford is the car most likely to satisfy you all the way down the line. You can prove this for yourself.

First, look at Ford's astounding record in open competition this year in the grueling Daytona, Riverside and Atlanta 500's, and in the demanding Pure Oil Performance Trials. Only a car with total performance could roll up so many impressive wins.

Second, before you buy any new car, test-drive the solid, silent Super Torque Ford. If you haven't driven one lately, you can't really know what a new Ford is like. Make this important discovery—**if it's built by Ford, it's built for performance . . . total performance.**

Retarded School Finances Discussed at Ass'n Meeting

Plans for a rummage sale to be conducted by the Charlevoix Retarded Children's Association at the center on East Garfield Friday and Saturday, May 3 and 4, were finalized at a meeting af the sponsoring organization held Wednesday.

The center will be open from 9 a.m. to 9 p.m. on both days to allaw working persons to attend the sale which will feature a variety of items. Anyone wishing to eontribute usuable items may leave them at the center. Funds derived from the saie will be used taward the support of the school.

The financial needs af the schaol were discussed at length. Miss Ann Cunningham reparted that she had appeared befare the Charlevoix board of supervisars to present a report on the school and to request $1500 for 1964 as compared to $1000 for the past two years; the group voted ta increase their Cammunity Chest request fram $950 to $1500; to ask summer residents on the Chicago Club and Belvedere Club to undertake a variety show or similar event to raise funds far the center. A discussion on the present $3.00 a week tuition paid by parents of children attending the schaal. A vate to discontinue the tuition was defeated by an 11-3 vate with five members not voting. It was then decided to cut the cost ta $1.00 per day far every day the children attended with this actian to be retro-active to Jan. 1. The center is operated three days each week.

In answer to a question regarding State Aid, it was stated that unless the center voted to meet specifications set up by the state there would be no state monies forthcoming.

It was reported that donations as the result of letters mailed to summer residents resulted in contributions amounting to $321.

Reports by variaus committees regarding by-laws, financial status which revealed that there was $1366.60 in the treasury; the installatian af acoustical tile at the center; a meeting of the state Retarded Children's Association in Grand Rapids and a center visited by the director, Mrs. Robert Bergmann, in Florida, and a meeting attended by Rev. Alexander Wood in Lansing were heard by the 19 members present.

Charlevoix County F.B. Women Host Spring District Meet

The Farm Bureau Women of Charlevoix caunty were hosts Friday to members and guests of District 10-West.

The all-day spring district meeting was held at East Jordan and was attended by rural area people from Emmet, Chebaygan, Otsega, Antrim and Charlevaix eountles.

At the business session, Mrs. William Parsons was elected district vice president far a two year term. She will succeed Mrs. William Nulph of Boyne City. Mrs. Thomas Wieland will aerve anather term as chairman.

Robert Smith, legislative caunsel with Michigan Farm Bureau, reported on a recent tax study in the state. He said that 47 per cent of taxes collected come fram property taxes and that for farmers this represents more than 12.5 per cent of their incame, or 2½ times the amount paid by any ather particular graup of taxpayers.

In additian to relief in the praperty tax area, he said that general tax reform was indieated by the study with lowering or repeal of business activities tax a point to consider as a means of encauraging new industry in Michlgan.

At the afternaon session, Mrs. Marjorie Karker, coordinator of Farm Bureau's Activities used a film presentation to tell the Wheat Referendum stary. In the discussion that followed, it was painted out by many present that a "NO" vote on May 21 was in keeping with the Farm Bureau policy of a gradual decrease in government contrals from the castly, false-security of gavernment "supply-management" to the realistic market of supply and demand as a part of the system of free competitive enterprise.

Mrs. Clarence Way gave the invocation; Mrs. Lavern Phillips af Wallaan Lake led the Pledge of Allegiance; Mrs. William Parsons, chairman af the Charlevaix caunty Women's Committee; welcamed the graup; Mrs. Jasper Warner and Dawsan Way led graup singing, accampanied by Mrs. Leonard Burns.

Mrs. Richiard Wieland af Ellsworth, Antrim county chairman, invited the group ta hold its fall meeting in Antrim county.

Charlevoix and Emmet County To Vote on School Merger

The Charlevoix and Emmet Intermediate boards of education, at a joint meeting held here on Tuesday night, unanimously approved a resolution officially calling for an election on a proposal to organize the two intermediate (county) school districts into a single intermediate school district, according to Charles A. Robinson who has been serving the two counties as county superintendent of schools since Jan. 1, 1962.

The proposal will be brought to the electors at the annual local school elections in each of the two counties. With the exception of Petoskey these elections will be held June 10; at Petoskey, a special act school, the election is scheduled for July 1.

The proposal to merger, which has been approved by the State Board of Education, is provided for by PA 190 of the Acts of 1962 which require all intermediate districts to be organized into units having a minimum of 5,000 in public school membership on, or before, July 1, 1964, in order to take full advantage of state monies for its programs.

Emmet countya' present public school enrollment is 3,600 as compared to 3,644 in Charlevoix county. However, tha former has 977 students enrolled in parochial schools while the latter has 173.

Further news stories spelling out the proposal and what it will mean to the two counties will ba published in coming weeks so electors will be aware of the complete picture before going to the polls naxt month and on July 1.

Real Magician New Attraction At St. Mary's Fair

Something new, a real magician, has been added to the long list of attractions at the fourth annual School Falr at St. Mary's Mrs. Josephine Bindi, general chairman of the event, announced this week.

He is Robert Nowak, whose 'Abracadabra' avocation has attracted wide attention wherever he has gone. Mr. Nowak comes here from Chicago. He will present his show at given intervals during the fair scheduled to open at 4 p.m. and continue throughout the evening, Mrs. Bindi said.

Another new feature of the event which annually attracts area residents is a goldfish and turtle booth to be operated by Mrs. Frank Bourgoin.

Other entertainment for young and old alike has been planned by the Little Flower Guild which sponsors the event for the benefit of the school, using proceeds for library books, maps and other school room materials.

A snack bar will provide a choice of foods for those wishing to eat their evening meal at the fair.

A cedar chest filled with linens will bc given away at the close of the fair.

Charles Snider Ironton Summer Resident Dies

Charles A. Snider, 87, retired pharmacist and an Ironton summer resident for the past 30 years, died Tuesday at the Charlevoix hospital where he had been a patient for two months.

Funeral services will be held at the Winchester Funeral Home at 2 p.m. Thursday with the Rev. William Harmon, pastor of the Ironton Congregational church, officiating. Burial will be in Brookside cemetery.

A native of Switzerland where he was born Feb. 23, 1873, Mr. Snider came to this country at the age of four years with his family who settled in Garrand county, Ky. He was a graduate of the University of Louisville School of Pharmacy and was a pharmacist in Louisville, Ky., and Detroit prior to his retirement. He also spent some time at the Battle Creek Sanitorium annually while enroute to and from the south from his summer home at Ironton. In recent years he had spent the winter months at Albany, Ga. He was a member of the Ironton Congregational church.

Surviving are a daughtar, Mrs. James (Marie) White of Paris, Ky., and three grandchildren including two granddaughters, Pattie and By, and a grandson, James Jr.

Safety Meeting Attracts 450 At Ellsworth

Ellsworth—More than 450 area residents gathered Friday for the 13th annual Safety meeting held at the Ellsworth high school gymnasium under the sponsorship of the school and under the direction of its transportation supervisor, Levi Donaldson. Local government and law enforcement agencies joined in presenting tha event whose main purpose is to promote safety in all aspects of everyday life. This year's meeting emphasized safety on tha highways, in the home and on the farm with special emphasis on driving and other activities in which young people participate.

Preceding tha evening program, the villaga council hosted a dinner for out of town guests, city and school officials. The dinner was served by tha American Legion Auxiliary.

Appearing on the program wera Larry Eastley of Central Michigan University; Sgt. Hubert Potter of the Safety Division, Michigan State Police Post at Traverse City; Capt. Harold Moore of District 7, Michigan State Police, Traverse City Post and Floyd Webb of the A.A.A. at Detroit.

Max Bolser, rural mail carrier, was presented with the Courtesy Driver award by Mr. Webb.

The school chorus sang two selections; a trio composed of Ruth DeGroot, Esther DaYoung and Linda VanLoo and accompanied by Ronald Kooyer and Thomas Organek sang "This Ole Car" and Mr. Kooyer and Mr. Organek presented two instrumental numbers. Rev. John Hamersma gave the invocation. Jerry Albright, high school principal, was master of ceremonies.

School bus drivers served refreshments following the evening program.

Prizes were won by Fred Gibbs, Jr., Josaph Smith, Jake Penfold, Marlene Wynsma, Kenneth Essenberg, Sua Penfold, Mrs. Irvin Holecheck and Mrs. Frank Stucker.

Postpone Annual 4-H Achievement To May 16 and 17

The annual Charlevoix-county 4-H Achievement Day scheduled for next week has been postponed to Thursday and Friday, May 16 and 17, because of a conflict with the annual three-day Massed Band Festival in which county bands participate that will open here next Tuesday, according to Ed Rebman, County Extension Director.

Exhibits will be placed in the East Jordan school gymnasium and judged on Thursday. The show will be open to the public on Friday, May 17, with the annual Dress Revue and presentation of awards scheduled for Friday evening.

Honor students of the class of 1983 of the Charlevoix high school have been announced by H. E. Bingham, high school principal.

They are Gerald R. Boss, who has been named valedictorian of the class with an average of 3.70 out of a possible four points and Constance A. Saltonstall who, with an average of 3.67, is salutatorian.

Gerald, son of Mr. and Mrs. Gerald Boss, has been a member of the Charlevoix high school chapter of the National Honor Society for two years, the Student Council for three years and the Spanish Club, the Science Club and the staff of the class annual, the Rayder, for one year. He also participated in Forensics for one year and served as chairman of a Senior Government Day section. He is a member of the Community Reformed church.

He plans to attend Western Michigan University.

Constance, daughter of Dr. and Mrs. Gilbert B. Saltonstall, has been a member of the Charlevoix high school band for four years; a majorette with the band for two years; a member of the Pep Club and Ski Club for four years and the Spanish club and the Mixed Chorus for one year; the aki team for three years; the Junior and Senior play casts, the staff of the annual and the J-Hop Committee. She has been a member of the City Band for two years. As a member of the First Congregational church, she has sung with the choir for four years, taught Sunday School for one year and was a member of the Congregateens for two years, serving as its president for one year.

She plans to attend the University of Michigan.

Other members of the class who rank among the top 10 are: James VanderWall who also plans to attend the University of Michigan; Elaine Martin, Kalamazoo College; Irving Drost, Michigan College of Mining and Technology; James Ferguson, Aquinas College; Lorraine Boss whose plans at this time are uncertain and Franklyn Curtis, Linda Neff and Joseph Smith, Michigan State University.

The group heads a class of 68 students, the largest graduating class in recent years.

Bacealaureate Services are scheduled for Sunday, June 2, and Commencement for Wednesday, June 5.

Record Crowd Attends Massed Band Concert

A massed band concert featuring 568 young musicians from 11 northern Michigan high schools staged at the Charlevoix high school gymnasium Tuesday night attracted a near record crowd. The event climaxed a day of musical activity which included individual performances by the 11 bands, a parade through the business district between showers and a massed band rehearsal. ....

Calvin Whitmore of Benzie Central high school at Benzonia was the guest critic and conductor.

At the evening performance all conductors appeared on the podium, directing the massed band in one number. They included Herbert Parrott of Boyne City, Joseph Jezisek of Harbor Springs, Karan Pregitzer of Onaway, Ronald Smith of Cheboygan, Dean Fiedler of Gaylord, Delmar Conley of Rogers City, Mrs. Thomas Spencer of Pellston-Alanson, Eric Kulpako of Mackinaw City, Marshall Richards of the combined Bellaire-Central Lake-Ellsworth group, Mr. Spencer of Inland Lakes, C. A. Odmark of Charlevoix and host to the festival and Mr. Whitmore, guest critic.

This festival was one of three sponsored by District 11 of the Michigan School Band and Orchestra Association headed by Mr. Odmark.

Charlevoix's Reserve band accompanied by Mr. Odmark, attended the festival at Mancelona Wednesday and participated in the 367 piece massed band. A third was to be held at Frankfort today (Thursday) with 330 young musicians participating. The day's program was the same at all three festivals.

A total of 1265 music students participated in the May festival in northern Michigan.

Bellaire Hydro Plant Contract Let to Cement Electric Co.

The Charlevoix city council, at its regular meeting Monday, accepted the bid of the Clement Electric Co. of Grand Rapids in the amount of $8,925 for the conversion of the Bellaire hydro plant from a manual to a semi-automative operation. The Clement bid was one of two received for the project for which the J & G Daverman Co. with offices in Petoskey drew up the specifications. The work was scheduled to begin as soon as the contract was signed and must be completed within 130 days. City Supt. James Taylor said the contract was signed Tuesday. A second bid, in the amount of $10,090 was submitted by Kirkhof Electric Co., also of Grand Rapids.

A bid for the concession at the Lake Michigan bath house in the amount of $20.00 submitted by Mrs. Howard Otis was accepted. It was the only bid for the concession which is open from mid-May to mid-October.

Mr. Taylor was asked to contact an engineering firm to make a survey and investigate the feasibility of installing a new water main across the channel (Pine River) at the same time the Michigan Consolidated Gas Co. installs its gas main. It was thought that it might be more practical and less expensive to install the water main at the same time.

John R. Michael, city attorney, asked if the city had two sets of books containing all city ordinances. He was told that only one book had been brought up to date. He suggested that two books be kept on file.

It was also suggested that the city explore the possibility of establishing a bookkeeping system on an accrual basis for the electric fund.

It was brought out that electric sales in April of this year amounted to $21,231.63 compared to $19,898.40 during the same period in 1962.

Since Monday was Student Government day, the 22 Charlevoix high school students who were 'elected' to office for the day attended the council meeting. One of the students asked why the city does not give more support to the Charlevoix City band. It was pointed out that the city does give financial support to the band and only recently underwrote the remainder of the cost of the park stage.

Bills totaling $22,712.04 were approved and ordered paid. The figure includes a payment of $9,960.45 to Consumers Power Co. for the purchase of bulk power; a payment of $2,385.14 to Norman D. Ance, former city attorney, for professional services including the airport project ($1,605.55) and the recent proposal to sell the municipal light plant to Consumers Power Co. ($411.15); city-used utilities, $1,111.15; sales tax payment, $542.20; payroll $6,122.03.

The next regular meeting of the council has been scheduled for Tuesday, May 21, because of Mayors' Exchange day on the regular meeting date.

To Hold Science And Vocational Fair Wednesday

The second annual Science and Vocational Fair sponsored by the Science, Industrial Arts and Home making Departments of the Charlevoix high school will be staged at the new high school gymnasium Wednesday.

The work completed by these departments during the year will be exhibited in the gymnasium beginning at 7 p.m. The public is urged to attend and view the exhibits at their convenience.

The Industrial Arts Department taught by Robert Cook and Uno Suomela will exhibit work in the following areas: woodwork, metal work, drawing, art metal, bench metal and machine shop.

The ninth grade General Science students will exhibit work books, drawings of science nature, experiments and models. Mr. Suomela is the teacher. The ninth grade algebra students, also taught by Mr. Suomela, will display graphs.

The eighth grade science class and the high school physics with John Veenstra as instructor, will exhibit some individual projects but most displays will either show experiments which were done during the year or will illustrate principles learned during the school year.

The Home Economics Department, under the direction of Mrs. C. A. Odmark, will exhibit sewing projects by grades. The eighth grade students will exhibit wrap-around skirts; ninth grade, "shifts" for beach and street wear; tenth and eleventh grades, two piece dresses and the twelfth grade, clothing for small children.

In addition, there will be an exhibit of some home projects by the ninth grade plus a few 'cut-up' cakes.

Parents and friends are invited to attend the fair and see the accomplishments of the students.

Judges Elect John Makel

John Makel, Charlevoix county probate judge, was elected secretary-treasurer of the Top O' Michigan Probate and Juvenile Judges Association at a recent meeting held in Gaylord.

Robert Campbell of Clare County was named president and Harold Hunsberger of Grand Traverse county, vice president.

Mayor Proclaims Clean-up Week May 13-18

"Keep Charlevoix beautiful .. clean up and paint up during the annual observance of Clean Up Week" Mayor E. D. Hawley urged in proclaiming the week of May 13-18 Clean-up Week.

He went on to say that if every resident of the community does his part in cleaning up the city, if every resident, from children to the oldsters, does his bit in preventing the scattering of litter and if the responsibility is shared then Charlevoix will have no difficulty in living up to its name.

In an effort to facilitate the clean up project, the city street department will pick up trash that has been placed at the curb or adjacent alleys in containers.

Trucks will make pick-ups on the north side on Monday and Tuesday; the valley on Wednesday and Thursday and the south side on Friday and Saturday.

Residents are reminded, however that the trash must be placed in containers for easier handling by the workmen.

Third Annual Perch-O-Rama Set for May 19-25

Charlevoix will stage its third annual Perch-O-Rama May 19-25, Michigan Week, Paul Kohler, secretary-manager of the Charlevoix Chamber of Commerce, has announced.

Daily prizes, grand cash prizes and numeroue special prizes will be offered during the week. In addition the Kiwanis club will sponsor a junior Perch-O-Rama on the final Saturday, May 25, at East Park for children under 12 years.

Fishermen may fish in Round Lake or Lake Charlevoix but entries in the event must be over 12 years.

Grand prizes totaling $50 have been donated by George LaBlance Insurance, Neff Brothers, Erber Oil, the Lodge and Charlevoix Courier. A daily prize of $5.00 for the heaviest perch caught each day will be awarded by the sponsoring organization.

All contestants who weigh in at least one perch will become eligible for the special prizes at a drawing held at the close of the Perch-O-Rama. These include a spinning rod and reel contributed by Ward Brothers; fishing tackle by Scott's Boat Livery at Ironton and fishing tackle by Harbor Hardware.

Official weighing stations will again be Ward Brothers on Round Lake and Scott's boat livery at Ironton.

Some perch are presently running at Ironton and it is hoped the spring perch run will be underway here during the special week.

Community Choir To Rehearse for Baccalaureate

A call has been issued for members for the Charlevoix Community Choir who will be assembled for rehearsals in preparation for the Baccalaureate services to be held June 2 according to C. A. Odmark director of music at the Charlevoix high school who is in charge of the vocal group.

Only three rehearsals have been scheduled prior to the event. They will be held Tuesday, May 21 and 28 and Saturday, June 1.

Former members will be notified by mail of the rehearsal schedule but Mr. Odmark emphasizes that anyone wishing to join the group should come to the first rehearsal in the high school band room Tuesday, May 21. Rehearsals will begin at 8 p.m. and continue until 9:30 p.m.

The Community Choir has become a Baccalaureate tradition, making this service one of rare beauty. For this reason Mr. Odmark hopes that the response this year will be as great as it has been in the past.

Board of Education Sets Tentative Budget

The Charlevoix board of edueation has given its approval to a tentative budget of $411,945 for the 1963-64 school year it was announced this week.

In making the announcement, E. Darrell Dinwiddie, president of the board, said that the budget includes items which the members feel are necessary if Charlevoix is to have a qualified and well-rounded school curriculum and operation. Among these items are additional teachers and others equally as important which will be outlined in a series of artieles to be presented during the weeks preceding the annual eleetion June 10.

This week's artiele will be limited to a breakdown of the budget which as mentioned above, will be explained in detail in forthcoming issues of the Charlevoix Courier.

Included in the budget are the following expenses: Elementary school including instruction, supplies and other expenses, $128,520; Secondary School including instruction, supplies and other expenses, $134,300; Special education, $1400 for a total for instruction in the amount of $264,220. Administration, $20,275; Health Services, $3,340; Transportation services including personnel, supplies and other expenses, $29,750; Operation of plant, $50,400; Maintenance of plant, $7,850; Fixed charges, $5,500; Capital outlay, $13,000 including $10,000 for covering of driveways and other improvements at both the high school and the elementary school; Community Service, $7,500 and payment on defieit accrued over the past two years, $10,000.

The 1962-63 budget was $355,105 and included only $500 for grounds improvements and nothing on the deficit.

Annual County Spelling Contest Set for Tuesday

Plans for the annual Charlevoix county spelling contest to be held at the East Jordan public school beginning at 9:30 a. m. Tuesday, May 14, have been announced by Charles A. Robinson, Charlevoix county superintendent of schools, who is coordinating the program in cooperation with participating schools.

Students participating will be limited to not more than four from any grade in each school district. There will be six sections, third through the eighth grade.

First place winners will receive dictionaries and an engraved pin; second and third place winners, engraved pins; fourth and fifth place winners, honorable mention certificates. Every participant will be given a certifieate of recognition.

There will be three judges and one pronouncer in each section. Only judges and pronouncers will be permitted in rooms with contestants.

Representing the Charlevoix district as pronouncers and judges will be Mrs. E. D. Hawley, Mrs. R. G. Bennett, Mrs. T. R. Miller, Mrs. Kit Carson, Mrs. Alun Bevan and Mrs. Charles Duerr.

To Hold Training Session for Girl Scout Leaders

A training program for adult Girl Scout personnel will be held at the First Congregational church Monday under the sponsorship of the Crooked Tree Girl Scout Council.

Designed to prepare leaders and other adults working with troops for troop camping, day camping, overnights and cookouts the theme of the one-day training session is entitled "Orientation to the Out-of-Doors". The training will be given out of doors.

Adults from the White Birch and Whispering Pines Neighborhood which include Charlevoix and Petoskey among others will attend. Leaders are urged to bring their assistants and troop committee members.

Those attending will enjoy a sack lunch at noon. Coffee will be furnished.

The session will open at 9:30 and continue until 11:30 when it will adjourn at 1 p.m. for a two-hour afternoon session.

Hail Storm Hits Charlevoix Area

The Charlevoix area was in the path of a brief but severe electric storm early Wednesday when hail stones as large as walnuts fell briefly throughout the area. The storm was also accompanied by high winds for a short time and by a heavy rainfall.

At Ironton Charles Stokes reports hail at 8:30 and again at 9:45 a.m.; rain that covered M-66 with from six to 10 inches of water at various locations.

It was also reported that the Walker Hill and the road leading to the home of Mrs. Stanley Sweet were washed out by the deluge.

Clarence Smith Seeks Re-Election

Prospective candidates for the Charlevoix board of education are reminded that the deadline for filing nominating petitions for the one vacancy on the board is 4 p.m. Saturday.

At that time petitions must be filed at the office at the elementary school or with Burr Blanchard, secretary of the board.

Petitions may be obtained from either of the above.

The term of Clarence Smith expires this year. Mr. Smith plans to seek re-election to the post. The term is for four years.

National Hospital Week

National Hospital Week, May 12 through May 18, is an appropriate time to take stoek of the services rendered to citizens of this area by the Charlevoix Hospital. We should be aware of the fact that our hospital is keeping pace with other modern hospitals in the daily use of teehniques and equipment undreamed of a generation ago.

We also have something more than just a well equipped hospital for the administration of medieal treatment. We have a hospital in which the chcerful atmosphere created by the personnel is almost as important in the recovery of patients. No better time to pay tribute to Miss Ann Baumgartner, administrator, and the hospital staff for their ability to convinee the patient that his welfare and eomfort is the most important job in the hospital. Little do we know how difficult it ean be to always maintain that cheerful attitude under all conditions. These people are to be eommended for their ability to cope with the adverse situations.

Few, if any communities of this size, surpass the efficient and qualified hospital service we too often take for granted. The hospital of whieh we are so proud didn't just happen. It was made possible by the many contributions and help from people who were interested in this community. Without question our so-called "summer residents" bore more than their fair share in both time and money to build and operate a modern hospital to serve this area. Their contribution should be appreciated by all of us.

In observanee of National Hospital Week, Miss Baumgartner and the hospital staff are arranging an open house from 2 to 4 p.m. Saturday, May 18. The public is invited during those hours to visit the hospital and see first hand the serviees that are available. At the same time we will be expressing our appreeiation to all who have made possible the Charlevoix Hospital.

May Speaks on Fundamentals

The miracle month of May has come, calling us to be attentive to fundamental things. May speaks of essentials, of spring'a plenty that overcomes winter's scarcity, of creativeness which is greater than the world's destructiveness, of the growth that conquers stagnation, of excitement that vanquishes boredom.

May is a month of a million births. This month the first fawns of spring will open wide eyes upon wonders lavishly spread about them. Coonlets and chunky woodchuck babies will first see the light of day. Nests are being built by our winged neighbors, and some eggs will be hatched before May merges into June. Already dandelions have flowered. Yellow and lavendar violets and adder tongues bloom under our spreading beech trees.

Now quickens that process that is elemental to life on earth — photosynthesis. Our tallest trees and smallest plants of woodland and meadow drink deeply of spring sunlight and rain and in each plant laboratory the light and water transform nutriments from soil and air into plant food The plants in turn become the nourishment of animals, and so life thrives because it is attentive to this fundamental thing — photosynthesis.

Maybe May is so heartening, bracing and refreshing because it turns our minds from the trivia that so often engage them to the essential elements that are the eosmic backing upon which we lean. And maybe we could restore joy to life on any day of any month if we would, for even a little while, because so attentive and appreciative of life's elemental blessings, available to us all, that we would forget to fret about the lack of luxurious nonessentials that are within the reach of only a few.

Voice of Our Readers . . .

To the Editor:

Wittfogel aays that oriental despots kept their subjects in bondage by eontrol of water supply. Our Dept. of Agriculture is trying for a stranglehold on farmers by tightening wheat controls. May 21st is set for an "election" which, if carried by two-thirds of the farmers voting, WILL BIND ALL WHEAT GROWERS BY ITS TERMS. Other citizens cannot vote, but do pay for crop eontrols in taxes and higher prices.

Terms of the election were decreed by the Secretary of Agriculture. Appeals would be referred to appolnted bureaucrats, who would act as prosecutors, judges and juries.

Farmers who raise wheat to feed their own poultry or live stock are not exempt. They are denied protection of our Bill of Rights. Under the proposed rules, they would be forced to testify against themselves; denied jury trials; and their property subjected to arbitrary search and seizure.

Because of the Yankus case, American farmers have reason to oppose this tyrannical proposal. Stanley Yankus, on his farm near Dowagiac, Michigan, raised wheat to feed his chickens. He accepted no government subsidies. He told me that he had been refused a jury trial. In defense of his Constitutional rights, he waged a country-wide campaign.

When the Haley case, similar to that of Mr. Yankus, was arbitrarily reversed by the U. S. Supreme Court, he gave up; sold his farm at auction; paid his fines; and moved with his family to Australia. In continued support for freedom in farming for wheat and other crops; and in defense of other industries threatened by bureaucratic tyranny; let us all use our influence to defeat proposed wheat controls.

Respeetfully,
George M. Zimmerman

Spring . . . Nature Notes

By Harold E. Kohn

DOES THE MALE OR FEMALE BIRD DECIDE WHERE THE NEST WILL BE ESTABLISHED? Sometimes the female, sometimes the male, depending upon the species. Many birds which nest in tree holes search for the nesting place together—as do some woodpeckers. The females of most migrating birds such as the woodthrush and the robin, make the choice. Among certain species such as the ruby-throated hummingbird and the ruffed grouse, the males and females meet only for courtship and mating and then separate. The male shows no interest in the female after initial mating, never sees the nest and pays no attention to the young.

Amnual Student Government Day Observed Mon.

Charlevoix's Mayor E. D. Hawley and members of his official family were joined by their counterparts among the students of the Charlevoix high school during the annual observance of Student Government Day.

As has been the custom for a number of years, high school students, elected to their respective offices by fellow students, joined in conducting business of city government in order to acquaint them with the operations of the city.

Steve Fraculak headed the official student family. Other elected 'officials' for the day were: clerk, Lorraine Boss; treasurer, Cynthia Cunningham; justices of the peace, Charles Mitchell and Jerry Boss; aldermen: first ward, Frank Curtis and David Rader; second ward, Joan Riley and Dan Pearl; third ward, Ruth Ann Miller and Carlton Smith.

Appointive officials were: city attorney, James Ferguson; city superintendent, Melvin Holborn; police chief, Dennis Bates; fire chief, Dewey Bruce; public works supervisor, Richard Odmark; street commissioner, James VanderWall; superintendent of utilities, Tom Browe; superintendent of sanitation, Doris McBride; deputy city clerk, Howard Majors; deputy city treasurer, Dale Sanford and tax assessor, Martha Coleman.

After spending the day with city officials, the official city family headed by Mayor Hawley and the students were guests at the regular dinner meeting of the Kiwanis club and then attended a regular meeting for the city council Monday evening.

The event is sponsored jointly by the city and the high school.

Students Honor Sr. Mary Ida O. P.

Presented Trophies at Dinner Meeting

★ ★ ★

Members of the Pistol club of the Charlevoix Rod and Gun club, their wives and guests gathered at the Argonne for a dinner party Friday evening marking the close of the current season.

Trophies were presented to Bernie Ward, Jr. and Frank Zednicek as the first and second place winners in the recent eight-weeks shoot held by the club. Alfred Scheid was presented with a trophy as the most improved participant over the same period. Harold Lang, club secretary, who had arranged for trophies for all other members for various accomplishments was awarded the "Best Secretary trophy".

Though this marked the close of one phase of the club's activities, Mr. Lang said that the group will continue its activities shooting at the range at the Rod and Gun club property on Thursday nights of every week except the first week in the month when the group will meet on Friday night. Pistol shooters in the area are invited to join the group. Further information may be obtained from all members.

V.F.W. Auxiliary To Conduct Annual Buddy Poppy Sale

The Auxiliary and members of Post No. 1153 Veterans of Foreign Wars will conduct the annual Buddy Poppy Sale from May 23 through May 25, it has been announced by Mrs. Joseph Etienne, chairman.

The VFW 'Buddy' Popples are made by disabled veterans only and are the organization's symbol to the world that "We honor the dead by helping the living" Mrs. Etienne said.

The sale of the poppies is the only direct appeal to the public for aid to the hospitalized and needy veterans. All funds derived from the sale are used for needy servicemen and women, hospitalized veterans and widows and orphans of disabled or deceased veterans who reside at the VFW National Home at Eaton Rapids.

Charlevoix Garden Club Conducts 'Litterbug' Campaign

In an effort to publicize its 'Litterbug' campaign, the Charlevoix Garden club has conducted a poster campaign in the elementary school here.

Using as a model of a large stuffed litterbug which was displayed in the classrooms during the contest, students in the fourth, fifth and sixth grades, designed the posters under the direction of Mrs. Frieda Novotny and their classroom teachers resulting in more than 100 entries, all of which were winners, according to the poster committee. However, only two prizes could be given and they were awarded to Jeannie Mutz of the sixth grade and Diane Klooster of the fourth grade. The winning posters will be displayed in Schroeder Drug and Central Drug stores during Clean-up Week May 13-18.

All displayed good thought and composition, according to the judges who named the following to receive honorable mention: Tom Burns, Judy Somerville, Billie Bergmann, Linda Schofield, Lori Goss, Kathy Wood, Larry Straw, Linda Avery, Barbara Smith, Mary Plum, Gail Forbrig, Kathleen Klooster, Lynn Weidman, Julie Hill and Don Livingston, sixth grade.

Also Sharon Boss, Karen Lewis and Linda Gill; fifth grade; Marcia Brown, James Klooster, Michael Bergmann, Kay Fiedorek Edwards Drost, Bruce Meggison, Ronnie Hoffman, Linda Wood and Penny Henley fourth grade.

The lower elementary grades participated by coloring pictures of devilish-looking litterbugs.

A movie entitled "Keep America Beautiful" was shown to the entire school through the cooperation of Glenn Snider, principal.

The program was sponored in the elementary school to make the young students more aware of ugly litter so they will keep the city and the country-side as the name ibplies . . . "Charlevoix the Beautiful."

Rev. H.R.E. Quant Former Pastor of Local Church Dies

News of the death of Rev. Henry R. E. Quant, 93, former pastor of the First Methodist church here has been received here.

Rev. Quant, who was minister of St. Paul's Methodist church in Grand Rapids from 1927 to 1935, died Apr. 27 at the Clark Memorial Home in Grand Rapids where he had been a resident for two years.

A native of Ireland, he came to Michigan in 1900, graduated from Albion College in 1904 and became a member of the Michigan conference of the Methodist Episcopal church, a membership he held for 43 years. Besides serving the Methodist church here from 1922 to 1925 he served churches in Athens, Ganges, Jackson, Big Rapids and Battle Creek.

Survivors include a son, William Walter Quant and a daughter, Mrs. Charles (Marcia) M. Bell both of Grand Rapids. His wife died in November 1962.

Services were held in the Clark Memorial Chapel in Grand Rapids Apr. 30 with burial in Rosedale Memorial Park.

Eyes Feasibility Of Real Estate Re-Appraisal

Ted. R. Miller, former second ward supervisor, appeared before the city council Monday night to offer suggestions regarding the recommendation made by Fred White, district supervisor of the Michigan State Tax Commission, that the city of Charlevoix make a re-appraisal of its real estate and bring its valuations up to date.

At that time Mr. White suggested that the city engage a firm of professional appraisers personnel with the assistance of the Charlevoix Assessment-Equalization Department.

Mr. Miller explained that an appraisal such as was suggested is actually an inventory of each piece of taxable property in the city to gain its real valuation. He went on to say that since such a firm was engaged 10 years ago to make this original inventory and that a card system listing every piece of real estate was establishd at that time, it would be possible to use these same cards as the basis of the new appraisal because tho information in most cases reings, etc., would not have garding the size of plots, buildchanged, too much during the period or if they had, they could be brought up to date.

He emphasized that the main thing to be done was to classify every piece of real estate uing the three classifications found in the State Tax Commission manual. The formula for determining the economic factor also found in the manual, could then be used to obtain the valuation of the property.

He continued by saying that since the city pays approximately 35 per cent of the cost of operating the Assessment-Equalization Department and thus far has not asked for assistance, that local city employees could be utilized in the survey resulting in the new appraisal without great expense to the city.

The Council agreed to take his suggestions under advisement.

State Police To Observe Water Safety Week

The Michigan State Police are observing Water Safety Week May 12-16 with a special emphasis program. Water safety is one of the greatest problems throughout the year according to Sgt. Jack Brouard, commanding officer of the Petoskey post.

Water Safety Week marks the beginning of the season of the greatest activity in water sports and the accident toll multiplies.

In announcing the special week, Sgt. Brouard said that the causes that increase the toll are the ones that account for water fatalities and injuries the remainder of the year and nearly all the causes boil down into one .....taking risks".

Among the common causes of accidents are swimming alone or in unauthorized waters such as gravel pits; failure to provide life preservers on boats; reckless operation of motor boats; failure of water skiers to wear life belts and failure to properly supervise small children playing in or near water.

A survey of the 1962 season reveals there were 209 fatal accidents in which 236 persons were drowned and 191 were injured. This includes 23 children under 10 years who lost their lives by falling into the water from a bridge, dock, bank or some other manner.

Michigan with its abundance of lakes and streams is called a water wonderland but this wonderland cannot be enjoyed if people fail to respect the water.

Because of this same abundance of water, Sgt. Brouard pointed out the value of learning some method of artificial resuscitation which lat year revivd 19 persons. He recommended mouth-to-mouth sesuscitation because it is a new technique that is easy to learn and use and is highly effective.

Ford's making all the big news today in open competitive road and track events. It's all in the record. Front-running Fords are proving the kind of performance they deliver is total performance.

Performance *and durability* in a car make a combination that's hard to beat. And big-league competition puts performance in perspective. Mechanical failure forced some pretty hot performers to quit in the Riverside 500 . . . the Daytona 500 . . . Atlanta 500 . . . and the Bristol, Tenn. 250. But the Fords kept going to win every time. The Fords were proving it takes more than speed and acceleration to win. It takes *durability*, too. Road and track competition is a speeded-up test program. It tests brakes . . . suspension . . . cornering . . . steering . . . roadability. It tests *total* performance. And Ford delivers —not only in competition, but in *your* kind of driving too. See your Ford Dealer and sample *total* performance in a '63 Ford for yourself.

Corvair Monza Club Coupe

Who needs muscles?

Do you know how easy it is to take a corner with a Corvair or park one? Turn this newspaper sideways and it will give you a pretty good idea. The wheel handles just about that easily.

The Corvair's engine is in the rear, for not only greater traction, but more balanced weight distribution. And that's what makes the steering so completely effortless.

The engine is air cooled, too. No radiator. No water or antifreeze. No boiling over or freezing up to worry about. It takes the weather and the terrain as it comes.

Ellsworth—Jerome K. Albright principal at the Ellsworth Community Schools for the past year, was named superintendent of the school at the regular meeting of the Ellsworth board of education Monday night.

Mr. Albright, who received his B.S. degree from Central Michigan University in 1961 and who will be awarded his Master's Degree from the same university in June, will assume his duties July 1. He was named to succeed Loren F. Hulsizer who has accepted the superintendency of the Au-Gres-Sims school system in eastern Michigan. In addition to his duties as administrator, Mr. Albright will continue to teach commercial subjects.

The Ellsworth school system, a K-12 school, has an enrollment of 275 students with seven teachers in the Kindergarten through the sixth grades and the same number in the top six grades, excluding Mr. Albright.

A 1954 graduate of the Charlevoix high school, Mr. Albright attended Ferris Institute briefly before serving two years in the U.S. Army. He taught at Coleman Junior high school in Midland county for one year before coming to Ellsworth.

He is married to the former Jean Schnurer, laboratory technician at the Charlevoix hospital prior to her marriage. They have two children, Craig, 2½, and Patricia Jo, born May 4 at the Charlevoix hospital. He is the son of Mrs. Frank Coatta of Charlevoix.

Francis J. Seidel please call at the Charlevoix Courier and pick up your free ticket to the Palace Theatre on or before May 18, 1963. Showing this week is "Days of Wine and Roses."

Garden Club Launches New Landscape Project

Do you have a beautiful yard or garden?

The Charlevoix Garden club has adopted a new project, designed to call attention to all yards landscaped and planted to beautify the individual's property and, at the same time, enhance the beauty of the community.

The club has purchased a lawn plaque which reads:

"The kiss of the sun for pardon
The song of the birds for mirth,
One is nearer God's heart in a garden
Than anywhere elsa on earth".

A committee will tour the city each month and bi-monthly choose the outstanding yard or garden and, with the owner's consent, place the above-mentioned plaque in view of passers-by to designate that such a garden has been selected as one of the "Gardens of the Month'. In this way viewers may visit the garden and share its joy and beauty with the owners.

If you know of an outstanding garden, ever so small, the Garden club would appreciate a call telling the committee where it is located.

This is a project in which all residents of the community can participate so please call LI-7-6645 if you know of a garden worthy of the honor of displaying the plaque for two weeks. The committee will visit any garden recommended to them and, if judged the "Garden of the Month" the plaque will be placed there.

The executive committee of the club which has formulated plans for the project is composed of Mrs. Harley Ochs, president; Mrs. Curtis Burlin, first vice president; Mrs. A. H. Camerson, second vice president, and Mrs. Max Hosmer, secretary-treasurer.

Big Rock Nuclear Plant First to Operate in Michigan

Aerial view of Big Rock Point Nuclear Power plant, located five miles east of Charlevoix, which will be formally dedicated at ceremonies next Tuesday. This is the first nuclear plant in Michigan to operate on a production basis. It should be noted that the dedication has been planned for Michigan Week.

Gov. Romney to Speak At Nuclear Power Plant Dedication Tuesday

The Honorable George Romney, Governor of Michigan, will deliver the main address at the formal dedication of Consumers Power Company's Big Rock Point Nuclear Plant located five miles northeast of here Tuesday.

Also featured on the program will be Dr. Robert E. Wilson, Commissioner, U.S. Atomic Energy Commission, Washington, D. C., Gerald L. Phillippe, President of the General Electric Co., New York City, and A. H. Aymond, Chairman of the Board of Consumers Power Co., sole owner of the $27 million nuclear plant, one of five in the nation and the first in the state to be placed in operation.

James H. Campbell, President of Consumers Power Co., will be master of ceremonies. The Rev. Harold E. Kohn will give the invocation.

The flag raising ceremony will be in charge of the U.S. Coast Guard of the Charlevoix Lifeboat Station. The National Anthem and a program of appropriate music will be played by the Charlevoix high school band appearing under the direction of C. A. Odmark.

A luncheon for the invited guests will precede the program which will be followed by a tour of the plant.

A press conference for approximately 100 representatives of news media, mostly from Michigan, will be held at the Perry-Davis Hotel in Petoskey at 4 p.m. Monday. Officials of the U. S. Atomic Energy Commission, General Electric and Consumers Power Co. will be interviewed at that time. A

The Governor's office in Lansing Wednesday informed Supt. R. G. Bennett that Governor George Romney will visit the Charlevoix public schools briefly while here for the dedication of the Big Rock Point Nuclear Plant Tuesday.

All school students will be assembled at the new high school gymnasium where Gov. Romney will appear briefly at approximately 3 p.m. following the dedication.

The Governor is appearing at the invitation of Mr. Bennett.

City Trucks to Pick up Trash at Curbs and Alleys

Have you done your bit to make Charlevoix more beautiful? Have you raked your lawn, clipped your hedge and hauled away unsightly trash?

If you haven't, then you are not taking advantage of Clean up week when the city is cooperating by hauling away leaves, trash and junk placed at the curb in containers.

This week was earlier proclaimed Clean-up week by Mayor E. D. Hawley who asked that all residents of the community take this time to clean up and paint up in order that the city might be in readiness for the observance of Michigan Week.

City Street Department trucks will travel through the valley today (Thursday), picking up trash at the curb or on the alley and will do the same on the South side Friday and Saturday. Earlier this week this service was made available to north side residents.

Area Students Top Winners In County Spelling Contest

Ten Charlevoix area students were among the top 18 winners in the annual Charlevoix county spelling contest held Tuesday at the East Jordan school under the joint sponsorship of the schools and the office of the Charlevoix-Emmet Intermediate School District.

A total of 152 students from Boyne City, Charlevoix, Boyne Falls, and East Jordan public schools, Melrose township school, St. Mary's parochial school of Charlevoix and Murray school, the only rural school remaining in the county.

Local winners, their grade and school follow:

Eighth grade; Janis Sundberg placed first; Seventh grade: Kathleen Gill, third; Fifth grade: Linda Gill, first, Sharon Boss, second, and Rebecca Hansen of St. Mary's school, third; fourth grade: George Anderson, Murray school, first Donna Johnson and Rene Petetti, both of St. Mary's school, second and third, respectively; third grade: Susan Pettis, first, and Jeanine Etienne of St. Mary's school, second. Unless otherwise designated, winners attend the Charlevoix public school.

Other county winners were: eighth grade; Sandra Grouterfield of Boyne Falls, second and Ruth Belknap of Boyno City, third; seventh grade: Mark Loding of Boyne City, first, and Roger Lilak of East Jordan second; sixth grade: Janet Uyland, Marsha Baker and Norma Petrie, all of East Jordan, first, second and third, respectively; third grade: Lynelle Ruback of Boyne City, third.

All entries were presented with certificate of awards for excellence in spelling; first place winners were awarded dictionaries and engraved gold medals; second place winners, engraved silver medals and third place winners, engraved bronze medals.

The cost of prizes and certificates was shared by the four banks in Charlevoix county and the Intermediate Board of Education, according to Charles A. Robinson, Superintendent, Charlevoix-Emmet Intermediate School District.

Mr. Robinson said the contests were very close with tie breakers necessary in many instances.

Kindergarten Enrollment Day Set for May 24

Friday, May 24, has been designated as enrollment day for children of the Charlevoix school district who will enter kindergarten in September, Glenn B. Snider, Charlevoix elementary school principal, has announced.

Parents of children whose surname (last name) begins with any letter from A through K are asked to register the preschoolers between 9 and 11 a.m. on that date.

Children whose surname begin with any letter from L through Z are to be registered between 1 and 3 p.m. Friday, May 24.

Parents are asked to bring the child's birth certificate and immunization with them when they come to register the child.

The 1960 Immunization Law required a record of vaccinations, triple shots and Salk (polio) shots, signed by a doctor. This information will become a part of the child's health record at enrolment time.

To be eligible for kindergarten in the fall a child must be five years of age by December 1.

Mrs. Jeanne Miles, school and community nurse, will be present to confer with parents and begin the School Health Record.

All parents whose children will begin kindergarten next September are urged to register the children on Friday. There will be no school for current kindergartners on this day to permit the registration of new students.

Kindergarten enrolment during the 1962-63 school year reached 120, Mr. Snider said.

To Hold Hearings Here Next Week

Wilfred J. Lewis of the Workmen's Compensation Department of the State of Michigan will conduct hearings here Monday through Thursday of next week, F. R. Bulow, Charlevoix county clerk has been informed in a communication from that department.

The hearings will be held in the Community room of the City hall on the first four days of next week.

Hospital Guild to Hold Annual Meet

The annual meeting of the Women's Guild of the Charlevoix hospital will be held at the hospital at 8 p.m. Tuesday, Mrs. Harry Gebeau, president of the group, has announced.

An election of officers, reports by the various committees and formulation of plans for the coming year will highlight the meeting.

Two Candidates Seek Election to Bd. of Education

Two candidates filed nominating petitions for the one opening on the Charlevoix board of education as the deadline for filing passed at 4 p.m. Saturday.

They are Clarence H. Smith, incumbent whose three-year term expires this year and who is a candidate for re-election, and Mrs. Robert L. Hooper, a newcomer to school circles though she she has been a resident for 7 years.

The names of the two candidates will appear on the ballot in the June 10 election.

Call for Recount In 15 Precincts

Fifteen of Charlevoix's 22 precincts have been petitioned for recount in the controversial new state Constitution proposal, F. R. Bulow, Charlevoix county clerk has been informed in a communication from Robert M. Montgomery Director of Elections and Secretary of the Board of State Canvassers.

The precincts whose votes will be recounted by the Charlevoix Board of Canvassers include the county's one machine precinct, Boyne City, and the following 'paper' precints the three precincts in the cities of East Jordan and Charlevoix and Charlevoix, Evangeline, Eveline, Marion, Norwood, St. James, South Arm and Hayes townships.

The county board of canvassers is composed of Vern J. Whiteford, of East Jordan, chairman, Mr. Bulow, clerk, Mrs. Kenneth (Alice E.) Tunison of Ironton and Mrs. Loeta Dunsmore of Boyne City.

Senator Milliken To Speak at Commencement

William G. Milliken, State Senator from the 27th District and Senate Majority Floor leader in the State Legislature, will deliver the commencement address at exercises honoring the 1963 graduating class of the Charlevoix high school scheduled for June 5 Supt. R. G. Bennett has announced.

He has selected as the subject of his address "You—And the Future".

Senator Milliken, a native of Traverse City, has represented the 27th Senatorial District in Lansing since 1960. He was elected Senate Majority Floor Leader in January 1963 and is chairman of the Senate Committee on Education and is a member of the State Senate Committee on Committees, Senate State Affairs Committee and Senate Taxation Committee.

A graduate of Yale University, Senator Milliken's interests and experience are varied. He served as a member of the Michigan Waterways Commission from 1947 to 1955; was selected in 1953, with a team of six persons, by the State Department to spend 75 days in West Germany in the intercultural exchange program; is a member of the board of directors of Greater Michigan, Inc.; past member of the board of trustees of Northwestern Michigan College and past president of the Traverse City Chamber of Commerce and Boy Scouts of America.

Announce Plans For Michigan Week

Plans for the tenth annual observance of Michigan Week in Charlevoix have been announced by Alun Bevan, local chairman.

Assisting Mr. Bevan in carrying out the plans are Byron Wright, chairman of the industrial division; Glenn B. Snider, education; Rev. George L. Majors, spiritual and Ormiston Bergeon, retail.

The week's observance, whose theme this year is "Science and Research for our Future", will open with Spiritual Foundations Day, Sunday, with ministers and priests emphasizing the church's place in the community and the part it has played in the history and growth of Michigan.

At noon on Sunday, bells of all Charlevoix's churches will ring marking three minutes of thankful prayer for all God's blessings.

Monday, Government Day, will find Charlevoix's Mayor E. D. Hawley accompanied by Mrs. Hawley and City Supt. and Mrs. James Taylor traveling to Cedar Spring in observance of Mayor's Exchange Day.

Cedar Springs' Mayor, Richard Goller, accompanied by Mrs. Goller, Councilman Carl Middleton and Mrs. Middleton will spend the day in Charlevoix where Alderman Robert Neff will be in charge of arrangements. A tour of the Charlevoix hospital, Big Rock Point Nuclear Plant, city utilities and other points of interest has been planned. At a luncheon at the Weathervane Inn and a dinner at the Grey Gables Inn the group will be joined by other members of the city's 'official family' and their respective wives.

Mayor Hawley and his party plan to meet with Mayor Goller with his party for breakfast at Cadillac.

Cedar Springs is a city of approximately 1500 located in Kent county.

Tuesday has been designated as Hospitality Day. Plans have been made to distribute bottles of maple syrup to out-of-state visitors through the following service stations: Martin's Standard, Carey Oil Co., Meggison's Auto Service, Smith Texaco, Jerry's Gulf and Charlevoix Oil Co. The distribution will be under the direction of E. J. Shanahan.

At Petoskey the State Police Post will hold open house on Hospitality Day.

Industrial products made in Charlevoix area plants will be displayed in downtown store windows beginning Wednesday, Livelihood Day.

Another feature of the special Day will be open house from 2 to 8 p.m. at Consumers Power Company's Big Rock Point Nuclear Plant.

Education Day, Thursday, will find the elementary school participating in a special program featuring the raising of the flag, a brief program calling attention to Michigan and the awarding of prizes for the best essays and posters.

Consumers will continue to feature an open house at Big Rock.

Friday, Heritage Day, will feature displays of old pictures and scenes of Charlevoix in store windows, Anyone wishing to loan pictures for display are asked to contact Mr. Bevan.

Saturday, Youth Day, will feature a camping display by Boy Scout troop 11 under the direction of Scoutmaster Louis Edwards. The group will set up camp in East Park and be prepared to display camping skills.

The Kiwanis club will also sponsor a junior Perch-o-rama for youngsters under 12 years along Round Lake.

The Chamber of Commerce is cooperating in the observance of Michigan Week. The organization is providing prizes for the poster and essay contest.

To Stage County 4-H Dress Revue Friday Evening

The Charlevoix county 4-H Dress revue, which annually climaxes the 4-H Achievement Day will be staged at 8 p.m. Friday at the East Jordan high school gymnasium according to Mrs. Clare Wade Brown, county Extension Agent in Home Economics.

Theme of the setting will be "In a Country Garden". Seventy-five girls from throughout the county will model the garments they have made in their 4-H projects during the school year.

Mrs. Alfred Crowell and Mrs. Edward Cherry of East Jordan will be in charge of the settings. Mrs. Clyton Healey and Mrs. Glenn Campau, also of East Jordan, will narrate the style show.

Six Dress Revue pins will be awarded the best models. These will be judged on the appropriateness of color and design of the garment for the girl and for her poise, posture and carriage while on the stage. The Dresa Revue pin is the most coveted award of a 4-H girl.

One Dress Revue Delegate and one alternate will be chosen to represent Charlevoix county at the State 4-H Show in East Lansing. Charlene Sweet of East Jordan was last year's dress revue winner.

The Dress Revue follows the all-day exhibit in the gymnasium.

All 4-H clubs in the county will exhibit the results of their various projects at the spring show. Ed Rebman, county agriculture agent, who heads the boys program will present various awards to winners preceding the dress revue.

All articles to be exhibited must be placed Thursday afternoon so they may be judged that evening. They will be on exhibit all day Friday so the public may view the accomplishments of the 4-H'ers.

Hospital to Hold Open House Sat.

The Charlevoix hospital will hold open house from 2 to 5 p.m. Saturday in observance of Hospital Week, Miss Anne Baumgartner, superintendent of the hospital, has announced.

Visitors are invited to tour the hospital under the guidance of staff members to view the facilities available in the community.

Michigan Week

We sometimes wonder how much a native of Michigan appreciates his home state and how well he is informed about its resources, its economy, its government, and what Michigan has in the past and is presently contributing to the welfare of the nation as a whole.

Michigan Week, May 19-24, affords the opportunity to promote an organized campaign to tell the world about our blessings. This is being done on a big scale because there are many of our industries that have gone all-out to erase some of the unfavorable national publicity Michigan has received in the past. We could cite many of our larger industries that have gone to tremendous expense to print beautiful brochures and booklets to sell Michigan to the world.

Most of us in small communities make a feeble attempt to observe Michigan Week. Possibly it is because we are not fully aware of the momentum that can be created by a united effort. We benefit, however, from the overall promotion regardless of what we contribute.

There is one way we can always contribute. We can become informed and be ready to pass along interesting and valuable information about our own community to the many tourists and visitors we have throughout the year. Our visitors are keenly interested in the things we too often take for granted.

Can you tell an inquirer about the Big Rock Point Nuclear Plant—the first in Michigan? Do you know the rich and romantic history of the Beaver Islands and the importance of the Beavers to the economy of Charlevoix? Can you tell our visitors about shipping on the Great Lakes? There seems no limit to the things Michigan can boast about and it is time for all of us to get together and boost.

Michigan Week is a good time for all of us to take stock of our state and henceforth contribute our full share in promoting Michigan.

The Wheat Referendum

It appears to us that now for the first time ALL farmers who grow wheat are going to have a vote in a government control program. They will decide their own fate when they vote May 21 on the wheat referendum whether they want to transfer their right to manage their farms to a government bureaucracy directed from Washington for an experiment of a supply management theory or run their own business under a free enterprise system.

The referendum May 21 will be the first time that all wheat growers have had an opportunity to vote on control programs. Heretofore only growers who had a quota of 15 or more acres were permitted to vote. That restriction has always disqualified many Michigan farmers from voting while at the same time they were forced to comply with controlled quotas.

News releases of previous refcrendums have told about the big percentage of Charlevoix county wheat growers who voted in favor of government controls. It made a good picture percentage wise but the percentage was based on the seven or eight farmers in the county who were permitted to vote. The big majority of the farmers in the county who grow wheat in their rotation program had nothing to say about quotas or subsidies.

A no vote on the referendum will be the first step in returning free enterprise back to the farmers.

BETWEEN YOU AND ME

- By Harold E. Kohn -

Puddles and Rivers

The mighty Mississippi River has a meager beginning. The Mississippi starts its course about 2500 miles north of the Gulf of Mexico in a gay little stream skipping out of Lake Itasca in Minnesota. As the brook flows southward it invites other streams to join it, and these unite forces for their march toward the Gulf. Far downstream, the Missouri River and the Ohio merge with the Mississippi forming one of earth's most awesome forces, carrying millions of tons of silt in its vein and countless tons of the nation's commerce upon its back.

The Mississippi is like the rest of Nature at one point, it is constantly engaged in becoming something other than what it is. The river is in a state of perpetual change from joyful little brooklet to a somber giant of a river, from the childish sparkle of exuberant spirits to a ponderous force that seems to have only mighty matters on its mind. The stream cascades and bends and winds. It grows wider and deeper. In short, it is constantly changing. So is everything else the Almighty has made. Little streams become larger streams as tributaries feed them, or they dry up if unfed by the earth's moisture and heaven's gift of rain. The blooming and fading of this spring's flowers remind us that even the most delightful things of earth are not meant to become static. The loveliest things are not intended to remain as they are — trilliums or violets, marsh marigolds, or ladyslippers. They sprout. They bud. They blossom. Then they wilt and disappear. At any given moment wild flowers are engaged in the process of change.

Even though man speaks of "the changeless stars", the informed astronomer knows the stars, too, undergo change in aize and position. An Egyptian astronomer of 2000 B.C. would have pointed to Thuban as the polestar. If you wanted to show a child the polestar tonight, you would direct his attention to Alpha in the constellation of the Little Bear, and call it Polaris—the star that indicates that point at which, if extended, the earth'a axis would pierce the heavens. But a thousand years from now, Alpha will no longer be the polestar because of changes in the relative position of the heavenly bodies, including the earth. Everything the Creator has made on earth and in the celestial sphere is changing. The entire realm of nature is involved not only in being something but becoming something other than what it is now.

You are changing too. From the day when the first tingle of life surged through your cells you have changed. At any given moment the most important thing about you is the direction of that transition — for worse or for better. When we see boys misbehaving, we sometimes shrug our shoulders in indifference or helplessness and mutter, "Boys will be boys." But some sage has reminded us that this is but o half-truth. Boys will be boys for only a short time. Boys will be men, is what we need to remember. Girls will be girls, but not for long. Girls will be women. And, worse or better, tomorrow and next year, you will be something other than what you are today. After middle age, we are sometimes flattered when someone who hasn't seen us for some time exclaims, "Why, you haven't changed at all!" Of course it isn's so, and if it were, it should be regarded as a shocking evaluation. We all change. What counts most is the direction. Are we, like a puddle in the hot sun, losing dimension, — or like the Mississippi, gaining breadth and depth and power?

Births recorded recently at the Charlevoix hospital include.

Spring... Nature Notes

By Horold E. Kohn

Baby birds are sometimes larger than their parents, and it is not uncommon to find a young bird that is one-fourth larger than its mother. There is good reason for this. A fledgling is fed prodigious amounts of food, and it lays up a reserve of fat against that day when it is launched from the nest toward the uncertainties of an existence independent of its parents. The rate of growth is astounding. A baby thrush may weigh forty times as much at three weeks as it did on the day of its hatching. (If you had gained at the same rate, you could have weighed as much as two hundred and eighty pounds at three weeks of age, maybe more!)

On the day they leave the nest many altrical birds (hatched naked and helpless) weigh more than they ever will again. The rigors of finding their own food soon shrink them to the proportions of their parents.

Spiritual Foundation Day

Marking the beginning of

Michigan Week -- May 19-25

A message from the Governor

"Successful conduct of the people's government must be based on a deep belief in a Divine Creator, and the strong conviction that there is nothing equal to spiritual faith in the day-to-day conduct of either personal or governmental affairs. Man is a creature first of God . . . and then of society."

Governor George Romney

Church bells throughout Michigan will ring in unison at noon Sunday, marking a period of thoughtful prayer for all our blessings of God.

Plans Underway For Annual Music Festival

Initial plans for the annual Spring Music Festival by the Charlevoix high school music department have been announced this week.

C. A. Odmark, high school music director, said the annual festival, culminating the activities of the three band groups, will be held at the High school gymnasium at 8 p.m. Wednesday, May 29.

Appearing in concert will be the seventh grade band as well as the Reserve and Senior bands. It will mark the first public appearance of the senior band since the group won a Strait I rating in state competition at Kalamazoo recently.

The concert will be presented without charge to the public.

Gordon Moeller please call at the Charlevoix Courier and pick up your free ticket to the Palace Theatre on or before May 25, 1963. Showing this week is "Giant."

Poppy Sale To Benefit Disabled Vets

May has become known as the month of the poppy . . . the time when poppies, made by hospitalized veterans, "bloom" up and down the streets of the land as Americans here and everywhere remember those who died in America's defense.

Reminescent of the wild poppies of Flanders' field, today's poppies to be sold by members of the American Legion Auxiliary May 23-24-25 will benefit disabled veterans and the needy children of veterans, Mrs. Emerson Hull, Poppy chairman, explained.

The annual poppy sale is the American Legion Auxiliary's way of bringing to the people of the community an opportunity to show their gratitude to America's war dead by contributing to the aid of the living.

So when a member of the American Legion Auxiliary, whether she be an adult member or one of four Junior Auxiliaries, offers you a bright red poppy next week, won't you say "Thank you" to veterans and their families by wearing one of these flowers?

Boatmen Pass U. S. Squadron Examinations

Seven local boatmen were among those who have successfully passed U.S. Power Squadron examinations with flying colors after completing the course offered last winter by the organization.

They are Fay Davis, David Pearic, William Supernaw, Thomas Loeb, Lynn Porter, Douglas Bergmann and Ernest Potter.

Others in the area who completed and passed the course were Dr. Donald McKnight, Harry Miller, Harold Hendricks and Marvin Elzinga of Petoskey and Warren Todter, Chris Todter, a 12-year-old, and Kenneth Hoekwater of Boyne City.

The classes were taught by Roy Raymer, James Bellinger and Phil Lawrence.

In announcing the results of the examination, Mr. Lawrence, who was in charge of the project, extended his congratulations to the boatmen and thanked Mr. Raymer and Mr. Bellinger for their cooperation in carrying out the course of instruction.

Regional Jaycees To Sponsor Junior Golf Tourney

Plans for a Regional Jaycee Junior Golf tournament open to boys in four northern Michigan counties including Charlevoix county have been announced by John Marquardt Jr. of Petoskey.

Sponsored by the Petoskey JayCees, the event to be held June 9, will be held at the Bay View Country club and will be open to boys 14 years of age to those who have not reached 18 as of Aug. 15.

The 18-hole medal tournament will be played starting at noon Sunday, June 9. Entrants will play a practice round beginning at 8 a.m. Saturday, June 8.

Trophies will be awarded the winner and runner-up and also to the low scorer in each age group.

An entry fee of $2.00 will be charged. It will allow the entrant a practice round on Saturday and tournament play Sunday.

Entry blanks may be obtained from the tourney chairman. Deadline for submitting entry blanks is June 1.

County Quota for All Faiths Chapel Falls Short of Goal

With 32 per cent of Charlevoix county's quota still to be raised toward the cost of constructing the All Faiths Chapel at the Traverse City State Hospital, Rev. Alexander Wood, county chairman for the campaign has issued a plea to area residents to contribute to this very worthwhile project.

The county's quota is only $2-000; to date $1,474 has been contributed and efforts are being made to reach the goal within the month.

In asking for the support of the community Rev. Wood said "I am certain that all of you know some unfortunate person who has had to be hospitalized or treated for a mental illness. Won't you take this opportunity to express your gratitude for assistance and care given to someone you know and in gratitude to God that you and those dear to you have not needed this care."

The All Faiths Chapel will be constructed on the grounds at the Traverse City State Hospital at the cost of $300,000 so the 'community' of 3,000 patients at the hospital may have a place to worship, regardless of their faith or denomination. At the present time unused buildings or unoccupied rooms are utilized as sites for religious services.

If you have not contributed and want to do so, make your check payable to the All Faiths Chapel fund and mail to Rev. Wood or, if you would like to make a pledge he will make a pledge card available to you.

Jeanette Novak and her roommate, Evelyn Nohava of Berwyn, Ill., both students at Michigan State University, spent the weekend with the former's parents, Mr. and Mrs. Max Novak.

Sandra Tuomela, a sophomore at Northern Michigan University, has been elected president of the Associated Women Students (AWS) on the campus at Marquette. The organization represents the women of the campus, their activities and government.

Miss Tuomela will assume her duties as head of the organization for the 1963-64 school year when she returns to the campus in September.

The daughter of Mr. and Mrs. Larrie Tuomela and a graduate of the Charlevoix high school, she is also a member of Alpha Xi Delta sorority and resides in the honor hall of campus.

Band Parents Schedule Dinner For May 28

Plans for a Spring band dinner to be sponsored by the Charlevoix Band Parents Association were announced following a meeting of the association officers this week.

The dinner has been scheduled for Tuesday, May 28, at the high school cafeteria with Mrs. Clifford Riley as general chairman. She will be assisted by members of the Band Parents Association and band members.

The need for an additional fund-raising activity was shown by the financial report of Mrs. Joseph Stutzman, association treasurer. A deficit as the result of the uniform needs of the 66 piece band, has made an unprecedented second band dinner neccessary this year, according to C. A. Odmark, director of the high school band.

In addition to the purchase of additional uniforms, the association recently provided overnight housing for the band at its State Festival appearance; purchased medals and a plaque for band members, both Solo-Ensemble and Band-Orchestra State Festivals and provided transporation to the Solo-Ensemble Festival at Kalamazoo. It is also hoped that the funds realized from the dinner will enable the group to provide the All-State Scholarship to the National Music Camp at Interlochen in July.

Details regarding the dinner will be announced at a later date.

CHS Junior, Larry McBride Sets Class C Pole Vault Record

A Charlevoix junior, Larry McBride, set a new Northern Michigan Class C pole vault record Tuesday night when he hit the 11 ft. 4 five-eights in. mark during the 28th annual track and field meet at Gaylord.

However, his efforts were not enough as the defending champions, the Charlevoix Rayder, relinquished the league title to the Mancelona Ironmen who rolled up an impressive 57 one-third points to capture the chompionship, their first since 1937 when the pole vault record which had stood for 26 years, was set. That was the year that Don Turnipseed of Mancelona vaulted 11 ft. 2¾ in. and the same year he set regional and state records that still stand.

In winning the title, Mancelona's Dan Bogart set a new record of 2:07.5 for the 880 yard run, clipping one-tenth of a second from the previous record set by Mark Cross of Charlevoix in 1960.

The Charlevoix Rayders, coached by S. E. 'Irish' Coleman, who have won the title for 22 of the 28 years the league has been in existence, eame in second in Tuesday's meet with 45 points followed by Harbor Springs with 35 one-six; Pellston, 22; Grayling 14 one-six; Boyne City, 11 one-third; Gaylord, 9 one-third and East Jordan, 6 two-thirds points.

Romney to Speak at Big Rock Dedication

(Continued from page 1)

reception will follow the conference.

An open house to which the public will be invited has been planned for a later date.

Tuesday's dedication ceremony will mark the successful completion of the Big Rock Point nuclear plant which was started in the spring of 1960, ten months after Consumers Power Co. had announced the purchase of 600 acres of property in Hayes township as the site of a nuclear plant. The first controlled chain reaction was achieved Sept. 27, 1962; the first production of electricity Dec. 8, 1962, and Initial capacity of 50,000 kilowatts reached in 1983.

It will also mark the beginning of a 4½ year research and development program to be conducted for the U.S. Atomic Energy Commission by the General Electric Co. with Consumers Power Co. cooperating. Aims of the research and development program will be to extend the life of nuclear fuel; cut the costs of fuel fabrication and step up the initial generating capacity of the plant 50 per cent thus improving the ratio between generating capacity and dollars invested.

Hospital Guild Arranges Display For Hospital Week

In observance of Hospital Week The Women's Guild of the Charlevoix hospital has arranged a display calling attention to the Guild's promotion of a professional nursing by offering nursing scholarships to area students.

The pictures of scholarship recipients are featured in the display at Schroeder's Drug store.

The recipients and the year each received the acholarship follows: Joan Heilig, 1958; Kathleen Fessenden, 1957; Sharon Peebles of Ellsworth, 1958; Sandra Zipp and Nancy Klooster, 1960; Joan Swaboda of Boyne City, 1981 and Lorah Foley, 1962.

The Guild is again offering a $300 scholarship to an area resident planning to enter the field of professional nursing. For information call Mrs. Jeff Novotny.

Lifeboat Station To Hold Open House Saturday P. M.

The Charlevoix Lifeboat Station will hold open house from 1 to 4 p.m. Saturday in observance of Armed Forces Day, Chief Leo Norton, officer in charge of the new facility located off Chicago ave. on the north side of the upper channel.

Plana for an open house at the Beaver Island Mooring station have also been revealed. The station, located on St. James harbor will be open from 1 to 4 p.m. so island residents may tour the mooring.

At Charlevoix the new lifeboat stationed opened last summer will be opened to the public for the first time since the dedication in September. Members of the crew will serve as guides to visitors as they tour the facility which reploced the 70-year old station located on Pine River near the entrance to the harbor from Lake Michigan.

Cmdr. Francis J. Mann, commanding officer of the CGC Sundew, chairman of Armed Forces Day in Charlevoix, has extended an invitation to the public to tour the facilities in their respective areas.

He went on to explain that Armed Forces Day, whose theme is "Power for Peace", symbolizes unification and demonstrates the close working relationship of the Army, Navy, Air Force, Marine Corps, Coast Guard, National Guard and Reserve Components, and gives the people of the United States an annual report on the state of the Nation's defense.

In observance of Armed Forces Day, flags will be displayed throughout the business area on Saturday.

Heating Contractors Being Trained at Gas Company School

A series of three-day training schools for heating contractors in this area are now in progress under the sponsorship of Michigan Consolidated Gas Co., according to D. S. Montross, manager of the Petoskey area. Three full-day classes are being conducted each week at the Emmet 4-H center, at Petoskey fairgrounds.

Purpose of these training schools is to familiarize heating contractors and their employees with all phasea of natural gas use and distribution, company service policies, including conversions of all types of natural gas heating equipment and controls. With the completion of the course the trainees should be qualified to cope with the busy season expected when natural gas is brought into the area.

It is planned to train from 25 to 30 men during each of the four three-day sessions. Each school will terminate with an efficiency examination.

Norwood Plans Cemetery Bee

Plans have been made by the Norwood Cemetery association to hold a clesnup work Bee Saturday at the Norwood cemetery.

VSI Corporation Opens Facility in Fort Lauderdale

VSI Corporation with headquarters in Pasadena, Calif., through its subsidiary, D-M-E Corp. of Detroit has established Southern D-M-E Corp. in Fort Lauderdale, Fla., to warehouse and market D-M-E mold bases and component parts for the expanding plastics industry in the southeastern states it has been announced by corporation officials.

The new facility opened officially Tuesday to serve Florida, North Carolina, South Carolina, Georgia, Alabama, Mississippi, Louisana and Tennessee. It is located at 4533 NE Fifth Terrace, in Fort Lauderdale.

Mason Phelps, president of VSI, said his company has a 80 per cent interest in Southern D-M-E Corp. with Albert E. Holzi of Fort Lauderdale holding the remaining interest.

I. T. Quarnstrom is president of the new corporation. Mr. Hoizl is vice president; C. W. Marcellus, vice president for sales; G. Ralph Bartholme, secretary-treasurer; Erie Brierly, assistant treasurer and Steve Pituch, assistant secretary and assistant treasurer.

American Mold Engineering Corp. located here, is also a subsidiary of VSI corp.

Early days at Big Rock Point in the summer of 1960 showing the man-made crater which eventually became the base of the reactor containment sphere.

The picture was taken a short time after the land, located on the south shore of Little Traverse Bay, had been cleared; the railroad spur (to the top of the picture) laid from the C & O tracks to the plant site and roadways cut through the second growth timber.

Buildings on the site were temporary structures utilized as offices and storage areas by the contractor. Bechtel Corporation of San Franciso.

Facts Concerning Proposed Charlevoix-Emmet Merger

The proposed merger of the Charlevoix-Emmet Intermediate School districts is an issue on which voters in the two-county area will east their ballots in the forthcoming school election scheduled for June 10.

In order to better acquaint the voting public with the issue a series of articles answering questions which might arise will be published in coming weeks. The first of these articles follows:

A question often asked is "Just what is an intermediate school district?

The answer is simple. It is the territory of the local school districts in any county.

Will any changes in local school district boundaries result from the merger of the Charlevoix and Emmet Intemediate districts? No. The merger will mean that the territory included in all of the local school districts in both Charlevoix and Emmet counties will comprise one intermediate school district. In effect, this has been the case in Charlevoix and Emmet counties since Jan. 1962, when the county boards of education entered into an agreement to share the services of one superintendent.

What benefits will accrue from a merger that cannot be achieved by the present sharing arrangement? Under present lgislation the combined district would quolify for additional state-aid.

The district would have enough student membership to become eligible for reimbursement benefits in certain education programs. The combination would provide stability in financing and a more efficient and economical organization from an operations standpoint. This would be accomplished through the more efficient use of clerical skills and office equipment, eliminate duplicate reporting in matters of transportation, certification, lunch records, etc.

Public Act 190 of the Acts of 1962, under which the Intermediate School District must operate, provides for strengthened local control yet improves the position for serving as the intermediary between the Department of Public Instruction and local districts.

How would the area compare with other counties? The combined area of the Charlevoix and Emmet Intermediate districts contains approximately 878 square miles. This is approximately the same size as many single counties ineluding Sanilac, Oakland, Allegan, Kent and Newaygo and less than half as large as Marquette county in the Upper Peninsula. Marquette and Alger, when combined, will be more than three times as large as Charlevoix and Emmet.

How do the two counties (Charlevoix and Emmet) compare in valuation? Charlevoix's valuation is $51,700,000 and Emmet's about $53,000,000.

In public school membership? Charlevoix 3644 and Emmet 3600; in parochial schools: Charlevoix 173 and Emmet 1077.

How much will it cost? There will be no significant changes in costs of operation. The money saved by employing one superintendent instead of two can be used to increase services to local district.

Five Candidates File Petitions At Ellsworth

Ellsworth—Five candidates have filed nominating petitions for two vacancies on the Ellsworth Community School District Board of Education.

One incumbent, Marvin J. Elzinga, who has been secretary of the board for the past 10 years, has filed for re-election. Others seeking election are Bernie DeYoung, a former board member, Gerrit George Drenth, Richard Kayner and Mrs. Maurice M. (Madeline) Taylor.

Hans DeYoung, president of the board for the past two years who is completing his twelfth year in office, is not a candidate for re-election.

The two positions to be filled are for four year terms.

The annual school election is scheduled for June 10.

Broom Sale Nets Lions Club $400

The Lions club broom sale held last Thursday was highly successful with the club grossing $758.60 and taking orders for another $180.40 for a total of $917.00 William R. Carey, co-chairman of the event with Robert W. Winchester, reported Wednesday.

The sales will net the club approximatey $400.00 he added, with most of the money going for sight conservation. A percentage of the returns, however, will be retained here for use on community projects.

Teams captained by Hank Felix, Paul Kohler, James Taylor, Jerry Whitley and Stan Fiedorek did exceptionally well, Mr. Carey said while the sixth team, headed by Bob Ferguson, reported that his area had been canvassed so completely in 1982 that few residents needed new brooms.

At Monday's luncheon meeting held at the Weathervane Inn, Gen. George B. Ely U. S. Army (Ret), Charlevoix county Civil Defense director, spoke on the subject of Civil Defense in the county.

Dedication of Consumers Power Company's Big Rock Point Nuclear Plant marks a mile stone in the peaceful use of nuclear power. Sincere congratulations are in order.

The people of Charlevoix County share in this achievement by having contributed encouragement and assistance during the building of the project. They can also expect that the very existence of this advanced power plant in their community signifies the area's growing potential and progressive attitude.

A success from the outset, Big Rock Point is a credit to the close cooperation between Consumers Power as owner, General Electric Company as manager of research and development and principal equipment supplier, and Bechtel Corporation as prime contractor and engineer-constructor. Credit is also due to the local subcontractors for the important part they played in this accomplishment.

Bechtel is proud of its association with these distinguished firms in the advancement of nuclear energy as a source of electrical power.

Allocation Board Meets To Set Tentative Tax Rate

The Charlevoix county tax allocation board will meet at the county building at 10 a.m. Monday to set the tentative tax rate for 1963.

A second meeting of the board to approve the final tax rate must be held not less than 8 or more than 12 days. At the final hearing any local unit may object by its duly authorized officers or agents to the maximum rate as ordered by the hoard and request a redetermination.

Within five days after the final hearing for each local unit, but not later than the first Monday in June, the board shall make a final order approving a maximum tax rate for the purposes of such local unit and shall give written notice of such order to such local unit. Any local unit required by any provision of law or city charter, to certify its tax levy for apportionment prior to the first Monday in June may, any provision of such law or charter to the contrary not withstanding, certify its tax levy on or before the Wednesday following the first Monday in June.

Members of the allocation board are william Carey of Charlevoix, chairman; Guy C. Conkle Jr. of Boyne City and Kenneth Diller of East Jordan, who were appointed to the board, Charles A. Robinson, superintendent of the Charlevoix-Emmet Intermediate District, Lillls M. Flanders, county treasurer and Clarence F. Rabach, chairman of the finance committee of the board of supervisors who are members by virtue of their respective offices. F. R. Bulow, county clerk, is also clerk of the board.

Mrs. James Harris Early Charlevoix Resident Passes

News of the death of Mrs. James Waldo (Lovey M.) Harris, 91, early Charlevoix resident who later spent many summers at Ironton, at her Oak Park, Ill., home May 3, has been received here by Mr. and Mrs. Earl A. Young.

Mrs. Harris was the mother of Mrs. Alfred (Elizabeth) Aerne of this city and Miss Edith Harris of Oak Park, Ill.

Born in Chicago Aug. 2, 1871, the former Lovey Marie Kissner later lived in Clark, Ind. before coming to Charlevoix to make her home with her brother-in-law and sister, Mr. and Mrs. Hiram V. Rifenberg, early residents who built the former Argo Milling Co., present site of the Weathervane Inn. It was here that she met Mr. Harris, a civil engineer in charge of the construction of the Pere Marquette railroad through northern Michigan in the eary 1890's. They resided here and later in Idaho before settling in Oak Park when Mr. Harris was supervising engineer with the Chicago Surface Lines.

For many years she worked with the late Dr. Graham Taylor and his daughter at the Chicago Commons; was president of the Chicago Commons Woman's club for more than 30 ycars and helped organize an auxlliary for the work of the organization in Oak Park and River Forest, Ill.

Until suffering a stroke in October 1960, Mrs. Harris always summered at Ironton.

Mrs. Harris and Mrs. Rifenberg were two of a small group who were instrumental ln organizing others into what was to become Christ Episcopal church here.

Roy Robinson Former City Sup't Dies in Alabama

News of the death of Roy Robinson, former city superintendent here, at Dothan, Ala., Friday has been received by Mrs. Max Scamerhorn.

Funeral services were held at Dothan where he had lived for the past two years. The body was returned to Buchanan where graveside services were held Tuesday.

Mr. Robinson served as city superintendent here for two years, leaving here in August 1955 to take a position as city manager at Kinston, N.C. During his stay here, Mr. Robinson initiated the use of flower baskets on city lamp posts which has become a trademark of this community and the annual Student Government Day when high school students take over the duties of city government for one day to acquaint them with the operation of a city.

Mr. Robinson came to Charlevoix in 1953 from Niles where he had made his home for many years.

He had been in failing health since undergoing brain surgery more than a year ago.

Surviving are his wife, Garnet; one daughter; a son and several grandchildren.

Leroy Bancroft Former Resident Dies in Flint

News of the death of a former local resident, LeRoy L. Bancroft, 71 at Flint Monday has been received here.

Mr. Bancroft died Monday at McLaren General Hospital in Flint.

Funeral services were held Wednesday at the Dodds-Dumanois Funral Home with burial in Grace Lawn cemetery.

Born in Charlevoix Feb. 27, 1892, Mr. Bancroft went to flint in 1920 to make his home. He was employed at the Buick Motor Co. until his retirement.

Surviving are his wife, Mamie F.; three sons; two daughters; 19 grandchildren and a brother, Emery Bancroft of Mancelona.

Albert A. Wilbur Graveside Rites To Be Held Monday

Graveside services for Albert A. 'Bert' Wilbur, former local resident who died in Chicago March 19, will be held at Brookside cemetery at 11 a.m. Monday.

Mrs. Wilbur A. Cline and her daughter, Miss Helen Rose Cline, plan to come ffrom New York City for the service.

Hold Graveside Rites for Mrs. Belfy

St. James, B. I.—Graveside services for Mrs. William (Alice) Belfy, 75, who died December 30, 1962 at Charlevoix hospital, Charlevoix were held Friday, May 10 at Holy Cross Cemetery with the Rev. Louis Wren O.F.M. (Conv.) officiating.

Those who came from away for the services were Mr. and Mrs. Del Belfy and son Johnny, and Mr. and Mrs. Erwin Belfy and daughter Alice, all of Detroit, Mrs. Joseph Perigard, Miss Helen Herrick, Mr. and Mrs. Harold Erickson, and Mr. and Mrs. Robert Leighton, all of Muskegon; Erwin Befy, Sr. of Mrs. Robert Leighton, al of

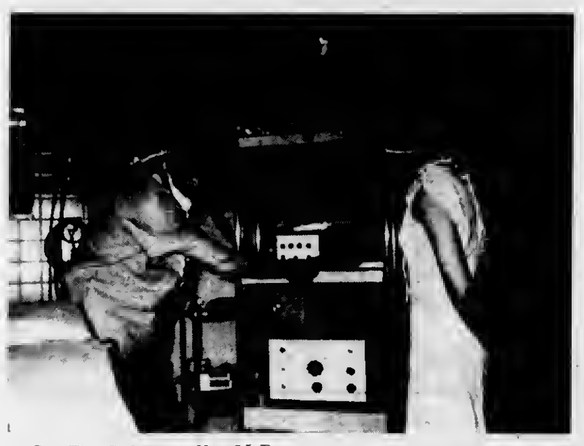
National Hospital Week May 12 thru 18

Your Charlevoix Hospital Is Keeping Pace



G. B. Saltonstall, M.D., Chief of Charlevoix Hospital Medical Staff, discussing the Electradioscope and Defibrillator with Mrs. Jack Bacot, R.N.

National Hospital Week is a time for you to get better acquainted with your hospital and this year the hospitals throughout the nation are featuring an opportunity to explore the rich opportunites for careers offered young men and women, according to Miss Ann Baumgartner, administrator of the Charlevoix Hospital. The growth of hospital services has produced a corresponding increase in the number and variety of hospital careers.

Many persons who have never had to have hospital care, and many who have used hospital services, have the impression that hospital care is dependent only on the nurses and the doctors. Few are aware of the specially trained people necessary to the operation of the modern hospital. The need for nursing personnel is presently a great problem. Added to that is the urgent need for trained people such as occupational and physical therapists, dietitions, technologists, pharmacists and medical records librarians as well as people capable of the hospital business administration.

The shortage of people trained in these fields will continue as population increases and more people recognize the value of prompt medical care, Miss Baumgartner predicts.

Open house at the Charlevoix Hospital Saturday will offer a special opportunity to those who want to know what they may expect in hospital care and to the younger people the possibilities in a career.

Mrs. Mike Hamlin, R.N., Operating Room Supervisor, showing Mrs. Dean Shank, R.N., the basic instruments for an appendectomy. It might be interesting to know that the cost of this basic set of instruments is approximately $600.00. For a major surgery there are many more instruments required, and these sets contain about $1500.00 worth of instruments.

Miss Cynthia Fairbanks, P.N., shown with a youngster in one of our new youth beds in the Pediatric Department.

You are Invited to our Open House 2 to 4 p.m. Saturday, May 18

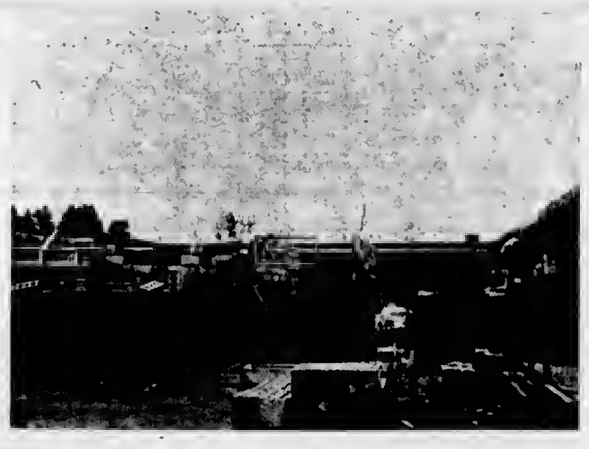
Your Charlevoix Hospital annually holds open house one day during National Hospital Week in order that you who have made our hospital may see first hand that Charlevoix has a modern equipped hospital to serve the community.

Since the new Charlevoix Hospital was opened in 1954 there has been a continual expansion program in order to keep pace with the demands of the community. At present the hospital has available 56 beds and bassinets and during the past year 1190 patients were admitted and 182 babies were born. An additional 2072 out-patients were served.

Presently there is an expansion program to include a physical therapy department, a larger X-ray viewing room, enlargement of the laboratory to make space for new equipment and enlargement of the cafeteria dining area and storage space.

The staff of doctors include: G. B. Saltonstall, M.D., Chief; J. R. Rogers, M.D. Vice; Robert Martin, M.D. secretary; L. E. Grate, M. D., J. V. Van Dellen M.D., of Ellsworth; J. H. Savory, M.D., East Jordan; W. H. Hoffman, D.D.S., Robert C. Tollas, D.D.S. Consultants include: Harry L. Weitz, M.D., Traverse City; Gerald A. Drake, M.D. Petoskey; T. R. Cajigas, M.D., Traverse City; and R. T. Lossman, M. D., Traverse City. Serving on the advisory staff are Donald Duffie, M.D., Central Lake; A. F. Litzenberger M.D., Boyne City and Guy C. Conkle, M.D., Boyne City.

Directors of the hospital board are Fred Willis, president, Gordon Freedman, vice president, Charles Bleha, treasurer, Mrs. Edward Shanahan, secretary, Robert Bridge. Mrs. Kit Carson, Max Novak, Hans DeYoung, Ralph Price. Bruce Malpass and Dr. Martin representative of the medical staff.



This shows the construction in progress on our North wing, which is an addition to our Laboratory and X-Ray Viewing rooms. This is to make room for the added equipment and space necessary to do more extensive laboratory testing and for our x-ray facilities.

Construction in progress on our East wing, which will house our new Physical Thorapy Department, Dining and Cafeteria area and storage.

MICHIGAN WEEK is next week, May 19 through May 25. Throughout the State, activities are planned to publicize Michigan's unlimited assets, resources and advantages for industry, business, agriculture, education and recreation. The purpose? To help every Michiganian become a better-informed spokesman for our State. This year's Michigan Week theme is "Science and Research for our Future." A good choice, because there are more than 200 active research units in Michigan. They do an estimated $750 million worth of research and development work annually—assuring a better future for each of us. Current projects range from work on the atom to the structure of society, from poison ivy preventatives to new nutritional products. Their fine efforts add up to a skyrocketing actlvity that shows no signs of leveling off.

RESEARCH IS THE KEY to more and better telephone service, too. For example, the hard-working transistor, developed by Bell Telephone Laboratories, is basic to new transmission and switching systems that will lead to new and improved services. Just last month telephone company operators began dialing calls direct to Great Britain, Germany, Italy, France and Switzerland. Some day we may enjoy such convenience as television telephones that let you see as well as talk to the person you're calling. This continuing research means telephone service that is high in value, low in cost—now and in the years ahead.

TOTAL PERFORMANCE:

FORD GALAXIE 500 XL SPORTS HARDTOP

IF YOU KNEW WHAT
TINY LUND KNOWS ABOUT FORD DURABILITY...YOU'D BE OUT ENJOYING A '63 FORD

Ask Tiny Lund about Ford durability: He'll tell you how it helped him win America's toughest stock-car competition, the Daytona 500. Lund placed first in a Ford, with four other Fords right behind him for an unprecedented sweep of the first five places. Only the Fords were tough enough to stand the pace.

Greater durability is the reason Ford is able to offer a total-car warranty. Only a true total-performance car could offer as complete a warranty as this—with no strings attached:

"Ford Motor Company warrants to its dealers, and its dealers, in turp, warrant to owners as follows: That for 24 months or for 24,000 miles*, whichever comes first, free replacement, including related labor, will be made by dealers of any part with a defect in workmanship or materials. Tires are not covered by the warranty; appropriate adjustments will be made by the tire companies. Owners will remain responsible for normal maintenance services, routine replacement of parts, such as filters, spark plugs, ignition points, wiper blades, brake or clutch linings, and normal deterioration of soft trim and appearance items."

You can't put a long-term warranty like ours on a short-term car. The '63 Fords have a better warranty because they're built better than any Fords in history. You see evidence of this extra toughness in Ford's outstanding competitive wins this year.

'63 Fords won the grueling Daytona, Riverside, and Atlanta 500's, and the demanding Pure Oil Performance Trials. Only cars with total performance could roll up so many big wins.

Before you buy any new car, test-drive the solid, silen. Super Torque Ford. If you haven't driven one lately, you can't really know what a new Ford is like. Remember: **If it's built by Ford it's built for performance . . . total performance.**

*90 days or 4,000 miles, whichever comes first, for the 427 C.I.D. 4V or 8V and 390 C.I.D. 4V engines and related power train components

William Barber Former Resident Wins Promotion

William Barber, 31, former resident who has been a member of the Kalamazoo Police Force since 1955, was promoted to the position of training officer and staff assistant to Chief of Police Dean Fox according to a recent announcement.

As training officer he will supervise all phases of police schooling and, as Chief Fox's staff asistant, will work with the Chief on elements of research, development and planning.

He joined the department in Nov. 1955 and has been the polygraph examiner since 1981.

He is a graduate of the Charlevoix high school and Western Michigan University in Kalamazoo with majors in Police Administration and Psychology. His parents are Mr. and Mrs. Elmer Barber, former residents now living in Delray Beach, Fla.

The promotion was the result of a major re-organization in officer personnel within the Kalamazoo Police Department.

Big Rock Power Plant Formally Dedicated

Michigan Week activities were focused on the future by Gov. George Romney, Dr. Robert E. Wilson, commissioner of the U. S. Atomic Energy Commission and other dignitaries as a Michigan' exclusive, Big Rock Point Nuclear Plant was dedicated Tuesday afternoon.

Threatening skies cleared as 300 public officials, representatives of the various news media and executives of the utility gathered at the dedication program which was preceded by a luncheon for the group.

Gov. Romney praised Consumers Power Co. for its faith in the future by spending $27 million in a nuclear plant which also showed private industries' concern with the scientific and technological research that Michigan needs. He also called for more emphasis on research to create job-producing industry.

Speakers at the ceremony were Gov. Romney, A. H. Aymond, board chairman of Consumers; G. L. Philippe, president of the General Electric Co. and Dr. Wilson. James H. Campbell, president of Consumers, was master of ceremonies and outlined briefly the history of the plant and its potential.

The Rev. Harold E. Kohn gave the invocation. Special music was by the Charlevoix high school band directed by C. A. Odmark. U. S. Coast Guardsmen from the Charlevoix Lifeboat Station officiated at the flagraising ceremony.

A tour of the entire plant followed the program.

Charlevoix to Salute War Heroes Memorial Day

The residents of the Charlevoix area will join with Americans around the world next Thursday as they honor their war dead on Memorial Day 1963.

In Charlevoix the traditional parade followed by a formal program at Brookside cemetery will follow the same pattern set many years ago with the parade assembling at Park ave. beginning at 9:30 a.m. and starting at 10 a.m. on the march to Brookside cemetery, halting enroute at Memorial Park where the flag, flying at half-mast, will be lowered and then hoisted to full staff as the Charlevoix high school band, directed by C. A. Odmark, plays a patriotic number.

Flowers will be strewn on the waters of Round Lake in memory of the sailor dead, a salute will be fired and taps sounded before the parade continues its march.

At Brookside cemetery, the Rev. A. Robert Harrison will deliver the Memorial Day address.

The Charlevoix high school band directed by Mr. Odmark will open the program with the playing of the anthem "America". The Rev. Arthur Austin will give the invocation and serve as master of ceremonies.

Dennis' Bates, Charlevoix high school senior, will recite the Gettysburg Address.

Following the Memorial Day address by Rev. Harrison, there will be a floral tribute, a salute by the firing squad composed of U. S. Coast Guardsmen and taps sounded by John Kroken. The program will close with the playing of the National Anthem and benediction by Rev. Harrison.

Marching in the parade led by the Charlevoix high school band with Frank Boss as parade marshall, will be an honor guard of U. S. Coast Guardsmen, members of the Charlevoix V.F.W. Post No. 1153 and its auxiliary, the Leslie T. Shapton post No. 22, American Legion and its Auxiliary, Girl Scouts, Brownie Scouts, Boy Scouts, Explorer Scouts, Cub Scouts and their adult leaders, veterans, servicemen and school children on decorated bicycles.

In the event of inclement weather, the program will be held at the elementary school gymnasium on Mason st.

Area residents are reminded to observe the correct etiquette on Memorial Day by standing as the flag goes by, the men with head dress removed and held at right shoulder; men without headdress and women will render the hand to heart salute; uniformed men will render the military salute. When the national anthem is played all should stand silently and face the music, men with headdress removed and men in uniform saluting.

Members of veterans organizations will attend their respective churches on Memorial Sunday instead of attending a designated church as a group.

Representatives of the Charlevoix Ministerial Association, the V.F.W. and the American Legion joined in formulating the plans for the Memorial Day observance.

Wins Appointment To Naval Academy

Gregory P. Smith of Boyne City has successfully completed an admission test to the U. S. Naval Academy, Annapolis, Congressman Victor A. Knox has announced. He will enter the academy June 26.

He was the appointee in the 1962 competitive examinations sponsored by Congressman Knox and passed his entrance examination in March.

A graduate of the Boyne City high school class of 1962, he was a member of the high school band and the state high school class C United Press grid championship team. He is the son of Mr. and Mrs. Gregg Smith, publishers of the Boyne Citizen.

Circuit Judge Arraigns Two Sentences Four

Two persons were arraigned, four others sentenced and charges against two dismissed by Judge Charles L. Brown during the opening day of circuit court here Monday.

Alvin W. John Jr., 23, pleaded guilty to a charge of statutory rape involving a 14 year old Petoskey girl and his case referred to the probation department for pre-sentence investigation. He was returned to the county jail to await sentencing at a later date.

Marie Sands, 30, pleaded guilty to a third offense on a charge of being drunk and disorderly. Her case was also referred for investigation. She was returned to the county jail and will be sentenced at a later date.

Mrs. Louise Kane, 41, charged with walking away from the county jail while being held on a charge of being drunk and disorderly, was placed on one year probation and ordered to pay $60 fine and costs.

William H. Annesbury, 24, of Boyne City, pleaded guilty to a charge of entering the Boyne City Bakery without the owner's permission and was ordered to pay a $10 fine and $150 costs. The charge was reduced from breaking and entering in the night time.

Paul C. Leazier, 26, of Boyne City, and Carl D. Morgan, 24, of Boyne City and Bad Axe, charged with conservation department violations, were ordered to pay $75.00 each in fines and costs within 10 days or serve 90 days in the county jail.

Charges of unlawfully driving away an automobile against Frank Syrek, 19, of Boyne City, and malicious destruction of property against Mrs. Aileen A. Poquette, 47, were dismissed.

Charlevoix Band To Participate in Ontario Parade

The 87-piece Charlevoix high school marching band and its director, C. A. Odmark have accepted an invitation to participate in the dedication of the new International Bridge connecting the United States and Canada at the cities of Sault Ste. Marie, Ontario, and Sault Ste. Marie, Michigan.

The band will depart via school buses at 6 a.m. tomorrow (Friday) enroute to Sault Ste. Marie, Ontario, where they are scheduled to march in a parade at 9 a.m., Charlevoix time, marking the first time the local group has marched on foreign soil.

Following the Ontario parade and program, the band members and their director will return to Sault Ste. Marie, Michigan, where they will gather at Bushong Stadium to hear a concert by the NORAD band, the service band of the North American Air Defense Command at Colorado Springs, Colo., and a talk by Gov. George Romney.

Included in the day's activities will be the actual dedicatory ceremony at which Governor Romney of Michigan and The Premier of The Province of Ontario will be the principal speakers. The American parade will be held at 4 p.m. at Sault Ste. Marie, Michigan. Following this event, the band will return to Charlevoix.

To Ask 1.5 Mills For School Operation

The Charlevoix board of education voted at its regular meeting Monday night to ask for 1.5 mills in the June 10 election. The board based its need on this figure after the schools in the county were given 8.4 mills by the Charlevoix county tax allocation board Monday. However, should the allocation be changed when the final rate is set the first week in June, then this will be changed. E. Darrell Dinwiddie president of the board explained in making the announcement.

Included in this budget are teachers for four new classrooms in the elementary school, and a fifth teacher in the high school. There is also $10,000 for capital outlay to be used to improve the Garfield ave. and May st. drives at the high school and at the elementary school and another $10,000 to apply to the deficti. The most critical situation exists in the third through the sixth grades where two teachers in each of these four grades will have 80 students in the third, 80 in the fourth, 86 in the fifth and 84 in the sixth grades hasing the enrollment on present membership. It is felt that these students, in their most formative years, need more attention than one teacher can give them when there are so many in each class room.

Exchange Mayor Presented Key

Visiting mayor, Richard Goller of Cedar Springs, was presented with the key to Charlevoix while here for Mayors' Exchange Day in addition to several other gifts by Robert Neff, first ward alderman who hosted the visiting dignitaries at a luncheon at the Weathervane Inn and a dinner at the Grey Gables Inn. Other members of the city's official family joined the group. Pictured with them is Councilman Carl Middleton of Cedar Springs who accompanied Mayor Goller to Charlevoix for the day.

Mayor and Mrs. E. D. Hawley and City Supt. James Taylor and Mrs. Taylor spent the day in Cedar Springs where they were entertained by city officials there.

Council Sets Budget At $213,310 for 1963-64

The Charlevoix city council, at its regular meeting postponed until Tuesday because of Mayors' Exchange Day, adopted a budget of $213,310 for the 1963-64 fiscal year.

The new budget is a decrease of $6,769 over the 1962-63 budget of $220,079.

The 1963-64 budget will necessitate an eight mill tax levy on the city's state equalized valuation of $8,007,500 which will raise $64,060 toward the budget. A breakdown shows that two mills or $16,015 will be allocated to the street district and six mills or $48,045 for the general fund.

In 1962 the eight mills on the city's state equalized valuation of $7,801,350 brought in a total of $62,410 or $15,602 for the street district and $46,808 for the general fund.

Estimated revenues from other sources which will be applied to the budget include: interest and penalties, $1,700; electric utility contribution in lieu of taxes, $40,000 which, added to the taxes, will total $105,760; revenues from other government agencies (Motor Vehicle Operaters License, Motor Vehicle Highway Tax, returns from liquor, sales and intangibles taxes, trunkline maintenance and gasolie tax refund), $63,975; Public services enterprises (golf course, cemetery, docks and airport), $22,300; miscellanous revenues (business license, property and equipment rentals, shuffleboard and skating rink, fire department, outside calls, street department, parking meter fines and revenues, contributions and other miscellaneous sources), $21,275.

Revenues will be dispensed thusly: contingent: $13,700; streets: $74,110, police department, $22,110; cemetery, $12,475; city hall, $7,450; parks and recreation, $16,975; fire department, $15,710 including $3,200 for new hose and fire tanker; golf course, $7,540; city clerk and accountant, $3,590; city treasurer, $2,850; and mayor and council, $4,600; health department, $2,700; airport, $2,650; city superintendent, $5,605; Justice court, $350; legal, $1500; elections, $1,100; assessor and board or review, $8,925 including $7,300 that has been set aside to underwrite the cost of reappraisal of the city; docks and harbors, $9,800; sewers, $1,250; skating rink, $2,520; parking meters, $3,800 for a total of $213,310.

The city utility departments including electric, water and sewage departments are handled separately and revenues and expenditures relating to these departments are not included in the above budge.

Allocation Board Sets Tentative 1963 Tax Rate

The tentative tax rate for this year was set by the Charlevoix county Tax Allocation Board at a meeting held Monday at the county building.

The county was allocated 5.45 mills; all schools 8.4 mills; all townships, with the exception of Charlevoix township whose budget did not show a need, 1.0 mills and the intermediate school unit, .15 mills.

The final hearing was scheduled for 1 p.m. Tuesday, May 28, at the county building.

When the final rate was established in 1962, the county was allocated six mills, the schools eight and the townships one with the exception of Charlevoix and Bay Township.

Construction Is Started on Natural Gas Lines in City

Construction of natural gas distribution lines was started this week in both Charlevoix and Petoskey, reports James G. Preston, general manager of Michigan Consolidated Gas Co. northern district. It is expected the construction in the shopping areas will be completed by June 15 thus avoiding inconvenience to summer tourist traffic.

Initial work will include eight miles of mains in Petoskey and seven and a half miles of mains in Charlevoix. These will be laid in the main residential area and completion date is set for July 1. Contracts for construction of lines to the outlying areas will be let June 1.

Construction of the 90-mile gas transmission line which will bring natural gas to this northern area will start June 1 and is scheduled for completion by Aug. 1, Mr. Preston said. This line, connecting onto the main line at Summit City, will continue directly to Petoskey with feeder lines connected to serve Boyne Falls, Boyne City, East Jordan, Kalkaska, Mancelona and Charlevoix. It is expected to have natural gas available in all of these areas by Sept. 1.

Prayer at the Dedication

of the

Big Rock Point Nuclear Plant

May 21, 1963

By the Reverend Harold E. Kohn

O God, Sovereign Lord of all ages, the Ultimate Source of all power, who showest some new fragment of Thy truth to each generation, we thank Thee for the coming of this meaningful hour of dedication.

For the combined, concerted insights and foresights of men of science and business and industry, who with a strong sense of public duty have made their knowledge available to many and their services useful to us all, we thank Thee.

For men of hope, who have had an eye for the future, who have searched for and found certainties in these uncertain times, who, in an age of destructive violence, have had the faith to build, we praise Thee.

We thank Thee for those venturesome men of science who possess the spirit of fearless inquiry and an impartial love of truth, who have given disciplined thought to the discovery and taming of Nature's wild energies, finding in nuclear power a fire that can serve rather than destroy us, that can enrich rather than devastate the world, men whose findings have compelled us to think of the world, of ourselves, of our responsibilities and of our God in larger terms. For such men, and for such a spirit, we lift our thanks.

We are grateful for this awesome monument to power, placed in this setting of rare beauty, and we pray that it may long stand as witness to the faith that when the best that is in us uses the good that is in Nature for the benefit of all, we may make man's fear of man obsolete at last.

Bless, then, O God, this nuclear power plant at Big Rock Point, and all those who labor here with devoted minds and hearts and hands, that they may be the proud co-workers of their Maker. May the energies that flow from this dedicated place be used for good alone, and may this station show to the world that the powers man has looked upon with terror may be used for triumph, and let Big Rock Point be a mighty memorandum that divided atoms demand a united world.

Bless our beloved Michigan, its dedicated governor, all of its leaders in political life, in business and industry, in education and religion, that Michigan's place in the great design of our nation, the world, and Thy Kingdom may be fulfilled.

In the name of the Prince of Peace. Amen

Facts Concerning Proposed Charlevoix-Emmet Merger

When voters go to the polls during the annual election scheduled for June 10, they will be given a special ballot on which will be the question "Shall Charlevoix and Emmet Intermediate School Districts be organized into a single intermediate district?"

Under the provisions of legislation which was passed in 1962 all intermediate school districts having less than 5,000 students in public school membership must combine with another district to form a unit meeting that requirement or forfeit all State Aid. Minimum State Aid has been guaranteed on an annual basis for the past several years pending the passage of enabling legislation that would make such mergers possible and practicable.

Under the present statutes each county will receive an additional flat grant in state monies when a merger has been affected.

Charles A. Robinson has been serving both Charlevoix and Emmet Intermediate School Districts as superintendent since Jan. 1, 1962. The plan has been successful and gives promise of being more efficient when the merger has been authorized by the school electors.

The intermediate school district, which, until now, has been known as the county school district, provides services to both the local school districts and to the Department of Public Instruction at Lansing. This dual service explains the title 'intermediate school district'.

The combining of Charlevoix and Emmet Intermediate School Districts will not change the operation of the boundaries of any local school district. It will not change the membership nor the responsibilities of the present boards of education. It will legally join into a single unit the two offices that are presently being filled by Mr. Robinson. The present intermediate (county) boards of education will become a single board and will hold office with the present membership until the fall of 1964 when a new board will be elected by popular vote at the regular fall biennial election.

Public Act 190 under which the combination will be organized was passed in 1962. It was introduced by Representative Clarence B. Meggison (of the Charlevoix District) and supported in the Senate by Senator Thomas E. Schweigert (of the 29th Senatoral District).

The proposed combination under the Act provides the structure for improving educational opportunities, for taking advantage of educational programs that have been deprived in the sparsely settled areas of the State while strengthening local control of the operation of the district.

Most boards of education have passed official resolutions favoring the 'Yes' vote on the question, "Shall Charlevoix and Emmet Intermediate School Districts be organized under a single intermediate district?"

March of Dimes Campaign Fund Totals $3,662.63

The final results of the 1963 March of Dimes fund campaign in Charlevoix county have been announced by Charles A. Robinson, general chairman of the event.

This year the grand total fell far short of last year's campaign when $4,007.21 was raised during the campaign held in January. This year a total of $3,662.63 was contributed or $344.58 less than in 1962.

A breakdown of the total reveals that Charlevoix area residents contributed $1,412.20 as compared to $1,442.21 last year.

Other communities gave the following amounts: Boyne City (including Boyne Falls, Horton Bay and Waloon Lake), $1,204.43 as compared to $1,451.84 in 1962; East Jordan, $1,056.00 as compared to $1,103.16 the year before.

Congregational Church to Host Hymnsing Sunday

The First Congregational Church will host the monthly hymnsing at 9:15 p.m. Sunday according to the Rev. A. Robert Harrison who has issued an invitation to members of other churches to participate.

Each of the participating churches will present one special number and join in the selection of hymns to be sung by the group.

The hymnsing is scheduled for 9:15 p.m. so worshippers may attend services in their own churches before attending the event at the First Congregational church. The series of hymnsings are held under the sponsorship of the Charlevoix Ministerial Association.

County's Share $137,513 for Highway Funds

Charlevoix county and the incorporated cities and villages in the county will soon be receiving their first quarter Motor Vehicle Highway Funds according to State Highway Commissioner John C. Mackie who said that net receipts of the Highway Fund during the first three months of 1963 amounted to $87.3 million, an increase of $5.5 million compared to license sales during the

Major reason for the increase was that the sale of 1963 license tabs was up considerably compared to license saes during the same period of 1962 when many motorists purchased their 1982 license plates, the first new plates in three years, earlier than usual.

Charlevoix county's share will total $137,513 while Antrim county to the south, will receive $139,729 and Emmet county, to the north, will get $156,943.

Charlevoix is scheduled to receive $11,368; Boyne City, $14,520; East Jordan, $8,565 and Boyne Falls, $1,551.

All state gasoline and diesel fuel taxes and license plate fees go to the Motor Vehicle Highway Fund.

After deduction of collection costs and the Waterways Commission's share, the money is distributed under provisions of state law which provide that 47 per cent goes to the State Highway Department for use on state highways, 35 per cent to the state's 83 counties for use on county roads and 18 per cent to 511 incorporated cities and villages for their roads and streets.

Mr. and Mrs. Simeon C. Perron Are Living in Key West, Fla.

The Wesleyan Methodist church in Holland was the scene recently of the wedding of Paula Sue Kies and Simeon Charles Perron Jr.

Parents of the couple are Mr. and Ms. Alvie Kies, former residents now living in Holland, and Mr and Mrs. Simeon Perron Sr.

The Rev. Baily officiated at the double ring service on May 11 in the presence of their immediate families and close friends.

Given in marriage by her father, the bride chose a ballerina length gown of white nylon net over taffeta fashioned with a shoulder drape. Her shoulder length veil fell from a miniature crown. She carried a bouquet of pink and white rosebuds.

Eva May Perron, sister of the bridegroom, was the bride's only attendant. She wore a gown of blue velvet and nylon net over taffeta and matching accessories Her bouquet was of pink rosebuds and white carnations.

Randy Kies of Holland, brother of the bride, assisted the bridegroom as best man.

An evening reception followed at Carpenter hall.

The couple will make their home at 308-B Margaret st. in Key West, Fla.

The bride attended Holland high school. Mr. Perron, who attended the Charlevoix hign school, is presently stationed at Key West, Fla., with the U.S. Navy.

Wedding guests were present from Allendale, Sparta, Muskegon, Holland and Charlevoix.

Mrs. Chas. Elzinga Hosts F. B. Women's Committee

The Charlevoix county Farm Bureau Women's committee met recently at the home of Mrs. Charles Elzinga with 13 members representing 10 community groups present.

Information regarding the Farm Bureau Women's camp to be held at Gilbert Lodge, twin Lakes, near Traverse City June 11-13 were announced by the president, Mrs. William Parsons. Plans for a county-wide Farm Bureau picnic to be held at 1:30 p.m. June 23 at the Trailer Park in East Jordan were discussed.

Dawson Way, regional representative for the Farm Bureau, spoke to the group on the wheat referendum which will come to a vote shortly. There is more at stake than just voting for this bill, he said, in urging members to study it before casting their ballots.

Mrs. Lot Notestine of Petoskey led the devotions, using as her topic "God Bless Mother". The meeting opened with the singing of "America".

Annual Spring Music Festival To Be Presented Wednesday

The annual Spring Music Festival will be presented at the Charlevoix high school gymnasium at 8 p.m. Wednesday, culminating the year's activities of the High School Music groups under the direction of C. A. Odmark.

Due to the fact that there has been a retrenchment of the music pogram this past year, there will be no glee club or sixth grade band participating in the program. The vocal program has been entirely eliminated and the organization of the sixth grade beginning band postponed until the start of the summer music program on June 17. There is a possibility, however, that an **eighth grade girls' choral group** will appear on the program.

Definitely participating will be the 47-piece Seventh grade band presenting a group of concert pieces found in the instruction book. Among them will be the processional march, "Honor Guard", the cowboy tune, "Home on the Range", "Praise Ye the Lord of Hosts" by Saint-Saens, the "Czech Polka" and a minuet "Olden Days".

The 71-piece Reserve band, composed of eighth and ninth grade instrumentalists, will present a group of numbers including the concert march, "Spirit of Youth" by Olivadoti and the "Golden Glow Overture" by Johnson, both of which were performed by the band at the recent Massed Band Festival at Mancelona. The band will also present the popular "Kentucky Babe" by Buck and a march arrangement of "Onward, Christian Soldiers" by Henry Fillmore.

The program will be concluded with the final concert appearance of the 82-piece Charlevoix high school concert band, recent winners of a straight I rating in State Festival competition.

This program, which also will mark the final concert appearance of 16 seniors, will find the band playing the overture "Morning Noon and Night in Vienna" by Von Suppe, one of the standard classics of band literature and the popular tango, "La Fonda" by Yoder, concluding with a mareh group including Harry Alford's "Law and Order", "The National Emblem" by Bugley and John Philip Sousa's immortal "Stars and Stripes Forever".

Members of the Charlevoix high school music department and its director, Mr. Odmark, are hopeful that you will accept their invitation to attend Wednesday's Music Festival at 8 p.m. There will be no admission.

Ellsworth Community School Names 1963 Honor Students

Ellsworth—Honor students of the class of 1963 of the Ellsworth high school have been announced by Jerome K. Albright, high school principal.

They are Elaine Potts who has been named valedictorian with an average of 3.77 out of a possible 4 points and Marilyn Drenth salutatorian with a point average of 3.51.

Both attended Ebenezer Christian School through the eighth grade.

Both students have been active in extracurricular circles as well as in the classroom.

Elaine, daughter of Mr. and Mrs. Peter Pott, was president of her class as a sophomore; has been a member of the band for three years and of the casts of the junior and senior class plays. She is currently serving as president of the Young People's Society of the Atwood Christian Reformed church. She plans to enroll at Calvin College.

Marilyn, daughter of Mrs. Ida Drenth, has been secretary of the senior class and was student director of the junior class play and a member of the cast of the senior class play. She is a member of the Young People's Society of the Ellsworth Christian Reformed church. Her plans after graduation are undecided at this time.

Listed among the top five in the class of 19 students are Bonnie Peebles, Joseph Smith and Judith Tornga.

Other members of the class are: Robert DeGroot, Bernard DeVries, Norma DeYoung, Vangie Doctor, Carol Kayner, Allen Klooster, Ronald Kooyer, Thomas Organek, Jacob Penfold, Lynda Smalley, Stanley Tornga, Samuel VanderHeide, Kenneth Vander Slik, Ray Wallick.

Baccalaureate services will be held Sunday, May 26, and Commencement Tuesday, May 28. Both events will be held at the high school auditorium.

Church School Class Hikes 12 Miles

Members of the fifth and sixth grade Sunday school class of the First Congregational church participated in a 12 mile hike Saturday in keeping with the President's recommended physical fitness program.

The group motored to Ellsworth and at 10 a.m. began the 12-miles trek to Charlevoix. They were met at the elght mile mark by Gerald Goss who had transported nosebag lunches prepared by mothers. After stopping for lunch, the group continued their hike which ended at the church.

Participating in the event were Charles Novak, Carl Novak, Perry Oswald, Dick Lewis, Tum Webb and Paul Fiedorek. They were accompanied by Rev. A. Robert Harrison, Alun Bevan and the Harrison's pooch, Inky, who traveled at least twice the distance of the other hikers.

will lose approximately 16 students when the new Ironton school opens in September, the kindergarten is expected to be os large as in the past and new students in the early elementary grades are expected to come to the community when the Bomb Scoring unit moves to this orea frum Ironwood this summer.

There is no way of knowing how many children will come to Charlevoix with this group, but it is known that there are many youngsters in the pre-school and early elementary age group. Thus the situation will become more critical instead of bettering itself, as far as crowded classrooms are concerned.

The overall cost of operating the elementary school if the new rooms can be opened will be estimated $128,520 as compared to $104,350 this year.

The Secondary or high school is expected to cost another $134,300 including one new teacher. It must be remembered that the cost of operating the library is included in the overall budget.

Next week there will be a further breakdown of school finances, and other phases of school operation.

Charlevoix Places Third In Track Event

Chorlevoix's thinclads placed third in the Petoskey Relays Tuesday night, joining with 21 area schools of all classes, including nine in Class C, for the traditional trock event.

The young Rayders tallied a total of 30 points trolling Traverse City St. Francis who took the Class C title with 47 points. St. Ignace wos second with 38.

Gary Stutzman placed second in the 120 yd. high hurdles, the only individual event in the meet. All others were reloy events. The Rayders placed first in the spring medley, covering the distance in 1:31.5. The team was composed of Al Wojan, Bruce Kroken, Larry McBride ond Dan Pearl. The same team placed second in both the 440 yd. relay and the 880 relay.

At Traverse City Saturday, Larry McBride set a new Class C regional pole vault record, going 12 ft. 3 inches, trimming 1½ in. from the former record of 12 ft. 1½ in. This was the only new record set at the regional event in which Chorlevoix came in fourth with 21 points behind Baldwin with 37; Leelanau School for Boys second with 33 and Traverse City St. Francis third with 22 points.

Other point winners for Charlevoix besides McBride's first place were Larry Edwards who placed second in the shot put; Dan Pearl, second in the 440 yd. run; Bruce Kroken third in the mile; Gary Stutzman, third in the high hurdles and the Rayders' team cumposed of Al Wojan, Rick Miller, Stutzman and Pearl fourth in the 880 relay.

This week a team of five will travel to Mt. Pleasant to participate in the State Class C meet. Making the trip will be McBride, Kroken, Dan Pearl, Edwards and Stutzman. Accompanying them will be Terry Rice who has assumed the coaching duties from S.E. 'Irish' Coleman who is hospitalized at the Charlevoix hospitpitalized at the Charlevoix hospital. He missed both meets.

Mrs. Clare Cotten has returned from Hallendale, Florida after spending the winter months there.

Parachuting for Sport

Sky diving or making a parachute drop from an airplane is becoming a challenging sport with thrills aplenty for those who know what they are doing. During the past two weeks the sky divers have been using the Charlevoix airport for their landing area. Pictured above is James Annis of Petoskey making his landing last Sunday on the northeast corner of the airport. Also jumping from the same plane were Robert L. Force of Traverse City, president of the Nothwest Michigan Sport Parachute club and Clare Gibelyou of Charlevoix, a former paratrooper in the U. S. armed forces.

Despite unfeverable wind conditions all three sky divers manipulated their chutes to land in approximately the same area on the air field. These and possibly other sky divers are planning to make parachute jumps again next Sunday, weather permitting.

ORDINANCE NO. 1

THE TOWNSHIP OF HAYES ORDAINS:

Section 1. Subject to all the terms and conditions mentioned in this ordinance, consent is hereby given to Michigan Consolidated Gas Company, a corporation organized under the laws of the State of Michigan, and to its successors and assigns, to lay, maintain, operate and use gas pipes, mains, conductors, service pipes and other necessary equipment in the highways, streets, alleys and other public places in the Township of Hayes, Charlevoix County, Michigan, and a franchise is hereby granted to Michigan Consolidated Gas Company, its successors and assigns, to transact a local business in said Township of Hayes, for the purpose of conveying gas into and through, and supplying and selling gas in said Township and all other matters incidental thereto.

Section 2. The Company has made application to the City of Petoskey for a permit to supply and sell gas therein, and for a franchise to supply and sell gas in the City of Charlevoix. If such permit and franchise are granted to the Company and continue effective, and if the provisions and conditions herein contained are accepted by the Company as in Section 6 hereof provided, then Michigan Consolidated Gas Company, after it receives such regulatory approval as may be necessary to convey natural gas to the City of Petoskey, the City of Charlevoix and the Township of Hayes, shall within a reasonable time thereafter commence the installation of a gas main in the Township of Hayes as indicated upon the map heretofore filed by the Company in the office of the Township Clerk, and proceed to complete the installation of same as soon thereafter as reasonably practicable; provided, however, that the Company shall not be held responsible for delays due to weather or labor conditions, inability to procure necessary materials, or other causes beyond its control; and provided further that any extensions from such main shall be subject to the Main Extension provisions contained in the Company's Rules and Regulations for Gas Service approved by the Michigan Public Service Commission.

Section 3. Michigan Consolidated Gas Company, its successors and assigns, shall not unnecessarily obstruct the passage of any of the highways, streets, alleys or other public places within said Township and shall within a reasonable time after making an opening or excavation, repair the same and leave it in as good condition as before the opening or excavation was made. The Company, its successors and assigns, shall use due care in exercising the privileges herein contained and shall be liable to said township for all damages and costs which may be recovered against said Township arising from the default, carelessness or negligence of the Company or its officers, agents and servants.

No road, street, alley or highway shall be opened for the laying of trunk lines or lateral mains except upon application to the Highway Commissioner or the Township Board, or other authority having jurisdiction in the premises, setting the nature of the proposed work and the route. Upon receipt of such application, it shall be the duty of the Highway Commissioner or the Township Board, or such other authority as may have jurisdiction, to issue a permit to the Company to do the work proposed.

Section 4. The Company is now under the jurisdiction of the Michigan Public Service Commission to the extent provided by statute, and the rates to be charged for gas, and the standards and conditions of service and operation hereunder, shall be the same as now set forth in the Company's Schedule of Rules, Regulations and Rates as applicable in the City of Traverse City, or that shall hereafter be validly prescribed for the Township of Hayes, under the orders, rules and regulations of the Michigan Public Service Commission or other authority having jurisdiction in the premises.

Section 5. The words "Michigan Consolidated Gas Company" and "the Company", wherever used herein, are intended and shall be held and construed to mean and include both Michigan Consolidated Gas Company and its successors and assigns, whether so expressed or not.

Section 6. This ordinance shall take effect immediately after the date of publication thereof, which shall be within ten (10) days after the date of its adoption, and shall continue in effect for a period of thirty (30) years thereafter, subject to revocation at the will of the Township at any time during said thirty (30) year period; provided, however, that when this ordinance shall become effective the Township Clerk shall deliver to the Company a certified copy of the ordinance accompanied by written evidence of publication and recording thereof as required by law and that Michigan Consolidated Gas Company, shall within sixty (60) days after the date of the adoption of this ordinance, file with the Township Clerk its written acceptance of the conditions and provisions hereof; and further provided, that, if the Company shall for any reason cease to supply gas in the City of Traverse City, it shall be under no obligation to thereafter supply gas in the Township of Hayes.

SUNDEW REPORT

In our last report we optimistically stated that after ice operations once again ... well, operations we would start buoy fate had a somewhat different plan in store for us; however, before we get to that, let's pick up where our last Sundew report left off.

On the 18th of March we left Frankfort after one week of "Charlie" status and began to work our way northward through Manitou Passage toward Northport. After four days of grinding away at the ice we arrived off Northport. The morning of March 22 we broke out the harbor in an attempt to free the Charlevoix fish tugs which had been forced to winter over there due to heavy ice. Since the tugs made no attempt to leave the harbor we then proceeded toward Charlvoix, arriving at midnight March 24.

The following Wednesday found us underway enroute to Traverse City to break a channel for the tanker Mobil Chicago. After breaking the channel to the Rennie Oil Co. dock in Traverse City, we proceeded to a rendezvoue with the CGC Mesquite in Manitou Passage where, at 3 in the morning of March 28, we picked up a new buoy for the CGC Acacia. The same morning at 6 a.m. we returned to Charlevoix only to depart once more at 8 a.m. the following day to assist the Mobil Chicago which was having trouble in Manitou Passage. After meeting the tanker at noon, we diverted to break a channel into Leland for the Manitou mail boat. At 8 that evening we left the Mobil Chicago at the entrance to the broken channel to Traverse City and returned to Charlevoix.

On April 2 we departed for Beaver Island with a load of hay and grain for cattle at the Jordan River ranch, returning to Charlevoix the following day.

Friday, April 5, we took a party of local citizens for an ice breaking demonstration in Little Traverse Bay. The following Monday found us using this channel to break into the Penn-Dixie dock in preparation for the John L. A. Gaister's first trip of the season. (The cement carrier had been berthed at Harbor Springs for the winter).

After returning to Charlevoix we again departed on the morning of April 10 to assist the Mobil Chicago. However, our journey was of short duration. At about 8:30 a.m. when we were less than a mile off the pierheads we suffered a major casualty to our main motor which completely immobilized us. After sending an ignominious period in the ice we were towed to Sturgeon Bay, Wis., by the Mackinaw.

As this report is written we are still undergoing repairs (at the Sturgeon Bay Shipbuilding and Drydock yards) but expect to return to Charrievoix before the end of May. In our next report we will describe in some detail the various work done during our yard period.

Sundew Scuttlebutt

On April 5 Bob Lucas, Chief Boatswain's Mate, was transferred to the Loran Station on Eniwetok Atoll in the Pacific ... Ray Eldermayer was promoted to Electrician's Mate Second Class on 1 April ... Dave Heinecke, Engineman First Class, reported aboard on 14 April from the CGC Maple in Buffalo, N.Y. He and his wife, Jane, and their three children live at the Lake Terrace Mobile Court ... Th 17th of April found Bill Tomac, Chief Engineman, departing for the Loran Station oh Sitkanak Island, Alaska ... Tom Dembinsky was promoted the first of May and on the 8th of May Chief Engineman Frenl to Engineman Third Class or Duch was transferred to the CGC Mackinaw.

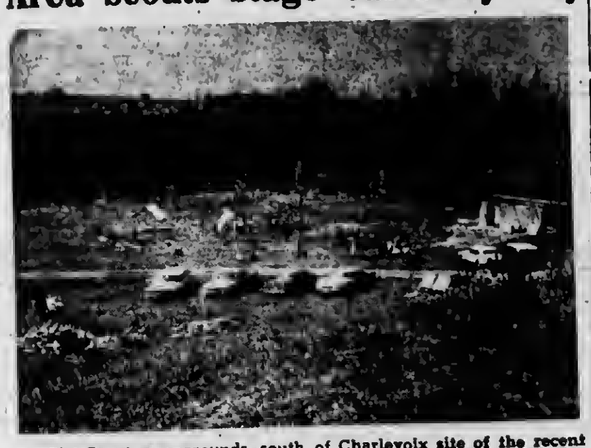
Area Scouts Stage Castaway Day



Girl Scout campgrounds, south of Charlevoix site of the recent "Castaway Day" in which Girl Scouts and leaders from this area participated.

This group of "castaways" is taken over by one of the unfriendly natives", leader Mrs. John LaToche of Petoskey who is teaching them how to make fuzzing sticks for fire building. Pictured (l to r) are Diane McKenzie, Charlevoix; Mrs. LaToche; Karen Wojan, Charlevoix; Linda Tompkins, Traverse City; Beverly Wilcox, Harbor Springs; and Janet Furgeson, Petoskey.

★ ★ ★

Senior Girl Scouts from Petoskey, Harbor Springs and Traverse City, joined with local Scouts recently for a "Castaway Day" at the Girl Scout Camp here.

After enjoying a nosebag lunch, the 23 Scouts were divided into patrols and 'cast adrift' as though ship-wrecked, finally coming ashore on a desert island where they had to cope with 'unfriendly' natives. To pamper the natives (who were their adult leaders) they had to perform various camping skills such as fuzzing sticks, building fires, bailing water in a given length of time, lashing, practicing first aid, pitching tents and tail blazing. As each task was accomplished they received tokens with which to trade for food supplies and utensils in which to prepare the food.

After the experience, the group cleaned up the campsite and enjoyed a campfire and group singing.

During the morning, the Roundup girls and alternates taught the others to pitch a tent and kitchen fly. Doreen Lutz of Traverse City was chairman.

Adults who participated in the event were Mrs. John LaTocha and Mrs. Burton Bennett of Petoskey, Mrs. Charles Palge of Harbor Springs, Mrs. Robert Thompson and Mrs. Willlam Blancke of Traverse City and Mrs. Lloyd Arnold of Charlevoix.

A ham dinner sponsored by the Charlevoix Band Parents Association will be held at the high school cafeteria beginning at 5 p.m. Tuesday under the direction of Mrs. Clifford Riley, general chairman.

Mrs. Riley this week announced the names of some of the band parents who will be assisting with the events and said others would be named before the end of the week. She has asked the following to assist in the kitchen: Mrs. Jeff Novotny, Mrs. Ronald Swanson, William Lusk, Mrs. Elmer Gibson, Mrs. Keith Miles, Mrs. Jack Rader, Robert Livingston and Mrs. Benjamin Gill.

Mrs. Gordon L. Freedman, Mrs. Robert Neff, and Mrs. Abe VerWys will be among those working in the dining room.

Among those who will work during the afternoon preparing food and setting up the dining room will be Mrs. Robert McCall, Mrs. Larrie Tuomela, Mrs. Thomas Carey and Mrs. John Kroken.

Funds derived from the event will be used to underwrite the cost of housing the band while the group was in southern Michigan last month to participate in the State Band Festival. Any funds above the cost of the trip will be used for an All-State scholarship to the National Music Camp at Interlochen.

Tickets may be purchased from band members prior to the dinner or at the door Tuesday evening.

Community Choir Schedules Second Rehearsal May 28

There are still vacancies in the Charlevoix Community Choir, the director, C. A. Odmark said following the first rehearsal held at the high school band room Tuesday.

Anyone wishing to sing with the group which is presently preparing for the baccalaureate service June 2 is asked to contact Mr. Odmark at LI 7-2494 and plan to attend the second rehearsal scheduled for 8 p.m. Tuesday, May 28.

A third and final rehearsal will be held prior to the service on Sunday evening, June 2.

The Charlevoix Community Choir has, for the past several years, provided the choral music for the baccalaureate service, making it one of rare beauty. Indications are that a choir of 40 to 45 voices will be prepared for this year's service, singing a choral prelude, plus an anthem and the choral benediction.

Explorer Scouts Attend Regional Conference

Two members of Charlevoix Explorer Post No. 11 were among the 27 delegates from the Scenic Trails Council, Boy Scouts of America, who attended the Region 7 Explorer Delegate Conference held at the U. S. Naval Training Station at Great Lakes, Ill., last weekend.

They were Drew Young Jr. and Joseph Olsen.

A highlight of the four-state regional conference were the reports and discussions on action related to the 26-point "Viewpoint of Youth" developed at the National Explorer Delegate Conference held at Ann Arbor last August.

Explorers also saw the graduation exercises at the Naval Etation, the Explorerama (displays of speciality Posts), and heard Dr. Walter Kerr, director of International Youth Cursade.

Eleven Explorer posts from throughout the 18-county Scenic Trails Council were represented at the conference.

Jack Fels please call at the Charlevoix Courier and pick up your free ticket to the Palace Theatre on or before June 1, 1963. Showing this week is "Critic's Choice".

Kelly Gallagher Leukemia Victim Rites Wednesday

Graveside services for Kelly B. Gallagher, 34 months old son of Mr. and Mrs. J. Richard Gallagher of Grand Rapids, were held at Brookside cemetery Wednesday with the Rev. George L. Majors officiating.

Funeral services were held Tuesday at the Vanderpool Funeral Home in Grand Rapids. The body was brought to the Winchester Funeral home here Tuesday evening.

The child died Saturday at Blodgett Memorial Hospital in Grand Rapids following an illness of about a year. Death was due to leukemia.

Born at Hastings, he had lived in Grand Rapids for the past two years.

Besides his parents, he is survived by two brothers, Danie and Michael and a sister, Kerrie Lee, all at home and his maternal grndparents, Mr. and Mrs. E. L. Welch of Sault Ste. Marie.

His father is a former local resident.

Merchants Offer Daily Cash Prizes To Fishermen

Though snow flurries and temperatures in the low 30's discouraged all but the heartiest of fishermen, interest has been running high in the annual Perch-o-rama being held in connection with Michigan Week.

Fishermen are encouraged to register and participate in the event which offers a $5.00 daily prize, cash prizes totaling $100 at the end of the week plus valuable prizes of merchandise.

Fishermen may register at Ward Brothers fish market on Round Lake or at Scott's boat livery at Ironton.

City Employees Pay Hike Granted

Hourly city employees were given a pay hike ranging from 2 to 2.5 per cent effective at once by the city council at its regular meeting Tuesday night.

The major action at the meeting was the adoption of the 1963-64 budget.

It was decided to advertise for bids by outside firms for the re-appraisal of the city real and personal property. Specifications may be obtained at the office of the City Superintendent. This will be done on the recommendation of Fred White, area supervisor for the Michigan State Tax Commission.

Bills totaling $13,449.50 were approved and ordered paid. The total included $1,492 for sand blasting the exterior of the city hall, the first time it has been cleaned since it was constructed in 1939, and a payroll of $5,899.65.

Ward Trimble Former Barnard Resident Dies

Funeral services for Ward Trimble, 75, a native of the Barnard area who died Friday at his Eaton Rapids' home, were held at the Methodst church there Monday. Burial was in Rose Hill cemetery.

He was born at Barnard Mar. 2, 1888, and left here as a young man. He was a member of the Masonic lodge.

Surviving are his wife; a son, Maurice of Eaton Rapids; a daughter, Mrs. George (Catherine) Kerr of East Lansing.

In Eaton Rapids Monday for the Masonic rites were his cousins, Mr. and Mrs. Fred Trimble, Harrison Trimble and Mr. and Mrs. Clayton Trimble.

Plans are presently underway to rohe the Senior choir.

First Baptists Purchase Robes For Junior Choir

The Junior choir of the First Baptist church made its first appearance in new choir robes at a recent evening worship service.

The project was accomplished through the efforts of Mrs. Jock Gigg who planned and executed the project with the assistance of fellow members.

Correction

Graveside services for Albert A. 'Bert' Wilbur, who died Mar. 19 in Chicago, will be held at Brookside cemetery Monday, May 27.

His sister, Mrs. W. A. Cline and daughter, Helen Rose, will come from New York City for the service and remain for a two weeks visit.

Garden Club Awards Plaque to Mrs. E. Harrington

The first local garden to receive the "Garden of the Month" award given by the Charlevoix Garden club has been named.

It is Mrs. Eart T. Harrington's garden located at 219 Antrim st.

In reporting the award, a spokesman for the club said that the yard, filled with varicolored tulips in bloom was a bright spot in the community where most flowers, flowering shrubs and even trees were not yet flowering or maturing.

The lawn plaque designating the garden as the "Garden of the Month" will remain at 219 Antrim st. for the coming month as a badge of accomplishment in making Charlevoix more beautiful.

Gov. George Romney pictured as he addressed more than 300 invited guests at the dedication of Consumers Power Company's Big Rock Point Nuclear Plant. This marked his first appearance in Charlevoix since he was elected to the office of governor.

After a tour of the facility, the first of its kind in the state and the fifth in the nation, Gov. Romney appeared briefly at the Charlevoix high school gymnasium, at the invitation of Supt. R. G. Bennett, where he addressed the entire enrollment of all Charlevoix schools.

In the background is A. H. Aymond, chairman of the board of directors of Consumers Power Co.

Associates Pay Tribute To Retiring Superintendent

Photo by Fran Martin

Supt. R. G. Bennett receives a "Well done" from E. Darrell Dinwiddie, president of the board of education, as the latter presents him with a gift, a golf cart, bag and clubs, from fellow administrators, present and former board members, teachers and associates at a surprise testimonial dinner held Wednesday at the high school cafeteria. Mrs. Bennett, who was presented with an orchid corsage, is pictured with them. She is holding the book of letters compiled through the efforts of Charles A. Robinson, Superintendent of the Intermediate School district, who arranged the event.

Roy G. Bennett, who is retiring after 40 years in the field of education including 18 years as administrator of the Charlevoix public schools, and Mrs. Bennett were honored at a dinner held at the high school cafeteria Wednesday evening.

More than 130 fellow educators, present and former members of the Charlevoix board of education, teachers and associates gathered to pay tribute to Mr. Bennett for his contributions to education.

The Rev. Harold E. Kohn, as the guest speaker, joined others in paying tribute to Mr. Bennett concluding with the statement that "though you are retiring you will leave a light burning not only in this community but in the field of education throughout Michigan".

Others who appeared on the program were Arthur Richter of Frankfort, J. M. Reed of Farmington, Dr. Carl Spitler of Petoskey, Max A. Damoth of East Jordan and T. Howard Bray of Boyne City, all of whom have been associated with Mr. Bennett as former high school students, fellow teachers and/or administrators. Dr. Russell Wilson of Alpena was toastmaster. Among those introduced were Mr. and Mrs. Robert Bennett of Alpena, son and daughter-in-law of the honored couple.

In his response, Mr. Bennett thanked all those present for their kind words and for the assistance and inspiration they had all given him through the years.

E. Darell Dinwiddie, president of the Charlevoix board of education, presented Mr. Bennett with a golf cart, set of clubs and golf bag from those present, Charles A. Robinson, superintendent of the Charlevoix county Intermediate School District who had planned and arranged the event, presented Mr. Bennett with a bound book of letters from those present and other friends he had made through the years. Earlier Mrs. Bennett had been presented with an orchid corsage.

Mr. Bennett had announced his resignation in January. After concluding the school year June 30, he and Mrs. Bennett plan to do some traveling and take time for several other things they have wanted to do for many years, he said.

At the Teachers Club picnic held last week, he was presented with fishing tackle by the faculty. The event was held at the Rod and Gun Club.

A native of Traverse City, Mr. Bennett was graduated from the Traverse City high school and Central Michigon University. He received his master's degree from University of Michigan and has done additional work at Michigan State University and Western Michigon University. He taught in Grand Traverse county and at Muir and Palo in Ionia county before going to Manton. He came to Charlevoix in 1945.

Lists Costs Involved in Operating Charlevoix School

Operating a school is 'big business' today, even in a community the size of Charlevoix.

There are many things involved besides placing a child in a classroom with a teacher for the purpose of learning, everyone knows.

That is why there is included in the budget of $411,945 for the 1963-64 school year such items as the costs of administration, transportation, operating and maintaining the entire plant as well as fixed charges such as insurance, surety bonds and other similar expenses and of community services including the library.

In earlier stories, residents have heard of the cost of teachers, supplies, clerical assistance, etc. for the elementary and secondary schools.

This week the other costs are listed. These include $20,275 for administration (salary of superintendent, board of education, salaries of secretary and clerical assistance, elections, census takers, auditing services, legal service plus supplies and other needs); health services, $3,350 (including school nurse and transportation personnel, supplies and other expenses); operation of the plant, $50,450 (including fuel, plant engineers, custodial services, utilities and supplies); maintanance of plant, $7,850 (including maintenance of grounds, buildings, repairs, etc.); fixed charges, $5,550 (insurance, Workmen's Compensation, etc.) capital outlay, $13,000 (including $10,000 for improvement of drives, grounds, etc.) and community services, $7,500 (including recreation such as the Saturday basketball program during the winter, civic activities and the library).

In the field of transportation the school is re-imhursed in part for this service; however, the funds do not begin to underwrite the cost of the entire program.

If the Charlevoix county tax allocation board gives the schools the 8.4 mills, as set in the tentative allocation, then the Charlevoix school district will need only 1.5 mills more to balance its budget which has allowed for teachers for four new classrooms in the elementary school, one new teacher in the high school plus $10,000 for capital outlay (the improvement of drives and parking areas) and $10,000 toward the reduction of the accumulated defieit.

Set Friday for Brownie Scouts Physical Exams

Charlevoix's Brownie Scouts, numbering approximotely 80, will be given physical examinations in preparation for attendance at Brownie Day Camp on Friday, May 31. The examinations will be given at school by Dr. A. F. Litzenburger, District Health Unit director.

The examinations are required for a licensed Day Camp, which the Brownie Day Camp to be held at the Rod and Gun Club, will be.

Jill Stewart will serve as camp director for the camp which is scheduled to open June 10 and continue through June 14.

Beaver Island 1963 Graduates Honored at Dinner

St. James, B. I.—The two members of the 1983 graduating class of the Beaver Island Community high school, Carol O'Donnell and Evelyn Palmer, were honored at the annual banquet of the Beaver Lodge Thursday evening.

Miss O'Donnell gave the valedictory and Miss Palmer the salutatory.

Rev. Fr. Louis Wren, O.F.M. (Conv), Charles A. Robinson, superintendent of the Intermediate School District, Dr. Howard Haynes, Mrs. Marion Rice, school nurse who was special guest, Joseph McDonough, president of the board of education, Pamela Martin representing the freshman class, Edward Wojan representing the sophomore class and Ronald Gallagher of the junior class all spoke briefly. The latter also served as master of ceremonies.

The dinner tables were decorated in the class colors, orchid and white, and carried the class motto, "Out of the harbor into the deep".

The two graduates received their diplomas at a speciol service at Holy Cross church Friday evening. The Rev. Fr. Wren spoke to the graduates and their families and then presented the diplomas. Special music was by a choral group composed of students in the fifth through the eleventh grades. The service closed with benediction.

Kiwanians to Host Tri-city Service Club Meeting

The Charlevoix Kiwanis club will host the annual Tri-City service club dinner meeting at the Holiday Terrace Hotel at 6:30 P.M. Monday, Barney Englehart, president of the group, has announced.

Invitations have been extended to the Rotary Clubs of East Jordan and Boyne City and the Lions club of Charlevoix to join the local club at this annual event.

D. S. Montross of Petoskey, area manager of the Consolidated Gas Co., will be the guest speaker at this meeting. A highlight of the program will be the showing of the film "The Michigan Story", Michigan's history through the years.

At Monday's dinner meeting at the high school cafeteria, Dale Long, northern Michigan district manager of the Milk Producers Association, was the guest speaker. His topic wos the "Diary Industry in Michigan".

A report on the results of the Junior Perch-o-rama sponsored by the club revealed that 103 local youngsters registered and participated in the event which featured fishing in the trout pond in East Park which had been stocked with legal sized trout for the event. All participants received prizes.

Guests at Monday's meeting were William Peck of Ironton and Aaron Broek.

To Conduct Vision Screening Program For Pre-schoolers

The Vision Screening program for pre-school children will be conducted at the Charlevoix elementary school on Monday, Tuesday and Wednesday of next week, Mrs. Chester Belfy, who is giving the tests, has onnounced.

There ore still openings for children in the 3½ and four year age group. Any parent who would like to have a child screened may eall LI 7-2470 for an appointment. After Mondoy Mrs. Jeanne Miles, the school nurse, moy also be ealled.

Appointments for the majority of children who enrolled for kindergarten have been made. However, if a child who will enter school in the fall has not received an appointment, the parent is to call one of the above. Remaining appointments are being given to the older pre-school age children.

C. Max Novak Faculty Member Wins Appointment

C. Max Novak, Charlevoix high school faculty member, has been oppointed to an interlocking organizotion and a committee of the Michigan Education Association following recent action by the MEA board of directors.

He will serve on the Board of Trustees of the Michigon Education Special Services Association (MESSA) until 1966. MESSA handles the insurance program of MEA members.

He also has been appointed to the Distinguished Service Awards Committee for a two-year term. Currently he is a member of the board of directors and is serving a term which expires in 1085. He represents fellow educators in Region 14 which takes in 10 northern Michigan counties.

A former teocher in Antrim and Mecosto counties and principal at Remus high school, he has been a member of the Charlevoix high school foculty since 1044.

CHS Students Attend Soo Span Dedication

Charlevoix high school students, numbering 306 of the school's enrollment of 358, saw 'history in the making' Friday when they attended the dedication of the International Bridge linking the United States with Canada at Sault Ste. Marie, Michigan and Sault Ste. Marie, Ontario.

Because they felt it was an excellent opportunity to witness a unique example of international relationship, local school authorities arranged for the trip after Supt. R. G. Bennett had suggested it and the board of education had given the idea their approval.

The Charlevoix high school band, 87 strong, had been invited to participate in the parades in both the American ond Canodian Soos.

The other students made the trip via four school buses with a police escort, Chief of Police Joseph Smith and Trooper Thomas Peters of the Petoskey State Police post. The group visited the Canadian Soo and attended the formal dedication ceremony in the American Soo at which Gov. George Romney and John R. Robarts, Premier of the Province of Ontario, spoke.

During the service, the congregation will sing the hymn, "Holy, Holy, Holy!".

The processional and the recessional will be played by Mrs. Leonard W. Burns who will also accompany the choir.

Larry McBride Wins First Place in State Track Meet

Larry McBride, who recently broke Class C conference and regional records in the pole vault, captured Charlevoix's only points in the Class C state meet at Mt. Pleasant Saturday.

He won first place in the event with a vault of 12 ft. 2 in. but failed in his attempt to break the existing record of 12 ft. 6 in.

Larry Edwards qualified for the shot put with a toss of 46 ft. 1 in. but failed to place in the final event. Bruce Kroken ran his best mile of the season, covering the distance in 4:50 but also failed to place.

All three are juniors and will have another year of track.

Coach Terry Rice accompanied the group. S. E. 'Irish' Coleman, veteran track coach is still a patient at the Charlevoix hospital.

Dan Pearl and Gary Stutzman also made the trip and participated in the meet.

Peanut League Tryouts to be Held Tonight

The annual Peanut League tryouts will be held Wednesday, May 29, starting at 6:30 at the city softball field. All boys who are between eight and twelve and who were not on a team must try out. Eight and nine year olds are scheduled at 8:30 and ten, eleven, and twelve year olds at 7:15. Managers of the Dodgers, Lions, Cards, Tigers, and Cubs will be there viewing the action.

The Junior League tryouts will be held at 7:00 Friday, May 31. Players thirteen and up to senior high school who were not on a team last year should report to the field. There is a need for two adult managers for this league and one sponsor. Contact Deono Davenport.

Allocation Board Approves Budget

The Charlevoix county tax allocation board gave its approval to the tentative rate set earlier when it met here Tuesday.

Schools in the county will receive 8.4 mills; the county, 5.45 mills; the Intermediate School District, .15 mill and all townships a maximum of one mill, depending on budget needs, with the exception of Charlevoix township whose budget did not show a need.

Any unit receiving milloge has five days to appeal the approved allocation before it becomes final.

Nicholas DeYoung Rites Held at Atwood Reformed Church

Ellsworth—Funeral services for Nicholas DeYoung, 74, who died May 12 at the Charlevoix hospital where he had been a patient for 18 days, were held at the Atwood Reformed church Wednesday, May 15. The Rev. John Hammersma officiated at the service. Burial was in Atwood cemetery.

It's Fun to Live in Charlevoix

Brad Barkdoll, Fifth grade

It's fun to live in Charlevoix in spring, summer, fall and winter. In the spring, Charlevoix is blooming with all different kinds of flowers and the trees are budding. In the summer you can go swimming, fishing and boating. You can have a picnic in the park, play shuffleboard, walk along the dock looking at the yachts and other pleasure boats. You can go to the Fourth of July Carnival where you can buy souvenirs, candy and watch the events we have.

In the fall in Charlevoix the boys and girls are going back to school, the leaves are falling, all the vacationers are going and once more Charlevoix is a quiet town again. Now hunting season opens for deer and small game. In the winter we can go skiing, skating, sliding or tobogganing at Mt. McSauba. The snowplows are out again plowing the road. Hunting season opens for the rabbits and the snow is coming down heavy.

That's why "It's Fun ti Live in Charlevoix".

It's Fun to Live in Charlevoix

Joan Avery, Fifth grade

It's fun to live in Charlevoix because of the beautiful sights and harbors. The country seems like a great stretch of green grass and tall trees. Here and there are big beautiful houses, gardens and flower beds. Many people love Charlevoix because of the beautiful harbor, boats and stores. The children like the activities and many advantages. Most tourists enjoy Charlevoix because of its wonderful restaurants, motels and hotels. The Weathervane Lodge has a wonderful activity for children and their parents, the swimming pool. Other people live in Charlevoix because of its wide streams and beautiful lakes.

I like it because of its parks, activities, and many advantages. Most people like it because of the friends you can find in Charlevoix so fast. The people and children are very friendly. Boys have many activities such as Boy Scouts, Cub Scouts, Little League baseball, basketball and many other activities. Mt. McSauba is a very nice ski resort for skiing in the winter. If children like to go sledding or tobogganning, Charlevoix has very nice hills for it. Girls also have many activities like swimming, joining Brownies and Girl Scouts.

The churches and schools are very nice. The teachers and principals are very nice also. There is plenty of space for dogs and cats, even birds. The libraries are nice with their many books.

Michigan, My Michigan

Julie Hill, Sixth grade

Michigan is an all round vacation center and that is the main reason I like it so much. In the winter it provides many winter sports such as skiing, skating, sliding and others. In the summer you can go swimming, hiking, horseback riding, camping and sight seeing.

I like the climate, because it is cool in the summer, cool enough to be pleasant but warm enough to swim. In the winter it is cold, but fun to ski and skate if you like.

Michigan is a beautiful state. In the spring, it is green and cool. In the summer, it is sunny and warm. In the fall, it is very colorful. In the winter, it is white and shiny.

Another reason I like it so much is because we have lots of fruit like apples, cherries, plums and others. It is fun to enter cherry picking contests and mushroom picking contests.

We have nice parks and forests to visit, and there are always fairs and carnivals to go to.

Besides I would'nt want to live any place else, because I like Michigan.

What I Like About Michigan

Georgia Lusk, Sixth grade

I like it because it is an all around playtime state. In the summer there is fishing, swimming, boating and sunning. In the winter there is skiing, skating and fishing through the ice. There are many canoe trips anyone can take as Grand River, Black River and countless others. For the outdoor man there is six million acres of forest to hunt and camp in. For the children of Michigan there are 700 state maintained summer camps for recreation.

Michigan has many things to be proud of. For example, on Isle Royale off the coast of Lake Superior, it is still the domain of huge moose herds. On Mackinac Island history comes alive again. Michigan has 11,037 lakes in this water wonderland. We have 40,000 square miles of blue lake surface and 3,359 miles of creeks and streams. We have one of the best school systems in the United States. We also have a wonderful system of scenic highways that crisseross Michigan and go to all 83 counties. Our shoreline is longer than the Atlantic Coast from Maine to Florida.

Detroit, the fifth largest city in the United States, is the automobile capital of the world and the industrial center of Michigan. Here is the birthplace of the assembly line and mass production. So when you're in Detroit, sop and see he wonderful sights of the city such as Greenfield Village where history is restored. Detroit also supports many professional teams. Some are the Detroit Tigers, Lions, Red Wings and many smaller teams. I enjoy myself in Michigan and there is no reason you can't!

Increasing the tax limitation for one year by one and one-half (1½) mills for operational purposes as follows: "Shall the limitation on the total amount of taxes which may be assessed against all property in the 4th class District No. 2 for Charlevoix and Antrim Counties, Michigan, be increased one and one-half (1½) mills on the State equalized valuation for the purpose of operation of the schools in said district for the year 1963-1964?"

A Qualified Elector is one who is a citizen of the United States, above the age of 21 years, and has resided in the State of Michigan six (6) months and in the School District thirty (30) days next preceding the Election.

I, Lillis M. Flanders, County Treasurer of Charlevoix County, Michigan, find that as of May 21, 1963, the total of all voted increases over and above the tax limitation established by Section 21, Article X of the Michigan Constitution in any local units of government affecting taxable property in Charlevoix School District 4th Class, County of Charlevoix, Michigan, is as follows:

Grandvue MCF-County	1957 to 1975 Inclusive	3 mills
Charlevoix Township Roads	1960 to 1965 Inclusive	2 mills
School District	$995,000 Bond Issue voted November 1958- 1959 to 1986 Inclusive	
School District Library	1962 to 1966 Inclusive	½ mill
Township Roads-Hayes Township	1962 and 1963	2 mills
Hayes Township Fire	1963	1 mill not to exceed (.4000 spread 1962)

LILLIS M. FLANDERS (L.S.)
Charlevoix County Treasurer

I, Leora M. Bailey, Treasurer of Antrim County, find that as of May 21, 1963, the total of all voted increases over and above the tax rate limitation established by Article 21, Section X of the Constitution of Michigan, in any local units affecting the taxable property located in the Charlevoix Public School District, Antrim County, Michigan, is as follows:

Charlevoix Public School District	$995,000 Bond Issue voted November 1958 1959 to 1986 Inclusive	
School District Library	1962 to 1966 Inclusive	½ mill

Atwood News
Mrs. Henry Burns

Preston Vander Slik of Zeeland called on Mr and Mrs. Henry Burns and other relatives Tuesday afternoon enroute to Rudyard where he planned to visit friends for several days.

Mr. and Mrs. Gerald Gort and two children of Grand Rapids have arrived for the summer. Mr. Gort will conduct the services at the Atwood Christian Reformed church.

Miss Arlene Heersink of Grand Rapids spent the weekend with Mr. and Mrs. Jacob Veenstra and sons.

Pfc Andrew J. Veenstra departed Sunday to visit relatives in Holland and Dorr before returning to Fort Richardson, Alaska. He and a friend, Arlene Heersink, accompanied Marcia Ritsema to Grand Rapids.

Weekend guests at the Peter Pott home were their son-in-law and daughter, Mr. and Mrs. David Kass and children of Grand Rapids. Mrs. Kass and children remained to attend the graduation of her sister, Elaine Pott.

Lynda Brock of Flint spent the weekend with her parents, Mr. and Mrs. Harry Brock.

Adrian Bos of Los Angeles, Calif., spent several days last week with his parents, Mr. and Mrs. John Bos and called on other relatives here and in Petoskey. Sunday guests at the Bos home were their son-in-law and daughter, Mr. and Mrs. William Coeling and daughter, Pat of Petoskey. Other callers were Mrs. John Hamersma, Mr., and Mrs. Herb Rose of Central Lake; Mr and Mrs. Conrad Klooster Sr.; Mrs. Tom Vanderslik; Mr. and Mrs. Robert Klooster and daughter, Brenda of Norwood.

The John Bascom home in Norwood was the scene of a birthday party recently honoring Mrs. Bascom. Guests were Mr. and Mrs. Harold DeYoung and son Harold, Mr and Mrs. Paul Doctor and son Burt and their son-in-law and daughter, Mr. and Mrs. Edwin Drenth and son, Steven of Ellsworth. Mrs. Doctor baked the birthday cake.

Mr. and Mrs. Harry Bos called on Mr. and Mrs. Edward Klooster at Charlevoix Sunday evening.

Mrs. William Parsons left Saturday for Ann Arbor to visit her brother, Newton Pierce, who is a patient at the University hospital there.

Student Vugteveen of Western Seminary of Holland conducted the services at the Atwood Reformed church Sunday in the absence of Rev. John Hafersma. Te was a weekend guest at the William Coeling Sr. home of Ellsworth.

Rev. and Mrs. Harold Cox of East Jordan and Bob Jones of Norwood were Sunday dinner guests at the home of Mr. and Mrs. William Maskaluk and family.

The consistory members and their wives called at the Atwood Christian Reformed church parsonage to welcome the Gerald Gort family. Those who called were Mr. and Mrs. Arthur DeVries, Mr. and Mrs. Harold DeYoung, Mr and Mrs. Lewis Essenburg, Mr. and Mrs. John Ritsema and Mrs. and Mrs. Tom Wynsma Jr. Also attending were Rev. and Mrs. John Hamersma and Mrs. Peter Pott and two children. Refreshments were served by the wives.

Mr. and Mrs. Peter Vander Slik honored their son, Kenneth, at an open house following baccaleaurate services Sunday evening. Those attending were Mr. and Mrs. Sebe DeVries and three children, Mr. and Mrs. Leonard Strange, Mr and Mrs. Tom Vanderslik, Mr. and Mrs. Henry Burns, Mr. and Mrs. Maynard Alward, Mr. and Mrs. Chester Farrell and Mr. and Mrs. Rink DeVries.

Mr. and Mrs. Edward Klooster of Charlevoix visited at the Harry Bos home Sunday afternoon.

Mr. and Mrs. O. D. Minard and Mr and Mrs Otto Sobol of Torch Lake spent Saturday evening at the home of Mr and Mrs. Harry Bos where they helped Mr. Bos celebrate his birthday.

Mr and Mrs. Donald Farrell and family were Sunday afternoon callers at the home of the latter's brother and sister-in-law, Mr. and Mrs. Harry Brock and family.

Mr. and Mrs. Bert Veenstra called on Mr. and Mrs. Egbert Wynsma of Ellsworth Sunday afternoon.

Derrick Vallance of East Jordan was a recent overnight guest of his uncle and aunt, Mr. and Mrs. Harry Brock and family.

CARD OF THANKS

We would like to express our appreciation for the fine support given the American Legion Auxiliary Poppy sale by the community, industrial workers, co-workers and children who assisted. You may be assured that veterans and their families, aided by the fund, will also appreciate your efforts.

IN MICHIGAN

BEER IS A NATURAL

Brawed slowly, by a centuries old natural process, beer is Michigan's traditional bevarage of moderation—light, sparkling, dalicious.

And naturally, the Brewing Industry is proud of the millions of dollars it contributes to this state's economy through wages, advertising, rentals, insurance, transportation and utilities. Money made in Michigan, spent in Michigan. In Michigan, beer belongs, enjoy it.

Interest Rises In West Michigan As Vacation Area

A decided gain in the number of persons interested in a West Michigan vacation has been brought about by the increased advertising program of the Michigan Tourist Council according to figures released recently by the West Michigan Tourist Council.

Inquiries received in response to council advertising through April showed a gain of 28 per cent or an increase to 4,407 over the 3,144 received from Fun Pack cards in the same period of 1962.

An increase also was made in vacation prospects on the WMTA Inquiry list.

Through April this year a total of 3,301 listings, which includes 1,4100 from travel shows were relayed to WMTC members. Last year's total for the same period was 2,035.

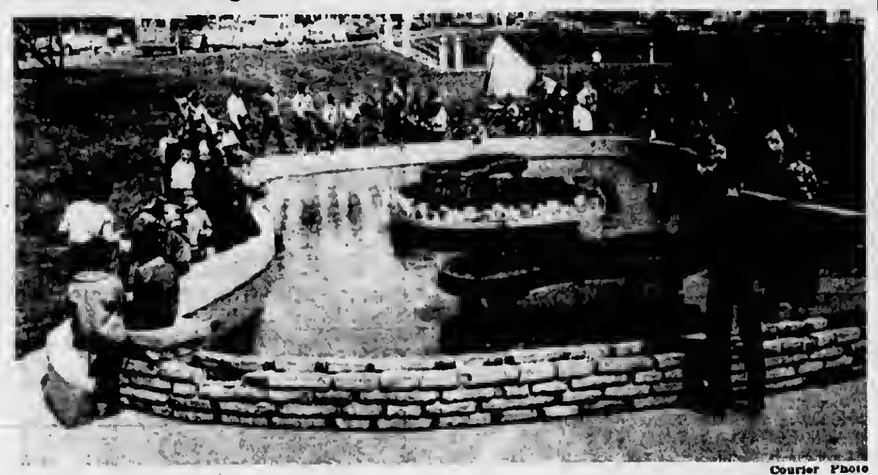
Waiting--75 Trout and 50 Youngsters



Courier Photo

Young Isaak Waltons were ready to try their fishing skill last week when the Charlevoix Kiwanis club staged a contest at the pool in East park.

Chairfan of the event, Russal Mieras and his committee, planted 75 brook trout in the pool and at a set time fishermen under 12 years of age were given the "go" signal. Tha trout proved wild and wary and very few were enticed by the lures.

Mrs. Frank Rassat Retires

Mrs. Frank Rassat, a clerk with District Health Department No. 3 for the past 20 years, was honored at a surprise retirement party held last week at the Charlevoix county building.

Attending the event were county officers and employees and others with offices in the county building.

Here Harvey C. Varnum, county prosecutor, is pictured presenting a gift to Mrs. Rassat on behalf of fellow workers. The gift was contained in the carton which held the American flag.

The following day Dr. A. F. Litzenberger, director of the district health unit, and Mrs. Litzenberger hosted a luncheon at the Weathervane Inn honoring Mrs. Rassat. She was presented with a lovely corsage and a gift from the department staff.

Mrs. Rassat, a native Charlevoixan, plans to make her home here.

C H S Students Presented Special Awards at Assembly

The annual Awards Assembly attended by the entire student body of the Charlevoix high school was held Friday.

At this event all students who have received recognition in the classroom or on the sports field or floor are presented with their special awards.

H. E. Bingham, high school principal, presented the Valedictory pin to Gerald Boss and the Salutatory pin to Constance Saltonstall who also received a certificate and "I Dare You" book, the latter designed "to encourage and challenge all students to measure up to their own potential, to take advantage of their educational opportunities and to become responsible dedicated citizens".

He presented the Pep club pin to Joan Riley; the Student Council pin to Richard Odmark; the D A R. Good Citizenship award to Ruth Ann Miller; the Betty Crocker Homemaker of Tomorrow award to Lorraine Boss; the Certificate of Merit for Qualifying in the Mathematics Prize Competition to Gerald Boss and the National Education Development Test Certificates to the following sophomores who were among the top 25 per cent in the state: Warren Belding, Robert Bergmann, Michael Brun, Kay Davis, John Duerr, Michael Johnson, Melvin Matchett, Verenea McClanaghan, Joseph Olsen, Sherrel Pearsall, Pattie Penn, James Racignol, David Smith, Donald Smith, Sharon Sugden, Delbert Terrill, Janice Vandenberg, Noreen Wojan, Barbara Wood and Drew Young.

Name Perch-o-rama Prize Winners

Charlevoix's annual Perch-o-rama attracted fewer fishermen than in previous years Paul Kohler, secretary-manager of the Charlevoix Chamber of Commerce, sponsor of the event, said this week in announcing the winners of prizes.

Tho unseasonable weather which included freezing temperatures and snow kept the fishermen off the lakes. Even the prize-winning perch were small with the largest fish caught weighing only one pound.

Winners of the draw prizes including a spinning rod and reel donated by Ward Brothers Boats and Bait, and fishing tackle donated by Scott's Boat Livery at Ironton and Harbor Hardware were Harry S. Gingery and Mrs. Joe Felo, both of Charlevoix, and Theo K. Scott of East Jordan.

The winners of the cash prizes of $25.00, $15.00 and $10.00 donated by George LaBlance Insurance, Neff Brothers Quality Foods, Erber Oil Co., the Lodge and the Charlevoix Courier were Don Hollenbeck of Vicksburg, first prize; Patty Keller of Lakeview, second prize, and Gary Porsel of Ironton, all of whom won an additional $5.00 for the largest perch caught on a given day. Other winners of the $5.00 daily prizes given by the Chamber of Commerce were Loujean Scott of Ironton and Arnold Carr of Grand Rapids. Owen Miller of Three Rivers won the $10.00 prize given by the Kiwanis club to the fisherman coming the longest distance.

Set June 17 To Begin Summer Band Rehearsals

The Charlevoix city band will not rehearse Monday, June 10, according to the director, C. A. Odmark, who plans to be out of town for several days.

However, regular summer rehearsal sessions will begin Monday, June 17, in preparation for the summer concert series. Anyone interested in playing with the band during the forthcoming summer season is asked to contact Mr. Odmark.

Garden Club Beautifies City With Plantings

The civic committee of the Garden club have ordered the plants to be used in their vorious beautification programs throughout the city it was announced following a recent meeting of the group.

The club makes plantings on the islands on Mercer Blvd. and at the intersection of Petoskey and Michigan aves. at the top of the Coast Guard hill.

In setting this example of how to beautify the city, the Garden club has expressed its appreciation of others who are making special plantings or filling boxes, especially in the business district. All residents of the community are urged to make every effort to make Charlevoix more beautiful during the coming months.

City To Condemn Property Located on State Street

Because of the need to acquire two pieces of property on State st. adjacent to the city airport, the Charlevoix city council, at its regular meeting Monday night, passed a resolution to begin condemnation proceedings against the owners of the property located at 921 and 923 State st. The property is owned by Mr. and Mrs. Richard Lyons and Mr. and Mrs. Percy Butler.

The move became necessary when the Michigan Aeronautics Commission made the aquisition of the property a "must' if the airport expansion program was to become a reality through state and federal aid. Earlier, the city had obtained an air easement over the property. The issue was referred to the city attorney.

Bids for a compressor, hammer and hose for use by the city street department were opened and referred to the street department and City Supt. James Taylor for evaluation. A report will be made at the June 17 meeting. The following bids were received: Miller Equipment Co. of Grand Rapids, $4,110; Northern Contractor Equipment Co. of Traverse City, $3,998.99; Telford and Doolen of Grand Rapids, $3,584 and Contractor Machinery Co. of Grand Rapids, $2,950.

City Supt. Taylor was instructed to engage the General Pipe Cleaning Co. of Kalamazoo to clean approximately 4,000 ft. of 12 in. sewer pipe, most of which is located on Dixon ave.

John VanHaver who operates a small industry in the former Loeb Farm barns on M-66 appeared before the council to discuss installation of a three-phase power line to the site. The installation will cost an estimated $2,500. He also asked that the minimum monthly rate be reduced from $100 to $50.00.

William Fochtman, first ward alderman, was elected mayor pro tem.

Dewey Bruce, Sr. appeared before the council to register a complaint about the lack of care of property in the west end where high grass, weeds and other unsightly conditions exist.

A request regarding the installation of yard lights comparable to those found in the rural area was referred to the electric committee.

The city voted to assist Charlevoix township in the establishing of a camping area near Bell's Bay on Lake Michigan.

Bills totatling $22,483.62 were approved and ordered paid. The amount included a payment of $2,447.32 to Lake Construction Co. for work done on the Lake Charlevoix launching ramp located at the foot of Stover road; a payment of $10,184.10 to Consumers Power Co. for power purchased for re-sale (City sales during a comparable period amounted to $21,888.36) and $6,732.19 payroll.

Parents Urged to Caution Children Against Strangers

The warm weather months bring forth an increase in the incidence of child molestings, but it needn't be so if youngsters ore properly advised.

Superintendent of Public Instruction Lynn M. Bartlett has asked teachers to provide a special aid to law enforcement officials before Michigan's children begin the summer vacation, when they spend more time playing outside.

"The teacher's cautioning words can sometimes exert more influence on impressing the children than if the warning comes from another source," said Bartlett.

The proper words of caution will also reach all children if given in the classroom. This was partly what prompted Bartlett to call on the teachers.

"Children should be cautioned fully against accepting gifts or rides in cars from strangers; against going for walks with people they do not know; and against playing alone or in deserted oreas where responsible adult observance is not possible," he said.

Warnings to children about making friends with strangers whether given by parents or teachers, should also encourage them to report "any unusual attempts that strangers make to become acquainted with them," he said.

Palace Theatre Open Each Evening

The Palace Theatre will be open every evening during the summer beginning to-night (Thursday) according to Les Taylor, manager.

The show this week Thursday, Friday and Saturday is "Five Weeks in a Balloon" followed on Sunday and Monday by "Girls! Girls! Girls!" starring Elvis Presley.

Bay City C of C To Visit Here on Great Lakes Cruise

The Bay City Chamber of Commerce, numbering more than 300, will visit Charlevoix Saturday aboard the Great Lakes cruise ship S.S. South American of Georgian Bay Line.

The ship is scheduled to dock at 2 p.m. for a six hour stop giving passengers ample time for sightseeing, shopping, golfing and other planned activities.

The Chamber of Commerce members will be on their annual cruise aboard the "Queen of the Lakes". In addition to the stop here, the ship will visit Milwaukee, returning to Bay City Sunday afternoon.

Paul Kohler, secretary-manager of the Charlevoix Chamber of Commerce, has asked local residents to volunteer the use of their cars for transporting the visitors to the Big Rock Point Nuclear plant and to the Belvedere golf course where a large group has arranged to play the course which will be the site of the Michigan Amateur golf tournament later this month.

Morels Thrive in Norwood Twp.

One might say that R. M. Sutton has a secret... the secret of where to find mushrooms like those pictured above.

He will admit that he found them in Norwood township, however, though he isn't about to tell you where.

Of the light morel variety, the highest was 6 1/8 in. with a diameter of 4½ in. Another was 5¼ by 5½ in. ... both a lot of mushroom. Though the remainder of his find were not as large, it didn't take too many for a meal.

School Electors To Vote on 3 Ballots

When school electors go to the polls Monday to vote in the annual school election, they will find three ballots awaiting their consideration. One will bear the names of the two candidates seeking election to a single post on the board of education; another a decision regarding the proposed merger of the Charlevoix and Emmet intermediate (county) school districts and the third, a proposed 1.5 mills tax levy for a one year period.

There will he the names of two candidates for the single vacancy for the school board, Clarence H. Smith, incumbent whose term will expire July 1, and Mrs. Robert L. Hooper, a first ward resident who has lived in Charlevoix for the past seven years.

The merger of, the Charlevoix and Emmet intermediate school districts will simply mean one that has actually been in effect since Jan. 1962 when Charles A. Robinson assumed the position of county superintendent of schools in Emmet county in addition to those as superintendent of schools in Charlevoix county. Approval of the merger will in no way effect existing school districts in the two counties. However, this point should be kept in mind when considering the issue: that an intermediate school district with a membership of less than 5,000 must join with another before July 1, 1965, or lose its state aid.

The third issue, the approval of a 1.5 mill tax levy for one year, would permit engaging teachers for additional classrooms in the elementary school where the young students need more individual attention than is now possible to give them in existing crowded classrooms; elimination of textbook charges as was necessary last fall when many families had to pay much more than the extra millage will cost them in taxes; improvement of the driveways at the new high school and at the elementary school and provide for a $10,000 reduction in the accumulated school deficit.

When the voters consider that of the $30,913.44 which will result from 1.5 tax levy, they, as property owners, will be paying only 33.35 per cent or approximately one third of the total with utilities paying 35.3 per cent; industry, 4.26 per cent; resort property owners (including summer home and associations), 12.72 per cent and other business (including retail stores, motels, etc.), 14.37 per cent paying the remainder.

The $10,309.63 to be raised by the 33.35 per cent, or owners of year-around homes and farms, will be divided among those in the entire school district which embraces Hayes, Norwood, Charlevoix and Marion townships and the city of Charlevoix, thus no one taxpayer will be required to pay an excessive amount to underwrite the 1.5 mill tax levy.

The polls at the new high school (May st. entrance) will be open from 10 a.m. to 8 p.m. on Monday in order to give everyone an opportunity to cast their ballot.

In order to vote in the election, a voter must be a citizen, 21 years of age, o resident of the state for six months and of the school district for 30 days.

Kiwanians Host Tri City Service Club Dinner Meet

The Tri-City Service Club dinner meeting hosted by the Charlevoix Kiwanis Club attracted 113 members of the Boyne City and East Jordan Rotary clubs, the Charlevoix Lions club and the host club.

The event was held at the Holiday Terrace Inn.

Highlight of the meeting was the showing of the film "The Michigan Story' which traced the history of the state from the early days of the fur traders and missionaries to 1963. The film wos shown by D.R. Montross of Petoskey representing the Michigan Consolidated Gas Co. which had the film made. He also spoke briefly on Michigan and its place in the future.

Robert Stone and Robert Haynes of the Canadian Soo Kiwanis club were present to invite club members to an international meeting next week.

Elmer Hedlund Funeral Services Held at Ellsworth

Ellsworth—Funeral services for Elmer Hedlund, 69, of Atwood, were held Saturday morning at the Hastings Funeral Home with Rev. Fred Gibbs, pastor of the Pilgrim Holiness church officiating.

Mr. Hedlund died unexpectedly Wednesday morning while shopping in a local store.

He was born in Traverse City Nov. 17, 1893. From 1911 to 1939 he farmed near Alba with his twin brother, Charles, who died last September.

The Hedlund brothers came to Banks Township and operated a fruit farm five miles northwest of Ellsworth for about 23 years before moving to Atwood.

Mr. Hedlund served in the U.S. Army overseas in the Meuse and Moselle Sector during World War I.

Surviving are two sisters, Mrs. Ermma Witrop and Miss Sally Hedlund, both of Traverse City, and several nieces and nephews.

Committal services were held Saturday in Oakwood cemetery in Traverse City.

Will You Get Rooked?

This is the season of the year when rural and urban residents get rooked by itinerate salesmen who are here today and gone tomorrow. Some of these salesmen may be reputable and offer an honest value. There are other sales representatives who take advantage of the situation and will make verbal statements that mislead the prospective customer.

The result in the latter case is that the customer signs a legal contract, thinking that all the salesman's verbal statements are included. Next comes the crash. The customer didn't read and fully understand the contract before he signed it and he is rooked to pay far more than he thought he had contracted for.

Most of the jip salesmen keep within the law and feast on a gullible public which likes to think it is getting a real bargain.

How does one cope with the "jips"? First, get prices from reputable local business places and make a comparison. Next, if you do not know the full context of the contract (and read it thoroughly), take it to your attorney. He may charge you a small fee that could save you ten times the amount that you will get rooked for.

A "sharpie" salesman can be pretty glib with his talk and promises and too often the rosy promises don't appear in the contract. If you get rooked and do go to court to get an adjustment, it is usually the customer's word against the salesman's word and the case is decided on the basis of the written contract signed by the customer.

Most people hate to admit they have been rooked on any kind of scheme. They take their medicine without a word. This leaves a clean bill for the "jip" salesman to rook your friends and neighbors.

The least you can do is report your case to the office of the State Attorney General, Lansing, Mich. With cooperation from the citizens we can drive the "jips" out of Michigan.

BETWEEN YOU AND ME

- By Harold E. Kohn -

Between You and Me (the editor), this column by The Rev. Harold E. Kohn will not appear until the author has recuperated from his recent illness. That will be the first of July if he obeys the doctor's orders.

Following ten days confinement in the hospital, he has been "paroled" to his home. All of us urge him not to violate his "parole" because we are looking forward to again reading his philosophical interpretations of living.

HELP SUPPORT YOUR SCHOOL

VOTE "YES" FOR

ONE AND ONE-HALF MILLS FOR ONE YEAR ONLY

Monday, June 10, 1963

A "yes" vote will provide an extra $30,913.44 for school operational purposes. The money will be used as follows:

1. To acquire more teachers and eliminate crowded classrooms.
2. To eliminate textbook charges to students.
3. To provide funds for high school driveway and elementary grounds improvements.
4. To provide for a $10,000 reduction in the accumulated school deficit.

DID YOU KNOW THAT ONLY ABOUT ONE-THIRD OF THIS ADDITIONAL TAX MONEY WILL BE PAID BY INDIVIDUAL YEAR-ROUND HOME AND FARM OWNERS?

A breakdown of who will pay these additional local taxes is as follows:

	Percent	Amount
Utilities (Consumers Power Company, R.E.A.)	35.30%	$10,912.45
Industry (Six Manufacturing plants)	4.26	1,316.91
Resort (Summer homes and associations)	12.72	3,932.19
Other Business (Retail establishments, motels, etc.)	14.37	4,442.26
Year-around home and farms	33.35	10,309.63
Total	100.00%	$30,913.44

(The above breakdown on sources of local property taxes was obtained from the Charlevoix County Equalization Assessment Office).

ISN'T THIS A BARGAIN WHEN YOU CONSIDER THAT THE ABOVE BENEFITS CAN BE OBTAINED FOR LESS THAN $10.00 COST TO THE LARGE MAJORITY OF INDIVIDUAL HOME AND FARM OWNERS?

LET'S HAVE A SCHOOL OF WHICH OUR COMMUNITY CAN BE PROUD. VOTE "YES" ON MONDAY JUNE 10, 1963.

Camp Meeting Opens at Boyne City

The 53rd annual Boyne City Camp meeting (Interdenominational-Holiness) will open today (Thursday) and continue through June 16 at the camp located on North Park st. in Boyne City.

Among those appearing during the meeting will be Dr. W. L. Surbrook of Elkin, N.C., former General Superintendent of the Pilgrim Holiness church and general evangelist of the church, will be speaker each night; and Rev. and Mrs. Joe Crouse, nationally known song evangelists, who will direct the music program at the camp.

The Rev. and Mrs. Don Price and the Family Altar of the Air staff will present a musical program tonight. The Rev. Lewis Hodges, a missionary to Urundi Belgian Congo, will be the guest speaker on Missionary Sunday.

The Rev. Ellsworth Ruble, president of the camp and the camp staff, have extended an invitation to the public.

CARD OF THANKS

We wish to thank the people of this community and the many out of town guests for their attendance at the motorcycle races at Al's Amusement Park on June 1. This was a trial test to attract the public but due to dissatisfaction from some citizens, there will be no more racing until this misunderstanding can be cleared.

Allen Pease 25x

CARD OF THANKS

I would like to express my appreciation and gratitude to Dr. Martin and the nursing staff of the Charlevoix Hospital for the excellent care given me during my recent illness. I would also like to thank all those who remembered me with cards, flowers and other gifts. Your thoughtfulness was appreciated.

Eugene Curtis 25x

CARD OF THANKS

Local Merchant Finds Letter Mislaid in 1922

"Dear Aunt, I received a parcel from you but we have been unable to write before because we had a big storm and we were cut off from the rest of the world for ten days. I will try to send you a clipping from the newspaper telling you of the storm".

The above is an excerpt from a letter written by the late Mrs. Ed. Goldstick to her aunt.

For some reason, the letter was never mailed and this winter was found in a desk once owned by the Goldstick family by. James Novotny who now owns the desk.

In the envelope with the letter which told of the bad winter and news of the family was the clipping Mrs. Goldstick had mentioned in her letter which bore out the severity of the storm she had mentioned in the letter. Dated March 1, 1922, the headline told the story: Charlevoix Snowbound nine days. . . Snow, sleet and rain strike city late Tuesday, Feb. 21, and continues three days . . , Traffic on railways completely paralyzed . . .

The story went on to say that "Charlevoix has been completely snow bound for the past nine days: Completely out of touch with the outside world, other than Petoskey, Boyne City, East Jordan and points south of Bellaire and north to Mackinaw City from Wednesday of last week to Monday of the present week.

"The most severe wind and sleet storm that ever visited this section started late Tuesday (Feb. 21) and continued with increasing force through Wednesday, Thursday and almost without interruption until during the early hours of Saturday. During this time snow, conservatively estimated, fell to the depth of from two to four feet and with the accompanying high wind, piled into huge drifts, completely blocking traffic on both highways and railway lines."

The story went on to say that the last train had reached Charlevoix, several hours late, on Tuesday and from then until press time on Mar. 2 Charlevoix had been without train service over the Pere Marquette. During the storm the temperature rose and the snow changed to rain and sleet. Later it grew colder and the snow continued to fall. The ice, on top of the snow, which was then covered with more snow made it impossible to clear the streets and sidewalks and people were forced to wallow through the street to meeting places and business houses'.

Drifts up to eight feet covered the streets; roads leading out of town were impassable and people in the rural areas remained at their farms. However, by Saturday a trail was broken and a few teams appeared on the street.

"Charlevoix was more fortunate than cities to the south," the story stated "for from Alden south to Baldwin, rain and sleet fell for several days, completely putting the railway and telephone and telegraph lines out of commission. At Traverse City railway officials reported frozen snow and ice to the depth of from six to 18 inches on the tracks. The big snowplows of the railroad companies were quickly put out of commission and gangs of men were put to work with pick and shovel to clear the tracks."

"Over 200 men were working day and night in their effort to clear the track. Pere Marquette agent E. E. Cross stated that this morning (Mar. 2) that the track had been cleared north from Traverse City to Bates, three miles south of Williamsburg, and by night would probably reach Williamsburg or slightly this side."

It was estimated that the severe ice conditions extended to an area five miles north of Williamsburg and if things went well the train should reach Charlevoix by Saturday.

The story went on to say that tho community had suffered no ill effects from the storm and there was no shortage of food or fuel. It gave a resume of the severe weather conditions throughout the state and the midwest and mentioned that on the G.R. and I out of Petoskey conditions compared to those on the Pere Marquette and that four trains were stalled at Mancelona. On the Michigan Central, service was halted and it was necessary to string wires from fence posts and trees in an effort to give the public service.

The Charlevoix Courier, though dated Wednesday, March 1, was apparently printed one day late because of the storm for throughout the story it mentioned that "at press time today, Thursday" (which would have been Mar. 2) certain conditions existed.

Facts Concerning Proposed Charlevoix-Emmet Merger

When school electors go to the polls Monday they will be asked to cast their ballot on the question of combining the Charlevoix and Emmet county Intermediate School districts.

Petoskey, a special act district, will not vote on the issue until July 1.

Intermediate (county) school districts having less than 5,000 students in public school membership will forfeit all state aid after July 1, 1965. The loss of state aid would place the cost of financing the entire school program on local property taxes. Presently the cost of operation is shared approximately equally between local and state sources.

Charlevoix and Emmet Intermediate School Districts are a logical combination since they compare favorably in many ways. Charlevoix county with a public school membership of 3,644 embraces an area of approximately 414 square miles and has a valuation of aproximately $51,517,000 while Emmet county has 3,600 students enrolled in public schools, has an area of 464 square miles and has an approvimate valuation of $53,731,700. The combined area is smaller than a number of single counties in both the upper and lower peninsulas.

Good highways tie the chief centers of population into a natural unit and extended telephone service makes it possible to servicc a majority of the combined area without toll costs.

Charles A. Robinson has been serving both intermediate units as superintendent since Jan. 1, 1962. The experimental sharing program has given evidence that benefits in economy, efficiency and in improved educational opportunities will result from the combination.

Individual school districts will not be changed in any manner by the combination of the intermediate districts. It is hoped that they will benefit hy being served better.

A "Yes" vote will provide continued state aid to the intermediate district and an improved organization that will provide more efficient use of clerical and administrative skills and office equipment through the elimination of duplicate efforts in many instances.

The proposed combination has been endorsed by professional groups, school boards, P.T.A.'s and others who have examined its financial and educational merits.

Field Drum Presented to CHS Band

Photo by Fran Martin

Highlight of the annual spring music festival presented at the Charlevoix high school gymnasium by the music department last Wednesday was the presentation of a new field drum to the music department by the Charlevoix V.F.W. post No. 1153 and its Auxiliary.

Here C. A. Odmark, music director, is pictured receiving the drum from officers and officers-elect of the post. (l to r) Joseph Etienne, retiring post commander, Mrs. Leland Warner, president-elect of the Auxiliary, Cass Russell, commander-elect and Mrs. Albert Russell, retiring president.

Two CHS Students To Spend Summer In Europe

Two Charlevoix high school students who are completing their junior class studies, Mary C. Harrison and Teri Freedman, will be among the more than 500 young people from throughout the state who will spend the summer in Europe under the sponsorship of the "Youth for Understanding program" of the Michigan Council of Churches.

Mary, daughter of the Rev. and Mrs. A. Robert Harrison, will depart June 14 and Teri, daughter of Mr. and Mrs. Gordon L. Freedman, will leave June 19 from Detroit Metropolitan Airport in Detroit for eight weeks in Europe. The former will go to Germany and the latter to Denmark.

Mrs. Rachel Andresen is the executive director of the program now in its twelfth year. A group of 65 adult leaders will accompany the group and call at the homes of their host families.

Organized "to develop international understanding through a living experience with a family in another country", the program is both interfaith and interracial in its scope.

Catholic Women Plan Series Of Summer Events

Plans for three events to be sponsored by St. Mary's parish during the coming months were made at a meeting of St. Mary's Rosary Altar Society and the Little Flower Guild.

The first will be a Nearly New sale to be held at the school hall Friday and Saturday, June 21 and 22. Clothing, jewelry and furniture, plus a few antiques, will be offered for sale.

Later in the summer, July 14 and Aug. 4, the two groups will stage smorgasbords at the school hall. The latter will replace the weekly Sunday bake sales held in previous years.

Retired School Employees to Hear Rep. Clark S. Most

The Great Pines chapter of the Michigan Retired Public School Employees Association will meet at the Petoskey high school cafeteria at 2 p.m. Tuesday, June 11, for a regular business meeting and election of officers.

Rep. Clark S. Most will be the guest speaker. Reports on the state meeting held recently will also be given.

All members and all retired teachers and other school employees in the area are invited to attend.

Dairy Queen Under New Management

New management and ownership of the Dairy Queen of Charlevoix was announced this week by Mr. and Mrs. Rufus Dodge of Wolverine. The business was previously operated by Mr. and Mrs. Lawrence Petitte.

The business will be managed by Mrs. Dodge, assisted by their son, Frederick, when he completes his school year at Michigan State University.

Mr. Dodge is president of the Wolverine village council and is employed as a sales representative for automotive products.

Mrs Albert Edwards Hosts Garden Club

Mrs. Angus Fochtman and Mrs. James Taylor presented a lesson on "Annuals—from Asters to Zinnias" at the recent meeting of the Garden club held at the home of Mrs. Albert Edwards.

In the lesson they suggested when, where and how to plant the various flowers.

Mrs. Allen Campbell and Mrs. H. E. Paddock presided at the tea table.

Later the group toured Mrs. Edwards' lovely garden.

Bible Baptist Church to Host Fellowship Meet

The Bible Baptist church here will host the monthly Northern Michigan Baptist Fellowship beginning at 2:30 p.m. Sunday, the Rev. James Lugibihl, pastor of the local church, has announced.

The fellowship will feature three speakers, the Rev. Kenneth Truman of the Wolverine Baptist church, the Rev. Lloyd Riddle of Highland Park and Pharr, Tex. and a third to be announced later.

There will also be lively congregational singing.

Many churches throughout the area will attend the fellowship meeting which will last about two hours.

The Rev. Mr. Riddle will also be preaching at the 11 a.m. and the 7:30 p.m. services at the Bible Baptist church Sunday.

The public is invited to attend all special services.

Guest Speakers To Appear at Lutheran Church

The Rev. Albert G. Engler, pastor of Bethany Lutheran church, will be on leave of absence from parish duties during the month of June in order to obtain his bachelor of Divinity degree from Concordia Seminary in St. Louis, Mo.

In his absence the pulpit at Bethany church will he occupied by several clergymen of the Lutheran church-Missouri Synod. This Sunday the Rev. T. Paul Heinecke of Detroit, executive secretary of the Michigan District Mission board, will be the guest pastor.

On succeeding Sundays the guest pastors will be the Rev. Dr. Walter E. Kutch of Detroit and the Rev. Dr. Paul A. Zimmerman, president of Concordia Lutheran Junior College in Ann Arbor.

Stage Banquet At Community Reformed Church

The annual Mother and Daughter banquet sponsored by the Community Reformed church was held Friday evening at the church social hall with more than 100 in attendance.

Mrs. Harold Boss gave the toast to the daughters and her daughter, Lorraine, responded with a toast to the mothers. Mrs. Thomas Wieland was toastmistress.

Elaine Martin, who spent last summer in Europe with the "Youth for Understanding" program showed slides of her travels through Germany, Austria and Holland and spoke briefly on her trip.

Mrs. Charles Bergmann was general chairman of the event.

The dinner was served by the young men of the church.

NOTICE

Annual Election

Monday, June 10, 1963

The Polls will be open from 10 o'clock A.M. to 8 o'clock P.M. Eastern Standard Time. The Polls will be located in the Charlevoix High School.

The Annual Election by the legal voters of the Charlevoix Public Schools, 4th Class District No. 2 for Charlevoix and Antrim Counties, will be held for the purpose of:

1. **Electing one trustee for a term of four years. Petitions have been received for the following:**

FOUR YEAR TERMS
One to be chosen

Frances Hooper (Mrs. Robert) Clarence H. Smith

2. **Increasing the tax limitation for one year by one and one-half (1½) mills for operational purposes as follows: "Shall the limitation on the total amount of taxes which may be assessed against all property in the 4th class District No. 2 for Charlevoix and Antrim Counties, Michigan, be increased one and one-half (1½) mills on the State equalized valuation for the purpose of operation of the schools in said district for the year 1963-1964?"**

A Qualified Elector is one who is a citizen of the United States, above the age of 21 years, and has resided in the State of Michigan six (6) months and in the School District thirty (30) days next preceding the Election.

I, Lillis M. Flanders, County Treasurer of Charlevoix County, Michigan, find that as of May 21, 1963, the total of all voted increases over and above the tax limitation established by Section 21, Article X of the Michigan Constitution in any local units of government affecting taxable property in Charlevoix School District 4th Class, County of Charlevoix, Michigan, is as follows:

Grandvue MCF-County	1957 to 1975 Inclusive	3 mills

Senator Milliken Urges Grads To Become Active Citizens

"While I am standing here the basis of what they have done things are happening in this for their class and school.

world that are of significance to this class. You, as the young citizens of tomorrow, cannot ignore these things. . . you must become not only citizens of Charlevoix, of Michigan and of the United States but of the world." Senator William G. Milliken told the class of 1963 as they were graduated from the Charlevoix high school.

In his commencement address which he entitled "You . . . and the Future", he went on to outline their responsibilities in a changing world. He urged the students to take on active part in the community in which they live and not to sit possively by with a casual attitude toward human pain and hurt, toward humon rights for this could mean the beginning of the end of our free society Everyone must have or develop a committment beyond themselves in order that problems may be solved and that the American way of life will survive.

He went on to say that it was important for all people to affiliate themselves with a political party for this was the only means through which worthwhile things could be occomplished; that though they were graduating they should continue to learn, whether it was in a college classroom or on the job; should learn to get along with people for the inability to get along well with others is the greatest single cause of failure; to establish a goal and work toward that goal and to remember that one must pay a price for anything worthwhile; should have the courage to stand up and be counted, stand up ond say whot you think when you believe you are right; maintain the highest stondards of courage, honesty and integrity and have faith ond a belief in ideals, believe that the world can be better and that you, through your foith and efforts, can personally change the world ond improve the conditions; maintain your self respect for this is something that cannot be hunted, purchased or fabricated . . it comes to you when you ore alone and only you eorn it ond cherish it.

Following Senator Milliken's address, Harry E. Bingham, high school principal presented Dr. H. O. Messmore representing the Kiwanis club who in turn presented the Kiwanis Moth and Science award to Gerald Boss, valedictorion of the class. The aword carries with a check for $25.00. The plaque remains at the school with the student's nome engraved on it.

Mr. Bingham then presented the Robert S. Wilson owards to Doris McBride and John Pearl. The owards, nomed for the donor, o well known summer resident here, corries with them bowls engraved with the recipients names and checks for $50 eoch. The award winners are selected by their classmates on the basis of what they have done

Mr. Bingham then announced the recipients of college scholarships. They are Gerald Boss, the State Board of Educotion Grant, Western Michigan University ond John Pearl, a scholarship to the same university; Irving Drost, Board of Control Student Scholorship, Michigan College of Mining ond Technology; Joseph Smith, four-year scholarship to Michigan State University; Shirley Stoel, State Board of Educotion Grant to Central Michigan University; Martha Coleman, Charlevoix county State Bank scholarship, Ruth Schofield, Freedman Artcraft Scholarship, Joan Riley and Ruth Ann Miller, American Mold scholarships, all to North Central Michigan College. It wos also announced that the class had contributed the funds remaining in its treasury to the Charlevoix Retarded Children's Center. James Ferguson, president of the Student Council then presented a gift to R. G. Bennett who is retiring as superintendent of the Charlevoix school, in behalf of the school.

Mr. Bingham then presented the class to E. Darrell Dinwiddie, president of the board of educotion, who was to award diplomas. However, Mr. Dinwiddie relinquished the privilege of awarding the diplomas to Mr. Bennett who had served as superintendent during the years the graduates were in school. The students and guests gave Mr. Bennett a standing ovation as he prepared to award the diplomas.

The program closed with the singing of "Alma Mater" by the class, accompanied by Mrs. Leonard Burns and directed by C. A. Odmark and the playing of the National Anthem by the high school band under the direction of Mr. Odmark.

Constance Saltonstall presented the salutory and Gerald Boss the valedictory. The processional, "Pomp and Circumstance" by Elgar and "Elsa's Procession to the Cathedral" by Wagner were ployed by the band. Rev. Jack Harris gove the invocotion and the Rev. A. Robert Harrison the benediction.

To Launch Golfing Season With Full Week of Free Play

A full week of free golf, beginning Friday and continuing through June 21, is again being offered at the Charlevoix Municipal Golf course through the cooperation of the club management, the city and the Charlevoix Chamber of Commerce.

This is the second year that the golfing season at the municipal course is being launched with a week of free golf.

In 1962 when the offer of free golf lasted for nine days including two weekends a total of 1105 players or an average of 123 per day took advantage of the offer. Of this number 44 per cent were from out of town. During the same period 59 different communities were represented among the players with 27 coming from out of state. The overall total set a record for the course.

Keith Carey, who is returning for his tenth year as club manager and pro, said that the course was open during all daylight hours and asked only that golfers using the course register at the clubhouse before teeing off.

Mr. Carey added that the greens and fairways are in excellent condition.

Tonight (Thursday) the first stag night at the course will be held. Players will tee off ot 5:30 p.m. and return to the clubhouse for a buffet supper.

On Sunday the course will be the scene of the Lions Club Open golf tournament, an 18-hole event with play scheduled to begin at 8 a.m. All golfers are invited to participate in the event which will be held under the Callaway system. Food and other refreshments will be served at the clubhouse at the conclusion of the tourney.

Hospital Guild Plans to Purchase Lab Equipment

The Women's Guild of the Charlevoix hospital met Monday at the hospital for its regular June meeting.

The purchasing committee presented a list of items needed by the hospital. After some discussion it was decided to purchase additional equipment for the laboratory now being enlarged as part of an improvement program at the hospital.

Proceeds from the summer ball scheduled for Aug. 10 will be used to underwrite the cost of this equipment. The summer ball will replace the fashion show and luncheon held in July.

Mrs. Sylvia Gilson and Mrs. L. H. Bruce who have made favors for holiday trays for the past years were commended for their fine contribution to the Guild program.

"South Pacific" To Be Presented At Circle Theater

The Cherry County Playhouse, Traverse City, has announced a pre-season presentation of the musical "South Pacific" by Richard Rodger and Oscar Hammerstein and produced by the Mummers Guild of the University of Cincinnati. Dental Ass'n Holds Golf Tourney at Belvedere Course

Charlevoix was host early this week to the Michigan Dental Golf Association whose 190 members held their annual tourney at the Belvedere Golf course.

The Holiday Terrace Hotel was headquarters for the event with 100 members registered there. The remaining 90 members who attended, many of whom were accompanied by their families, stayed at cottages, and motels in the immediate area.

Paul Kohler, secretary manager of the Charlevoix Chamber of Commerce, was a guest speaker at the smorgasbord dinner held at the hotel Monday evening.

A spokesman for the group, which is headed by Dr. Robert Senna of Grand Rapids, said that they were delighted with facilities here and planned to return here another time.

Mr. Kohler, in estimating what the tournament meant to the area estimated that the group spent upwards of $5,000 while here. A large part of this was spent in gifts that were given away at Monday's banquet. The remainder included housing, food, the use of facilities for golfing and related expense.

Charlevoix IN UNIFORM

Pfc David Schuchard who has been serving in Korea with the U. S. Army for the past year has written the following on his impressions and sentiments regarding his service and Korea:

Thousands of American servicemen are sent to Korea each year for the purpose of protecting our nation against aggression. I am a soldier fulfilling my military obligation in Korea.

As my tour in this country draws to a close I try to recall what I have learned about this country and relate back home to you who are interested in my thoughts regarding it. Although the Korean calendar dates up 4297 in comparison with ours, 1963, Korea is a very backward country. A complete battlefield in the 1950's, this little nation is still greatly scarred by that conflict; marred by the evils of starvation, unemployment, prostitution and many other degrading situations that prevail.

The larger per cent of the Korean population live in mud shacks with straw roofs, work in their rice fields with primitive tools such as wooden plows and oxen and wear very thin and ragged clothing and, as a rule, wear no shoes.

What have these people got then? They have faith. The main populous are of a strict nature in their religion, be it the old type of Budda idolism, or the Catholic religion brought to them by our missionaries. Never losing faith these people move slowly from day to day looking into the future, looking for their own freedom, the right to live, and the means by which they can grow and harvest their main supply of living, their rice crop. It is with this simple life that most of the Koreans live.

Oh, you may have seen pictures or heard of Seoul, Korea, the show place of the East. But, believe me, it's like buying a book with a brand new cover and opening it only to find the pages ruined, burned and demolished by the cruel hand of mankind.

As my year draws to a close I will return home with a much broader meaning of the word 'faith' and also know to a greater extent the phrase "Thank you, God, for everything". Yes, thank you for my wonderful home, my parents, friends and my country, the United States of America.

Anderson-Veenstra Exchange Vows in Church Ceremony

Janice Kay Anderson, daughter of Mr. and Mrs. David F. Anderson of Muskegon and Jacob Veenstra Jr., son of Mr. and Mrs. Jacob Veenstra of Ellsworth exchanged their marriage vows at a ceremony solemnized at the Laketon Ave. Baptist church in Muskegon recently.

The Rev. Paul Veenstra, brother of the bridegroom and pastor of the Comstock Park Reformed church, officiated at the service in the presence of their immediate families and close friends on May 31. Mrs. Vernon Kidd of Muskegon was the organist and Edwin Shaw, also of Muskegon, the soloist.

The bride, given in marriage by her father, wore a gown of white silk organza over taffeta designed with a bouffant skirt featuring a bustle that terminated in a chapel sweep train. The bodice and side panels were trimmed with re-embroidered Venice lace appliques. Her fingertip veil fell from a princess crown. She carried a crescent bouquet of white carnations and yelow tea roses.

Mrs. Edward Babbitt of Muskegon, as matron of honor, wore a street length gown of pastel green nylon over taffeta fashioned with a taffeta cumberbund and bustle bow. A tiara crown held a shoulder length veil. She carried n crescent bouquet of yellow and white carnations.

James Veenstra of Ellsworth, served as his brother's best man. David Anderson of Muskegon, brother of the bride, and Jacob Penfold of Ellsworth, nephew of the bridegroom, seated the guests.

A reception followed in the church parlors.

After a wedding trip to Niagara Falls, the bride returned to Muskegon to reside for the present and the bridegroom reported for induetion into the armed forces.

AGRICULTURE in ACTION .....

by M. L. Wells

"Newspaper publishers have about the same problems as do farmers." That's the observation of Walter Wightman, president of the Michigan Farm Bureau, and a life-time farmer who has a healthy respect for the newspaper industry.

Wightman participated in a series of news-seminars planned as part of a recent tour that took him to several areas of the state. In comparing the news industry with agriculture, the farm leader pointed to many sweeping changes in both industries and to the enthusiasm and vision with which these challenges are being met.

"It's not easy to be competitive," he said, "farmers know this, and so do those who publish newspapers. Farmers have been faeing a cost-price squeeze, nlso familiar to those in the publishing business. In both cases, the cost of labor has climbed to new highs and truly skilled labor is hard to find. Both groups have compensated with higher per-man investments." He indicated that this investment was "somewhere around $50,000 per man, currently."

Among other parallels, the farm leader mentioned a close-knit feeling of teamwork found both in newspaper ond farm work, and the fact that many of the most efficient operations in either case depended upon a strong "family" attitude.

He added that each newspaper is an independent local business, just as are farm operations, and that both add greatly to a higher standard of living. Wightman said that farmers should not forget that newspapers are "our best allies when it comes to building bridges of understanding between rural and urban groups, and when it comes to supporting the free, competitive enterprise idea."

He laughed at the popular notion that newsmen "exploit" people and communities in which they live for the sake of headlines. "Newspapermen are responsible people, and they accept their responsibilities seriously."

The Farm Bureau president said that a newspaper subscription is an investment in communications, and that local newspapers are one of the few bargains that remain.

May Extend Use Of Highway Funds To Promote Safety

An apparent move to broaden the use of presently earmarked highway funds has been indicated early by Gov. George Romney.

Speaking to a traffic safety group in Lansing before the approval of the new Constitution was even verified by the Board of State Canvassers, Romney called for a study to determine the feasibility of using highway funds to promote traffic safety.

Romney's theory was that since today's roads are designed to encourage safety, the same funds used to build them should also be available to preach the subject and conduct research on it. His specific reference was the possible use of the funds to re-establish a Traffic Safety center similar to the one in operation at Michigan State University until last year, when it was cut out of the state budget.

Highway Commissioner John C Mackie reared up quickly at Romney's suggestion. Mackie said he believes it would be "a serious mistake" for the State Legislature to divert highway funds to another agency. Under the new Constitution, however, the earmarking of these funds will end.

The commissioner's fear is that, "When they make the first diversion to quasi-highway agency, the second one will become that much easier."

This fear is not altogether unjustified, it would appear. There have been some discussions among legislators already that a traffic safety center, driver education, highway police patrols and all other highway-related state programs should be financed by road funds.

While Mackie's complaint about possible "raids on highway funds" was heated at the first public mention of the possibility, his antagonism toward such uses might be lessened if he were assured the new uses were kept in quasi-highway programs.

What Mackie really appears to fear most is that the Legislature will do exactly what the new Constitution gives it the power to do. That is to spend highway funds for all highway purposes "as defined by law."

The list of state government operations which could be construed as "highway purposes" is longer than most would expect. It would certainly be unfortunate if the legislators, many of whom resent the present financial independence of the Highway Department, were to stage a wholesale raid on the funds which would deter the long-range construction plans.

By saying nothing, some people get the reputation of being smart, maybe they are.

Most everybody likes the person who makes a real effort to be pleasant.

To Spend Summer in Europe

Photo by Fren Martin

"I'll be someplace in Denmark, perhaps here" Teri Froedman (left) said recently as she and Mary Harrison, who will spend the summer in Europe under the Youth for Understanding program, study the globe and compare distances.

On Wednesday, Teri, daughter of Mr. and Mrs. Gordon L. Freedman, who will depart next week for Denmark had not been informed what city she would visit. However, Mary, daughter of Rev. and Mrs. A Robert Harrison, knows she will go to Kirchhatten, Oldenborg, in Germany, when she departs Friday via air from Metropolitan Airport in Detoit for two months with a German family.

The program under which they will live with families in Denmark and Germany, respectively, is sponsored by the Michigan Council of Churches. This is the fourth summer that Charlevoix students have participated in the program.

Edwin J. Madill To be Transferred to New Zealand

The United States Consulate in Calgary, Alberta, Canada has announced that Edwin J. Madill, Consul and Principal Officer, after six years at the Calgary Post, is being transferred to Auckland, New Zealand where he will be in charge of the U.S. Consulate, also as Principal Officer.

The U.S. Consulate in Calgary was informed of the transfer by the Department of State, Washington, D.C.

Mr. and Mrs. Madill have made no plans as to their departure date but it will probably be during the month of July. As yet no successor for the Calgary Consulate has been named and Vice-Consul Roger Sorenson will be in charge of the office until the new Consul arrives.

Mr. Madill was assigned to the Consulate at Calgary during July 1957 and has been posted here longer than any career officer since the opening of the post in 1906.

According to the news release, Mr. and Mrs. Madill will, in all probability, return to Calgary often since their daughters, Mrs. Robert A. (Peggy) Baptie and Mrs. Bernard O. (Polly) Ellingson and their son, Michael Madill intend making southern Alberta their permanent home. Additionally, three grandchildren at the present moment practically assure their frequent return. Another son, Edwin J. Jr. and two additional grandchildren make their home in New York.

Mr. Madill is a native of Charlevoix and the nephew of Miss Mayme Orlowski. He attended Georgetown—University and Columbus University and a graduate of the U.S. Army War College. He was associated with the U. S. Treasury Department from 1936 to 1945 when he became associated with the Department of State.

Mr. and Mrs. Robert Heeres Have Returned From Honeymoon

Ellsworth—The Atwood Reformed church was the scene Saturday of the wedding of Carol Kayner and Robert Heeres.

Parents of the couple are Mr. and Mrs. Richard Kayner and Mrs. Henry J. Heeres and the late Mr. Heeres.

The Rev. John Hamersma officiated at the double ring service in the presence of more than 125 guests. Baskets of white gladioli and blue carnations formed a setting for the evening service. Mrs. Hans DeYoung was the organist and Marvin Shooks the soloist.

Given in marriage by her father, the bride selected a gown of white delustered satin for her wedding. Fashioned with a fitted bodice, round neckline and full skirt, the gown was embroidered with pearls and sequins. Her fingertip veil of French illusion fell from a tiara of pearls and satin. She carried a caseado bouquet of sweetheart roses, lillies of the valley and ivy.

Norma DeYoung as maid of honor and Suellen Koyner, sister of the bride, as junior bridesmaid, wore identical street length gowns of pastel bluo and carried bouquots of blue carnations and daisies.

Mary Kayner, sister of the bride, as flower girl was gowned in blue and carried a basket of daisy petals. Kevin Jolliffe of Jennison, nephew of the bridegroom, was ringbearer.

Marvin Heeres assisted his brother as best man. James Potter of Charlevoix was junior groomsman. Larry Kayner of Sparta, brother of the bride, and Harold Heeres, brother of the bridegroom, seated the guests.

A reception followed at the church parlors where Mr. and Mrs. Henry Klooster served as master and mistress of ceremonies. The Women's Guild of the church catered the reception, assisted by Vangie Doctor, Marilyn Drenth and Elaine Pott. Mrs. Voril Libster of Britton, aunt of the bride, baked the wedding cake.

After a brief wedding trip the couple has returned to live on the Heores farm.

Both are graduates of the Ellsworth Community school.

East Jordan Couple Wed 25 Years To Hold Open House

An open house honoring Mr. and Mrs. Lawrence Elzinga of East Jordan on the occasion of their silver wedding anniversary will be held at the couple's home on the Ironton peninsula Sunday.

The couple will greet relatives and friends from 2 to 5 p.m. and from 7 to 9 p.m. Sunday.

Their son, John and daughters, Mrs. Lloyd (Yvonne) McGeorge and Miss Geneva Elzinga are planning the open house.

The couple has one other daughter, (Gail Ann), also at home.

Mr. and Mrs. Elzinga were married at Charlevoix June 18, 1938, and have always lived at their present home. Mrs. Elzinga is the former Margery Scott of East Jordan

Fete Miss Oleksy At Bridal Shower

Katherine Oleksy, whose marriage to Raymond Abraczinskas will be an event of Saturday at St. Mary's church, was honored at a bridal shower recently by Mrs. Emil Pischner, Mrs. Melvin Plum and Mrs. John Cross Jr. at the latter's home.

The gift table was decorated in a honeymoon theme with gifts tied by streamers to a convertible bearing a miniature bridal couple.

Following a social hour refreshments were served by the hostesses.

The bride-elect was presented with many lovely gifts.

Churches Combine In Conducting Bible School

Sailing Season for Milwaukee Clipper Opens June 21

Opening date will be June 21 for the 1963 sailing season of the S. S. Milwaukee Clipper, offering passenger-auto service across Lake Michigan between Muskegon and Milwaukee, Wis.

The Clipper is the only auto tourist service between the two cities and provides a connecting link on East-West, trans-continental highways. The 85 mile cruise on the Clipper eliminates 275 miles of driving around the busy southern end of Lake Michigan. The trip also provides the traveler a pleasant cruise on a luxurious ship with the thrills of an ocean voyage.

Manned by a crew of 110, the Clipper carries 900 passengers and 120 automobiles.

Charlevoix Play Camp to Open For Season

The Charlevoix Play Camp will open Monday for the 1963 season, Del Terrill, who has operated the camp for the past 11 summers.

Postmaster Advises Patrons to Refuse Unwanted Mail

"What am I expected to do with this 'junk'" is probably one of the questions asked most often when the postman deposits third class mail in your box.

Though it is a legitimate and important part of this country's free enterprise system, there is something you can do about it according to Postmaster Peter H. Tunmer.

Those who do not want to receive advertising circulars or 'junk' mail, should write to the mailer and request that their names be removed from his mailing list. Though such requests are not always heeded, compliance is usually immediate, Mr. Timmer said.

If unwanted circular matter continues to be received, patrons may write 'Refused' on items placed in their box and promptly re-deposit them in the mails. These may be returned if it bears the sender's endorsement "Return Requested". The sender is charged a minimum of 8 cents a piece for the service performed. Third class mail which is refused and which does not bear a return address is destroyed at the postoffice of address.

All classes of mail carrying the proper rate of postage and properly prepared for mailing must be handled by the postoffice in accordance with postal regulations, Mr. Timmer explained.

However, patrons who do not want unsolicited mail matter of any kind can usually find relief through refusal to accept delivery or through written request that their names be removed from the mailing lists involved.

The following resolution was adopted by Alderman Grubaugh and supported by Alderman Gill:

RESOLUTION

BE IT RESOLVED by the Common Council of the City of Charlevoix, that Ordinance No. 203, Article No. 8, Section 201, Paragraph 3, be amended by adding Paragraph H.

Paragraph H. The restrictions and requirements as set forth in paragraph 3 of this ordinance are intended to apply only to those House-trailers and Mobile Homes which are occupied or intended to be occupied as living and/or sleeping quarters.

Moved by Alderman Gill and supported by Alderman Parsel that the above resolution be tabled. Motion adopted by the following Yea and Nay vote: YEAS: Aldermen Grubaugh, Neff, Parsel and Gill. NAYS. None. ABSENT: Aldermen Staley and Fochtman.

The names of Alderman Fochtman and Alderman Grubaugh were placed in nomination for Mayor Pro-tem. The vote of the Council resulted in a tie. The tie vote was decided by lottery, with Alderman Fochtman winning and being declared Mayor Pro-tem for the year 1963-64.

The finance committee having examined bills totaling $22,483.62, find them correct and recommend they be allowed. Moved by Alderman Gill and supported by Alderman Grubaugh that the bills be allowed and orders drawn for their amounts. Motion adopted by the following Yea and Nay vote. YEAS: Aldermen Gill, Parsel, Neff and Grubaugh. NAYS: None. ABSENT: Aldermen Staley and Fochtman.

On motion, the Council adjourned.

HUGH MAYNE, CITY CLERK.

Vacations go smoother in a Chevrolet Corvair

Bring on those mountains! They're not so high and mighty when you've got Corvair's gutty six and rear-engine traction working on them.

You scurry up the meanest grades. You move with sure-footed agility on wet pavement, muddy lanes, gravel and other would-be miseries.

And with most of Corvair's weight on the rear wheels, you have easy steering, too. Fact is, the handling's so light and responsive we don't even offer power steering for the car.

And there's more to feel good about. No problems with your radiator boiling over or going dry, because there's no radiator. Corvair's engine is air cooled. No concern about brake adjustments, either, because the brakes adjust themselves. Nothing much to think about at all except the good time you're having.

Bay City C of C Praises City for Its Hospitality

A letter from Ambrose J. Maxwell, secretary-manager of the Greater Bay City Chamber of Commerce, praised the city for its hospitality when the more than 300 members visited here Saturday afternoon aboard the cruise ship, S. S. South American.

In the letter received by Paul Kohler, secretary manager of the Charlevoix Chamber of Commerce, Mr. Ambrose wrote:

"Our fellows could not have been more pleased with the warm, friendly reception you and your fellow townsmen gave our cruisers last Saturday. It was just wonderful.

And the golfers raved about the Belvedere's facilitie and the fine treatment they received out there.

Our cruisers did some shopping in your town, as I felt sure we would, and many of us have remarked about the interesting things they bought there. We should return when all of your shops are open! Then we'd really see something. Again, I cannot thank you enough for your help".

Approximately 50 of the cruisers played golf and the majority of the others visited Big Rock Point Nuclear plant, making the trip in buses supplied by Consumers Power Co. The buses were also used to transport the golfers to the Belvedere club. The city provided a truck for golf clubs.

In reporting on the results of the cruisers' visit here, Mr. Kohler estimated that they spent between $2,500 and $3,000 during their eight hour stay here.

Mr. Kohler also expressed his gratitude to Consumers Power Co. city residents who offered the use of their cars, City Supt. James Taylor and others who assisted in making tha cruisers' stay a happy one.

During the summer

Here's a simple, money-saving tip. Keep your fuel oil tank filled to the top this summer and you'll keep it free of rust and corrosion. Any air space in your tank allows rust-causing condensation to form . . . rust that will clog strainers and burner nozzles next winter.

Special summer budget terms make it easy to FILL UP NOW, PAY NEXT FALL, or arrange a special year-long budget plan with low monthly payments. Call us today.

Dean Davenport to Coach at San Fernando State College

Deon Davenport, head basketball coach at Central high school in Traverse City for the past two years, has occepted a position as freshman bosketball coach at Son Fernando State College in California.

The college is a four year school with a present enrollment of 10,000 students which is expected to grow to 30,000 within a 10 year period. The school wos opened in 1958 on a campus with all new buildings.

Coach Davenport will teach in the physical education department in addition to his coaching duties. The freshman cage schedule lists 25 games including contests with both UCLA and Southern California.

Mr. Davenport has arrived here to take over the city summer recreation program.

Accompanied by his wife, the former Joyce Cunningham and their two children, he will leave early in September to occept his new duties in the west.

The son of Mr. and Mrs. Dean Davenport Sr., he is a graduate of the Charlevoix high school and Central Michigan College. He has both his B.S. and M.S. degrees from Central. He was at Petoskey for two years and at Grant for one year before returning to the campus at Central to work on his Master's degree.

USCG Sundew Expects to Return To Home Port Fri.

The Coast Guard Cutter Sundew is expected to return to Charlevoix late Friday or early Saturday according to reports from the Sturgeon Bay Shipbuilding and Drydock where the ship has been undergoing major repairs.

The ship under the eommand of Cmdr. Francis J. Mann, was expected to make a trial run Thursday and, if everything checked out satisfactorily, it was expected to depart for Charlevoix Friday, arriving here late that day or early Saturday.

The ship had to undergo major repairs after a breakdown in an ice field a mile off Charlevoix on April 10. Towed to Sturgeon Bay Wis., by the Mackinaw, the ship has been repaired and is due to return here after an absence of two months. While in drydock work that is normally done during its annual trip to the shipyard in June has been completed.

NCMC To Offer 10 Summer Classes

Ten classes will be offered at North Central Michigan College at Petoskey during the eight weeks summer session scheduled to begin June 24, according to Dean A. D. Shankland.

The courses to be offered will include World Geography, Introduction to Public Speaking, Conservation of Natural Resources, Introduction to Political Science, Economics, Nature Study, American Literature, Interfediate Algebra 111 or College Geometry 112, U.S. History and Astronomy.

Most classes will meet early in the morning or in the evening to allow students to work most of the time during the day.

Registration for the summer session will be held the week of June 17 and Monday, June 24, with classes starting the following day, June 25. The summer session will end Aug. 16. The summer session is open to resident and non-resident students. Students regularly matriculated in other colleges need only complete a guest registration form in order to enroll in North Central Michigan College summer classes.

Further details and time later, Dean Shankland said. schedules will be announced

State Amateur Golf Tourney Starts Wed.

Entries from 224 amateur golfers have been accepted for the Michigan Amateur Golf Tournament which will start Wednesday on the Belvedere golf course. This will be the first time since 1958 that the state amateur tournament has been held here. Robert Wallace is local tournament director.

Two Charlevoix golfers, Robert Livingston and Mr. Wallace, are competing with golfers from throughout the state for the title won last year by Mike Andonian of Pontiac.

Qualifying matches are scheduled to start at 7 a.m. on Wednesday and Thursday of next week with foursomes teeing off from both the first and tenth tees. Contestants will play 18 holes each day.

Mr. Livingston is matched with Don E. Curyle of Detroit, William Schwape of Detroit and Mac Lawson of Flint. This foursome will tee off from the tenth tee at 11:20 a.m. Wednesday and from the first tee at the same time on Thursday.

Mr. Wallace is matched with Glen Johnson of Grosse Isle, Robert Ackerman Jr., of Bridgman and Cliff Taylor of Grand Rapids. They will start play from the first tee at 8:30 a.m., Wednesday and from the tenth tee at the same time on Thursday.

The 63 low score players on the 36 hole qualifying matches, along with Mr. Andonian, will be paired for the elimination matches to be played Friday, Saturday and Sunday morning.

Two low score finalists will be matched for the state championship on Sunday afternoon.

P. O. Department Announces ZIP Code For Charlevoix

Our five-digit ZIP Code is 49720, Postmaster Timmer announced today.

"Everyone in Charlevoix, Michigan will use this ZIP Code on all their correspondence to speed mail deliveries and reduce the chance of mis-sent mail," Postmaster Timmer said.

ZIP Code, the Post Office Department's revolutionary new system of improved mail dispatch and delivery, goes into effect nationally on July 1.

Postmaster Timmer stressed the importance of all citizens of Charlevoix, Mich. learning this city's ZIP Code and using it in their return address on all correspondence. In answering mail, he said, ZIP Codes taken from return addresses on incoming mail should be used.

"The ZIP Code is literally the last word in mail addressing," Mr. Timmer said. "It should follow the city and state in addresses."

He cited this example of the proper use of ZIP Code: Peter H. Timmer Postmaster, U.S. Post Office, Charlevoix, Mich, 49720.

The new ZIP Code plan, Mr. Timmer said, for the first time will permit the Post Office Department to short-cut repeated address reading.

"The address on mail must often be read as many as eight or ten times by postal employees, to get it to the proper destination." Mr. Timmer said. "Each handling slows the process of mail dispatched and adds to the opportunity for human error.

"With ZIP Code, a clerk needs only to glance at the code to know immediately to what national area, state and post office the letter is destined, and to speed it on its way, cutting up to 24 hours off the time between deposit and delivery".

Mr. Timmer said that when ZIP Code is in full swing, the United States will have "the most modern system of mail distribution and delivery in existence."

Hold Rites Sunday For Jesse Smith Former Alderman

Jesse V. Smith, 79, former third ward alderman and supervisor and retired mail messenger, died Friday at the Charlevoix hospital where he had been a patient for a week. He had been in failing health for some time.

Funeral services were held on Sunday at the Winchester Funeral Home with the Rev. Jack Harris officiating. Burial was in Brookside cemetery.

Born in Charlevoix Dec. 29, 1883, Mr. Smith was married to the former Rose Kuntz at Elk Rapids in 1906. They always made their home here.

Mr. Smith served as mail messenger from Jan. 1919 to Aug. 31, 1951, transporting the U. S. Mail from the Charlevoix postoffice to the railroad station. He was widely known in harness racing circles and, until 1952, appeared regularly at fairs throughout the northern half of the Lower Peninsula. Because of his interest in horse racing, he served for many years as a director of the Charlevoix County Agricultural Society which for years operated the Charlevoix County Fair at East Jordan. He served as a third ward alderman in the late 1920's and the early 1930's and as supervisor from April 1955 through 1959.

He attended the First Baptist church and was a former member of the Knights of Pythias lodge.

Besides his wife, he is survived by a daughter, Mrs. Ervin (Marvel) Racignol of Charlevoix; a son, Victor C. of Detroit, two grandchildren and three sisters, Mrs. P. R. Ross of Charlevoix, Mrs. Arthur Knowles of Central Lake and Mrs Calvin Clark of Detroit

Robert Timms Purchases Gill's Appliance

The sale of Gill's Appliance to Robert N. Timms, local resident who has been associated with the business as technician for the past 18 months, has been announced by Mr. and Mrs. Alfred 'Bud' Gill who have operated the business at 214 Bridge st. since 1958.

Prior to becoming associated with the store, Mr. Timms was with the Radio and Electronics Supply Co. for six years.

The business will continue to operate under the name of Gill's Appliance and will feature the sale of name brand appliances and Zenith televisions, radios and etercos and offer service as in the past.

Local C. G. Station Assigned New 40 ft. Lifeboat

The newest type lifeboat now being used by the U.S. Coast Guard, a 44 ft. steel-hulled vessel large enough to carry 40 men including a crew of three, has been assigned to the Charlevoix Lifeboat Station, according to Albert J. Bates, W-4, commanding officer of Group Charlevoix.

The craft has been constructed at Curtis Bay, Md., where it is to be turned over to a crew from the local station Monday.

Making the trip east to accept delivery of the boat will be Thomas Parrish BM1, Max Selfridge EN1 and Harry Gingery Fn. They will return the craft to Charlevoix via the Inland Water Route, the Hudson river and the Great Lakes.

Rev. Harold E. Kohn Honored As Cultural Leader in Michigan

Rev. Harold E. Kohn, pastor of Charlevoix First Congregational church, was one of ten Michigan citizens to receive the Citizen Leadership Award at the Michigan Week Recognition Dinner held Tuesday evening at East Lansing. The awards were presented by Gov. George Romney.

Rev. Wendell C. Bassett, president of the Michigan Council of Churches and superintendent of the West Michigan District of the Evangelical United Brethern church, introduced Rev. Kohn and read the following citation:

"Writer, illustrator, lecturer, counsellor and student of nature, Harold E. Kohn is recognized tonight for contributions to the cultural life of Michigan.

"Despite the handicap of intense and almost constant physical pain, the Reverend Kohn, minister of the First Congregational Church of Charlevoix, excells at inspirational writings which have helped countless people to untangle distorted lives and to find serenity.

"Author and illustrator of five inspirational books, of an essay that has been reprinted in nine languages, and of n weekly newspaper column, Dr. Kohn projects a common-sense viewpoint and an awareness of nature that, in the view of a leading literary critic, "puts him in the ranks with Thoreau and Burroughs."

"His lecture series dealing with problems of mental health, his frequent seminars with high school students of various faiths, and his ceaseless counselling on human problems help bring a measure of peace to troubled minds and help restore hope to many a heavy heart.

"Dr. Kohn is honored with a Citizenship Leadership Award not only for his cultural contributions, including his highly expressive appreciation of Michigan wildlife and restful retreats, but also because his useful life, carried on in face of distressing daily pain, constitutes an example that helps encourage others to surmount their handicaps and to make more of their lives."

Following the citation, Gov. Romney presented silver medallions and certificates of appreciation to the 10 Michigan citizens honored for their outstanding contribution as volunteers in the fields of religion, education and culture.

In his response, Rev. Kohn said "I hope the award is given not so much in recognition of a man as in recognition of a principal that human progress has made, that both individually and socially, only as we do more than we are compelled to do."

The ten citizens were chosen by a 13-man board headed by William McGaughey, vice president of American Motors Corp.

Attending the recognition dinner with Rev. and Mrs. Kohn were their son-in-law and daughter, Mr. and Mrs. Larry Minch of Lansing and Mr. and Mrs. Oscar Grossmann of Birdland and Smithton, Ill.

Three Lifeguards To be on Duty at Local Beaches

The beaches will officially open Monday afternoon at 1:30 for the summer. City recreation director Deano Davenport announced that Gary Smith will return to the Depot Beach with hours 9:30 a.m. to 5:30 p.m. Almack Arvilla will again be at Lake Michigan from 10 a.m. to 6 p.m. Scott Supernaw will be guarding at Ferry Avenue Beach from 12 noon to 6 p.m. daily.

A new diving platform has been placed at the Depot Beach and the Lake Michigan Beach platform has also been placed by the Coast Guard and city crews.

Set Date for Annual Tri-Sail

The annual Tri-Sail race sponsored by the Grand Traverse Yacht club will be held Friday, Saturday and Sunday, June 28, 29 and 30, Paul Kohler, secretary-manager of the Charlevoix Chamber of Commerce, has been informed.

The race, which has attracted 10 entries, will begin at Traverse City on Friday and follow a course to Charlevoix via Fox Island, arriving here the morning of June 29. After spending the night here and attending the annual dinner, the racers will depart Sunday morning on the return trip. The sailing vessels will be accompanied by a minimom of five cruisers. Others will join the group here, making the trip via land routes.

Teri Freedman Leaves by Air For Denmark

Teri Freedman, Charlevoix high school senior, will depart Friday from Metropolitan Airport in Detroit enroute to Denmark where she will spend the summer under the Youth for Understanding program sponsored by the Michigan Council of Churches.

She was informed last week that she will be with the family of Mr. and Mrs. T. Rasmussen who have two daughters, ages 16 and 14 years, and a four-year old son who live at Humble, a city of 3,000 located on one of the many islands that make up the country of Denmark.

She is the daughter of Mr. and Mrs. Gordon L. Freedman.

Last week Mary Harrison, daughter of Rev. and Mrs. A Robert Harrison left to spend the summer in Germany.

U. S. C. G. Sundew Reaches Homeport

The U.S.C.G. Cutter Sundew under the command of Cmdr. Francis J. Mann sailed into port Saturday morning after a two months absence while undergoing major repairs at a Sturgeon Bay, Wis., shipyard.

After taking supplies and equipment aboard, the ship departed Monday to take over its duties of re-fueling the light stations in northern Lake Michigan and Lake Huron, servicing buoys and related duties.

Other cutters took over the pressing duties such as setting buoys and transporting crews to the light stations; other work, however, will now have to be done by the Sundew now that it has returned to its homeport.

The ship incurred a major engine breakdown Apr. 10 and was towed to the shipyard for repairs.

Former Resident Receives Degree From Stanford U.

David S. Wulfman, former local resident, was among the 3,073 students who received degrees at the 72nd annual commencement at Stanford University, California, Sunday.

He was awarded a Ph. D. degree in Chemistry.

Mr. Wulfman is the son of Mr. and Mrs. Eugene Wulfman of Detroit. His mother is the former Jean Swinton, a native of Charlevoix. The family spent the summer at Pine Point for many years.

Methodists to Hear Don Gordon

Don Gordon of Leland, State Representative from the Charlevoix district will be the guest speaker at the First Methodist church Sunday at the 11 a.m service.

The Rev. Raymond McBratnie is serving as counselor at the Methodist junior camp at Pentwater. He expects to be gone three weeks.

"Mark my words—when they all get together for the reunion of old high school grads, there'll be at least one who bounces up to you with. 'I'll bet you don't know who I am!'"—Lawrenceburg Democrat-Union.

Summer School Music Program To Get Underway

Appointment cards have been mailed to more than 115 instrumental music students who have enrolled in annual summer music program sponsored by the Charlevoix school system, according to C. A. Odmark, music director.

The program for students in the seventh through eleventh grades will begin next Monday while the program for the sixth grade beginning group will get underway one week later, Mr. Odmark said. A weekly lesson has been scheduled for each student, either individually or as a member of a group of two or three students. The program will continue through Aug. 5.

This summer will mark the first time that the sixth grade beginner group (students who were in the sixth grade during the recent school year) will be initiated into the music program during the summer months. In previous years the band was organized at the beginning of the second semester. However, due to Mr. Odmark's class schedule this was not possible during the past school year. Interviews with prospective band students are being held this week with the organization of the band scheduled for the week of July 1 and continuing through the summer program.

If there is any student who has failed to enroll in the program and would like to do so he is advised to contact Mr. Odmark at LI 7-2494 immediately.

Rites in Ellsworth For Gerrit Stoel Retired Farmer

Gerrit Stoel, 78, retired carpenter and farmer died June 6 at the home of his son, Harold Stoel of Ellsworth, RR 1.

Funeral services were held at the Atwood Reformed church on June 8 and on June 10 at the Dykstra Funeral Home, Holland, with burial in Pilgrim Home Cemetery, Holland.

Born in The Netherlands February 13, 1885, Mr. Stoel came to Holland, Michigan when he was 3 years old. In 1907 he was married to Maude DeFeyter who preceded him in death in 1945. In 1918 Mr. and Mrs. Stoel moved to a farm near Atwood

Besides his son, he is survived by a daughter Mrs. Joel Zahl of Muskegon; eight grandchildren; eight great grandchildren; two brothers, John Stoel of Hamiet, Ind., and Martin Stoel of Muskegon; two sisters, Mrs. Ann Minnema of Holland and Mrs. Gertrude Kasminski of Chicago.

A son, Arthur, of Barnard, preceded him in death in 1954.

Friday Concludes Free Golf Play At City Course

Free golf at the Charlevoix Municipal golf course will continue through tomorrow (Friday) according to Keith Carey, course manager, who said that the response to the offer had brought golfers from many areas of the state to the community.

The weekly stag night will be held today (Thursday), with players teeing off at 5:30 p.m. for nine holes of golf before returning to the clubhouse for refreshments. Last week, the event attracted 25 players.

Because of the Michigan Amateur Golf tourney scheduled to open at the Belvedere course Wednesday, no special events will be scheduled for the municipal course during the coming week, Mr. Carey said.

Bulletin

News has been received here of the death of Mrs. Gordon Moeller's mother, Mrs. Daniel Krohn, on Wednesday in Flint.

Funeral services will be held Saturday morning at the Brown Funeral Home, Flint.

Call Meeting to Discuss Proposed Re-appraisal

A special meeting of the city council, the city's three supervisors and the city assessor has been called for 8 p.m. Wednesday to discuss the proposed re-appraisal of the city's real and personal property.

The decision to call the special meeting was reached after three bids from outside appraising firms were opened at Monday's council meeting.

Each firm submitted two bids, the first requiring the bidder to 'start from scratch', i.e., using no records now on file and the second, or alternate bid, permitting the bidder to make use of existing records, especially those relating to dimensions of properties and buildings.

The bidders and the amounts of their respective bids follow: H. L. Yoh Co. of Cincinnati, $11,400 and alternate, 10,800; J. L. Jacobs Co. of Chicago, $14,950 and alternate, $13,100; Cole Layer Trumble Co. of Walloon Lake and Dayton, Ohio, $8,800 and alternate, $7,200. The latter is the company which appraised the community ten years ago.

The bids were referred to the finance committee for tabulation.

The council decided to explore means of re-appraising the personal and real property in the city after Fred White, district supervisor of the Michigan State Tax Commission, recommended that the city take another look at its valuations.

Hearings relating to proposed changes in zoning ordinances have been scheduled for 8 p.m Monday, July 15.

The first is in regard to parking of trailers in other than Residential District III which is now permitted. The proposed change would permit parking of trailers in other areas for storage only providing they are not equipped with utilities.

The second proposed change would permit operation of motor-driven two and three wheel vehicles for the purpose of conducting races provided that the races do not occur more than seven days in any calendar year and not before noon or after 9 p.m. This change was requested by Allan Pease, who operates Al's Amusement Park, to permit motorcycle races on a track at the park. Six motorcycle enthusiasts appeared with Mr. Pease.

Approval was given a request by the Belvedere Club that Louis Gravelin and L. E. McGhan be approved as special police officers without pay from the city. The pair will be engaged as the night men at the Belvedere Club grounds.

The bid for a compressor, air hammer and related equipment submitted by the Contractor Machinery Co. of Traverse City was approved. The bid was in the amount of $3,557 and was the lowest of four bids received.

John VanHaver, who is planning to operate a small industry in the former Loeb barns, appeared before the council with a second recommendation on power for his plant. He asked that the minimum monthly billing be reduced from $100 to $50.00 with anything under the minimum being applied to his account on a four-year basis. He suggested that the down payment be set at $250. The issue was taken under advisement.

Jack Mol appeared to issue a complaint about water standing on the street in front of his Dixon ave. home because of poor drainage on the street. The matter was taken under advisement.

Rufus Dodge, the new owner of the Dairy Queen at Bridge and Wood st. appeared to ask for permission to hold teen-age dances in the parking lot adjacent to his place of business between the hours of 9 and 11 p.m. one or two nights a week. The dances would be under the supervision of the city recreation director. The matter was referred to City Supt. James Taylor.

The matter of security lights was discussed. It was decided that those wanting such a light would pay $3.00 per month with the payment being made a year in advance. The city would install the light at this rate if it was not necessary to set more than one utility pole.

The park overlooking Lake Michigan between Park ave. and the lake was discussed at length The development of the area was proposed but no firm plan adopted. The installation of a road along the lower level was also discussed but no decision reached. Anyone having any suggestions regarding this park is asked to refer them to their councilmen.

The City Street Department was instructed to cut the long grass along the street and on unkempt lots. The cost is to be charged to the property owner.

The Hoffman house located at the corner of Central ave. and Oak st. came in for some discussion because it is felt that the property has become an eyesore. No decision was reached on this matter.

Bills totaling $19,796.73 were approved and ordered paid. The total included a payroll of $6,128.53; water accounts receivable purchased, $2,227.94; sewage accounts receivable purchased, $1,416.75; city used utilities, $1,416.75; Swanson Gravel and Construction Co., $1,116.77.

Band Concerts To Start July 3 In East Park

The Charlevoix city band has started intensive rehearsals in preparation for its summer series scheduled to begin Wednesday, July 3, according to C. A. Odmark, director of the group.

The series will continue to be held every Wednesday evening at the Park throughout July and August.

A few vacancies exist in the ranks of accomplished musicians who make up the band, Mr. Odmark said. Any adult in the area wishing to participate in the Monday evening rehearsals and the Wednesday evening concerts is asked to call him at LI 7-2494 as soon as possible.

The band is sponsored by the city of Charlevoix and its membership composed of adult residents of the area and augmented by adults and students from East Jordan and Petoskey and, of course, advance students from the Charlevoix high school band.

The roster of the group will be announced when final organization takes place prior to its first concert on July 3.

All concerts begin at 8:30 p.m. and are played on the Park Stage in East Park overlooking Round Lake.

Annual Farm Bureau Picnic Set for June 23

The annual Charlevoix County Farm Bureau picnic will be held Sunday June 23 at the East Jordan tourist park beginning at 2 p.m.

Watermelon, coffee and kool aid will be furnished. Each family is asked to bring their own table service.

The film, "That They May Live", a picture showing artificial respiration will be shown by the State Police. All members are urged to attend.

Coming Events

June 20—Church of God Missionary meeting at Fellowship Hall, 1:30 p.m.

Self Discipline or--- Governmental Control

Property owners on the shores of the south arm of Lake Charlevoix have for a number of years complained about the skipper whose boat causes excessive wakes over this section of comparatively smooth water. Except for a few areas, safety has not been the bone of contention. The problem arises from the damage to small craft and docks along the arm.

Many complaints have been entered with the county sheriff's department as well as with the U.S. Coast Guard. Neither of these services can take action unless the aggrieved person signs a citizen's complaint. That is where law enforcement officers are stymied.

Neither the sheriff's department nor the Coast Guard unit has personnel or crafts enough to patrol the extensive boating waters of Charlevoix county. Both, however, are not hesitant about apprehending offenders when they are in the area. They are not hesitant about filing charges against offenders, but they are handicapped because they can not be in all places at all times and Mr. Citizen with a grievance refuses to sign a complaint for fear he will lose business or offend an acquaintance.

What eventually happens is more government regulations. That appears in the cards for the south arm of Lake Charlevoix. Governmental agencies, with authority to act, have considered the situation. Eventually they will set up speed zones and other restrictions if operators of power craft in this and other areas continue to ignore the well-being of others.

William Ratigan Receives Ph. D From Michigan State University

William Ratigan, Charlevoix high school counselor and director of guidance, received the advance degree of Doctor of Philosophy at the 103rd annual spring Commencement at Michigan State University recently.

He was among the 69 advanced graduate students to receive doctoral diplomas. Included in the group were 17 who received doctorates in education and 52 who received them in philosophy.

In his advance graduate program, Dr. Ratigan's major field at both the master's and doctoral level was counseling. In 1960 he was selected as a participant in the summertime NDEA Counseling and Guidance Training Institute at Michigan State University. The following year he became accredited as a counselor under the regulations of both Title V of the National Defense Education Act and of the North Central Association of College and Secondary Schools. Also in 1961 the Council of Michigan Guidance and Personnel Associations certified him as having fulfilled the requirements as a Counselor with Professional Status.

During his doctoral program Dr. Ratigan surveyed clinical psychology and specialized in educational psychology and student personnel work. He served his internship in the counseling laboratory on Campus and was certified as a counselor educator by the department of guidance and personnel services. In the summer of 1962 he was appointed an instructor on the staff of the NDEA Counseling and Guidance Training Institute at Michigan State University. He is now on the staff of the University as an extension lecturer.

Dr. Ratigan's minor areas of research included sociology and cultural anthropology. His doctoral dissertation, being published by University Microfilms at Ann Arbor, explored the thsis, Conflicts within Counseling and Guidance in Board Histerial Perspective and in Contemporary Focus.

A native of Detroit and a classics major at the University of Detroit and the University of Chattanooga, where he captained the football team, Dr. Ratigan entered the field of education in the 1930's when he was a lecturer in emmigrant English at the Detroit Business Institute and consultant for the Detroit Board of Education on children's radio plays.

However, he was to become known as a writer before he was to return to the field of education as a membem of the faculty of the Charlevoix high school. He started his writing career as a continuity director ond news editor for the National Broadcasting System. Prior to the Japanese attack on Pearl Harbur that triggered World War II, he became chief of the NBC's Far Eastern Listening Post, a pilot program of today's modern language laboratories, and commanded a corps of Russian, Japanese, French, Dutch and multi-linguel interpreters training in communication techniques to ferret out enemy propoganda beamed from the Islands and the Asiatic mainland.

Throughout World War II, he served as managing news editor of the network's western division, supervising all commentators and war correspondents in the Pacific Theatre of Operations. He was news editor and script-writer at the historic first UN Conference.

In 1946 he returned to Michigan and early in 1947 came to Charlevoix to begin research on a series of Great Lakes books that have since appeared, dramatizing history with the same reporting talents that made him a foremost editor.

Today, Dr. Ratigan is utilizing his writing talents to collaborate with several fellow counselors-educators in writing the first book of it kind to be entitled "The Theory of Counseling" to be published by McKraw-Hill Publishers. Meanwhile, he snatches time from this to work on another relating to the Great Lakes area which he hopes to complete this summer.

Lions Club Stages Open Golf Tourney

Results of the second annual Lions Club Open Golf Tournament held Sunday at the municipal golf course have been announced by Lyle Miles, tourney chairman.

Kit Carson, Jr. posted the best actual score in the event which attracted 44 entries. Bob Withers had low score in Class A and Gerald Burke in Class B. All three were presented with trophies.

Among the other winners were Bruce Henley and Howard Struthers who had the second low scores in Class A and B, respectively.

A buffet supper was served at the clubhouse at the close of the tournament.

Mr. and Mrs. Keith Carey assisted the tournament committee.

Voice of Our Readers . . .

Thank you ever so much for the reminder. We would be at a loss without the paper. Do hope that days and days we can have a daily instead of only once a week. Thanks again).

Ed. Note: The above was written at the bottom of a subscription notice expiration. Thanks for your kind remarks, Mrs. Peltier. The aim of a community weekly newspaper is to publish all of the local news possible. A good daily.. newspaper is expected to carry state, fedaral and foreign news and this is often at the expense of local news. Tha day may come, however, when the Charlevoix area can support a daily newspaper but it is a remote possibility at present.

Dear Editor,

Since Brad Ward and I were separated after Hospital Corps School in June, 1962, the Charlevoix Courier has been my only contact with the greatest little city in the north. I hope I can show you my appreciaion with this letter.

I look forward to Mondays more than any other day of the week, even though it is the start of another work week, because that is the day I receive my Courier. And, as you may guess, I read the "Charlevoix in Uniform" column first. From that I have found that a lot of my school buddies have joined the service. I have also found that there are other Charlevoix servicemen here in Charleston. Ken Case on the Destroyer Johnston and Brian Gallagher at the Air Force Base. Even though I don't see them it's nice to know that there are other Charlevoixans here in the 'you-all' part of the country.

Again I would like to thank you for sending me the Courier. It just seems to make the week complete.

Sincerely,
Bill Roesink

Cinthia Curtis and Mr. Garland Speak Vows in Evening Rites

The First Congregational church was the scene Saturday evening of the wedding of Cynthia Curtis and David T Garland.

Parents of the couple are Mr. and Mrs. Franklin Curtis and Mr. and Mrs. William G. Garland of Hudson.

The Rev. A. Robert Harrison officiated at the double ring service before an altar decorated with arrangements of white gladioli and candelabra. Mrs. Charles Bellinger, at the organ, played a program of traditional music and wedding march and accompanied the soloist, Mrs. E. D. Hawley.

The bride was wearing a gown of white silk organza as she approached the altar with her father. The bodice with a dropped waistline was styled with a bateau neckline outlined with Venise lace and long tapered sleeves. The controlled front of the skirt, embellished with lace panels, was enriched by a draped butterfly pouf ending in a chapel train. Her shoulder length veil fell from a Venise lace crown. She carried a colonial type bouquet of stephanotis and white roses centered with sweetheart roses.

Jean R. Pence of Ferndale as maid of honor and Jennie E. Nunn of Bloomfield Hills as bridesmaids wore identical street length gowns of old gold crystalette fashioned with square necklines and bell skirts with self-bows creating back interest. Matching pillboxes secured their circular veils. They carried semi-cascade bouquets of yellow carnations and sweetheart roses.

Robert Garland of Jackson assisted his brother as best man. John Garland of Hudson, another brother served as groomsman. Franklyn L. Curtis, brother of the bride, and Russell Blurton of Hudson seated the guests.

A reception followed at Friendship hall where a tiered wedding cake centered the refreshment table that was decorated with yellow carnations and white tapers. Mrs. Robert Porter of Grand Rapids, aunt of the bride, cut the cake and Mrs. Ronald Baleh presided at the refreshment table.

Following a brief wedding trip the couple has returned to live at 201 E. Dixon ave. for the summer.

The bride is a recent graduate of the Univerity of Michigan where she was affiliated with Alpha Omicorn Pi sorority. She will teach in the Wayne School System in September. Mr. Garland, a veteran of four years in the U.S. Navy, will return to his senior studies at Eastern Michigan University in September.

Garden of The Month Plaque Awarded To Ralph McRae's

The garden of Mr. and Mrs. Ralph McRae, located on Nettleton st., has been named as the "Garden of the Month". The garden of the month is presently a profusion of peonies according to Mrs. R. G. Bennett, who with Mrs. Ralph Hamilton and Mrs. Albert Edwards, were named to a committee to select the outstanding garden for this period of the year.

If you would like your garden judged or know of a lovely garden that might be missed you are asked to call Mrs. Harley Ochs, president of the Garden club.

Regional Nurses To Convene At Higgins Lake

Mrs. Keith Miles, school and community nurse, will be among the public health nurses and health officials who will attend a three day Northern Michigan Regional Nurses' conference at Higgins Lake Monday through Wednesday.

Sponsors of the event are northern regional local health departments and the Michigan Department of Health.

The adolescent will be the special topic of discussion at the conference which will include an overview of adolescent behavior patterns, adolescents and nutritlon, adolescent parents and venereal disease and adolescents.

Among the speakers will be Dr. Roger Howell, psychiatrist and associate professor of mental health in the School of Public Health at the University of Michigan and Dr. Ruth Cumings, associate professor of public health in nursing and mental health at the University who will discuss some of the complex behavior aspects of adolescence; Mrs. Alice H. Smith, chief of the nutrition section of the Michigan Department of Health and Dr. John A. Cowan, director of the division of Tuberculosis and Adult Health of the Department of Health. Miss Claire Corriveau, generalized nursing consultant for the Michigan Department of Health, will summarize the conference.

Mrs. Miles will preside at a discussion on public health nursing and adolescence on Wednesday.

Dr. A. F. Litzenberger, director of District Health Unit No. 3 and Mrs. Marian Rice of the nursing staff will also be among those attending the meeting.

Betrothed

The engagement of Pamela Nancy Teeley to Paul L. Allers has been announced by the bride-elect's parents, Mr. and Mrs. Thomas J. Teeley of Detroit.

The prospective bridegroom is the son of Mr. and Mrs. Leroy Allers of this city.

A November 9 wedding is being planned by the couple.

Miss Teeley, the graduate of a Detroit high school and beauty academy, operates a salon at Mackinac Island. Mr. Allers, a graduate of the Charlevoix high school, is presently serving as a Quartermaster second class, aboard the submarine, U.S.S. Trutta.

Mrs. Clair Wiedlea To be Honored At DAR Luncheon

Mrs. Clare Wiedlea of Sturgis, State Regent of the Daughters of the American Revolution, will be honored guest at a salad luncheon to be held at the home of Mrs. Clark Coulter at 12:30 p.m. Friday, Mrs. Arthur Wexstaff, regent of the host chapter, has announced.

The members of the Petosega chapter will host the luncheon and meeting to which the members of the Job Winslow chapter of Traverse City have been invited.

Lions Club Hears Robert Vratanina

Robert Vratanina, former local resident who is registrar at North Central Michigan College, was the guest speaker at the regular luncheon meeting of the Lions club held Monday at the Weathervane Inn.

He spoke on the curriculum being offered at the college located in Petoskey. He said that a total of 269 students were enrolled this year and a 12 per cent increase, based on application for admittance, was anticipated. Thirty-eight students were graduated from the school last week with the majority of them planning to continue their advanced studies elsewhere.

He was introduced by Ray Whaley, program chairman.

Mrs. Wm Paddock Hosts Garden Club

"Garden Pests and their Control" was the subject of a lesson presented by Mrs. P. D. Campbell and Mrs. A. H. Cameron at the recent meeting of the Garden club held at the home of Mrs. William Paddock with Mrs. H. E. Paddock serving as co-hostess.

Thirty members gathered for the meeting and enjoyed refreshments served at a table at which Mrs. Gordon L. Freedman presided.

I See By The Courier . . .

Mr. and Mrs. Charles Krulik and son, Charles Jay of Lansing spent the weekend with relatives here.

Mr. and Mrs. Allan Shepard and son, James of Elkton are spending a week's vacation with the latter's parents, Mr. and Mrs. Arthur Krulik.

Mrs. Gordon Moeller has gone to Flint to visit her mother, Mrs. Daniel Krohn, who is seriously ill.

Mrs. Gregory A. Shadko has returned from a shopping trip in New York City for the Polly Kay shop.

Miss Margrett Milner who teaches in the Detroit school system has returned here for the summer.

Capt. and Mrs. Gerald Gibbons and family of Fort Gordon, Ga., are spending several days with his parents, Dr. and Mrs. Gerald Gibbons.

John Haggard has returned home from Morristown, Tenn. after attending the University of Tennessee for the past semester.

Mr. and Mrs. Robert Withers and the former's mother, Mrs. Mont Withers who spent the winter months at Palm Springs, Calif., arrived home recently. They were accompanied by the latter's daughter, Mrs. Lyle King and daughter, Kim, of San Carlos, Calif., who will spend the summer here.

Mr. and Mrs. Rex. Milligan and family including three sons and a daughter arrived Wednesday from Sandusky. They will be at 207 State st.

Mr. and Mrs. Averill Howard were in Battle Creek Tuesday to attend funeral services for the former's aunt, Mrs. Pearl Spencer.

Mrs. Jean Gallagher and son, Michael, have arrived from Lake Worth, Fl., to spend the summer months.

Mrs. C. D. Geiken has returned from Des Moines, Iowa, where she was called by the death of her uncle, D. L. Linnane.

Donna Jean Marme has gone to Birch Run to join her brother-in-law and sister, Mr. and Mrs. Willis Wager and son for a three weeks vacation trip to California. Among the places they plan to visit is the Los Angeles area including Disneyland.

Mr. and Mrs. Gerrit Bergsma have returned to Grand Rapids after spending the weekend with Mr. and Mrs. Peter H. Timmer.

Cub Scouts Picnic

Thirty-seven Cub Scouts accompanied by Den Mothers and other adults enjoyed a day at Fort Michlimackinac and a picnic at Wilderness Park Saturday.

Accompanying the Scouts who will spend a day at Camp Greilick later this month were Robert L. Hacker, chairman of the Cub Scout committee, Mr. and Mrs. Douglas Wilks, Russell Micras, Mrs. Charles Bergmann, Mrs. Val Avery and Mrs. Phil Martin.

Mrs. Mont Withers Three Grandchildren Are Honored Grads

Mrs. Mont Withers has the distinction of having three grandchildren graduating this June.

They include Richard Withers Bolton and Bruce Bolton, sons of Mr. and Mrs. James Bolton and Janis Withers, daughter of Mr. and Mrs. Jack Withers, all of Flint.

Second Lieutenant Richard W. Bolton, whose mother is the former Dorothy Withers, received his commission June 5 when he was graduated from the U. S. Naval Academy at Annapolis, Md., with highest honors. While at the Academy he was on the Superintendent's List, an honor comparable to the Dean's List in a civilian school, for four years. He also was a member of the Varsity swimming team and a letter winner.

Upon graduation, Lt. Bolton took his commission in the U.S Air Force and in the fall will attend the University of Michigan Graduate School, specializing in Systems Engineering and Automatic Control in the School of Engineering.

His brother, Bruce, was graduated from Southwestern High school in Flint. He was on the honor roll for four years and graduated with honrs. He was awarded the Principal's Award given to the student who has contributed the most to the school during the term. He plans to enter Pre-medical School at the University of Michigan in September.

The third graduate, Janis Withers, was graduated with honors from Flint Northern high school and plans to enter college this fall. She has taken a position with the Buick Corp. for the summer months.

Summer Business Places Open For 1963 Season

It is beginning to look like summer has arrived in Charlevoix as many summer business places have opened or will be opened soon for the 1963 season.

CHARLEBOYNE MOTEL

The Charleboyne Motel, located a short distance off US 31 N on the Boyne City road, will open this week for the third season under the management of the owners, Mr. and Mrs. Ed. Beesley.

Mr. and Mrs. Beesley have returned from Madison Heights where they spent the winter months.

• • •

GORDON'S PORT

Most people are satisfied with any old port in a storm but in Charlevoix discriminating diners head for Gordon's Port, located on Petoskey ave. or US 31N, at the blinker light where Jerry and Kate Left are on hand to serve you.

Mr. and Mrs. Left have purchased the popular eating place from Gordon Moeller who had operated the business for eight years.

Open daily from 6 a.m. until the last cup of coffee is served in the wee hours, the Port offers a large variety of foods prepared in their own kitchen with Mrs. Minnie Root heading the staff.

The Lefts will continue to serve the pancakes for which the Port has become famous and which are said to be the 'bestest'.

Jerry, head of this branch of the Left family, is a local lad, son of Mr. and Mrs. Gerald Left. His wife, Kate, comes from Portland where her family, the Lawlesses, operate a farm. During the school year she can be found in an elementary classroom at the Boyne City school.

• • •

RED FOX INN

The Red Fox Inn, whose fame has spread far during the more than 40 years it has been open, is again open. Catering to those who feel that good food is worth traveling for, the Inn is located 20 minutes from downtown Charlevoix on the Boyne City road at Horton Bay on the western edge of the Ernest Hemingway country of northern Michigan.

Dinners are served by reservation. The menu features chicken, steak and fish.

The dining room is open daily except Sunday.

• • •

MURDICK'S CANDY KITCHEN

If you've a sweet tooth make a stop at Murdick's Candy Kitchen a "must" is the advice given by its countless satisfied customers who have tasted the yummy confections made at the local shop.

Made from recipes that have been handed down from father to son through many years, the shop offers a wide choice of the choicest candies.

Jerold Murdick and his efficient staff of assistants will be on hand from now through Labor Day to fulfill your candy wants.

• • •

MASSRY'S DISCOUNT CENTER

Massry's Discount Center featuring a variety of articles including a choice of linens, jewelry, beachwear, domestic and imported china has opened at 201 Bridge st. for the summer.

On hand to greet their old as well as new customers are Mr. and Mrs. Raymond Massry who spent the winter in Florida.

• • •

CASHMERE STORE

The Cashmere Store, located at 224 Bridge st., will open soon under the management of the owner, Mrs. Garfield VanDusen of Grand Rapids and Charlevoix. The shop features imported woolen goods including wearing apparel for men and women as well as gift items, jewelry and purses.

The Charlevoix shop is one of three operated by the VanDusens. The others are located in Harbor Springs and Grand Rapids.

• • •

PARKESIDE DINING ROOM

The Parkside Dining Room at Bridge and Mason sts. overlooking the yacht basin on Round Lake, opened Wednesday under the management of the owners, Mr. and Mrs. William West.

The dining room, one of the few air-conditioned rooms in the area, features a large choice of entrees including prime rib of beef for which it is famous. Only homemade rolls and pastries are served in the dining room which is open from 6 a.m. until 10 p.m. daily. Mr. West, widely known chef, is in charge of the kitchen.

The couple returned recently from the west where they operate a similar dining room in the famous Paradise Valley at Scottsdale, Ariz.

• • •

MONT'S CAFE

Mont's Cafe, Charlevoix's oldest summer eating place as well as one of its most outstanding, will open shortly for the 1963 season.

One of the features of this restaurant where the diner has a large choice of foods is the fact that it is air-conditioned and that it is a "come as you are" place where casual sportswear is seen as often or more as formal garb.

Operated by Mrs. Mont Withers, it is open from 7 a.m. until 9 p.m. with a wide selection of especially prepared foods.

Previewing The Movies

It is a-good guess that plenty [illegible] dished out at the Palace Theatre this week by such actors and actresses as Bob Hope, Lucille Ball, Debbie Reynolds and Cliff Robertson.

[illegible] and laughter, with accent on the latter, are the ingredients of "My Six Loves", opening Sunday and starring Debbie Reynolds and Cliff Robertson. It's a romantic comedy about a Broadway star who, during a sojourn in Connecticut, adopted six abandoned waifs and falls in love with the local preacher. In this role Debbie [illegible] herself a tireless comedienne who contributes flair and professionalism by tunesmiths Sammy Cahn and Jimmy Van Heusen.

Opening Tuesday for a three day run will be "Fancy Pants", starring Lucille Ball and Bob Hope. This team is assurance of a riotous exchange of quips and cracks. The locale for the story is the wide open spaces of New Mexico at an unlikely town called "Big Squak". Miss Ball appears as a "Wildcat" type cowgirl opposite Bob Hope as a British butler whom her mother has hired to bring "class" to Big Squak. The butler is actually an unemployed actor trying to make a dishonest living.

INTRODUCING COAST GUARDSMAN

Lawerence C. Armstrong
Engineman, second class

Larry Armstrong came to us from CG Base Milwaukee, Wis., having served earlier at the Sturgeon Bay, Wis., Lifeboat station and in Alaska. While stationed in Milwaukee in 1961 he received the Coast Guard Commendation Medal for his rescue of a drowning man and administering mouth-to-mouth resuscitation to him.

Born in Wheeling, W. Va., 26 years ago, he attended Central Catholic high school, graduating in 1954. While at Central Catholic, he won his varsity letter in football. His sports interests now include fishing and hunting.

He and his wife, Rose, whose hometown is Hundred, W. Va., and their daughter, Beth, presently reside in Charlevoix.

About 25% of the cows in the average herd are replaced each year.

An emergency food stockpile to carry you and your family through any disaster is like automobile insurance. You hope you won't need it, but if you do, you need it very much indeed. The food stockpile doesn't cost anything, because you'll use the food eventually anyway.

Hold Brownie Day Camp At Rod & Gun Club Property

Eighty-seven Brownie Scouts including 14 from Ellsworth enjoyed a week of Brownie Day Camp held last week at the Charlevoix Rod and Gun club property.

Highlights of the weeklong program was "Fly-up ceremony" at which 50 girls including five from Ellsworth left the ranks of Brownie Scouts to become Intermediate Girl Scouts. This is the largest group to be advanced from Brownie to Girl Scouting in the history of Scouting in Charlevoix.

At the camp site, the campers were divided into eight units to carry out a full program of nature study, handicraft, camp craft and related events. The 'hobo' theme of the program was carried out in the skits presented by the units at the final program Friday afternoon attended by parents and friends.

The camp staff, which operated under the guidance of Jill Stewart, camp director, included the following leaders and assistant leaders, Mrs. Ralph Gillam, Mrs. Lloyd Cummings, Mrs. Ray Wood, who was also general chairman, Mrs. Alfred Borgmann, Mrs. Arthur Emmons, Mrs. Jack Russell, Mrs. James Carlisle of Ellsworth, Mrs. William Blisset and the following mothers who filled in as leaders, Mrs. Clarence Goldstick, Mrs. James Alspaugh, Mrs. James Williams and Mrs. James Novotny.

Mrs. Harry Stewart and Mrs. William Ratigan served as story tellers; Mrs. Robert Gill, Mrs. Robert Winchester, Mrs. Floyd Brown and Mrs. Robert Hooper were camp nurses.

Twelve Senior Scouts serving as aides completed the camp staff.

Summer Tennis Opens; Entry Blanks Due June 25

The second summer of free tennis lessons is currently being organized according to City recreation director Deano Davenport. The program is open to anyone desiring to learn the fundamentals necessary to play tennis.

Sam Supernaw, Michigan State University junior, will again be in charge of the program. Last year's lessons proved to be very popular with thirty enrolled for lessons.

The official entry blank may be found on page 8 of the Courier and must be turned in at the City Hall by noon Monday, June 25th.

Mr. Davenport announced that beginners, learners, and advanced players will be divided up in small groups of six to eight players with lessons lasting an hour.

Further information may be had by calling Mr. Davenport.

During the summer

Here's a simple, money-saving tip. Keep your fuel oil tank filled to the top this summer and you'll keep it free of rust and corrosion. Any air space in your tank allows rust-causing condensation to form . . . rust that will clog strainers and burner nozzles next winter.

Special summer budget terms make it easy to FILL UP NOW, PAY NEXT FALL, or arrange a special year-long budget plan with low monthly payments. Call us today.

Judith Koteskey Awards Winner at Illinois College

Judith Koteskey, a junior at North Central College located in Naperville, Ill., was among the 13 students at the college to receive awards and scholarships at the 98th annual commencement recently.

She was awarded the Phyllis Ebinger scholarship. Established by the Board of Trustees in honor of Miss Phyllis Ebinger, this scholarship is awarded on the basis of character, campus service, and scholarship. The recipient is nominated by the cabinet of the YWCA.

Miss Koteskey has arrived home from Naperville to spend the summer with her parents, Mr and Mrs. Clarence Koteskey.

Well Known Radio Staff to Appear At Local Church

An area-wide radio rally featuring "Aunt Bertha" and members of the radio staff of the Children's Bible of Grand Rapids will be held at the Community Reformed church of Charlevoix at 2:30 p.m. Sunday, June 30.

Aunt Bertha, well-known director of the nation-wide ministry will bring with her many of the youngsters who are regularly heard on the program aired on the Paul Bunyan network at 10:30 a.m. every Sunday. Among them will be the Three Nieces, a trio of girls, Gary and Susie, the delightful duetters, David with his golden-toned cornet and Bob and his junior-sized guitar. Susie also appears in other roles on the program.

Accompanying the group at the piano will be Mr. Ken, music director for the group who also leads congregational singing, and Mr. Charlie, assistant director of the radio ministry.

This popular program is now in its twenty-first year of broadcasting. It is aired on 287 radio stations all over the nation and short-waved around the world. In addition to weekly radio broadcasts, the group has released a number of record albums, conducted several successful television series, and travel each weekend in rallies similar to the one to be held at the Community Reformed church on Petoskey ave. (US 31 N.) at Meech st.

The pubic is invited to attend this fine program. A free-will offering will be taken.

Novaks Play Camp Opens for Season

Novak's Play Camp, operated by Marilyn Novak and Mrs. Max Novak, will open Monday for the 1963 season.

Set Sunday for Golf Tournament At Beaver Island

Beaver Island—The first annual invitation golf tournament will be held at the Beaver Lodge Golf and Country Club Sunday. Most of the participants will be those who are entering the Michigan amateur tournament scheduled for the following week at Charlevoix.

Numerous prizes will be offered for the 18 hole tournament. Luncheon will be served at the course followed by presentation of prizes at Beaver Lodge before the boat leaves for Charlevoix.

Another softball season has been successfully launched with American Mold and Ellworth picking right up where they left off last fall as they both posted impressive wins.

Mold picked up two runs in the second, third, and sixth innings to dump the Lake Construction gang 6-2. Nate Boss looked sharp in limiting the losers to only two baschits. Kit Carson and Sam Supernaw were the "bingo" getters for Lake Construction. Ron Skaggs single brought home two Mold runs in the second. Des Milligan's one-bagger did likewise in the third, and Nate Boss helped his cause with a two run single in the sixth.

Ellsworth scored seven times in the second inning to coast to a 12-0 win over the Merchants. Hitting stars were aplenty for the winners with Bob Drenth, Tom Weiland and Hank Klooster sharing honors. Pitcher Bob Klooster allowed two infield singles to the losers. Merritt Clark and Bill Maxfield collected the two safeties.

Newcomes Browes won their first game against the Merchants in surprisingly easy fashion 16-3. Nearly everyone in the lineup hit safely, but Stan Towsley paced the attack with two base knocks.

Junior League

Both Barnard and A & W sparkled in opening games in the Junior league. Barnard blasted VFW 20-3. A big ten run first inning was all the winners needed. Dennis Warner led the attack with two key hits.

A & W warned of things to come by winning their opening game against a strong Scout team 10-2. A five run fourth inning provided the winners with all the runs they needed. Twelve walks sealed the Scouts fate as they in turn collected only two safeties off winning pitcher Ed. Holm.

Peanut League

The Dodgers won their opening game thus breaking a losing streak that extended through the entire season last year. It was a new Dodger team that pounded a good Cub team 6-1. The Dodgers dazzled the crowd with their fine fielding and timely hitting.

The Tigers won in easy fashion over the Lions, claiming a 10-0 shutout victory. Pitcher Spook Coleman allowed only four hits and his teammates backed him up with solid support both in the field and at bat.

Blooper and Women's League

The Blooper league opens play on Wednesday with a four team league. The first game starts at 7:15 with the second contest slated for 8:30.

The women's league opens Tuesday evening at 7:15 and another contest is scheduled for Friday at the same time.

An anniversary gold Chevrolet Impala sport coup is on display at Charlevoix Oil Company today in recognition of the production of 50 million Chevrolets.

This car is an exact duplicate of the actual milestone model which on June 10 was built at the company's Terrytown, New York plant one of 13 assembly plants across the nation contributing to a remarkable industrial achievement.

Mr. Fochtman drove the car here from Flint Tuesday after being a guest of Chevrolet's Flint zone at a conference-luncheon at the Flint Golf and Country Club.

The location of the delivery of the cars was especially appropriate since the one millionth Chevrolet was produced in Flint on February 27 1953.

Herman Cooper's Honored Guests At Reception

Ellsworth—Mr. and Mrs. Harry Cooper honored their son and daughter-in-law, Mr. and Mrs. Herman Cooper at a reception held Friday evening at the Ellsworth Christian Reformed church. They were assisted by their daughters, Mrs. Robert Arendd and Mrs. James Peck.

The former Betty Dykstra of Grand Rapids, daughter of Mrs. Charles Dykstra of Haspers, Iowa and Mr. Cooper were married June 7 at Haspers.

Assisting at the buffet supper were Mrs. Geo. Drenth, Mrs. Jack DeVries of Atwood, Judy Van Stedum and Barbara Drenth. Mrs. Peter Potts, of Atwood baked the wedding cake.

Mrs. Osterbaan of Wyoming and Mrs. James Peck of East Jordan were in charge of the gifts.

A brief program arranged by Harold J. Osterbaan of Wyoming followed the supper. Readings were given by Mrs. Gerrit Vander Ark. Judy Van Stedum, Chester Drenth and Peter Timmer. Mrs. Peter Timmer and Mrs. Fred VanStedum gave a humorous skit. Special music was furnished by Mrs. Gerrit Geo. Drenth and Mrs. Harold Jansen who sang a duet. Mr. and Mrs. Kenneth Watson also sang. Peter Timmer of Charlevoix, uncle of the groom, gave the invocation and John Van Veen, student pastor of the church, gave the benediction.

Out of town guests came from Toledo, Grand Rapids, Jenison and Charlevoix.

The couple left Saturday to make their home at 721 Rudy St., N. E., Grand Rapids.

Family Learns After 13 Years They May Receive SS Benefits

A Charlevoix family is finally receiving Social Security benefits that they could have been receiving for more than 13 years, it has been revealed by E. O. Wiles, district manager at Traverse City who said that several thousand dollars have been lost to them because they did not make application for Social Security.

Mrs. Rosemary Niswander of 324 Sheridan was recently referred to the Social Security office and found that both her daughters, Noreen, 13, and Cynthia, 10, were eligible to receive Social Security payments. The former should have been receiving payments since 1950 and the latter since 1959 when the Social Security law was amended to pay children's benefits to dependents of disabled workers.

The children's first checks amounted to several hundred dollars and will mean even more as they are continued until the girls reach 18 years of age. Mr. Wiles added that even though the girls failed to receive their checks for the past years, no one was going to receive a greater amount as a result.

Mr. Wiles explained that unless a formal claim for benefits is made with the Social Security Administration no payments can be made. He further cautioned that Congress has repeatedly changed the Social Security law and that these changes frequently make it possible to pay benefits to persons who were not previously eligible.

He advised that there are four times when someone should contact the Social Security office; if a worker in a family dies; whenever a member of the family becomes disabled after being engaged in work covered by Social Security; just before a worker reaches retirement age and when one reaches age 72.

He urged residents of the Charlevoix area who have questions concerning Social Security to contact the local office in Traverse City or to contact a representative when he is at the Michigan Employment Security Commission office in Petoskey each Wednesday.

Boy Scouts Take Three-day Trip to Canada

Sixteen members of Boy Scout troop 11, accompanied by Scoutmasters Louis Edwards, Leonard Burns, Robert Cook and Gordon Freedman, assisted by three Explorer Scouts of Post 11, John Ochs, James Stewart and Tom Hawley, enjoyed a three-day trek into Canada recently.

Leaving here Saturday morning the caravan stopped at Castle Rock near St. Ignace and at the Kincheloe Air Force Base before arriving at the Soo where they had lunch and took a boat trip on St. Mary's River and passing through the Soo Locks before crossing the new International Bridge. After a brief stop in the Canadian Soo the group continued north on Highway 17 for 50 miles to Pancake Bay Provincial Park where they set up camp. The remainder of the day and Sunday were spent hiking and fishing. A trip along the Montreal river and north to Hawk Junction where eight Scouts, Mr. Edwards, and Tom Hawley boarded the Algomah Central & Hudson Bay train enroute to White River. About 30 miles north they changed to the Canadian Pacific train for the remainder of the trip. At White River they were met by the others who had traveled via Highway 17 to the junction of the highway and railroad.

While they were gone Monday, it had rained at the camp site and much of the camping equipment which had been left out to air was soaked. The Scouts were put to bed in the van and station wagon for the night. The cold rainy weather continued Tuesday so it was decided to return home. Blowouts on two of the vehicles, one at Kincheloe Air Force base and another at Bay View were highlights of the return trip.

Scouts making the trip were Larry Anders, Bill Collon, Stanley Warner, Mike Thorp, Don Black, Bob Schofield, Paul Belding, Dan Bergmann, Orlin Cunningham, Jon Goldstick, Frank Cook, Gordon Freedman, Duane Wilks, Tom Burns, Don Livingston and Gordon Solomon.

Frank Boss please call at the Charlevoix Courier and pick up your free ticket to the Palace Theatre on or before June 29, 1963. Showing Friday and Saturday (Lobo); Sunday and Monday (My Six Loves); Tuesday, Wednesday and Thursday (Fancy Pants).

Name B. J. Gill Vice Commander Of Region II Submarine Vets

The first Michigan reunion convention of the U. S. Submarine Veterans of World War II was held at Albion over the weekend.

In southern Michigan for the event was Benjamin S. Gill, a native of this community and crewman aboard the Submarine Perch, who was elected regional vice conunander of Region II which, for the present, wilt take in the northern section of the Lower Peninsula and the Upper Peninsula.

Frank Ryma of Roseville was elected commander. Other vice commanders named were Robert Petersen of Frankfort, the state's first commander, who was elected to head Region I, Woodrow Williams of Grand Rapids ,Region III and William Grieves of Detroit, Region IV. James Lewis of Albion was elected secretary-treasurer and G. R. Grover of Battle Creek, chaplain.

Battle Creek was selected as the site of the 1964 reunion.

At the organizational meeting Saturday, by-laws were approved, officers elected and tentative plans for the group's activities for the year discussed. Forty-two former submariners who were in the 'silent service' during World War II and who responded to newspaper, radio and television announcements of the reunion attended the initial meeting.

Efforts are now being made to recruit members from among former submariners. Membership is open to U.S. Navy men who served aboard submarines during World War II. These men are asked to contact Mr. Gill for further information regarding the organization whose purpose is "to perpetuate the memory of those shipmates who voluntarily gave their lives in Submarine Warfare, to further promote and keep alive the spirit and unity that existed among submarine crewmen during World War II; to promote sociability, general welfare and good fellowship among its members, pledge loyalty and patroitism to the United States Government".

The national convention of the parent organization, the U. S. Submarine Veterans of World War II, wilt be held at Dallas, Tex., Aug. 15-18.

WHAT INDUSTRY SEEKS

Officials in many Michigan communities are looking for the answer to on important question and planning specialists ot Michigan State University think they have it.

The question, foremost in the minds of city planners hoping to drow new business to their economy, Is this: What does the business executive look for when locating a new plant?

Site, available labor and market proximity are obviously port of the answer. MSU experts say there is much more to be considered, however.Many communities can provide these features so the competition is greatly concelled out in these categories.

• • •

"Executives are placing more emphasis on recreation facilities,, schools, shopping areas and other factors that contribute to the 'good life', says Louis Twardzik, parks and recreation speciolist for MSU's Cooperative Extension Service.

The theory is that the executive not only wants a nice place to live and raise his family. He also feels that good living conditions for his employes will make for Riger productivity.

This executive wants the 'fringe benefits' of a welt planned community, according to Twardzik.

• • •

The MSU specialist contends that subsidies for new industry will not necessarily provide the drawing power the community intends. Studies suggest that subsidies tend to attract unstable businesses, while the well-established industries, the kind all communities really want, are more likely to locate with an eye on these "fringe benefits."

Twardzik stresses the value of well-developed and managed open spaces: playgrounds, sports areas, community centers, parks, and swimming facilities.

"In all too many cases, local industrial efforts completely miss the idea that the town should be a pleasant place in which to tive," he said.

In advising local planners, Twardzik's primary recommendation is that they view their community by asking themselves the question. "Is this the kind of town where strangers would want to invest and live?"

BE A BELLRINGER

Bells will ring throughout the state on July 4 if Gov. George Romney has his way.

Calling for a slight change from the traditional firecracker sounding on the anniversary of Independent Day, Romney hopes civie leaders will join in getting bells chimed in every church, government and school building simultaneously.

Working with the Hi-Y Clubs of the Michigan YMCA, the Governor's plan calls for the bells to ring for four minutes starting at 1 p. m. on July 4. Romney said such an observance should represent "a colemn tribute to our country's founders and as a rededication to our national unity and our country and for what it stands."

• • •

MORE SIGNS

Approach of the vacation season foretells increased traffic on Michigan's vast network of high-speed roadways.

To the State Highway Department it also means an increase in the comments about its directional sign placements. In the past two years, since motorists began to use full length east-west and north-south freeway routes, the comments about the signs have been numerous.

A legislative study of tourist industry last summer came forth with the general impressfion that motorists wanted more information from the signs. They wanted greater use of directional signs to small communities along the route, and they sought more definite dota than they could gain from the "Food-Gas-Lodging" markings at freeway exits.

• • •

Standards for the freeway sign installations ore set by the Federal Government, which pays for approximately 90 per cent of the limited access roadways.

State highway officials are hoping they can make some improvements in the system, however, to satisfy at least some of the most frequent complaints.

"We are making o continuing study of freeway signing," says Highway Commissioner John C. Mackie, "Our goal is to provide the motorist, whether he be a Michigan citizen or o visitor from onother state, with signs thot will help him to reach his destination quickly ond safely."

MORE TO LEARN

Do your children look upon you as all-knowing? If so, a Michigan Stote University psychologist says this false ideo should be removed as quickly as possible.

This goes also for the child's belief that his teachers and the encyclopedias have oll the answers.

Dr. Milton Rokeach of MSU believes people cannot be creative if they blindly accept the word of authorities. They become close-minded and unreceptive to new ideas.

The state of mind of complete reliability on outhority comes about, according to Rokeach because children get the idea that parents and other outhorities know all that is to bo known, and that the most one can hope for is to learn thot same omount.

According to the MSU psychologist, a parent ought to make it clear to his children that he does not know everything. "Children should learn eorly that there is a spiral of advancing knowledge that never ends." the professor contends.

Kirtland Warbler Now Nesting in Lower Peninsula

Somewhere between Michigan and the far-off Bahama Islands, about 1,000 rare members of the songbird family are winging their woy northward on on annual journey that will cover nearly 1,500 miles.

Their destination: The east-central sector of this state's northern lower peninsula. Their estimated time of arrival, about May 10, with latecomers expected during the following two weeks or so. Their collective name: The Kirtland's warbler.

Highly regarded among ornithologists and bird watchers, this rare songbird might well have been named the Michigan warbler; it has never been found nesting in any other state.

Anyone bent on adding the Kirtland's warbler to his list of bird sightings in the United States will hove to seek out dense, young stands of jack pine in the northern lower peninsulo's east-central area for this is where the bird makes its homa during the warm-weather months.

Surveys run in 1961 indicated thet the bird's summer range takes in parts of Alcona, Crawford, Iosco, Kalkaska, Montmorency, Ogemaw, Oscoda, Otsego, Presque Isle, Roscommon counties.

In recent summers, Ogemow and Oscoda counties have hosted more than half of the world's population of 1,000 or less Kirtland's warblers.

The Kirtland's warbler itself is o wee bit of a bird, smaller than an English sparrow; the overage adult weighs only about 14 grams. Although not as colorful as some of its fine-feathered friends, the Kirtand's warbler is a handsome little fellow. It is bluish-gray above, streaked yellow below, with two white wing bars.

The bird's best trodemarks ore its loud, full-throated song and its wagging tail which never seems to stop.

As mentioned earlier, the Kirtland nests almost exclusively in dense stands of jack pine, five to 15 feet tall which are mixed with more open potches of brush and scattered trees. Small wonder this bird is olso called the jack-pine worbler.

Although it has a strong preference for the natural growth of jack pines, in recent years some birds have been found nesting in red pine plantations whera conditions were similar to the favored habitot.

Male warblers are first to arrive in Michigan each May and, in typical songbird fashion, they establish "territories" or nesting grounds which are jealously defended. They chase other Kirtland's warblers thot fly near them and; at intervals, fill the air with the distinctive sound of their liquid, bubbling song.

Females begin returning to Michigan shortly after the first males arrive, and choose nesting territories staked out by their mates-to-be. Pre-nesting time lasts about two weeks, or until late May. Nests are meda on the ground, usually within o few inches of o jack pine. Fovorite spots are hollows rimmed by heavy plant growth.

During the nesting ond incubation period males sing with gusto and persistently, often from their perches where they can readily be seen. Most young birds are hatched between middle and late June.

Posing a major threot to the warbler's annual production is the brown-headed cowbird. The female cowbird keeps close tobs on the warbler's nest-building. When the work is done and the coast is clear, Mrs. Cowbird not only removes tho worbler's eggs but slyly lays her own in tha nest, covering up her crime and leaving the femole Kirtland to incubote the eggs.

Thus, many an unsuspecting warbler has found her efforts have gone for nought and, ironically, more cowbirds have been raised to increase the problem.

Like other small songbirds, the Kirtland's warbler is short-lived. Its overage life span is only about two years. Consequenty, two or three bad nesting yeors could be disastrous for this little hird whose population is already considered dangerously low.

"Ever notice, how a Juna moon affects automobiles?"—Pennsburg Town ond Country.

"The rich may not live longer but it certainly seems so to their poor relations."

Tha Rev. Harold E. Kohn, pastor of the First Congregational church as well as a noted author, illustrator, counsellor and student of nature, (facing camera) is pictured as he received a Citizen Leadership Award from Gov. George Romney in East Lansing recently.

Rav. Kohn was one of 10 prominent Michigan citizens honored at the Michigan Week Recognition dinner for their outstanding contribution as volunteers in the field of education, religion and culture. Rev. Kohn was honored for his contribution to tha latter. To Rev. Kohn's right is Rev. Wendell C. Bassett of Grand Rapids, president of the Michigan Council of Churches, who introduced him at the dinner.

Charlevoix School District Requires Voter Registration

The Charlevoix school district will become a registratioo district, effective Sept. 1, 1963, it was announced following the Monday meeting of the Charlevoix board of education.

Under this type of district, residents of the district must be registered in order to vote in the annual school election just as they are for other county, state and, national elections.

The same qualifications must be met by the voters; that is, he must be a citizen of the United States, 21 years of age, a resideot of the state of Michigan for six months and of the voting precioct for 30 days prior to the election.

Under the new registration district there will be but one polling place for all residents of the school district. This polling place will be designated by the board of education.

A registration district will permit qualified electors to vote by absent voter's ballot.

If you are not now registered in your voting precinct, Hayes, Norwood, Marion and Charlevoix townships, a very small section of Eveline township and the city of Charlevoix, you must do so in order to be qualifiied to vote in next year's school election.

The names of qualified electors now on file with township or city clerks will be made available to the school district under the new registration district set-up.

La Vern Norton Former Resident Dies in Detroit

Funeral services for LaVern Norton, 75, retired teacher and former local resident, were held at the Gordon Crabb Funeral Home in Detroit Wednesday. Burial was in Forest Lawn cemetery in Detroit.

Mr. Norton died Sunday at his home following several years of failing health.

Born at New Boston, Michigan Feb. 13, 1888, Mr. Norton came to Charlevoix as a child, graduated from the Charlevoix high school and the Charlevoix county Normal School. Terry Rice Goes To Lee High School As Head B. B. Coach

S. Terry Rice, teacher and assistant coach in the Charlevoix school system for the past eight years, appeared before the board of education Monday to ask that he be released from his contract for the coming year to accept a coaching position ot Grand, Rapids Lee high school, a Class B school.

He will be head basketball coach and assistant football coach in the Grand Rapids school.

He plans to leave here late in August to assume his new position.

Mr. Rice was assistant football and basketball coach here and last spring took over as head track coach when veteran track coach, S. E. Coleman, was hospitalized. He taught in the seventh grade.

In addition to his coaching duties at Grand Rapids Lee, he will teach U. S. history and U. S. government.

At Lee he succeeds Dwayne Tuesink who has taken a coaching position at Jackson high school.

A native of Wilmette, Ill., Mr Rice is a graduate of Central Michigan University with both a B. S. and M. S. degree. He is married to the former Sara Coleman. They have two sons, Jeffrey and Scott.

Lions Club to Hold Installations

Recently elected officers of the Charlevoix Lions club will be installed at a dinner meeting to be held at the Argonne at 6:30 p.m. Saturday.

The meetng will also be 'ladies night' with wives and guests attending with club members.

Plans were made for the chicken barbeque the club will operate at the Erber property on Bridge st. during the annual Venetian weekend. Alun Bevan was named to handle publicity for the event.

Mr. Bevan spoke briefly on his recent vacation trip to Chicago during the meeting. Don Kowbel was program chairman.

Mrs. Clifford Riley to Head Band Parents Association

The Charlevoix Band Parents Association concluded its activities for the current year at a recent meeting with an election of officers, a discussion of the year's projects and related subjects

Mrs. Clifford G. Riley was elected president to succeed Jerold Murdick who has served in the position for the past two years. Other officers are: vice president, Mrs. Clarence Smith; secretary, Mrs. Harry Pearsall and treasurer, Mrs. Joseph Stutzman.

After some discussion, the group approved two scholarships for the All-State sessions at the National Music Camp at Interlochen. These were awarded to Gary Stutzman, Sousaphonist, and Sharon Sugden, percussionist.

A financial report by Mrs. Stutzman showed a probable deficit but a contribution to the organization by the Senior Class of the high school in the amount of $41.08 enabled the group to close out the year with a balance of $46.04.

Inasmuch as the residents of Charlevoix have supported the group's fund-raising projects so well, it was decided to publish a complete financial statement which follows.:

Balance on hand Sept. 1962. $103.58; Proceeds from November band dinner, $498.08; profit from music clinic dinner, $86.75; profit from April candy sale, $366.86; parent donations for band trip housing, $81.00; proceeds from May band dinner, $337.09; Senior class contribution. $41.08 for a total of $1,410-86 which, added to the balance on hand totaled $1,514.44.

Disbursements were as follows: band caps, $11.35; Xylophone-Scotch bass drum shell, $95.00; altering uniforms, $17.35; mileage to Kalamazoo (6 cars) $80.00; Hotel accomodations. band festival, Lansing, $286.20; Solo and Ensemble medals, (25). $20.20; Michigan School Band and Orchestra Association medals and plaque, $79.80; band uniforms, $716.50; Interlochen scholarships (2), $200.00 for a total of $1,488.40 leaving the balance on hand $46.04.

Michigan Amateur Golf Tournament Gets Off to Good Start

The Miehigan Amateur Golf tournament opened under fair skies at the Belvedere golf course Wednesday with 223 of the state's top amateurs teeing off at the first and 10th greens at 10 minute intervals beginning at 7:10 a.m.

Two days of qualifying rounds will cut the field to 63 entries plus Mike Andonian of Pontiac public links golfer and 1963 Amateur champion.

Low medalists for the two days of play will be paired for match play beginning Friday and running through Sunday.

All entries in the meet, being held here for the first time since 1958, had to have a handicap of six or less in order to qualify for the tourney.

In addition to Andonian, the '63 champion, there are nine other former champs entered in the tournament. They are Tom Draper of Birmingham, Glenn Johnson of Grosse Ile, Lou Wendrow of Lansing, Fred Turner of Flint and Bud Stevens, Ben Smith, Ed Flowers and Don Stevens, all of Detroit.

Par for the 18 hole 6, 614 yd course is 72, according to Bob Wallace, local tournament director, who said that the course had been made tougher this spring by the addition of several hazards, traps and other changes.

The course record of 65 set in the late 1920's by the golfing great, Walter Hagen, who helped plan the course when it was built about 35 years ago, was broken last fall by a former Michigan Amateur champion Chuck Kocsis, who cut one stroke off the record on October 6, 1962 while playing in a foursome of Detroit area golfers.

Larry Hutchinson Attends Music Camp

Larry Hutchinson, Charlevoix high school sophomore, is attending the second annual high school music camp conducted by the Central Michigan University music department.

A record enrollment of 250 high school musicians makes this year's attendance 81 per cent above last summer's 138. The camp was initiated in response to demands by high school band directors.

The camp will close with a concert June 29.

He is the son of Mr. and Mrs. George Hutchinson and plays trombone with the Charlevoix high school band.

Coffee Cup Named Outstanding Tourist Stop

Juilleret's Coffee Cup, located on South Bridge st. and US-31 S. has been nominated as one of the outstanding tourist stops in this part of the country.

The selection honoring the popular eating place was made by the internationally famous Travelmat organization with headquarters in Prairie deChein, Wis.

To be selected a place should be located on a highway, preferably on the edge of town, have a parking lot, good food, be modern and clean and give the traveler outstanding value and service.

The Coffee Cup, operated by Mr. and Mrs. Lewis Juilleret, will be shown and deseribed in the 15th annual edition of Adventures in Travel. It was selected after careful investigation by one of the many teams representing Travelmat which visit tourist stops on more than 150,000 miles of major highways in the country.

A copy of the 250 map book may be seen at the Coffee Cup.

The Travelmat organization is said to be the largest recommending agency of its kind in the country.

Couple to Make Their Home In Hazelwood, Missouri

Mr. and Mrs. Raymond J. Abraczinskas are making their home at 412 Elm Grove Lane in Hazelwood, Mo., following a week's wedding trip through the east.

The couple was married at St. Mary's church here June 15.

Mrs. Abraczinskas is the former Katherine Ann Oleksy, daughter of Mr. and Mrs. Frank M. Oleksy. Mr. and Mrs. Evon Abraczinskas of Carawissa, Pa., are the parents of the bridegroom.

The Rev. Fr. E. Francis Denay officiated at the double ring service during the Nuptial Mass celebrated before an altar graced with white gladioli and painted daisies. Mrs. George Troyk was the organist. She accompanied the soloists, Mrs. Don Falting and Arthur Heilig.

Escorted to the altar by her father, the bride chose a gown of white peau e soie fashioned along princess lines with a round neckline, and elbow length sleeves outlined with Alencon lace. The full skirt ended in a watteau train. An arrangement of three roses in glitter secured her fingertip veil. She carried a bouquet of yellow and white roses and ivy.

Mrs. Roger Pischner served as her sister's matron of honor. Bridesmaids were Kathy Gallagher, Mrs. John Cross Jr. and Mrs. Terry Nugent of Greenville. They wore identical street length gowns of honey yellow embroidered taffeta and matching headpieces. They carried a single California flower to match their gowns.

Robert Abraczinskas of Sussex, N. J., assisted his brother as best man. Thomas Oleksy, brother of the bride, Dennis Abraczinskas and Leonard Filapovitch, both of Catawissa, Pa., brother and brother-in-law, respectively, of the bridegroom, were groomsmen. Mr. Cross and Mr. Nugent seated the guests.

A wedding breakfast for sixty guests was followed by an evening reception at the Rod and Gun club.

For traveling on their eastern wedding trip the bride wore a white linen sheath with a blue and white jacket and white accessories.

The bride is a graduate of the Charlevoix high school and the Mercy Central School of Nursing in Grand Rapids. Mr. Abraczinskas is a graduate of Catawissa high school and Tri-State College at Angola, Ind., and is presently employed by McDonald Aircraft of St. Louis, Mo.

Wedding guests were present from Petoskey, East Jordan, Ironwood, Mancelona, Grand Rapids, Greenville, Musgeken, Ludington, Sussex, N. J., Catawissa, Pa., St. Louis, Mo. and Angola, Ind.

Martin Elzinga please call at the Charlevoix Courier and pick up your free ticket to the Pslace Theatre on or before July 6, 1963.

Judith Ann Clark is Bride Of Michael E. Belfy

St. Mary's church was the scene Saturday morning of the wedding of Judith Ann Clarke and Michael E. Belfy.

The bride is the daughter of Mr. and Mrs. John R. Clarke. Mr. Belfy is the son of Erwin C. Belfy Jr. and the late Mrs. Belfy.

The double ring service was performed during a nuptial high Mass celebrated by the Rev. Fr. E. Francis Denay before an altar graced with arrangements of pink and white gladioli and mums.

Mrs. Donald Falting, sister of the bridegroom, sang "Ave Maria" and "On This Day, O Beautiful Mother" accompanied by Mrs. Frank M. Oleksy at the organ.

Escorted to the altar by her father, the bride chose a floor length gown of white lace over tissue taffeta for her wedding. Fashioned with a fitted bodice, the gown had a scalloped neckline of clipped lace, cap sleeves and a bouffant skirt with lace roses at the waist adding back interest. A princess crown of seedpearls secured her veil. She carried a cascade bouquet of white roses and lilies of the valley. She also carried a lace handkerchief, a family heirloom given to her by her paternal grandmother, Mrs. William Symons of Inglewood, Fla.

Lynette Mayne served as maid of honor with Barbara Clarke, sister of the bride, and Mrs. Allan Towsley as bridesmaids. They wore identical street length gowns of organdy styled with round necklines, bishop sleeves and bouffant skirts in pastel shades of pink, mint green and blue, respectively. They wore matching net headdresses and carried cascade bouquets of yellow daisy mums.

Romona Ouderkirk, wearing a dress with a skirt in the pastel colors of the bridal attendants, as flower girl, carried a nosegay of yellow daisy mums. Robert Ouderkirk was ringbearer.

Anthony Geoia of Chicago assisted the bridegroom as best man. Larry White of Grand Rapids and Donald Falting, cousin and brother-in-law, respectively, of the bridegroom, were groomsmen. William Dohm and Brian Neff seated the guests.

A wedding breakfast at the V.F.W. post home was followed by an afternoon reception. White wedding bells and pink and white streamers decorated the hall. A tiered wedding cake centered the refreshment table.

Following a wedding trip through the Upper Peninsula, the couple will return here to make their home in Marion township. For traveling the bride wore a multicolored-print sheath and white accessories.

Both are gradutes of the Charlevoix high school. The bride is a graduate of the Northwestern Michigan School of Practical Nursing. Mr. Belfy attended Kendall School of Design and North Central Michigan College.

Wedding guests were present from Inglewood, Fla., Lake Orion, Chicago, Detroit, Grosse Point Woods, Grand Rapids, Rogers City, Levering, Boyne City, East Jordan and Petoskey.

Mr. and Mrs. James Sneathen Have Returned from Honeymoon

Basket arrangements of white gladioli and mums decorated the altar of the First Methodist church for the recent wedding of Maurine Elizabeth Sanford and James Paul Sneathen.

Parents of the couple are Mr and Mrs. Lee Sneathen Jr. and Mr. and Mrs. Frank J. Sanford.

The Rev Raymond J. Mc Bratnie officiated at the double ring service in the presence of more than 150 guests on June 15. Mrs Marcus Cross, at the organ played a program of tradtional music and the wedding march and accompanied the soloist, Mrs Lee Moerland.

Escorted to the altar by her father, the bride wore a floor length gown of rose-patterned Chantilly lace and peau de soie. The fitted bodice was styled with a sabrina neckline jeweled with pearls and sequins. The sweeping skirt was enhanced with a lace-tiered train. A crown bedecked with teardrop pearls secured her fingertip veil of illusion. She carried a cascade bouquet of white Fuji mums.

Rose Stewart was maid of honor and Barbara Schwab and Rita Sanford, sister of the bride, were bridesmaids. They wore identical street length gowns of mint green silk organza over taffeta fashioned with bell skirts and veils in matching colors. They carried bouquets of lemon yellow mums.

Lt. Carl Sneathen of Atlanta Ga. assisted his brother as best man, James Dennis and Robert Sneathen, brother of the bridegroom were groomsmen. Merritt Clark and Thomas Louiselle seated the guests.

At the afternoon reception at Harmony Hall, Mrs. Kenneth Bare, of Petoskey, aunt of the bridegroom, served the tiered wedding cake. An evening reception followed at the V.F.W post home. Arrangements of white summer flowers decorated the tables.

After a wedding trip to southern Michigan, the couple will be at home at RR 3 Charlevoix for the summer months. For traveling the bride wore a pink sheath with bead trim and applique and pink accessories.

Both are graduates of the Charlevoix high school. The bridegroom attended North Central Michigan College and is presently enrolled at Michigan State University where the couple will reside this fall.

AGRICULTURE in ACTION .....

SWEET TALK

The laws of supply-and-demand really work. Proof positive is found in what hoppened to sugor prices when a wave of "scare" buying touched off a silly situation that affected everyone.

According to Larry Ewing, of the Market Development Division of the Michigan Farm Bureau, a group of somewhat unrelated, complicated factors was back of it all. "For many years there has been a world surplus of sugar. Prices dropped in early 1962 in response to a drop in world prices of about two cents per pound. At this point, sugar producing countries tried to limit sugar nutput to raise prices. About then, Cuba went into the Communist orbit and her sugar production dropped fantastically. What little sugar Cuba now produces goes to the Communist Bloc countries,' he explained.

According to Ewing, unusual weather struck the European continent at about the same time Cuba's sugar supply dwindled. Sugar beet plantings dropped, and the harvest was poor. Much of Europe could not meet their normal sugar export plans.

Sellers, viewing the short supplies, kept asking and getting higher prices throughout early 1963. Buyers, here and abroad, fearing these prices would continue to rise, bid still higher prices for what sugar remained. A chain-reaction swept through the marketing channels, all the way from Europe to your local retail supermarket. It really hit here during the usual higher seasonal demand for sugar."

This seasonal demand, says Ewing, tied to the hot weather season, to canning and freezing and the peak consumption of soft drinks. He sees a period of leveling off in sugar prices, back to "normal" prices of last year.

Ewing points to the Sugar Act developed by Congress over the years to assure the American public of an abundant supply thrnugh encouraging domestic beet production and by shifting sugar from various countries to replace former Cuban supplies.

How about Michigan's sugar-beet farmer? Those who grew beets in 1962 will find their final settlement checks slightly larger this summer, since payments to farmers reflect changes in sugar prices either up or down.

Local Car Dealer Wins All Expense Trip to Las Vegas

John A. Uhrick, owner of Uhrick Sales and Service, and Mrs. Uhrick left Saturday via plane from Traverse City on a Las Vegas "Dream Holiday".

Mr. Uhrick won the trip for two in a nationwide contest for Rambler dealers sponsored by American Motors Sales Corp.

The couple will join other winners at the Tropicana Hotel where they will spend four days enjoying such activities as fashion shows, sight-seeing, cruising on one of the man-made wonders of the world, Lake Mead, golfing and swimming.

Mr. Uhrick won the all-expense trip for two by selling the greatest number of cars in his dealer classification during the three-month sales contest.

American Motors executives hosted the winners at Las Vegas.

Fastball League

Ellsworth Morweld Steel and American Mold continued their undefeated ways. Morweld Steel had the tougher time during the week edging past upsetminded Lake Construction 3-1. The winners picked up two unearned tallies in the first frame then hung on for the win. Bob Klooster pitched a neat one-hitter for the win, and teammate John Swanson hit a home run for insurance.

Mold wrapped up an easy victory over the Merchants 10-0 taking full advantage of the losers loose play and nine walks. Nate Boss allowed only three singles.

Browes gave Morweld a scare before falling 6-1. Larry McBride had a no-hitter for four innings against the league leaders, but an error in the fourth let in one run and then another. A Browe miscue in the fifth opened the door for five more runs.

Mold also found Browes tough as they scored three late inning runs for a 5-1 win. Ken Parish spoiled Nate Boss's bid for a no-hitter with a line single in the sixth inning.

Standings

	W	L
Mor. Steel	3	0
Am. Mold	3	0
Browes	1	2
Lake Const.	0	2
Merchants	0	3

The big game of the first round is scheduled for tonight (Thursday) when both undefeated teams, Morweld Steel and Mold, tangle at 8:45.

Junior League

Barnard continued undefeated but it took a seventh inning rally to turn the trick against a stubborn Scout nine. The Scouts blasted out five big first inning runs with key hits by Spike Mort, Tom Maxwell, and Bill Lo.. Barnard pecked away with one in the second, two in the third, and one in the fifth. Then in the bottom of the seventh, Stewart Cunningham won the game with a double that scored Cary Stutzman and Gary Crank.

VFW was bounced twice during the week. A & W did it by a 12-1 score and Barnard 10-1.

Barnard edged A & W 5-1 on Mike Crain's two hitter. Dennis Warner led the winners attack with two singles.

Standings

Mr. and Mrs. Daniel Vander Ark Speak Vows in Church Rites

Ellsworth—Mr. and Mrs. Daniel VanderArk have returned from a wedding trip to Washington, D. C., to spend the summer here before going to Holland in September.

The couple was married June 14 at the Christian Reformed church of Kanawha, Iowa.

The bride is the former Judy Smith, daughter of Clayton Smith of Corwith, Iowa. The bridegroom is the son of Mr. and Mrs. Willard VanderArk of this community.

The Rev. Harry VanderArk of Fremont, uncle of the bridegroom, officiated at the ceremony. Mrs. Lanny Lolling of St. Paul, Minn., was the organist and Rev. Raymond Smith of Rapid City, Iowa, uncle of the bride soloist.

The bride, given in marriage by her father, wore a floor-length gown of moon luster taffeta fashioned with a scoop neckline, accented with embroidered lace applique, bracelet length sleeves and a chapel length train. A seed pearl crown secured her lace-trimmed fingertip veil of silk illusion. She carried a bouquet of pink roses.

Corrine Smith was her sister's maid of honor. Diane VanderArk, Marilyn Smith and Nancy Smith sisters of the bride, were bridesmaids. They wore street length gowns of deep pink with matching accessories and carried a long stemmed white chysanthemum.

Ronald VanderArk assisted his brother as best man. Keith VanderArk and Ronald Smith were groomsmen and Alan Fausch was a junior attendant. Larry Cooper and Darrell VanderArk seated the guests. Kenneth Smith and Mary Dell VanderArk lighted the candles.

A reception followed at the church parlors.

For traveling on their eastern wedding trip, the bride chose a marshmallow print two-piece dress, blue and white accessories and a corsage of white roses.

After Labor Day the couple will be at home at 288½ West 18th st. in Holland where both will teach in the Holland Christian schools.

The bride attended Calvin Colliege in Grand Rapids. The bridegroom mas graduated from the same college earlier this month.

Attending the wedding from Ellsworth were the Willard VanderArk family, Mr. and Mrs Peter VanderArk and Mr. and Mrs. Keith VanderArk.

One quart of milk weighs 2.15 pounds.

Former Resident Wins Scholarship

Doris Buchfinck, former local resident who was graduated recently from the Bentley high school in Livonia, has been awarded a full tuition three-year scholarship starting with the fall term to the Detroit Business Institute.

The scholarship, which amounts to $600, came from the Michigan Business Schools Association.

Miss Buchfinck is the daughter of Mr. and Mrs. Armen Buchfinck, former residents. She was among the top 10 per cent of her class through high school and was an honor student among the 700 recent graduates from the Bentley high school in Livonia.

Rocks and Relics Are of Interest to Our Visitors

Relics of by-gone days reveal much of the early history of Charlevoix and the surrounding area. In an attempt to preserve some of this early history, Edward Heise has collected many relics used by past generations and placed them on display in his Rock and Relic Shop at 411 Bridge St.

For the Rock Hound, he has a large selection of uncut stones which will anti-date recorded history. There is also a large display of cut and polished stones for those who wish souvenirs from Northern Michigan.

The Pioneer and Indian Museum and the Rock shop offer an ideal place to browse around and compare the living conditions of yester year with the comfort and conveniences we have today.

TOTAL PERFORMANCE:

FORD GALAXIE 500/XL SPORTS HARDTOP

IF YOU KNEW WHAT THIS "CAR KILLER" KNOWS...YOU'D BE DRIVING A SOLID, SILENT SUPER TORQUE FORD

This steel-edged pothole is probably the world's toughest test of a car's suspension. We drive into this car killer at 30 mph, locking our brakes as we go so the wheels can't roll through the hole as they normally would. The car slams against the far edge of the hole with such impact that it literally bounds out.

If you added up the cumulative effect of all the jars and jolts your car's suspension system experiences in years of normal driving, it wouldn't match the impact of one trip through the hole. Yet—a Ford must run this test three times to prove its strength.

How can a Ford take it? Because Ford's front suspension has extra beef in spindles, springs, suspension arms—in fact, it's about 20 pounds heavier than the front suspension of our principal competitor's car.

We don't expect you to abuse your car the way we do our test cars. But, however you drive, you'll welcome the extra strength of a total performance Ford. Ford strength is tested in a thousand ways in Ford's laboratories and proving grounds—and in open competition in the world's toughest rallies and stock car events.

Look at Ford's astounding record in open competition this year in the grueling Daytona, Riverside, and Atlanta 500's, the World 600 at Charlotte, N.C., and in the demanding Pure Oil Performance Trials. Only a car with total performance—the best combination of strength, balance, precision control and road-clinging suspension—could roll up so many wins.

Before you buy any new car, test-drive the solid, silent Super Torque Ford. If you haven't driven one lately, you can't really know what a new Ford is like. Make this important discovery: if it's built by Ford, it's built for performance...total performance.

Petosega Re-elects Mrs. Arthur Wexstaff

Mrs. Arthur Wexstaff was re-elected regent of the Petosega chapter of the D.A.R. at a meeting held Friday at the home of Mrs. Clark Coulter.

Other officers elected were: first vice regent, Miss Edna Walker of Petoskey; second vice regent, Mrs. Earl A. Young; recording secretary, Mrs. Wallace Switzer of Petoskey; corresponding secretary, Mrs. Mildred Holtz of Bay View; treasurer, Miss Jessie Fairfield of Petoskey; registrar and genealogist, Mrs. Ernest C. Smith of Petoskey; chaplain, Mrs. Angus L. Fochtman and historian and librarian, Mrs. Elizabeth Mellon of Petoskey.

The officers were installed by the state regent, Mrs. Clare E. Wiedlea of Sturgis.

Mrs. Wiedlea addressed the group on the subject "Why D.A.R. Apathy?" She said there was a lack of understanding regarding the ideals and aims of the organization and that it was important that members publicize these and encourage interest in the group. She added that it was important that everyone affiliate himself with a patriotic group such as the D.A.R.

Mrs. Wiedlea said that under a new arrangement, the D.A.R. organization would trace the ancestry of prospective members if they could trace their ancestry for three generations.

Thirty-three members including members of the Job Winslow chapter of Traverse City and members who spend the summer in the area attended the luncheon meeting.

Local Residents Depart Tuesday For European Tour

Mrs. Raiph McRae, accompanied by Janet Schroeder, left on Tuesday via air from Detroit enroute to Oudebiidtzyli, The Netherlands, where they plan to visit Nynka Bierma, former exchange student, at the farm home of her parents, Mr. and Mrs Piet Bierma.

Miss Bierma was to meet them in Amsterdam and motor with them to her home where they will spend some time before beginning a tour of western Europe.

Mrs. McRae has arranged to rent a car. The trio will then tour the continent, camping along the way and visiting Germany, Belgium, Austria, Switzerland, Italy, France and Spain as well as Holland.

Mr. McRae plans to fly to Europe to join them late in July They will all return home late in August.

Janet Schroeder who will be a Charlevoix high school senior is the daughter of Mr. and Mrs John Schroeder.

Miss Bierma, with whom they will visit and who will accompany them on their tour, spent the 1961-62 school year with Mr and Mrs. McRae as an exchange student under the Youth for Understanding program sponsored by the Michigan Council of Churches.

On their return the McRaes will be accompanied by a second exchange student who will spend the 1963-64 school year with them under the same program.

Mr. and Mrs. Schroeder took Mrs. McRae and their daughter to Detroit Tuesday.

Free Golf Attracts 810 Players From 45 Michigan Cities

The eight days of free golf at the Charlevoix municipal golf course attracted 810 players according to Keith Carey, club manager, who said that 42 Michigan cities were represented in that group.

There was little golf played on one of those days because of inclement weather, he added.

Because of the Michigan Amateur Golf tournament at the Belvedere course beginning Wednesday and continuing through Sunday no special events, except the weekly stag night, have been planned Mr. Carey said.

Last week's stag night attracted 39 golfers. The event is held weekly with tee-off time set at 5:30 p.m. Players then return to the club house for a buffet supper.

All golfers are invited to participate in stag night play.

V. F. W. to Sponsor Lite-a-Bike Week July 1 through 6

Next week, July 1 through 6 has been designated as Lite-a-Bike week under the sponsorship of Charlevoix V. F. W. Post No 1153, Joseph Etienne, post commander.

In preparation for the special week, Lite-a-Bike reflector tape will be distributed by the V.F.W Post with the assistance of Charlevoix's Sea Scouts.

Purpose of the special week is to supply all bicycle owners with reflector tape in order to make bike-riding after dark safer, Mr Etienne said in announcing plans for the event. The reflector tape being provided by the V.F.W. at no cost will make the bikes easily seen when picked up in a car's headlights, thus cutting the hazard to both rider and motorist.

The tape will be issued between noon and 5 p.m. on Friday and Saturday at the parking lot between the county building and the county jail. Boys and girls of all ages are asked to bring their bikes and receive their quota of tape. If, for some good reason, a child cannot come for the tape it will be issued to a parent, Mr. Etienne said. However, it will not be possible for a youngster to get tape for other than his own bike.

Won't you make bike riding safer for everyone by being on hand to receive your reflector tape Friday or Saturday?

The V. F. W. is sponsoring Lite-a-Bike week as a community service.

Neil Staebler to Visit Charlevoix On Northern Tour

Congressman-at-Large Neil Staebler of Ann Arbor will stop at Charlevoix Sunday, July 30, while on an eight-day tour of northern Michigan and the state's Upper Peninsula, George A. LaBlanec, Charlevoix county Democratic chairman, has announced.

This will be the Ann Arbor businessman's first visit through the north country since taking office last January.

"During the campaign, I promised I would give Democratic representation to those areas of the state that have not had it for so long. I also want a chance to see some of the ARA (Area Redevelopment) projects first hand and have an opportunity to meet and talk wit as many people as possible. By doing so, I feel that I will be better prepared to represent the people of Michigan in Congress", Mr. Staebler said in commenting on the forthcoming visit.

While in Charlevoix Mr. Staebler will be at the LaBiance home at 402 Park ave. where he will greet those who wish to meet with him. Mr. LaBlance said in issuing an invitation to residents of the area to feel free to call on Mr. Staebler at that time.

Episcopal Women To Sponsor Annnal Strawberry Festival

Christ Episcopal church will sponsor its annual strawberry festival at the church Saturday Mrs. Thomas Carey, general chairman, has announced.

The festival featuring strawberries served in a variety of ways will begin at 9:30 a.m. and continue to 7 p.m.

Strawberries and cream, strawberry shortcake, pie and sundaes will be served throughout the day.

Weather permitting, the event will be held out-of-doors on the church lawn.

Mrs. Thomas Wieland Named to Comm. Chest Board

Mrs. Thomas Wieland has been named to the Charlevoix Community Chest board of directors to fill the unexpired term of Lawrence Feindt who resigned recently after serving many years as treasurer of the organization.

The term will expire April 1965.

The board is presently reviewing agency requests for funds to meet their 1964 budget needs after meeting with agency representatives earlier this month.

The campaign committee composed of Mrs. Robert Anderson, chairman, Ernest Murri and Mrs. Wieland will meet shortly to name a campaign chairman and division chairmen. A campaign calendar will be approved at the same time.

Other members of the board are Don Anders, president; Robert O. Pearl, vice president; Frank M. Oleksy, secretary; Mrs. Frank Bourgoin, Curtis Burlin and Miss Ann Cunningham. Mrs. Charles A. Duerr is executive secretary.

Clarence F. Rabach, Charlevoix county supervisor, is pictured here looking over the work being accomplished by a Michigan Conservation Department workman as a section of the Pigeon River State Forest is cleared, leveled and prepared as a primitive camping and picnic site.

The project which will be developed as part of a long range program is being done through the cooperation of the Michigan Conservation Department, Charlevoix township and the City of Charlevoix.

Day Camping Area Being Readied for Summer Season

One of this community's newest facilities, a day camping area to be known as a State Forest Camp ground, is being readied for the summer camping season.

Located south of Bell's Bay on the shore of Lake Michigan at the end of Carpenter ave. in Charlevoix township, the camping site is being developed through the cooperation of the Forestry Division of the Michigan Conservation Department, Charlevoix township and the city of Charlevoix. The camping and picnic area is located on a small section of a 300-acre tract that extends three miles along Lake Michigan. The property is part of the Pigeon River State Forest.

When completed the area will feature picnic tables, grills running water and toilet facilities as well as camp sites where a camper may park his car, pitch his tent and camp for a period not to exceed 20 days. A parking area adjacent to the picnic grounds will provide parking for up to 20 vehicles.

This area has always been a popular picnic site for local residents. Last year the township provided six picnic tables and the state installed trash cans With the addition of the comping facilities that have been cleared and leveled by conservation department crews it promises to become even more popular though the camping facilities will be quite primitive.

According to Clarence F. Rabach, Charlevoix township supervisor, and Roger Rasmussen district forester for the Michigan Conservation Department; long range plans call for the development of the park over a period of years.

Charlevoix County Records Reveal 25 June Brides

June is the month of brides and for a while it looked as though a new record for marriage licenses for the month would be established. However as June drew to a close, the number fell short of the record of 27 set in 1958 according to Fenton R. Bulow, Charlevoix county clerk.

After the record year in '58 the number of licenses skidded to 9 in 1959 before starting on an up-swing to 10 in 1960; 22 in 1961; 16 in 1962 and 25 this year

Awarded Honorary Degree From University of Akron

Robert S. Wilson, Ironton summer resident since 1920 and now retired as Executive Vice President of the Goodyear Tire and Rubber Co., was recently awarded the honorary degree of Doctor of Humane Letters by the University of Akron.

The citation which accompanied the presentation of the honorary degree cited Mr. Wilson as a classroom teacher, longtime master salesman, business executive, dairy farmer and civic leader.

The citation also commended him for his many accomplishments but cited him especially for his dedicated leadership in private secondary education and for always insisting on high ethical standards in all business relationships. Most particularly he was saluted for ever maintaining friendliness and geniality when pressures reach a hectic point.

The presentation of the honorary degree was made at June commencement exercises at the University of Akron.

Mr. Wilson's interest in secondary education is well known in Charlevoix where he established annual awards for the boy and girl of the graduating class of the Charlevoix high school who have done the most for their class and their school. Known as the Robert S. Wilson awards, they carry with them silver bowls engraved with the recipients names and checks for $50 to each recipient. The boy and girl to receive the award are chosen by the students themselves and the names are not made known until the night of graduation. Because of what they represent the Wilson awards have become the most coveted of all honors granted senior students at graduation.

Robert S. Wilson

Elsewhere Mr. Wilson has also shown his great interest in secondary education. Among other things, he has served as chairman of the Board of Directors Western Reserve Academy in his hometown of Hudson, Ohio, for the past 20 years. A new science and library building nearing completion at the Academy will be named for Mr. Wilson.

At his home in Ohio, Mr. Wilson will head the United Fund campaign this fall in Summit County, Ohio.

Mr. and Mrs. Wilson are now at their Ironton home for the summer.

Three Placed On Probation In Circuit Court

Three persons were placed on probation and an Albion woman arraigned before Judge Charles L. Brown during a speciel term of circuit court here Friday.

Lyle H. Woodcox, 30, of Traverse City, charged with assault in a barroom scuffle in May 1962, was placed on one year probation and ordered to pay $80 costs and fine.

Marie Sands, 30, who had pleaded guilty earlier to a charge of being durnk and disorderly third offense, was placed on two years probation and ordered to pay $60 costs and fine.

Alvin W. John, Jr., 23, was placed on three years probation and ordered to pay $135 costs and fine. He had been charged with statutory rape involving a 14-year-old Petoskey girl.

Jean M. Hawkins, 26, of Albion, stood mute when charged with uttering, publishing and delivering a forged check in the amount of $861.80 to Burley Motor Co. of Boyne City. The check was signed with the name 'Hayden Whitaker'. A plea of not guilty was entered in her behalf by the court. She was returned to the county jail after failing to furnish $1,000 bond which had been set in Justice court and continued in the higher court.

Chamber Moves To Summer Location

The Chamber of Commerce office located in the park between Antrim and Mason sts has been opened for the summer according to Paul Kohler, secretary-manager.

Until now the office has been located in the Brown building across the street.

The office will be open daily throughout July and August beginning at 9 a.m. daily until approximately 7 p.m.

Set Greased Pig Contest at Al's Amusement Park

Ever try to catch a greased pig?

Twenty-four area youngsters in the four through 12 year age group have announced their intentions of trying to accomplish this feat by registering for the greased pig event to be staged at Al's Amusement park on Sheridan st. near the softball park beginning at 7 p.m. Wednesday evening.

According to Allan Pease, who is sponsoring the event in behalf of the March of Dimes youngsters will be divided into three age classifications to participate. There will be a half-hour intermission between each of the three events to permit other youngsters an opportunity to enjoy the facilities of the amusement park.

Sheriff Glenn E. Rose and Don Parsel, third ward alderman have agreed to serve as officials for the greased pig contest.

To Hold Public Hearing On Proposed Re-zoning

A hearing on the proposed re-zoning Lot No. 10 of the Mason addition, located on the north side of West Upright ave. between Bridge and State sts. from Residential District II to Commercial District II has been scheduled for 8 p.m. Monday July 29, at the council room.

The hearing was scheduled after a representative of Novotny Plumbing and Sons appeared at the regular meeting of the city council to osk that the property be re-zoned to permit construction of a plumbing shop.

The council approved the highway maintenance contract with the Michigan State Highway Commission. Under the contract, the city maintains those sections of US 31 and M-66 located within the city limits during the winter months. The city is then re-imbursed by the state for the work.

Approval was also given options for the purchase of the Richard Lyons and Percy Butler properties on State st. in the amounts of $13,500 and $15,000 respectively. The parcels of land will be used in the expansion of the airport.

A communication from North Central Airlines stating that the company could not continue to offer air service to this area unless the city receives a governments subsidy was read. The letter asked that the city write to Congressman Victor A. Knox and to the Civil Aeronautics Board asking that both approve the subsidy in order that the airline may continue to serve northern Michigan. A resolution honoring the company's request was approved and copies forwarded to Rep. Knox and the C. A. B.

Under an agreement between the Michigan Conservation Department, the city will receive a deed to the former Model Home Laundry property so that it might be used as a parking lot The deed will stipulate that the property must be maintained for public use under the restriction in the deed. In turn, the Michigan Conservation Department will release its restrictions on the Colonial Club property at Meech st. and Dixon ave. permitting its sale.

The agreement is the result of several months of discussion during which the city took an option on the laundry property located at the foot of Clinton st. for $9,300 in order to enlarge its parking area and improve the waterfront by expanding the marina on Round Lake. The Michigan Conservation Department which presently owns the Colonial Club property agreed to exchange the property, lift its restrictions on the Colonial Club property and deed the waterfront property to the city for public use.

The purchase of a tanker truck for use on rural fires has been completed. The truck will be placed in operation as soon as it can be painted and a pump can be installed.

The construction of a launching ramp at the foot of Stover road on Lake Charlevoix is nearing completion the council was informed. The work has been accomplished at the cost of $4,775.64 to date. A survey made earlier by an engineering firm advised the city that the romp would cost approximately $35,000.

Approval was given an agreement between the city and John VanHaver to supply three phase power to the latter's commercial site located in the former Loeb Farm barns.

Bills totaling $25,944.72 were approved. The amount includes $1,168.58 to Leonard Refineries for asphalt for the streets; $1,413.50, Lake Construction Co. $3,613.81. Contractors Machinery Co. of Traverse City for air compressor and related equipment $3,581.60, Dinwiddie and Kandt auditors; $2,803.68, General Pipe Cleaning Co. of Kalamazoo for cleaning of 5,841 ft. of sewers and $8,377.86, payroll. Full summer crews are now employed in all departments.

Expect Personnel To Arrive July 8 At Radar Site

An 'invasion' by a U.S. Air Force Radar Bomb Scoring Squadron is expected early next week as the 12th Detachment of the 10th Radar Bomb Scoring Squadron located at Carswell Air Force Base, Tex., arrives at Bay Shore on or about the 8th of July.

The detachment is presently located at Ironwood.

Personnel strength will be approximately 80 officers and men consisting mostly of electronics technicians.

The radar site, to be located on a hill off US 31 at Bay Shore, will consist of a black-topped pad and a small utility building. Thirteen trailers containing elctronic equipment will be installed on the pad as they are transported from Ironwood, according to Lt Co. Joseph C. King, commanding officer.

Aircraft using this facility will pass between Bay Shore and Charlevoix at flight levels between 20,000 and 50,000 ft. in most instances.

In order to acquaint area residents with the operation of the military unit to be stationed at Bay Shore, Col. King has made available to the Charlevoix Courier the following information released through SAC headquarters at Offutt Air Force Base, Neb.

Radar Bomb Scoring (RBS) is used to test the effectiveness of all combat-ready crews of the Strategic Air Command who must be kept at their zenith in peacetime in order to fulfill any future wartime mission.

Radar bomb scoring dates back to 1946 with 888 bomb releases against a site in the San Diego area when crews aimed at circles drawn on sand and other surfaces, then dropping sand bags or dummy bombs on these targets.

Seventeen years later bomber crews complete more than 20,000 simulated bomb drops monthly. Today highly sophisticated electronic apparatus scores the accuracy of the SAC crews. The target can be any object within the "eyes" of scanning radar devices.

Electronic equipment used to score the accuracy of the "bomb" drops is maintained by SAC RBS detachments such as the one being transferred here next week from Ironwood. The 12th Detachment will maintain a fixed RBS site at Bay Shore as compared to the mobile site stationed aboard railroad cars and stationed at Cadillac for several weeks.

Army Nike and Navy RBS units are also used thus a two-fold purpose is achieved . . . SAC bomber crews are scored for accuracy and electronic technicians are given the opportunity to train against detecting high-and low-flying jet bombers penetrating U. S. targets.

Making high and low-level "bomb" runs against the RBS targets are SAC B-47, B-52 and B058 jet bombers.

Already recognized as a potent threat from high altitudes these jet bombers are equally capable of penetrating enemy defenses from low altitudes. This canability greatly compounds a potential enemy's radar defense problem.

When flying at supersonic soeeds (Mach 2) against the RBS targets, SAC's B-58 bombers fly between 35,000 and 50,000 ft. Suh-sonic missions are flown at much lower altitudes.

SAC crews will count on the tremendous speed of the B-58 to dash to an enemy target and return, keeping to a minimum the time the homber is exposed to enemy defense.

Radar homb scoring permits bomber crews to receive invaluable training in the use of radar bombing against realistic targets, day and night in all kinds of weather. Using a combination of radio and radar contact between aircraft and RBS site, the effectiveness of combat crews is scored without having to drop a single bomh. Navigator-bombediers receive practice in recognizing terrain and structural radar returns as they appear on their radar scopes.

The RBS radars "lock on" the approaching bomber, tracking it automatically on a plotting board. Just before the simulated release of the bomb, the aircraft transmits a tone to the RBS site by radio and indicates its point of simulated bomb release by stopping the tone. The target and the radar site have been precisely plotted on the tracking board prior to this action.

Annual City Golf Tourney Begins July 13

Entries are now being accepted for the annual City Championship tournament scheduled to begin the second weekend of the month or July 13, Keith Carey cluh manager and tournament manager, has announced

Deadline for registering for the tourney has been set for July 12

Entries will seek to dethrone the following flight champions: Bob Wallace, championship flight; Dan Gallagher, first flight; Bill Allen, second flight and Boh Wollney, third flight. This year a senior flight for men 50 years or over will be added to the list of events if enough people are interested, Mr. Carey said.

The women's association is now being organized and will begin play shortly, Mr. Carey added.

A special holiday feature for both men and women golfers will be staged at the course on Thursday. An invitation has been extended to all area golfers to join in this special early summer event. The stag night event will be cancelled this week because of the July 4 holiday.

The fine summer weather after a long, cold spring has brought golfers to the course in greater numbers than ever, Mr. Carey reports.

The weather plus the Michigan Amateur tourney at the Belvedere course gave the municipal course its higgest day in June on record. A total of 52 day tickets were sold Sunday according to Mr. Carey who added that the course had never hit the 50 mark before. This record day plus other good days during the week has put the course 178 day tickets ahead of any previous year.

Despite the heat and drougbt the greens remain in good condition.

Coming Events

July 4—V.F.W. Auxiliary meeting scheduled for this date has been cancelled because of the holiday.

July 5—Grand Traverse Kennel club will hold its regular monthly meeting at the Consumers Powor Co. Building at 8 p.m. Refresbments will be served. Visitors are welcome.

Voice of Our Readers . . .

Dear Sir:

I would like to take this opportunity to thank you so very much for the Charlevoix Courier. I am being discharged July 1, 1963 from the U.S. Navy. I have been in the Navy for the past nine years, and it sure was nice to receive the Courier, no matter where I was stationed. I am sure that all of the other servicemen from Charlevoix are as grateful as I have been to receive the Courier and see what was going on in good 'ole Charlevoix. Thanks again.

Fastball League

Morweld Steel of Ellsworth moved into first place with their 4-0 win over previously unbeaten American Mold. It was a tight pitcher's battle with winning hurler Bob Klooster allowing only Gary Balch's two-bagger, and Nate Bass allowing twa hits, both to Tam Wieland, ane a single and the other a lang home run.

Lake Constructian gat inta the win column by handing Browes a 9-2 defeat. The winners put the game aut of reach with six runs in their final time at bat.

Browes racked up their secand win in a wild affair with the City Merchants 13-6. The Merchants blasted aut there first inning runs and were in the ball game until the fifth when Browes scared three runs, then added six more in their final two times at bat. Big hitters for the wnners were Ken Parish, Bill Marme, and Bruce Kroken with two hits each. But Jerry Danbert of the Merchants toak hitting honars with three solid base hits.

Junior League

In the wildest Juniar cantest to date, the A & W came up with two runs in the battam of the seventh to spoil the upset plans to the Scouts. The Scouts picked up two runs in their seventh an Larry Edwards' double and an error, but Al Lusk fallawed teammates Warren Belding, John Bleha, and Ed Holm with a single that provided the winning margin.

Blooper Ball

Consumers Power and Halm and Crain Wrecks posted apening wins in the Wednesday night blooperball league. The Wrecks edged past Novak's Insurance 7-4 with Glenn Crain and Pete Petersan emerging as the hitting stars.

Cansumers Power made a successful debut with a convincing 31-9 win over Brown Motors. A big thirteen run fifth inning hi-lighter the rout.

Peanut League

The Braves gave the league leading Dadgers a scare 13-10. The losers scored seven times in the bottam af the seventh and had the tying run an base when the gama ended. Ralph Doan led the Dodgers attack while Brian Patter and Terry Cummings paced the Braves.

The Cubs easily handled the Lions 12-3. Six runs in the third pravided the big push far the victars. Loose play by the Lians allowed the Cubs the easy victory.

The Cards picked up their second win posting a 15-3 win aver the Tigers. Nine big first-inning runs gave the winners the lead they never last.

Women's League

Paul-Reed again may be the team to beat in the Women's league as they racked up two impressive wins during the week. They humilated newcomer East Jardan 18-3, and beat Barnard 8-2. In the Barnard game they countered with seven runs in the third inning to break the game wide open.

Edwards scored in every inning to beat Puff's 7-2. Leslie Lyons pitched a no-hitter for Edwards.

Couple Exchange Vows At Cheyenne Wyoming

St. Mary'a Cathedral in Cheyenne, Wyoming, was the scene recently of the wedding of Kathleen Louella Esquibel and Perry William Smith, Airman, Second Class, U. S. Air Force. At the time of the wedding on June 22 Mr. Smith was enroute from Francis E. Warren Air Force Base, Wyo., to Ellsworth Air Force Base, S.D.

Parents of the couple are Mr and Mrs. Martin Esquibel of Cheyenne and Mr. and Mrs. P Perry Smith of Charlevoix.

The Rev. Fr. Kimmett officiated at the double ring service during the Nuptial Mass celebrated before an altar graced with arrangements of white carnations and white gladioli, Mary Ann Barnes, as soloist, sang "Ave Maria" and "The Lord's Prayer" accompanied by the cathedral organist.

Given in marriage by her father, the bride chose a floor length gown of white silk organza for her wedding. The fitted bodice was fashioned with a scoop neckline and long tapered sleeves. The bouffant skirt was of tiered organza. A seedpearl crown secured her shoulder length veil. She carried a white prayer book topped with an arrangement of white orchids and mums.

Adele Garcia of Denver, Colo. as maid of honor, wore a pale blue street length sheath dress and matching blue headband and veil. She carried a bouquet of pink rosebuds and white mums

Mrs. James Marshall, Frenchie Esquibel, Barbara Bennett and Joan Bennett were bridesmaids They wore identical street length gowns of irridescent organdy in rainbow colors styled with round necklines and full skirts and matching headbands and veils Their bouquets were identical tc the honor attendant's.

Ruby Woolsey of Albequerque N. M., gowned in yellow, and carrying a nosegay of summer flowers, was flower girl.

Sunday Garcia of Denver Colo., assisted the bridegroom as best man. Seating the guests were Mr. Marshall, Ronald Stegall, Erineo Silva and Frank Bossellman, all of whom are stationed at Francis E. Warren Air Force Base, Wyo.

A wedding breakfast and reception at the Steak House in Cheyenne was followed by an evening reception and dance at Community House. White tapers and arrangements of summer flowers flanked a tiered wedding cake at the refreshment table Marie McNally of Denver, Colo. was in charge of the guest book.

Following a wedding trip te Denver, the couple will be at home at Ellsworth Air Force Base, S.D. For traveling the bride selected a wine and white suit and white accessoriea.

The bride is a 1963 high school graduate. Mr. Smith is a graduate of the Charlevoix high school and a veteran of two years service in the U. S. Air Force. He will be stationed at Ellsworth Air Force Base with the 841st Air Police.

Wedding guests were present from Denver, Mara and Albuquerque, N. M., Rawlins, Wyo. and Charlevoix.

Garden of the Month Plaque Awarded To J. J. Weinbaum

The Jack J. Weinbaum garden located at 300 Auld ave. on the city's north side has been selected as the "Garden of the Month" for the period of July 1-15 by the Charlevoix Garden Club.

The property is bordered by Auld, Crouter and Burns st. is lovely at all times of the year but presently is abloom with peonies, daisies, delphinums and other summer flowers.

In informing Mr. Weinbaum that he was to be commended for his garden, he said that the garden was his joy and that his aim was to help beautify the community even though he was able to spend little time here from his busIness In Detroit. He joined with the Garden elub committee composed of Mrs. Malcolm MacDowell, Mrs. Harold Geiken and Mrs. Gordon Freedman in inviting residents to vlew the garden which is easily seen from the street.

The garden is the fourth in the community to be given special recognition by the Garden club. The Garden elub marker will be placed at the site for the next two weeks.

If you know of a garden in your neighborhood which you feel deserves special recognition please eall Mrs. Harley Ocha president of the Garden elub.

Schedule City Championship Tourney July 13

The girls morning softball league is being organized as well as the Pee Wee league for boys eight and nine years of age. Girls interested in joining are asked tc report to the City diamond at 10:00, Monday July 8th. Boys interested in the Pee Wee league are asked to report to the school playground the same day at 1:00.

The City track and field meet has been scheduled for the latter part of July, and this will round out the July schedule.

The month of August will find two popular events scheduled. In the early weeks the shuffleboard tournament will be held at the East Park courts. August 19th will start the week long City Swim Races, held at the Depot Beach.

During the month of June the softball program was started with the largest enrollment ever. With over 400 participants, this years program appears to be the largest in Northern Michigan

The tennis school has started with 31 enrolled. This is an increase over last year's enrollment.

The beaches also show a marked increase in attendance with the weather man's cooperation the June attendance is up over 1500 people. Beach count is taken at 3:00 by the guards at the three beaches and total attendance is 2755 for the seven days in June.

Betrothed

The engagement of Eleanor Hannah Myers, daughter of Robert Myers of East Jordan and the late Mrs. Myers, to Oral E Sutliff of Boyne City has been made known.

The prospective bridegroom is the son of Mr. and Mrs. Thurman Sutliff, also of Boyne City.

The wedding will be an event of August 24.

Miss Myers is a graduate of the East Jordan high school and is employed as a secretary at Mt Clemens Metal Products Co. in East Jordan. Mr. Sutliffe, a graduate of the Boyne City high school, attended Northwestern Michigan College in Traverse City where he received a Standard and Pre-standard Certificate in Banking. He is employed at the Boyne City branch of the State Bank of East Jordan.

Letter Carriers To Deliver Zip-Code Numbers

Individual cards with the Zip-Code number will be delivered to every patron in the community during the first week of July.

In the personalized message from the letter carrier, every patron will be urged to keep his card for ready reference and tc immediately begin including his Zip-Code number in his return address after the city and state.

Charlevoix's Zip-Code number wilt be '49720', according to Postmaster Peter H. Timmer who explained that the first digit, in this instance the '4', designates the area of the country; Area 4 takes in Michigan, Indiana and Illinois. The next two numbers, '87' designates the state and the last two numbers, '20', the community within the state.

The Zip-Code system is being initiated in an effort to speed mail with fewer handlings. Mr Timmer said that at the present its use is aimed toward large companies that do a great deal of mailing. However, in time it will be otilized almost exclusively in mail handling.

In order to acquaint the mailing public, which includes most every one, with the new idea, Mr Zip decals or posters will be placed on collection boxes, postal mail vehicles and carrier sachels as reminders to patrons.

Camp Charlevoix Gets Underway For 38th Season

The strains of "Once Again We Come Together" was heard on the evening air Saturday as the thirty-eighth season of Camp Charlevox opened with a full camp of boys from 12 states.

It was a great day for old campers as they renewed old acquaintances and new campers who explored the camp after arriving by car, train, plane and chartered bus.

The annual pillow fight launched the first day's activities on Saturday night, concluding with the singing of 'Taps'.

Ken Smith, who began his thirtieth season at the camp, spoke at chapel Sunday morning. His topic was "Building a Reputation".

Swim tests and physicals during the afternoon were followed by Vespers. On Monday boys were introduced to all camp activities and were scheduled to announce their choice at supper that evening.

Personnel to Arrive At Radar Site

(Continued from page 1)

By using figures on distance and direction of the bomber from its target, the aircraft's ground speed, heading and altitude, wind conditions, bomb-fall characteristics and other data RBS technicians can compute the accuracy of the particular bombing mission.

This computation allows RBS personnel to determine exactly if the target was hit, and if not by how far and in what direction it was missed.

Of direct value to the private citizen is the fact that SAC can train its combat crews in bombing techniques under realistic wartime condtions.

A SAC-Federal Aviation Agency agreement assures a great degree of safety in the exercise of low-level flying, since civilian aircraft are informed when planned routes are in use by SAC bombers. During bad weather, no civilian aircraft are cleared along or through the routes while they are being used by the bombers.

Danes Observe 4th of July As Gesture of Friendship

John Adams thought the birthday of the United States ought to be celebrated "from one end of the this continent to the other" and prescribed pomp and parade, bells and bonfires for the occasion. But one of the largest and most impressive observances of Independence Day takes place thousands of miles away, in Denmark, according to World Book Encyclopedia.

Each year as many as 40,000 Danes and Americans gather at Rebild National Park in northern Jutland in an enduring gesture of international friendship. While the Stars and Stripes wave beside the Dannebrog, Denmark's flag, and television cameras glide along an avenue of U. S. state flags, there is band music and singing and even the traditional Fourth-of-July oratory.

The Rebild Festival was the inspiration of a group of Danish-born Americans led by Dr. Max Henius, a chemist who became a prominent citizen of Chicago. In 1911 they purchased 200 acres of Denmark's heathery hills and in 1912, reports World Book Encyclopedia, they presented the land to the Danish government with the stipulation that the U.S Independence Day be observed there every year.

The celebration has taken place annually except during years of war. But even in 1940, when Denmark was an occupied country, a group of Danes raised the American flag alongside the Dannebrog within the park grounds.

In recent years, American speakers have included Chief Justice Earl Warren, Paul G Hoffman and former vice president Richard M. Nixon. True to the memory of John Adams however, the pomp doesn't end with the speeches. After the ceremonies in the park, the guests move to the neighboring town of Aalborg, where they end the Fourth with parades and fireworks.

The Fourth of July is also the birthday of the Philippines. The United States, which celebrates its own Independence on that day, granted independence to the Philippines on July 4, 1946, reports World Book Encyclopedia.

Canadians celebrate the birthday of their confederation on Dominion Day, or Canada Day July 1. On that day in 1867, reports World Book Encyclopedia the British North American act creating the Dominion of Canada, was proclaimed.

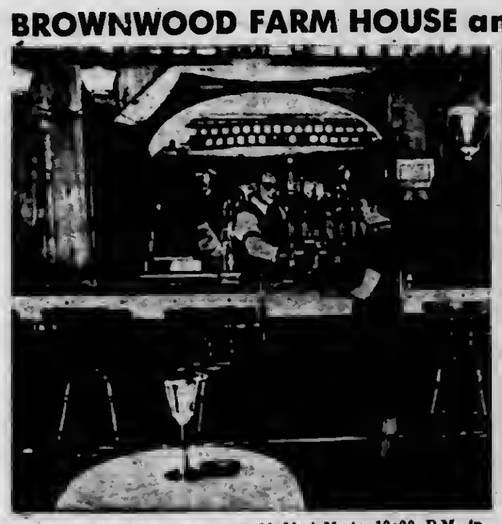
ANNOUNCES
The GRAND OPENING of The
BROWNWOOD FARM HOUSE and SWINGING DOOR SALOON



Enjoy gracious dining from 11:00 A.M. to 10:00 P.M. in the quaint atmosphere of the old Farm House. This, the original building on Brownwood Acres, is now converted into the most unique dining room in Northern Michigan.

The swinging doors are authentic and so are many of the furnishings that recreate the old saloon. Enjoy a schooner of beer or your favorite cocktail in the atmosphere of the old time lumber jack's saloon.

Official Opening SATURDAY, JULY 6th.
Bring the entire family and spend the day. It's fun to browse through the Honey House, the areas most complete gift shop; the Country Store, the building that fell through the ice and the old Log School, filled with toys for the young and young at heart.

SUNDEW REPORTS

At long last, the Sundew is home from the shipyard, having spent a little over two months at Sturgeon Bay Shipbuilding and Dry dock Co., Sturgeon Bay, Wis.

Having been away from our work for so long, we now find ourselves in the midst of a complete check of all our aids-to-navigation. During this check we will verify the position of all buoys, whether lighted or unlighter; re-battery and inspect all fixed lights, such as the Traverse City Breakwater Light; and refuel all off-shore light stations within our area of responsibility.

In our last report we stated that we would describe n some detail just what was accomplished during our extended shipyard period. To begin with the casualty to the main motor that we suffered last April was repaired and our main propulsion plant restored to normal. In addition to this task of major proportions, many jobs of lesser importance, but nevertheless necessary, were undertaken.

The entire ship, from "main trunk to keel" was completely chipped and cleaned of old paint right down to bare metal. An entirely new paint job is now in the process. All of our small boat handling gear was tested under more than normal load, as . was the buoy boom and its associated rigging. Many places in the hull plating which were badly dented were renewed, thus restoring proper lines to the Sundew. Aside from the esthetic view, replacement of these damaged plates eliminates points of potential weakness in a hull; an important factor considering our icebreaking duties. During our stay, the Sundew was drydocked and all hull underwater openings inspected and renewed or repaired as necessary; in addition, the entire underwater body was carefully examined for any structural weaknesses or signs thereof. Also during the drydock time, our fathometer, which measures the depth of water under the vessel was examined and repaired.

A new buoy boom operator's shelter was designed and installed; this addition will be much appreciated this fall during buoy withdrawal season, as it will give complete protection from the icy blasts that formerly made this spot the coldest on the ship. The plexiglas windows installed in it will afford the operator excellent visibility for this important job.

Many, many smaller, but no less important items were also accomplished, which will increase the efficiency of the vessel or add to the comfort of the officers and men. Although this yard period was much longer than is normal a great deal was achieved that will result in a better ship in all respects.

Ever since our return to Charlevoix on the 15th of June we have, as mentioned above, been busy checking our buoys and lights. On the 20th of July we will escort the Port Huron to Mackinac Island Yacht Race. Following this we will report to the small arms range in Grand Haven for our annual target practice

Sundew Scuttlebutt

On the 21st of May Bob Skakun, our Hospital Corpsman, and Bill McHenry, our Radioman, reenlisted for another six years each in the Coast Guard. Bob Wise, Seaman Apprentice, reported aboard from Cape May N. J., on May 17. On June 4, Mike DeRosia, Seaman, was transferred to the Commander, Mediterranean Section; and Bob Mucker was transferred to the Coast Guard Air Station, Traverse City. Our newest crew member is Nick Roelofs, who came to us on June 25 from Cape May N. J.

Editors Note: Readers of the Sundew Report since it was initiated in December 1958, will be interested to know that its first 'editor', Warren 'Doc' Toussaint who later was transferred to Hawaii for a two year tour of duty, has been stationed at the Soo Base since last summer. Though he is a Hospital Corpsman, he apparently has a bit of printer's ink in his veins for he is now editing and publishing a base 'newspaper' which he calls "Soos Noos". He also received his first by-line on a report of activities at the base which appeared recently in the U.S.C.G. publication known as Ninth District Shipmates.

The United States ranks 15th in a list of 17 countries on a per capita consumption of milk basis Ireland is frst.

Melvin 'Bud' Stevens of Detroit Wins Amateur Golf Tourney

Melvin 'Bud' Stevens, 30, of Detroit wrapped up the 1962 Michigan Amateur golf title at the Belvedere golf course Sunday when he defeated veteran golfer, Glen Johnson, 40, of Grosse Ile, 1-up in 18 holes in the finals.

The match, played under bright sunny skies, concluded the tourney which opened Wednesday when 223 players teed off in two days of qualifying rounds. Sixty three of the entries plus the defending champion Mike Andonian of Pontiac, were then paired for match play which started Friday morning With two 19 holes each day the field was trimmed to four as the semi-finals got underway Sunday morning.

In this round Pete Green of Franklin, tournament medalist with a score of 137 for 36 holes was dumped by Stevens, 1959 state amateur champion, 1-up in 18 holes. Johnson, five-time state amateur champion, knocked out any hopes of a brother combination in the finals when he bumped Don Stevens of Detroit 1-up in 20 holes.

In the quarterfinals Saturday afternoon, Don Stevens defeated Chuck Newton of Ann Arbor 1-up in 19 holes; Johnson eliminated Chris Miel of Stanton 2-up. Green edged Fred Becker of Kalamazoo 3-2 and Bud Stevens won over Jack Zinn of Royal Oak 2-1 to advance to the semi-finals Andonian, a strong favorite to repeat as champion, was eliminated in the first round of match play by Dave Cameron of Detroit before the latter lost to Cal Cooke of Grosse Ile who was then bounced by Don Stevens.

Mayor E. D. 'Pat'Hawley presented the Michigan Amateur trophy to Bud Stevens at the clubhouse late Sunday.

The first summer weather the area has known this year held throughout the tourney and continued Tuesday.

The tournament will be returned to the Belvedere course in 1964.

Williams News Stand will be open all day Sunday until after Labor Day.

Charlevoix Community Chest Goal Set at $11,511

Initial plans for the 1963 Community Chest fund campaign are announced this week by Don Anders, president of the Community Chest board of directors.

The 1963 campaign goal has been set at $11,511 or only $233 more than in 1982. However, the 1963 budget is $12,581, or $1,283 more than the 1962 budget. In announcing the goal, Mr. Anders explained that it was possible to trim this year's goal because the 1982 campaign went over the top by $400 and because certain earmarked funds that were not used were returned to the general fund. Thus it was possible to apply $1,050 from funds on hand to this year's budget need.

John Lachman of the Hoskins Manufacturing Co. has been named campaign chairman for the fund drive scheduled to begin next month with an advanced gift campaign during August when all seasonal businesses and summer residents will be called on or sent letters.

The regular campaign has been tentatively scheduled for mid-September. After the success of last year's fund drive, every effort will he made to complete the campaign in the same length of time, three weeks, Mr. Lachman said.

Division chairmen who will assist in various phases of the drive have been named by Mr. Lachman. They will include Special gifts co-chairman, Robert Bridge and A. L. Livingston; Retail business, Frank Bourgoin; Industrial chairman, Robert Biggs; Assistant chairman, who will be in touch with seasonal businesses, Mrs. Robert Foss; Professional chairman (including government and institution employees), Mr. Anders; Residential chairman, Mrs. Donald DeMoor and Outlaying Areas co-chairmen, Mrs. Thomas Wieland and Frances Martin.

In announcing the plans for this year's fund campaign, Mr. Anders, speaking in behalf of the board of directors expressed appreciation for the generous response last year. He added that the board felt confident that they could count on the people of Charlevoix to continue to support the united campaign and the many services its agencies provide to the community.

Probate Judges To Convene at Boyne Mountain

The annual convention of the Michigan Probate and Juvenile Court Judges Association will be held at Boyne Mountain July 21-24, with John Makel, Charlevoix county probate judge, serving as convention host.

This is the first time in the history of the association that it has returned to the same convention site for two consecutive years.

The new state constitution and its effect on these courts will be one of the chief issues to be discussed at the business sessions. In addition to subjects relating directly to these courts and the election of officers, members and their guests will enjoy a boat trip to Beaver Island, golf at the Charlevoix municipal and Belvedere clubs, tours of the Big Rock Point Nuclear plant and other points of interest.

Among those addressing the convention will be Frank J. Kelly, Attorney General, and Floyd Starr who will speak on the occasion of the 50th anniversary of Starr Commonwealth.

Du Bois Chemicals Plan Expansion In Early Autumn

Another large company with a local representative, DuBois Chemicals, Inc., a Cincinnati-based manufacturer of cleaning compounds for institutions and industry, has announced plans for expansion of its operations into the United Kingdom and the Republic of Ireland.

Locally, DuBois Chemicals is represented by Don J. Anders, a local resident for the past 3½ years. He has been with DuBois for eight years and covers northwestern Michigan and mid-central Ontario.

The formation of its first joint venture company, Honeywill-DuBois Ltd., brings together the widely known Cincinnati firm and Honeywill & Stein Ltd., a unit of The Distillers Co., Ltd. world renowned British manufacturer of chemicals, distilled spirits and other commodities.

The new organization will manufacture and market cleaning compounds to all fields of industry abroad as the parent company does in the U. S. and Canada. Its product line will include many long-established products for commercial dishwashing, hospital sanitation, metal cleaning, coating and painting processes in industrial plants plus a wide range of cleaning compounds for food processing meat packing and transportation Marketing operations are scheduled to begin in early autumn of 1963.

Trek Via Bikes To Mackinaw City

From Charlevoix to Mackinaw City, via bicycle, in 4½ hours. . . quite a record, especially when you consider that it was made by two local 14-year olds, Bunker Hill and Alan Lusk.

The pair started out from here at 5:45 a.m. Tuesday loaded with camping equipment, for the trek to Mackinaw City and then a day on Mackinac Island where they plan to tour the island and swim in the Grand Hotel pool.

They plan to camp at Wilderness State Park again Wednesday night before starting the 50-mile trip to Charlevoix.

Injured in Fall Through Ship's Hold

Billy Six, 32, Chief Boatswain's Mate serving aboard the U.S.C.G. cutter Sundew, has been hospitalized at the Charlevoix hospital for treatment of injuries received when he fell through the main hold of the ship last Thursday morning.

He suffered a fractured left wrist, fractured right elbow and multiple head and facial lacerations and bruises when he fell approximately 20 ft. onto chains, sinkers and other equipment stored in the hold of the ship.

He was discharged to his home Tuesday.

Queen Linda Extends Invitation

Courier Photo

Venetian Queen Linda Neff represented Charlevoix at the East Jordan annual Fourth of July celebration last week and extended an invitation to all to come to the Charlevoix Venetian Festival July 27 and 28.

Queen Linda is scheduled to make her last public appearance as 1962 Venetian Queen at the Traverse City Cherry Festival parade Friday afternoon. Her final appearance here will be at the Coronation ball the evening of July 27 when she will present her crown to the 1963 queen who will be named that evening.

Plans Underway For Annual Venetian Festival

The Venetian Festival committee headed by D. D. Walker and the board of directors of the Charlevoix Chamber of Commerce, which sponsors the annual event, met Monday to formulate plans for Charlevoix's major summer attraction scheduled for July 27 and 28, according to Paul Kohler, secretary-manager of the chamber.

Mr. Walker, general chairman, has named Bob Humphries chairman of the variety shows and other entertainment to be presented during the two-day festival; Mrs. Wayne Wood and Mrs. Donald DeMoor, co-chairmen of the Doll and Pet Parade; Robert Hamilton and Phil Lawrence, chairman and co-chairman of the Venetian Boat parade and Rev. Alexander Wood, president of the Charlevoix Ministerial Association, chairman of the Sunrise Sunday morning worship service to be held in East Park Sunday. Other chairmen will be named later.

A gala weekend is planned for the mid-summer event which will be climaxed by the Venetian Boat Parade on Round Lake on Sunday evening. A huge fireworks display will conclude the festive weekend.

Deadline Friday For Entering City Golf Tourney

Deadline for entering the annual Men's City Championgolf tournament will be 8 p.m. Friday according to Keith Carey, manager of the municipal golf course where the meet is held.

Only 24 entries had been received Wednesday Mr. Carey said in urging area golfers to register before the deadline. Pairings will be made Friday night for play scheduled to begin Saturday.

The weekly stag night will be resumed this week with players scheduled to tee off at 5 p.m. tonight (Thursday). They will return to the clubhouse for supper and a social hour.

The special July 4 men and women's handicap tournament attracted a large following Mr. Carey reported. Top winners in the event were Jim Lawyer, Bill Supernaw, Bob Anderson, Stan Fiedorek, Bob Livingston, Mrs. Robert Wallace and Mrs. Robert Livingston.

Fire Destroys Dairy Barn

Ellsworth—Fire of undetermined origin destroyed the dairy barn of Lynn Carpenter and son, Steve, on July 4.

Milking at the large dairy had just been completed when smoke was noticed coming from the peak of the barn. The Ellsworth and Charlevoix fire trucks responded to the call but the 54' x 60' barn with 100 tons of hay was a total loss. Three calves were lost in the fire.

The barn was built by David and Edgar Carpenter, Sr., 65 years ago. They plan to rebuild soon.

Plan Ladies Day At Municipal Golf Course

Plans for the first special ladies day scheduled for Wednesday, July 17, at the municipal golf course have been announced by Keith Carey, manager of the course.

The women of the community are invited to participate in the event whether or not they are golfers, Mr. Carey said.

Those wishing to play golf will tee off between 5:15 and 5:45 p.m. and return to the cubhouse for a buffet supper at 8 p.m. Non-golfers are invited to enjoy cards at the clubhouse and remain for the supper at 8 p.m.

Area residents planning to attend are asked to make their reservations prior to Wednesday.

Mr. and Mrs. Wallace Poole and children, Jay and Kathy have arrived from muskegon to visit the formers mother, Mrs. Elmer Poole. Wallace has returned to Muskegon. Mrs. Wallace Poole and children are making an extended visit.

Charlevoix and Emmet Approve School Merger

The Charlevoix and Emmet Intermediate School Districts will become a single consolidated district on July 31, according to Charles A. Robinson who will head the new unit.

School electors in both counties, voting in their annual elections, gave approval to the merger by a vote of 1,717 to 813. The Petoskey district was the last to give its approval to the proposed merger by a 102 to 8 vote.

The present boards of education for both counties will serve as a 10-member interim board until the next regular general biennial election when a seven-member board will he elected by popular ballot.

The new district meets the minimum requirements for continued state aid to intermediate districts and provides the organizational structure for the establishment of services and educational programs that are needed to complement the operation of the local school districts.

It is expected that special education will be given much impetus as the result of the merger and that the office will give leadership and assistance in developing in-service training programs for teachers and professional consultative services. Some of the services that are presently being offered in a few intermediate districts and that may be feasible for this area are a visiting teacher program, instructions materials center for use of all schools, consultant (coordinator) in vocational education, cooperative buying, data processing of all school and pupil records and other necessary functions that can be done more efficiently from a central office.

Mr. Robinson, who will serve as superintendent of the new intermediate district, has been serving as the head of the former single districts since January 1962.

Arts and Crafts Waterfront Fair Set for Aug. 10

Charlevoix's annual Waterfront Fair will be held Saturday, Aug. 10, Mrs. Jack Rader, chairman of the event, has announced.

Letters regarding the event which attracts artists and craftsmen from throughout the state and midwest have been mailed by the Charlevoix Chamber of Commerce which sponsors the show held in East Park on the second Saturday of August. On Wednesday more than 35 entries had been received and many new inquiries had been acknowledged.

Steering committee for the show is composed of Mrs. Rader, Mrs. Paul Kohler, Mrs. Julius Gilbert, Mrs. Karl J. Erber, Mrs. J.F. Webb, Mrs. Francis J. Mann, Mrs. Max Hosmer, Clark Nehls, and Robert Sellers.

Dedicate Flag at Grandvue Facility

The dedication of a new flag pole at the Grandvue Medical Facility near East Jordan was held on Thursday, July Fourth, under the sponsorship of the Ernest Peterson Post No. 2288, American Legion, of Boyne City which donated a new 50-star flag.

Mrs. L. E. McGhan Hosts Co. Farm Bureau Women

Senate Bill 527 regarding migratory workers was explained by Mrs. Thomas Wieland of the legislative committee at the regular monthly meeting of Charlevoix County Farm Bureau Women held Friday at the home of Mrs. L. E. McGhan.

Twelve members representing eight groups heard her outline the Farm Bureau's views on this proposed legislation. The organization opposes the bill. Mrs. Wieland also discussed the proposed fiscal and tax reform for the state of Michigan.

Mrs. Hugh Graham of East Jordan spoke on boat safety, outlining the 'do's' and 'don'ts' of the subject.

In her report on citizenship, Mrs. McGhan said that too much power was heing delegated to the federal government which should be the responsibility of state and local governments.

Plans for the Farm Bureau booth during the Venetian Festival were discussed. The booth will be open from 10 a.m. to 10 p.m. Saturday, July 27.

Mrs. William Parsons, who presided at the business meeting, asked members to make an effort to get information regarding cancer to the public. This request was made because there was no cancer fund drive in the county this year.

Mrs. Lot Notestine of Walloon Lake was in charge of devotions.

Father of Mrs. Annis Dies In Accident

John Hovorka, father of Mrs. James Annis, Charlevoix, died Monday following an automobile accident in Cicero, Ill.

Mrs. Annis was informed of the fatality Monday afternoon and left immediately, accompanied by Mr. Annis and their daughter, Carol.

Mr. Hovorka is survived by his wife and one daughter, Mrs. Annis.

Couple Attends National Dance

The 12th annual National Square Dance convention was held in St. Paul, Minn., recently.

In St. Paul for the event were Mr. and Mrs. Max Novak and their twin sons, Carl and Charles.

The entire three days was devoted to various phases of daneing including workshops relating to square dancing, round dancing, contra and folk dancing as well as old time, progressive grand circles, exhibition and expanding squares and waltz quadrilles.

Re-elect E. Darrell Dinwiddie President of Board of Education

E. Darrell Dinwiddie was re-elected president of the Charlevoix board of edueation at the organizational meeting held Monday.

Others who were re-eleeted were Albert G. Smith, viee president; Burr Blanchard, secretary, and Dale Boss, treasurer.

Trustees are Joel Martinchek, Dr. Robert Tollas and Mrs. Robert L. Hooper. The latter was eleeted reeently for a four-year term.

The meeting marked the first one with Rex Milligan who assumed his duties as superintendent of the Charlevoix public schools on July 1. He succeeds Roy G. Bennett who had served in that capacity for 18 years and whose resignation became effective June 30.

The two local banks, Charlevoix County State Bank and the Charlevoix State Savings Bank, were designated as depositories for all school monies during the coming year.

Mr. Milligan reported that applicants were being interviewed for the position of seventh grade teacher and assistant coach left vacant hy the resignation of S. Terry Rice who is leaving the school system after eight years to accept a position as head basketball coach and assistant football coach and teacher at Grand Rapids Lee.

A number of issues were discussed. Among them were the publication of school news, transporation, board policies and specifications for the blacktopping of the driveways at the new high school and a section of the area at the elementary school.

Non-teaching personnel who were re-employed were Mrs. Hudson Phelps, secretary to the superintendent and the board of education; Mrs. Harry Bingham, clerical worker in the high school office; Mrs. Keith Miles, school nurse; Marvin Sugden, Willis Keiser, W. S. Bodley, Ilo Helms, Mrs. Bodley, Barnard Russell, Mrs. R. E. Wright, Mrs. William Evers and Harlow Bettis, maintenance and Mrs. Marie Blissett, Mrs. A. D. Cunningham, Mrs. Myron Hilton, Mrs. Melvin Plumm and Mrs. Arnold Copeland.

Mrs. R. G. Lieberman Heads Venetian Queen Committee

Who is your favorite queen? Would you like to see her rule over Charlevoix's Venetian Festival later this month?

If so, why don't you enter her in the 1963 Venetian Queen contest now underway? She must be between the ages of 16 and 21; never have been married and a resident of the Charlevoix area.

The new queen will be named at a coffee and dessert on Monday, July 22 but her identity will not be made known until the coronation to be held in East Park Sunday, July 28.

Mrs. Robert G. Lieberman has been named chairman of the Queen's committee.

Charlevoix's ruling queen, Linda Neff, will represent the community at the National Cherry Festival in Traverse City on Friday.

Last week she participated in the July 4th parade at East Jordan.

Rites Today (Thurs.) For Mrs. J. Gaskin Here 65 Years

Mrs. James J. Gaskin, 87, resident of this community for 65 years, died Monday at Henry Ford Hospital in Detroit where she had been a patient for the past month.

She had gone to Detroit in April to live with her son-in-law and daughter, Mr. and Mrs. F. Russell Blakeslee and had been hospitalized after suffering a fractured hip in a fall.

Funeral services will be held at St. Mary's church at 9 a.m. Thursday with the Rev. E. Francis Denay officiating. Burial will be in St. Mary's cemetery. The body was at the Winchester Funeral Home where the Rosary was recited Wednesday evening.

Born at Leroy, Michigan, July 30, 1875, the former Bessie E. Stanford was married to Mr. Gaskin in New York State in 1892 and came to Charlevoix four years later. The late Mr. Gaskin was warden of the Chicago Club for 30 years prior to his death in 1932.

Mrs. Gaskin was a member of St. Mary's church and its Rosary Altar Society.

Besides her daughter, she is survived by a son, James W. Gaskin of Charlevoix; five grandchildren and seven great-grandchildren.

A Prayer For Right Values

Our Father,
May we remember
When we speak of the things
We cannot afford
To always include
Malice and envy,
A hot head,
A cold heart,
A heavy conscience,
And disobedience to
The Highest we know.

* * *

Let us never forget
That the real measure
Of our riches
Is in how much
We would be worth
If we lost
All our possessions.

* * *

Keep us ever mindful
That true wealth is
Held in the heart
And not in the hand.

* * *

In Christ's name. Amen.

Louiselle - Bredahl Vows Spoken In Church Ceremony

Following a northern Michigan wedding trip, Mr. and Mrs. Ralph Dennis Bredahl have returned to make their home at 228 Antrim st.

The couple was married June 29 at the Assembly of God church.

The bride is the former Sharon D'Etta Louiselle, daughter of Mr. and Mrs. Paul Louiselle. Mr. Bredahl, Seaman, U.S. Coast Guard, is the son of Mr. and Mrs. R. W. Bredahl of Scottsdale, Ariz.

The Rev. Theodore Louiselle of Chairton, Iowa, officiated at the double ring service in the presence of more than 200 guests. Arrangements of pink and white gladioli and lighted tapers formed a setting for the ceremony. White satin bows marked the pews. Mrs. Leonard Burns played the traditional wedding marches and accompanied the soloist, Nancy Koteskey, who sang "I Love You Truly" and "Because".

Escorted to the altar by her father, the bride chose a floor length gown of white lace over taffeta fashioned with a sweetheart neckline. A princess crown of pearls secured her ballerina length veil. Her cascade boquet was of orchids.

Mrs. Edwin Louiselle of Rudyard, sister-in-law of the bride, was matron of honor. She wore a street length gown of blue organza and white accessories. She carried a bouquet of blue mums.

Linda Lewis and Joani Louiselle, cousin of the bride, as briesmaids, wore gowns identical to the honor attendant's in pink organza and white accessories. Their bouquets were of pink mums.

Linda Sneathen was flower girl.

Edwin Louiselle of Rudyard, the bride's brother, was best man. Thomas Louiselle, another of the bride's brothers, was groomsman. James Sneathen and Howard Sly of Port Huron seated the guests.

A reception followed at the Charlevoix Rod and Gun club which was decorated with pink and white wedding bells and streamers in pastel shades. A tiered wedding cake centered the refreshment table.

For traveling on their wedding trip, the bride wore a fudge brown suit and tan accessories.

The bride is a 1963 graduate of the Charlevoix high school and is employed at Hoskins Manufacturing Co. Mr. Bredahl is a graduate of Phoenix Christian high school, Phoenix, Ariz., and attended Arizona State University. He is stationed at the Charlevoix Lifeboat Station.

Four generations of the Louiselle family were present at the wedding, Mrs. Minnie Louiselle, Paul Louiselle, father of the bride, the bride's brother, A/3 Edwin Louiselle of Rudyard and his daughter, Kelly.

Ceremony Marks Installation of Lions Club Officers

The new officers of the Charlevoix Lions club were installed at a dinner meeting held recently ot the Argonne.

Dr. Cbarles Price of Petoskey Lions Deputy District Governor presided at the formal installation ceremony attended by members and their respective wives or guests.

Officers installed at that time for the 1963-64 club year were: president, G. Franklin Ochs; first vice president, Robert Lieberman; second vice president Jesse Penn; third vice president, Don Meggison; secretary, Alun Bevan; treasurer, Dr. Robert Tollas; Lion Tamer, Les Payne; Tail twister, Don Kowbel; directors for the two year term, Thomas Loeb and Paul Kohler.

Dean Davenport, retiring president, was presented with a plaque by the club for his 20 months of service as the clubs first president. The presentation was made by Mr. Bevan. Mr Davenport was also presented with a past president's pin. He, in turn, presented his successor. Mr. Ochs, with a president's gavel and pin.

Both Mr. Davenport and Mr Ochs spoke on the progress of the club during the past 20 months, remarking on its growth and its services.

Adolph Presidio of Beaverton Lions club entertained the members and their guests with his improvisitations.

AGRICULTURE in ACTION .....

by M. L. Woell
MICHIGAN FARM BUREAU

There is a saying in the fruit-growing business that "a small crop tends to get smaller, and a big crop gets bigger."

This surely applies to this year's Michigan apple crop, which has been compared to the 945 year, considered by many growers as the worst year they ever had. Heavy frost damage in some areas has severely cut the crop, now down about two million bushels from the customary 12 million. "Early estimates" are all that crop statisticians have to work from, and these, they point out, tend to exaggerate the size of the crop in a bad year.

According to Robert Braden of the Michigan Agricultural Marketing Association, (MACMA), the short crop places Michigan farmers in a challenging spot. He points out that competing fruits, particularly cherries, have also been hurt by frost, that carry-over stocks of both processed apples and cherries are small, and that other parts of the country report similar difficulties beginning with the earlier orange crop failure in Florida.

Add to this a poor crop of West Coast pears, and what appears to be a short national crop of tomatoes, and the spotty fruit picture is nearly complete.

The challenge to Michigan farmers comes in marketing their smaller crop of apples, up to 70 per cent of which normally sell on the higher priced fresh-apple market. But there is a disturbing note, for nationally, U.S housewives have been turning away from fresh apples, scorning them for apple-pie mixes, apple sauce and similar pre-prepared foods. Last year, Michigan housewives bought two-million cases of apple sauce, and nationally orders for sauce have risen by about half-million cases in each recent year. But housewives being women, have the usual ability to change their minds, and "iff the price is right" will continue to buy Michigan's better-than-most fresh apples.

Naturally, the right price for her is not necessarily the right price for growers, something that Michigan farmers will have to keep in mind as they bargain with packers and processors for a price that is realistic, but not so high that it causes substitutes to be used, or puts apples into storage instead of tomatoes.

INTRODUCING COAST GUARDSMAN

Allen R. Gulau
Chief Engineman

Al, who was recently promoted to Chief Engineman, hails from Port Clinton, Ohio, where he was born some 33 years ago. He and his brother and sister attended Lake Side high school there, where he won his varsity letter in football and was a member of the track team.

Reporting aboard the Sundew in November of 1961, Al's service spans an 11 year period, including duty assignments on the Mackinaw and the Lake Huron lightship.

He and his wife, Joann, whose hometown is Omer, Michigan, and three sons reside at the Lake Terrace Mobile Court here.

Teachers Talk Children's Books

Francis Seidel, left, and Kathryn Smith, second from right, both of Charlevoix, talk children's books with Grant Barber, principal of Quarton Elementary school, Birmingham. Barber was the instructor for a course in "Children's Literature," offered this summer at Petoskey by Michigan State University. Mr. Seidel teaches foreign languages at Bellaire High School and Mrs. Smith is a kindergarten teacher for the Charlevoix Public Schools. Elizabeth Wenzel, second from left, teaches third grade for the St. Ignace Public Schools.

Mr. Barber pointed out that children can find adventure and excitement right in their own home town. During summer vacation time, youngsters can tour the 50 states, visit the peoples and countries of the world, discover dragons, dinosaurs and other actual and thearetical animals and make friends with fireflies, policemen, ghosts and flying carpets—all this without leaving their own front porch.

Through the wonderful land of books, the world around us comes alive for alert young minds. For the little tots, parents can select the books and read them, thus sharpening their minds and at the same time create a closer family tie.

Men's League

Ellsworth Morweld Steel has only American Mold standing between them and the first round title. During the week they posted impressive victories over the Merchants, 9-1, and Browes 14-0.

American Mold stayed one game behind the leaders with a 1-0 squeaker over hard-luck Lake Construction. Mold scored the only run in the first inning on Ken Balch's fluke infield hit and Ken Wojan's sharp single. The rest of the contest saw tight pitching and flawless fielding. Mold got a scare from Browes before winning 6-4. Two seventh inning runs pulled the losers up close but Nate Boss pitched out of trouble for the win. Harvey Cole and Ken Wojan led the attack with two hits apiece.

Lake Construction finally broke loose and paraded eleven runs across in the first inning to thump the Merchants 12-2. Joe Armstrong led a 15-hit attack with three safities.

Junior League

Barnard cinched the first round title with their win over A & W. Two four-run innings provided the winners with the 10-4 victory. Dennis Warner and Gary Crain collected two hits for the winners while Warren Belding continued his fine hitting by banging out three for the losers.

The Scouts came up with an upset win over previous unbeaten Barnard 5-4 in a tense struggle. Barnard scored twice in the final frame and had the tying an winning runs on base when the game ended. Tom Maxwell had three important base hits for the winners.

A & W had no trouble with win-less VFW as they scored a dozen times in the first for a 14-5 win. Eight walks plus four hits sealed VFW's fate.

Peanut League

The Dodgers continued undefeated in the Peanut league but the Cards and Cubs remained close on their heels.

The Pirates scored their first win of the season with a 13-2 win over the Braves. Carlie Swanson allowed only Terry Cumming's first inning single.

The Dodgers blasted the Lions 13-2 behind good fielding and strong hitting.

The Cards continued their winning ways with a whopping 22-6 win over the Pirates. Norm Ostrum led the winner's attack.

The Cubs handled the Tigers 11-2 with Bruce Pease leading the way.

Announce Results Of Annual Storm Trysail Race

The results of the annual Storm Trysail race from Traverse City to Charlevoix and return have been announced.

Ski Gal, owned by John Hayes of Traverse City, won top honors with the best accumulated time

Gatcheucha, owned by Adam McClay, and Maris Stella, owned by Al Perrault, finished second and third respectively.

The race began Friday, June 8 with a 72 mile first leg to Charlevoix and finished with a 41-mile return trip Sunday. 'Only three of the seven entries finished Sunday under their own power when the wind died away and a return to port under auxiliary power became necessary.

Ted Bergmann, veteran bridge tender here, commended the owners of cruisers which accompanied the sailing craft for their courtesy in lowering radio antennae as they entered the harbor. By doing this it was not necessary for the bridge to be opened as they eame and went.

Corvair 700 Club Coupe

The hardest part about parking a Corvair is finding a nickel

That may be a slight overstatement, but such jauntiness comes easily when you're a Corvair owner.

And you can usually back it up—as easily as you can back up a Corvair. You'll find yourself doing that occasionally, if only to adjust the brakes—they're *self-adjusting*. That's all there is to it, and that's a good example of how delightfully easy Corvair is to own, drive and maintain.

But since we began by talking about driving, let's stick with that awhile. A large factor in the fun of driving a Corvair is the location of its engine in the rear. Why the rear? It gives Corvair extra traction on any road surface. It provides a nearly flat floor for more useable interior space. Best of all, it produces steering so light, so responsivo, you wonder why no other American-mado car thought of it.

Corvair's engine is also air cooled, we might add, which means there's no antifreeze or water for you to add. Ever.

All that pleasure from something so practical almost makes you think Corvair is unique among American cars. Which isn't surprising, because it is!

News Round-up at
Camp Charlevoix

"Once Again We come Together", the camp song was wafted clear and strong on Saturday as the Thirty-eighth season of Camp Charlevoix started off with a full camp of boys from twelve states. Boys arrived by car, train bus and plane and it was a great day of old campers renewing friendships, and new campers busy looking the camp over and getting ready to start a new adventure. The day was sunny and hot, and everyone was in a holiday spirit. Everything went so well, that many of the "old-timers" remarked that it was the easiest and smoothest opening day that anyone could remember. The camp looked great, the lawns were green, the flowers blooming in profusion, and the lake was calm and beautiful. Many of the visitors remarked on the new handicraft shop and several stopped and visited it. It is indeed a great improvement. The chartered Greyhound bus arrived ot three-thirty and there was much excitement as the boys got off to greetings from the early arrivals.

In the evening, the Annual Pillow Fights were held in the club house and it was really a thrill to hear the gales of laughter and the shouts from everyone in the club-house. The following boys were matched: Greg Patton, Bloomfield Hills, beat Mark Herschede, Cincinnati; Eric Jensen, Birmingham, won over Kirk Kirlin, Grosse Pointe; Jim Ratliff, Dayton beat Dave Connelly, Dayton; Mike Flannery, Perrysburg, Ohio, won over Keith Graves, Akron; Peter Renchard, Grosse Pointe, beat Bruce Douglas, Oak Park, Ill.; Jeff Fishman, Fort Wayne, beat Jeff Nyland, Grand Blanc,; Bradley Corbin, Flint, and Charles Poll, Toledo, fought to a draw. Scott Somers, Cleveland lost to Brad Rea, Fort Wayne; Kim Kuehn, Princeton, N.J. won over Skip Sales, Grosse Pointe; John Ther, Oak Park, Ill. beat George Kryder, Akron; Jim Schlachter, Dayton, won over D. J. Somers, Cleveland; Steve Martin, Decatur, Ill. won over Bob Logan, Decatur, Ill.; Greg Lane, Akron; beat John Amberg, Grand Rapids; Art McKenny, fought a draw with Peter Stege, Oak Park, Ill. and In the feature of the evening, two of the staff put on a good show with "Spotty" Adams winning over Jerry Flora. The evening closed with the singing of "Taps" and the 1963 camp season was officially under way.

Sunday morning Chapel was held out in the outdoor chapel with Ken as the speaker. He spoke on "Building e Reputation". In the afternoon, the swim tests and physicals were given the boys, and as it was so hot, the campers spent the afternoon on the beach and in the water. In the evening, Vespers were held in each section.

These are busy days at camp with everyone anxious to get under way. The activities are starting today, Monday, and boys will be given a introduction to every activity in camp before their choices tonight, Monday, at supper.

* * *

The first week of this 38th season got off to e great start with the campers visiting all the activities on Monday, meeting the new instructors, and getting an idea of what was being offered. The men gave very fine presentations and the boys had a difficult time choosing their first week's octivities.

Tuesday was a red letter day as the campers chose their leaders to carry them through the summer competition. The camp is divided into two teams, the Greens and the Greys, and all competition is between these two teams. Each section held an election and the winners are: the Green captains are: Russell Washburn, Detrolt; Stuart Watterson, Cleveland; Jim Kueh Princeton, New Jersey; George Lackey, Grosse Pointe. The Green Lieutenants are: Chuck Gardella Grosse Pointe; Bobby Brace Greenville, Mich; Jim Hutchinson, Akron, Ohio; Keith Graves Akron, Ohio; Chuck Poll, Toledo· Bill Curphey, Toledo; Steve Martin, Decatur, Ill.; and Robbie Plisken, Akron, O. The Greys had a very exciting election with the winners being, Captains; Al Knoblock, Scottsdale, Ariz.; Brad Rea, Fort Wayne, Ind.; Mark Murfin, Decatur, Ill.; and Skip Sales, Grosse Pointe. The Lieutenants are: Dave Connelly and Jim Ratliff, both of Dayton, O.; Rick Nichols, Dayton; Chris Somers, Cleveland; Tom Laskey Milan, Mich.; "Geb" Bushnell Grosse Pointe; Kim Kueh Princeton, N. J.; and Steve Zeigler, Muncie, Ind. With these fine leaders, the competition should be close. The winning team is given a banquet at the end of the season by the losers. At the evening meal, the boys made their activity choices. Tuesday found the boys all in the activities of their choice. On Wednesday, the trips department went in to action with two canoe trips leaving camp. Gary Nagle, assisted by C.I.T. John Deane took his boys down the Jordan river for an overnight trip. These boys were: Ralph Miesel, George Steinhardt, Howard Davis, D. J Somers, Jim Schlachter, and Peter Eberbach. The other canoe trip to leave camp was Cabin 18 with Jim Crary and his group of boys: John Gibson, David Hoyt John Gould, Greg Nyland, Tom Hoyt, Jay Jorgensen, ond Jim Holloway. They paddled down the lake to McClures Lakeview Landing and spent the night, coming back on Thursday.

The Fourth of July dawned bright and warm and it was a glorious Fourth. The cowboys, plus Robbie Pliskin and Rusty Smith left camp about six thirty with six horses for the Horse Show at Traverse City. The six horses all won ribbons which made us all feel very good. We took eleven ribbons including six blue ones. Don Strutz, Fort Wayne, Ind., riding two of his own horses, Dun Time and Dandy Fine, won the trophy for high point man in the Morning Events, and Robbie Plisken, Akron, O., on a new camp horse, Laddie won the high point trophy for boys in the morning events. Rusty Smith won a Red Ribbon (second,) showing George King's horse, Katie's Breeze. in the Halter Class for Yearlings. Cowboys, Ron Kirk and Don Davison won other places. In the afternoon, back here et camp, the official Green-Grey competition started off with an all-camp track meet. It was so close in the points scored by each team that at the end of the meet each team had won two points. So at the start of this competition, the score is Greens 2, Greys 2. The point winners in the track meet were, for the Greens, Tom Dusbiber, Jim Graves, Jim Todd, Mike Ritoff, Russell Washburn Bob Logan, Steve Martin, Peter Eberbach, Dave Hoyt, Tom Hoyt, Stan Fishman, John Amberg, Jim Niezer, Lee Gonsior, Chuck Poll Bill Curphey, Rick Nichols, Bob Brace, Peter Stege, Art McKenny, John Cote, Jim Kuehn, Jeff Fishman, John Patton, George Lackey, Peter Cudlip, Norm Merollis, Paul Kelly, Ernie Kelly, Bob Ausbeck, Greg Lane, Steve Armington, and Greg Lane.

The boys making points in the track meet for the Greys were: Wayne Apern, Peter Renchard, Larry Light, Doug Laing, Dave Connelly, Al Knoblock, Jim Ratliff, Jack Requarth, Bob Hamburger, Jay Jorgensen, Greg Nyland, George Steinhardt Bruce Douglas, Ralph Miesel Mark Lucas, Chuck Limback Steve Ziegler, Skip Sales, Mark Hague, Brendy Lange, Eric Jensen, Kim Kuehn, Scott Somers Brad Rae, Bob Mardigian, Jim Kidston, Ted Herrlinger, Mike Flannery, Scott Harris, Tom Burr, Dick Huber, Tom Laskey George Bushnell, Joe Howk John Martindale, Jim Warner Woody Roe, Brad Corbin, Brady Shea, Bill Gardner and Hank Berg. This was the night for the annual beef Cook-out and Joe and Lewie, our head cooks really put on a great meal. Huge rolls of beef were cooked over on open fire down on the shore, and the boys were really thrilled with the buffet table that was set before them. The day was ended with the usual display of fireworks. The boys were all seated on the sand beach and the staff took over shooting the fireworks from the end of the dock. It was a beautiful moonlight night, and it took over an hour to put the show on. At the close of the display, each boy was given e box of a dozen sparklers to light, and the sight of these sparklers all lighting up the shoreline was indeed spectacular.

As the campers were up late on the Fourth, the whole camp took an extra hour sleep, with rising bell at 8:30 Friday morning, and breakfast et 9:15. This was most appreciated by everyone. In the afternoon, Cabin 16 took a canoe trip down the lake to McClure's Landing. Bill Plaides took his boys, among them Jim Warner, Jim Niezer Geoff Gould, Scott Graves, John Martindale, Fred (Rick) Nichols. Saturday Cabin 16 returned from its canoe trip and the day was spent in regular activities. The Camp Initiation hed been scheduled for the evening, but as the wind came up and was quite strong about eight thirty in the evening, the All Camp Committee decided to show a movie instead as there was always the danger of fire when the woods are as dry as they are. We haven't had rain for over two weeks, and everyone is hoping for rain, at night of course. So the boys saw Joe E Brown in "The Gledlator" and enjoyed it very much. The names of the boys going on the first trip to Mackinac Island were put up by Ken. These are the first fifty boys who enroll each summer for the following summer when the trip is taken. These boys were all enrolled last year for this season.

At the Sunday morning chapel service, Bill Townsend was the speaker. He gave a very challenging talk on "Building Your Personelity'. It was a splendid service and an inspiration to everyone. At the dinner table at noon, we had e song fest led by one of our kitchen staff, Don Morgenrauth from Toledo, O. He is a folk-singer of great talent, and with his mandolin, he had the campers really singing their hearts out. It was e very enjoyablo experience.

In the afternoon, the Green-Grey athletic events were held with the Greys winning four points and the Greens one point So the competition at this point is Greys 6, and the Greens 3.

Each year the new campers are initiated into the tribe of Charlevoix at an opening Council Fire. This was held Sunday night in the Council Ring, and it was a most impressive service. Ken welcomed the new campers, and the blindfolds were removed. The fire was lighted, and the spirits from last year were dug up, with Ken reading several of the messages last year's campers wrote at the end of the 1962 season Three of the staff gave challenges to the boys, and all three talks were very well prepared and were most thought provoking. Jonethan Howard spoke on "The Awareness of the Camper of God in Nature". John Binghem spoke on "What the camper should get from his aummer at camp". Marvin Crain took the topic "The camper's responsibility to his camp".

In order to keep up with the national trend for physical fitness, we have re-arranged our schedule to include e full fifteen minutes of calisthenics. We feel that this is very important to growing boys, and the concentration has been something new in our camp program.

Name Greased Pig Contest Winners

Some little piggies go to market and some stay at home, according to the nursery rhyme, but three little pigs went home with Tommy Moore, Billy Pardee and Richard Dennis following the greased pig contest at Al's Amusement Park last Wednesday evening.

Those fortunate youngsters proved their ability to hang on to the slippery little piglets during the event which was enjoyed by a large group of spectators. A free will offering was given to the March of Dimes.

Robert Sharrow was the winner of the $5.00 cash prize.

Class of 1938 Plans Reunion

Are you planning to attend the reunion of the Class of 1938 of the Charlevoix high school?

If so, Mrs. John Norton would like you to make your reservation at the earliest possible date for the event which is scheduled for August 3.

An open house during the afternoon will be followed by a 6:30 p.m. dinner and informal program.

St. Mary's Altar Society to Sponsor Smorgasbord

St. Mary's Rosary Altar Society will sponsor one of its popular smorgasbords at the school hall from 12 noon to 3 p.m. Sunday, Mrs. Homer Brady, general chairman, has announced.

The dinner will feature a choice of several hot dishes plus a variety of salads, vegetables, relishes, breads and rolls, all home-cooked, plus homemade pies and a choice of beverages.

Tickets are now on sale or they may be purchased at the door.

Friday Record Day At City Golf Course

Friday was a record day at the Charlevoix municipal golf course according to Keith Carey, club manager, who said that a total of 133 day tickets were sold. The previous record was 108 day tickets on Aug. 20, 1962.

The excellent weather and the increased number of players have brought the total number of day tickets for the season well over 300 above previous years.

Though Friday was the record breaking day, the sale of day tickets was up for the entire weekend, Mr. Carey said.

T. C. State Hospital Chaplain Speaks At Kiwanis Meet

Tho Rev. Fr. Edwin J. Frederick, chaplain at the Traverse City State Hospital for the past four years, was the guest speaker at the regular dinner meeting of the Kiwanis club held Monday at the Holiday Terrace Hotel.

Fr. Frederick spoke on his work at the hospital and the vital need for the proposed All Faiths Chapel. He said that in the 78 year history of the hospital, it has never had a chapel and that dining halls, gymnasiums and other facilities have been utilized for this purpose. He also added that there are 58 persons from Charlevoix county hospitalized at the state hospital. He asked the support of the club and its members in raising funds for the new chapel.

Russell Mieras, as program chairman, introduced the speaker.

Guests at the meeting were Vern Hanley of Highland Park, Bentley Frederick and Norman Gibson of Petoskey.

In keeping with the theme of the holiday, Independence Day, George Schraut, executive director of the Scenic Trails Council of the Boy Scouts of America, spoke on the Boy Scout program and how it promotes patriotism among its membership at the July 1 meeting. Mr. Schraut went on to say that the real responsibility of patriotism belong with parents and their early teachings. However, in many instances they do not accept this duty and leave it to persons outside the home.

He also touched on the Boy Scout program and spoke of the great need for leaders in the program.

Nowland Family Holds Reunion

The Nowland reunion at Whiting Park on Lake Charlevoix on Sunday attracted 103 members of the family. The group enjoyed a cooperative picnic at noon following a social hour and exchanges of family news.

Mrs. Earl Balch of Charlevoix and Mrs. Delbert Countryman of East Jordan were named to head the reunion committee for 1964.

Family members were present from Mackinaw City, Cheboygan, Gaylord, Tustin, Evart, Grand Rapids, Detroit, Marion, Petoskey, East Jordan, Boyne City, and Charlevoix.

Local Teachers Attend N. E. A. Convention

The 101st annual meeting of the National Education Association was held at Cobo Hall in Detroit June 30 through July 5.

This marked the first time that the state of Michigan has hosted the convention.

Attending from Charlevoix were Max Novak who attended as a delegate from M.E.A. board of directors; Mrs. Louis Courtade, as a delegate from Charlevoix County, a part of R.E.A. Reglon 14; Mrs. Gordon Moelier, Mrs. Robert Richards and Mrs. Charles Coleman, delegates from the Michigan Department of Classroom Teachers in hosting the annual banquet attended by more than 4,500 members.

Each M. E.A. group in the state was asked to donate some item to be given away to delegates from other states. Charlevoix provided Miniature bottles of Kiwanis Maple Syrup and literature relating to the community. These were distributed at the Michigan booth.

To Study North Side Water Pressure Problem

Ways of obtaining more pressure for water lines on the city's north side was discussed by Mr. Howland of McNamee Porter and Seeley Co. engineers at the regular meeting of the city council Monday night.

Mr. Howland suggested that the city have plans of its needs prepared and then present them with a letter recommending what should be done, the anticipated cost and other pertineat information to Accelerated Public Works commission requesting financial assistance. The APW offers assistance on a matching fund basis to communities having a criticol unemployment problem. Charlevoix county presently has a six per cent unemployment factor.

City Supt. James Taylor was instructed to ask the Michigan Waterways Commission for matching funds to increase the electrical supply at city docks and slips. The estimated cost of the project would be $7,000. The city proposes to utilize the services of city employees in lieu of capital outlay.

The city's trailer ordinance wos amended to permit parking of trailers for storage purposes only in yards any place in the city. However, they cannot be lived in or have utilities connected.

A request for permission to hold races for two and three wheel vehicles at Al's Amusement Pork was tabled until such races could be presented so the oldermen might ottend and see for themselves if the races would be objectionable because of noise, dust, etc. It wos suggested that the races be presented sometime during the Venetian Festival.

The council voted to ask for permission to close sections of Bridge st. during the Venetian Festival to permit a parade Saturday and other events on Sunday.

Bills totaling $40,051.60 were approved and ordered paid. The figures include $2,058.34 to the Traverse City Iron Works for water pipe; $1,900 for final payment on boathouse and property on waterfront from Mr. and Mrs. Bruce Withers. Earlier $100 was paid as option on the property; $10, 874. 62 to Consumers Power Co. for power purchased; $3,360.90, quarterly Social Security payments; $1,600.23, sewage accounts receivable purchased; $4,459.56, water accounts receivable purchased; $1,956.87, city-used utilities and $8,053.55 payroll.

S. E. "Irish" Coleman Retires From Teaching Profession

The man who has introduced Charlevoix high school students to English literature since 1926 and the track coach whose teams have dominated the Northern Michigan Class C league since it was organized in 1935 has announced his intentions of retiring after 36 years in the teaching profession.

He is Stewart Ellsworth Irish' Coleman who has resigned from the faculty of the Charlevoix schools because of ill health that kept him from the classroom and his beloved track through most of the spring months.

With Mr. Coleman's retirement, students will be losing a teacher who has made English literature come alive and one who has made the dullest biology lesson interesting; a coach who has brought out the best, or, as he always has said, "the most", in aspiring young athletes in a sport that demands individual sacrifice and effort and a friend who has probably left his mark on more students through his encouragement, words of advice and guidance than any other classroom teacher in the history of the Charlevoix schools.

Mr. Coleman came to the Charlevoix school system in the fall of 1926 after teaching at Lexington in southern Michigan for one year. A native of Renova, Pa., where he graduated from high school and where he worked in the coal fields to finance his education, he entered Michigan State Normal College, now Eastern Michigan University, in September 1923. He later received his B. A. degree from this school and did graduate work at Allegheny College and Penn State.

A former cinderman himself, Mr. Coleman introduced track into the athletic program here in the late 1920's and built the present cinder track located adjacent to the new high school. Though some 30 years old, the track continues to be the best in the north.

Since the organization of the present Northern Michigan Class C league during the 1935-36 school year, his track teams have won 22 league titles including 15 consecutive championships from 1938 to 1952 and many regional titles as well as setting conference regional and state records.

For many years he has introduced the school's young fry to the sport of basketball when they were in the early elementary grades when they were known as Coleman's Cots. He also served as assistant football coach and has scouted many a football and basketball game to get a line on the opposition's tactics. At the Charlevoix high school he had served as a member of its athletic council for many years.

S. E. "Irish" Coleman

In the community he served as secretary-manager of the Charlevoix Board of Commerce for 17 years and more recently as harbor master.

Mr. Coleman is presently hospitalized at the Charlevoix hospital.

Six Candidates Enter Venetian Queen Contest

All contestants are asked to be at the Chamber of Commerce booth at 4 p.m. Friday for photographs.

Judges will be Mrs. Thomas Kroll and Jack Behan of Petoskey, the latter of Station WMBN, and Mrs. Arthur K. Rouse of Boyne City. They will select the 1963 queen at a dessert at 7 p.m. Monday. However her identity will not be made known until the time of the coronation on Sunday.

Six young beauties have indicated their intentiona of entering the 1963 Venetian Queen contest and more are expected before the deadline at 4 p.m. Friday.

Candidates to date are Martha Coleman, 1962 Homecoming Queen at the Charlevoix high school, Ruth Ann Miller, Sharon Russell, whose sister, Wanda (Mrs. Kit Carson) was once queen, Carolyn Brady, Judy Walker and Ruth Schofield.

One of the group will be named to succeed Linda Neff who will relinquish her crown at the coronation ceremony scheduled for Sunday, July 28. Others will serve as members of her court.

Community Chest Fund To Benefit Twelve Agencies

The 1963 Community Chest campaign to raise funds for 12 agencies will begin shortly under the chairmanship of John Lochman. In order that area residents may know their contributions are being used to benefit them, the Community Chest board of directors headed by Don Anders has arranged a series of articles stating the series of participating agencies.

The first in the serles are the Community nurse whose request is for $1,650; the Community's Nurses General fund administered by her and the Charlevoix county Red Cross chapter.

A summary of the services offered by the community nurse through District Health Unit No. 3 reveals the following: tour of the county by the mobile TB x-ray unit with the result that several chest abnormalities were discovered and referred to personal physicians; tuberculin testing programs conducted in the schools and periodic trips for comparison x-rays made to Gaylord by former patients; children with orthopedic and plastic difficulties referred to an area clinic through the cooperation of the community nurse and area doctors; two different six-weeks courses for area residents with hearing and speech problems; monthly pre-school immunization clinics; home calls for the purpose of administering injectable medications at the request of private physicians in the community and services as a coordinator and referral center for various agencies.

The school and the Community Chest cooperate in underwriting the salary of Charlevoix's community nurse, Mrs. Jeonne K. Miles. The request submitted and approved was $1,300 for salary and $350 for travel expenses.

Administered by the community nurse is a general fund of $250 used to underwrite the cost of emergency medical or dental aid to children and a few adults when their own funds are not sufficient to take care of these things. Until the organization of the Lions club, the fund also purchased glasses for children.

A third agency partieipating in this year's Chest campoign is the Charlevoix county Red Cross chapter whose request was for $1,000 from the Charlevoix Chest.

The chapter assists service men and women in obtaining special leaves, offers financial aid in the form of loans or grants, provides leadership and training in water safety ond first aid among other services.

Last year the chapter spent $139.90 in local grants of aid; $472.60 in uncollectable loans to servicemen; $77.37, First Aid ond Water Safety materials; $192.00, loans to servicemen; $265.87, telephone and telegraph; $120.00, rent; $120.00, mileage; $360.00, salary; $17.00 postage and $1,510.42 to National Red Cross for a total of $3,294.96.

The chapter's income included $1,000 each from East Jordan and Charlevoix and $300.00 from Boyne City, $177.20 in repaid loans and $235.66 miscellanious donations and receipts from First Aid and Water Safety materials for a total of $2,712.86. Another $950 was due from Boyne City on June 1.

Peter H. Timmer of Charlevoix is chapter chairman. Charles B. Landers of East Jordan is executive secretary.

U of M Survey Ship Docks Here

The University of Michigan survey ship, "Inland Seas" docked here over the weekend.

The ship is being used in making a survey of the Great Lakes. Aboard was a crew of 17, approximately half of whom were scientists associated with the University. While here they also did some minor survey work in Lake Charlevoix.

The ship is equipped with more than $1 million worth of special survey equipment.

A member of the operating crew, Robert Harris, first mate aboard the ship, visited his cousin, Mrs. John Rosquist and Mr. Rosquist while the ship was berthed here.

Pleads Not Guilty Of Nuisance Charge

Charlevoix's new nuisance ordinance relating to noise will be put to its first real test at 10 a.m. Wednesday when Justice John Connolly presides at a justice court trial on such a charge.

The time and date was scheduled by Justice Connolly after Gerald Left of Jerry's Port pleaded not guilty after being served with an ordinance violation warrant signed by a resident living within the area where the Port is located (at Petoskey and Prnspect aves).

Dr. R. E. Shanahan Former Resident Joins Burns Clinic

A former local resident, Dr. Robert E. Shanahan, has joined the staff at the Burns Clinic at Petoskey it was announced this week.

The son of Cmdr. and Mrs. Edward K. Shanohon, he received his bachelor of science degree from the University of Michigan in 1954 and was graduated from the Universlty's School of Medicine in 1958. Following graduation, he served a year's internship at the New York hospital in New York City.

He then returned to Ann Arbor to serve a residency in general surgery at St. Joseph's Mercy hospital from July 1959 to July 1 of this year.

Dr. Shanahan is the grandson of the late Dr. R. B. Armstrong, physician and surgeon here from 1900 to 1940, who was instrumental in establishing the Charlevoix hospital in 1918.

Dr. Shanahan, his wife, Mary Lou, and their four children, are presently residing at Birchwood Ranch. They plan to live in Petoskey.

Venetian Festival Set For July 27-28

The Venetian Festival, 1963, becomes more of a reality every day as committees, working on various phases of the two-day event scheduled for Saturday and Sunday, July 27 and 28, complete their plans and report them to D. D. Walker, general chairman.

A street parade at 1 p.m. with chairman, Frank Boss, serving as parade marshall, will launch the festival. Entries in the parade are still needed. Details may be obtained from Mr. Boss.

The popular Doll, Pet and Dress-up parade in East Park at 2 p.m. Soturday under the guidance of Mrs. Wayne Woods and Mrs. Donald DeMoor will be followed by Juvenile races and entertainment under the direction of the Kiwanis club.

A baseball game at the ball park at 7:30 p.m. will be of interest to ball fans who will see a local all-star team take on an outfit from Kolamazoo. A square dance exhibition on the East Park stage will be presented at 8 p.m. for those desiring other entertainment.

East Park which will take on a carnival atmosphere with its many booths will continue as a midway throughout Saturday evening and all of Sunday afternoon and evening.

A sunrise service at 6 a.m. on Sunday under the sponsorship of the Charlevoix Ministerial Association will open the Sunday activities which will feature a sky diving exhibition by Jim Annis at 2 p.m. followed by a concert by the Charlevoix City band conducted by C. A. Odmark at 4 p. m.

A variety show and the coronation of the 1963 Venetian Queen beginning at 7 p.m. will precede the Venetian Boat Parade on Round Lake at 9 p.m.

Entries for the Venetion Boat parade are still being sought according to Phil Lawrence and Bob Hamilton, chairmen of the event, who added that the response has been good but that more are needed if the porade is going to meet the fine standards set last year.

The beautiful fireworks display as the decorated boats float on Round Lake will climax the annual event which attracts thousands to the community for the weekend.

The entire festival is sponsored by the Charlevoix Chomber of Commerce.

CHS Marching Band to Highlight Venetian Parade

The Charlevoix high school marching band will participate in the annual Venetian Festival parade at 1 p.m. Saturday, July 27, C. A. Odmark, director of the group has announced.

In connection with this appearance by the band, Mr. Odmark has issued a plea to employers of band members to try, if at all possible, to release band members for 1½ hours on that day so the hand members may participate in the parade.

Fielding a high school group duriag the summer months is a difficult task according to Mr. Odmark because so many of the bandsmen are employed. However, it is hoped that a representative group will be available to march in the parade.

The band room at the high school will be open at noon for uniform change. The band will leave the school at 12:45 p.m. for the 1 p.m. parade.

Mrs. Joseph Left Dies Following Long Illness

St. James, Beaver Island—Funeral services for Mrs. Joseph Left, 62, the former Veronica Gallagher, will be held at Holy Cross church at 11:30 a.m. this morning (Thursday). Burial will be in Holy Cross cemetery.

Relatives and friends gathered at the Winchester Funeral Home in Charlevoix Wednesday evening to recite the Rosary.

Mrs. Left died Sunday in a Detroit Nursing Home.

A native of Beaver Island where she was born March 9, 1901, the former Veronica Gallagher was married to Mr. Left at Holy Cross church here. They had gone to Chicago in 1936 to make their home. Mrs. Left has resided in the Detroit area since her husband's death 10 years ago. While in Chicago she was a member of St. Mary's of the Lake church. She had been in failing health for several years.

She is survived by a daughter, Mrs. Desmond Currier of Birmingham; one son, William J. Left of Chicago; several grand children and a sister, Mrs. Fred Zalusky of Ludington.

Council to Hold Open Meeting With Gas Company Officials

Objections to the manner in which pipe lines are being installed by the Michigan Consolidoted Gas Co. will be aired at an open meeting called by the Charlevoix city council for 8 p.m. on Monday in the council rooms.

Representatives of Michigan Consolidated Gas Co. will be present to hear objeetions already registered with the council. It is the contention of the council that the agreements relating to the installation of the lines ore not being honored by the construction company engaged by Michigan Consolidated. For instance, roots are being cut from the trees and not tunneled under, as agreed; electrical and water services are being disrupted; sewer clean-outs are being filled with dirt and curbs have been broken ond not repaired as agreed.

Residents having complaints are asked to present them in writing to their aldermen prior to Monday's meeting so that they can be brought up at that time.

Coming Events

July 18—Smorgasbord at the First Methodist church dining room 5:30 to 7:30 p.m. sponsored by W.S.C.S.

July 18—V.F.W. Auxiliary will meet at post home 8 p.m.

July 27-28—Venetian Festival.

July 24—Village Fair Bazaar, bake sale and luncheon, First Congregational Church beginning at 10 a.m.

A Career for Young Men

For the first time since 1960 the Michigan State Police has opened a recruiting drive to supplement personnel. Here is an unusual opportunity for young men seeking a career if they can qualify.

Many of us have been glamorized by the tales and exploits of the Canadian Mounted Police but few of us are conscious of the service rendered by our own Michigan State Police. If you have ever been stopped on the highway by one of them, you will agree they are first gentlemen and secondly they conscientously try to perform their duties as prescribed by the laws of the state and nation.

We have yet to hear a report that a member of the Michigan State Police was a roudy or a bully in the performance of his duties. And, we have yet to hear of an officer who failed to carry out the job assigned to him to the best of his ability. The record is enviable and we believe it is second to none in the world.

It is not a career for a namby-pamby looking for a free ride at taxpayers expense. It is, however, a career for the young man who can qualify if he has a high school education, or its equivalent. When he completes training he will have security for life if he discharges his duties in compliance with the high standards of the Michigan State Police.

Here seems to be a golden opportunity for young men who might not have the finances for a college education but have the character and other qualifications to maintain the high standards of the Michigan State Police.

Mr. and Mrs. Clare Harwood To Make Their Home in Saginaw

The First Congregational church was the scene Saturday evening of the wedding of Sharon Abfalter and Clare Harwood.

Parents of the couple are Mr. and Mrs. Frank J. Novotny, Mrs. Charles Howard nnd Lester Harwood.

The Rev. Harold E. Kohn officiated at the double ring service in the presence of more than 150 guests. Arrangements of white gladioli and snapdragons formed a setting for the candlelight service.

Mrs. Charles Bellinger, at the organ, played the traditional wedding marches and accompanied the soloist, Mrs. E. D. Hawley, who sang "O Perfect Love", "At Dawning" and "The Lord's Prayer".

Given in marriage by her father, the bride chose a floor length gown of white silk organza over taffeta for her wedding. The basque bodice was accented with a scoop neckline outlined with re-embroidered lace appliques and long sleeves. The full skirt ended in a chapel sweep train. A jeweled cap of lace secured her elbow length veil .She carried a cascade arrangement of white glamelias centered with miniature yellow roses.

Deanne Irwin of Westchester, Ill., cousin of the bride, as maid of honor, and Dagmar Brock as bridesmaid, wore identical apple green sheath dresses and matching head pieces of velvet leaves and net and carried cascade bouquets of yellow daisy type pompoms.

Susan and Jane Abfalter of Elk Rapids, nieces of the bride, as flower girls wre yellow nylon dresses topped with lace bolcros and carried miniature arrangements of yellow daisy-type pompoms.

Stanley Harwood of Houghton assisted his brother as best man. Donald Heise served as groomsman. Roy Whitley and Rodney Richardson seated the guests.

A reception followed in Friendship hall which was decorated with arrangements of white snapdragons and pompoms and greens. Assisting were Mrs. Robert Livingston, Mrs. Stanley Harwood of Houghton, Mrs. William Irwin of Westchester, Ill., Lenore Livingston and Lynette Livingston.

For traveling on their wedding trip to the Upper Peninsula, the bride wore a blue figured nylon jersey dress and white accessories. After July 20 the couple will be at home at 5655 Dixie Highway, Box 92, Saginaw, Michigan.

Both are graduates of the Charlevoix high school. The bride also attended Davenport Business Institute.

Sea-Going Goat Returns to Home On Mercer Blvd.

Charlevoix's sea-going goat is now grazing peacefully at its home on Mercer Blvd. after its lake voyage, o most unusual experience for even a goat.

The goat itself apparently had not made any reservation with James Gallagher, who takes care of such arrangements for the Beaver Island Boat Co. but people, and goats, too, often don't make reservations; so, when Mr. Gallagher found the goat tied in the hold of the Beaver Islander he just assumed that its owner had taken care of its passage. When the boat departed for St. James Friday morning, the goat was aboard. But upon its arrival there no one was on hand to 'meet' the animal. In fact, it wasn't until then that the crew came to realize that the whole thing was a joke. However, it wasn't any joke to the goat which needed to be milked. An Island resident took care of that before putting the nanny aboard for the return trip.

Upon arriving here, the animal was returned to its owner, Albin Durance, who had been searching all over for the errant nanny.

The incident has given area residents quite a chuckle but chanees are the goat population in the north is having an even bigger one as it discusses the gullibility of humans.

Pair Speaks Marriage Vows In Church Ceremony

St. James, B.I.—Capt. and Mrs. Vincent Paul Beilman Jr. are on a wedding trip to Hawaii following their recent marriage at St. Mary's Cathedral in Lincoln, Neb.

The bride is the former Audrey Ann White, a Captain in the U.S. Army Nurses' Corps and the daughter of Mr. and Mrs. John C. White of Muskegon, former St. James residents now living in Muskegon, and the granddaughter of Mr. and Mrs. James O'Donnell of St. James. Capt. Beilman is stationed at Lincoln Air Force Base, Lincoln, Neb.

Given in marriage by her father, the bridge chose a gown of white bombazine and Guipure lace for her wedding. A double Swedish crown secured her bouffant veil. She carried a casade bouquet of Majestic daisies.

Pamela White of Muskegon was her sister'a maid of honor. She wore a horizon blue gown of silk organza over taffeta and a pearl and crystal headpiece. She carried a nosegay of matching blue daisies. Phyliis Bucci, Doreen Huckins and Janet Pucket, fellow nurses at Lincoln Air Force Base, as bridesmoids wore gowns identical to the honor attendant'a in moize, petol pink and mint green, respectively, and matching headpieces and carried nosegoys in shades to match their gowns.

Lt. Col. Robert Connor aasisted the bridegroom as best man. Major John Gallogher, Lt. Gregg Schnell and Capt. Hugh McCracken seated the guests.

Capt. ond Mrs. Beilman received 200 guests at a reception before departing on their wedding trip. They will be at home at 78 Trenridge Road, Lincoln, Neb. later this month.

The bride is a graduote of Mercy Centrai Schooi of Nursing at Muskegon and is a member of the U. S. Army Nurses Corps with the rank of Captain. Capt. Beilman is a navigator with the U.S. Air Force.

A man you can depend on!

YOUR Independent Insurance AGENT "SERVES YOU FIRST"

When your personal and business affairs are running smoothly you seldom think of insurance. It is only when something goes wrong that you fully realize the important role insurance plays in your life. Then, when you need him most, you can depend upon your Independent Agent to serve your interests best.

Your local Agent knows you and your needs. He may in fact be a personal friend. As an independent local businessman he is vitally concerned with you as a client and a friend to whom he can provide help and service when needed. In effect, "You Are A Neighbor, Not A Number."

The Boston Insurance Group's strategically located "Local Home Offices," each with its network of reporting Branch and Service Offices, with whom your Agent consults about your program of protection, assures speedy and efficient consideration of you as an individual. Each of the Boston's Group Regional Offices offers complete customer service to more than 8,000 Independent Local Agents in cities and towns all over the nation.

That's why Boston policyholders know that they can depend upon their Agent when they need him most.

Mrs. J. A. Lacefeild Seeks Descendants of John A. Johnson

A charming southern lady, Mrs. J. A. Lacefield, who credits her sense of curiosity to keeping her young at 82, is seeking descendants of o John A. Johnson who lived in Charlevoix in 1897.

She never met Mr. Johnson; all she has is a faded brittle letter written on Feb. 22 1897 to her grandmother, Mrs. Virginia (Johnson) Maxwell who was living in Savannah, Tenn. at the time by Mr. Johnson, her nephew.

In the letter Mr. Johnson mentioned his 'family' but did not mention any children. He did say that he would be 61 years of age an Apr. 27 of that year. The letter was mailed in a business envelope which had the name "Thomas L. Johnson Box 93 Charlevoix, Michigan" printed in the upper left-hand corner.

Mrs. Lacefield stopped here Sunday while on a trip through the midwest with a daughter. She recalled that her grandfather was named Thomas Maxwell and was a surveyor and civil engineer.

If anyone has any information about this family or is a descendant of the Johnson family she is seeking won't you please write to Mrs. Lacefield at 202 Hawthorne at Florence, Ala. She will appreciate your efforts.

Mrs. Garfield VanDusen

Please call at the Charlevoix Courier and pick up your free ticket to the Palace Theatre on or before July 27, 1963.

Men's League in Playoff

With the first round of play completed American Mold and Morweld Steel ended in a tie for the title. The deadlock came about as Morweld edged Lake Construction 2-1 in a tense struggle. The losers battled all the way and lost their third game of the year by the narrowest of margins. For the winners it was a family affair as Hank Klooster figured in both runs. He doubled home the first one, and his lead off double in the third, followed by John Swanson's single scored the other. Hank's brother Bob pitched an excellent game, despite a back injury, allowing only two safeties. Ted Potter and Sam Supernaw combined to score the Construction run. The playoff game is set for Fri. (tomorrow) at 8:45 and a large crowd is expected to view the contest.

Earlier in the week American Mold dealt Morweld their first loss 3-0. However the win was slightly tinted in that during the fifth inning pitcher Klooster injured his back and had to be replaced. At the time the score was 0-0. Mold quickly came to life and scored four times in each the fifth and sixth innings with the entire lineup hitting well.

Lake Construction had no trouble with Browes as Ted Potter pitched a shutout and allowed only two hits. His teammates meanwhile collected 14 hits with Pat Anderson banging a homer and single, and Terry Rice smacking two doubles, for the 10-0 win.

The Merchants gave Mold a scare for five innings before folding. It was 2-0 for Mold until the fifth inning when they scored five times for a 7-0 win. Nate Boss, among one of the city's outstanding pitchers, pitched a no-hitter facing only 23 men, two over the minimum of 21.

City Swim, Tennis Report Record Enrollment

The recreation department reports that both the Tennis and the Red Cross swimming programs have had record enrollments.

The swimming program under water safety instructor, Gary Smith has a record 208 youngsters enrolled. There are seven different class periods of thirty minutes each. Groups have been divided into beginner, advance beginner, intermediate, and swimmer ability levels. Enthusiasm was high as Rerceation director Deano Davenport welcomed all classes last week and outlined the various rules and regulations expected of all participants. The classes are now learning the fundamentals and technique of learning how to swim. The lessons will continue for five weeks followed by the city swimming races.

The tennis school, under the direction of Sam Supernaw, also reported an increase in enrollment as 31 took part, including several adults. The two week session ended with an impromptu tournament.

The next recreation department event is the track and field meet for both girls and boys scheduled for the week of July 22.

Peanut League Playoff Necessary Also

A tie for the first round title cropped up in the Peanut league with the Cubs and Dodgers tying. The playoff is scheduled for Thursday (tonight) at 8:15.

The playoff became necessary when the Cards upset the Dodgers 5-4, dealing them their first loss of the season. The Dodgers didn't pick up a base hit, yet, were able to win because of their sharp fielding and good base running. The Dodgers scored four runs early on Ted Doan's single and two Card miscues. The Cards got one back in their sixth and then waited out the pitcher in the seventh and collected eight walks for four runs. The Dodgers had a serious threat in the bottom of the seventh, but sharp cardinal fielding cut off one run at home, forced another at second on a base hit, and got the final out on a play at third base.

Blooper Title Is Decided

Holm and Crain's Wrecks waited until the last inning before they came from behind to whip Consumers 14-13 and win the first round title. The winners were sailing along with a big lead when Consumers came to life and paraded home nine runs in their fifth. Ron Peterson's two run single provided the margin in the final time at bat for the winners.

Novak's Insurance Agency got into the win column at the expense of Brown Motors with a convincing 16-3 win. Biggs was the big slugger for the winners with two singles, a double, and a home run.

IT'S NEVER TOO EARLY to learn ... and that's true where the telephone is concerned, too. That's why it's such a good idea to teach young children how to use the telephone correctly—especially for emergencies. A child can easily learn how to dial the Operator—and, if need be, ask the Operator to call the police or fire department. When children understand what a phone is for and how to use it, they're less apt to regard it as a toy, or "play games" that could interfere with calls from people trying to reach you.

CAREFREE TRIPS are at your fingertips this summer ... when you remember to phone ahead. It's really amazing how many summer-fun problems the phone can solve for you. And how many ways the phone can add to your fun! Like making sure of your reservations, on a two-week trip. Or inviting a friend to join you for a swim on a warm Saturday afternoon. And when you're on the move, Michigan Bell has 45,000 public phones to serve you. You'll find them alongside highways, near the beach, in stores and office buildings.

COST CONSCIOUS? Costs are on everybody's mind these days. And that goes for your telephone company, too. For example, Western Electric, the manufacturing and supply unit of the Bell System, recently developed a new method of making the familiar "plungers" for the handset cradle on telephones. The new method cuts nearly two cents from the cost of manufacturing each phone—an aggregate saving of over $100,000 a year. Cost reduction is an everyday part of our job, helping us provide you with telephone service that is high in value, low in cost.

News Round-up at Camp Charlevoix

The second week of camp started off with more trips scheduled, as they are an important part of camping, teaching a boy how to care for himself in the out-of doors.

Jon Howard and Jon Steffensen took their cabin 13 on a horseback overnight to Bay Shore. A cowboy accompanies this trip and the boys were: Bill Curphey, Brady Shea, Ernie Kelly, John Amberg and Bill Gardner.

In the afternoon, Ted Fleming and Bob Hickham took their boys down to the Jordan River for a canoe trip. These boys were Mark Murfin, Doug Parker, Phil Fisher, Jim Cudlip, Bob Ausbeck, and Stan Fishman. From all reports, they had a great time and enjoyed canoeing on this very scenic river.

John Bingham took his cabin 15 on a sailing trip, stopping overnight at Whiting Park. These boys were Peter Crew, Stuart Patterson, Chuck Poll, Ricky Osborne, Lee Gonsior, Woody Roe, John Dusbiber, and Brad Corbin. In the evening, Paul Gach, of Grosse Pointe, arrived to spend two days taking the camp pictures. This is always an exciting time, as Mr. Gach goes from activity to activity and from cabin to cabin taking the pictures.

We have also arranged to have the cabin group pictures taken again during the second four weeks so that these boys might have camp pictures, too. Tuesday was picture-taking day and the boys sure looked great all dressed in their whites.

Wednesay we had several more trips go out, plus more picture taking. Ed Bryant, cabin 19, took his boys down the Jordan River. These boys were: Jim Todd, Doug Laing, Bruce Douglas, Tom Dusbiber, Peter Renchard, Jim Graves and Jack Reouarth.

Cabin 20, Jerry Flora, counsellor, took a sailing trip to Young's State Park. These sailors were accompanied by John Rotz and Dave Roberts. The boys were Steve Martin, Bob Logan, Larry Light, Frank Kolbert, Robbie Pliskling and Al Knoblock.

In the afternoon, Camp Seagull brought its intermediate ball team over for a game. Camp Charlevoix won 7-2. The boys on our team were: Chuck Poll, Tom Burr, Bill Curphey, Lee Gonsior, Stu Waterson, Woody Roe, Jim Kuch, Bob Ausbeck, Phil Fisher, Geb Bushnell, and Brad Corbin.

In the evening we started a week of "MUGWUMP". This is a great tradition here at camp. There was much excitement after the evening meal when the entire camp took off to find this make-believe bird, the finding team having possession of it for "runnings" through the camp to win points for their team. It was found by a Junior Grey, so the Greys had the "MUGWUMP" to start off a week of competition. To close out the day, the boys gathered in the Bigwam to see the movie "Underwater City" which thy all enjoyed.

On Thursday, George Smillie and one of the cowboys took Cabin 12 on a horseback overnight to Bay Shore. These boys were Chuck Reynolds, Roy Feldman, Steve Armington, Dick Gummer, Jon Steffes, and Chris Somers.

Tom Kennedy and Gary Murfin took their boys from cabin 2 on a day hike to Susan Lake where we have a tent on the shore along with a rowboat. These Juniors were Kirk Kirlin, Hank Bergg, Eric Jensen, Mark Hague, Bob Brace, and Ben Warren.

Our oldest boys in camp, Cabin 21, with "Spotty" Adams as the counsellor took a sailing trip to Young State Park. These boys were: Mark Lucas, Mike Ritoff, Russell Washburn, Jim Ratliff, Dave Connelly, Bob Hamburger, and Wayne Alpern. During the day, the Greys tried to run the MUGWUMP, but were held back by the Greens who took possession.

On Friday, we had two more overnight trips leave camp, as Jim Baird took his cabin 11 on a canoe trip to McClure's Landing. These Boys were: Geb Bushnell, Irving Ingraham, Jim Kuehn, Steve Manis, Jim Kidston, Bobby Mardigian, and Alan Hoffman.

Dan Cameron took his cabin 7 assisted by Ace Hoyt and one of the cowboys on a horse back overnight to Bay Shore. These boys were: Scott Harris, David Washburn, Jimmy Chalat, Brad Rea, Scott Somers, and John Cote.

In the afternoon, we hosted a ball game with the older boys from Bay View, a summer colony near Petoskey. They were a very fine group of young men, and Camp Charlevoix came from behind to eke out a 11-10 victory. The boys who played for us were Bob Logan, Mike Ritoff, Bobby Pliskin, Jim Ratliff, Marc Taylor, Jay Heitz, John Deane, Al Knoglock, with John Fraim being the winning pitcher. The substitutes were John Guba, Rusty Smith, Jim Holloway, John Gillete, Bob Hamburger, and Doug Laing.

Saturday found the trips returning, and the older boys in camp getting ready for the dance that night with Chippewa Trail Camp. We had an early supper at 5:30 and six cars left camp for the dance. They returned about eleven with 35 tired but very happy boys. (I'm sure the mail here at camp will increase from now on).

The rest of the campers back here at camp had a "skit" night with several cabins putting on very funny skits. O, yes, it started to rain a slight drizzle about six o'clock and everyone was so thankful as we sure have needed rain after a month of no rain at all. It rained all Saturday night and all Sunday morning, and we hope that the fire hazzard has been lessened a great deal. Now back to the skits. Dick Kaye's cabin put on a skit called "Patience Donkey". Jimmy Carkhuff was the announcer. The next skit was put on by cabin 8 with Bob Lohman as the counsellor. These boys put on a "Ditch Diller" song fest and it was very funny with Jim Hutchinson as "Ditch". One of the cleverest skits was put on by Cabin 16, Bill Plaides cabin, and it was called "The Motorcycle Salesman". Rick Nichols was the salesman and Scott Graves the beatnik customer. The best skit of the evening was given by a Junior Cabin. It was Marv Crain's cabin four. It was called "Piff Piff Land", and was announced by Gary Blumberg. The drum beater was Jeff Nyland, Prince Charming was Brendy Lange with Steve Zeigler as the Princess. It was all recited to the rythm of the drum and was very clever. The last skit of the evening was given by John Bingham's cabin 15, and was titled "The Operation" with Stuart Watterson as the doctor and Woody Roe as the patient.

The evening was closed with the singing of "Taps".

At Sunday Morning Chapel, our speaker was Ed Bryant who is a Senior Law student at Virginia. Ed is in the Water Skiing department and spoke on our camp motto "I Would Be True for There are Those Who Trust Me". It was a very inspiring talk, and well worth printing for distribution. I'm sure the boys got a lot of good from this. We were happy to have several parents join us for the service.

In the afternoon, it was still raining (thank goodness) so all four sections had quiz programs with the Greens wining in three of the groups, putting them ahead in the Green-Grey competition by the score of 9-8.

In the evening, the Jolly Juniosr had a Vesper Service while the rest of the camp saw a movie called "Southern Highlights".

The campers are starting to get excited about the Camp Carnival which will be held on Saturday, July 20th at 3 p.m. Several of the cabin groups have ehosen their booth. This will be a busy week with much excitement.

Airline resolution offered by Alderman Neff and supported by Alderman Staley.

RESOLUTION

WIIEREAS, Since the establishment of the Government of the United States, it has been its policy to encourage nnd devolop various forms of public transportation by granting subsidies to assist sueh transportation media until their growth and development enabled them to become self-supporting.

In keeping with this policy the Government has undertaken the encouragement and development of a national system of local carrier or feeder air-lines, whieh are the proper recipients of government aid in the form of subsidy in keeping with the policy of the Government which was applied to the trunk lines as well as to other forms of surfaee transportation.

WHEREAS, Notwithstanding the long history of Government aid to transportation, and notwithstanding the distcontinuance of such aid with injury to the economy of the country and denial of air transportation to hundreds of small communities, there is constant reference to the intent of the Civil Areonautics Board to further reduce the local airline system of this country by denying the allocation and payment of the moneys provided by Congress for the purpose of subsidy.

WHEREAS, there is a slgnifieant body of opinion also shared by the local service carriers that a major obstacle in the economieally sucecssful operation of short haul carriers is lack of a suitable short haul aircraft.

WHEREAS, North Central Airlines has given excellent local service to this area, and the undersigned Municipality is desirous of expressing its full and complete support of said North Central Airlines in providing local service to this area.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF CHARLEVOIX, MICHIGAN, That the public interest urgently requires that the policy of Congress be continued and the local service airlines be permitted to function, to grow economically strong and to serve the public with government air until they, in their turn, shall become economically self-supporting through rendering adequate service to the communities for which they are certified.

BE IT FURTHER RESOLVED, That Congress be urged not only to continue the appropriation of funds for the payment of subsidy, as it has done at all times in the past, but also to take such action as it may deem appropriate to insure that the Civil Aeronautics Board exercises the powers delegated to it by the Congress in accordance with the policy, will and intention of the United States as expressed by Congress.

BE IT FURTHER RESOLVED, That, if necessary, the Civil Aeronautics Board prepare and actively support legislation which would authorize the Board, or other appropriate Federal Agency, to procure suitable off-the-shelf aircraft and to make them available on a low cost lease or rental-purchase agreement, for the purpose of determining the economic feasibility of short-haul route operations with small-medium size transport type aircraft.

BE IT FURTHER RESOLVED, That the Civil Aeronautics Board be highly commended in initiating an active proposal to develop specifications for a short-haul aircraft which will be economically and operationally suitabla for use on low density and short haul feeder routes.

Adopted by the following Yea and Nay vote. YEAS: Aldermen Fochtman, Gill, Grubaugh, Neff, Parsel and Staley. NAYS: None. ABSENT: None.

The Finance Committee having examined bills totaling $25,944.72 find them correct and recommend they be allowed. Moved by Alderman Fochtman and supported by Alderman Neff that the bills be allowed and orders drawn for their amounts. Motion adopted by the following Yea and Nay vote. YEAS: Aldermen Fochtman, Gill, Grubaugh, Neff, Parsel and Staley.

On Motion the Council adjourned.

Jack Ging Stars at Cherry County Playhouse

Enjoying the recreational facilities of the Grand Traverse area are Jack Ging, now starring at the Cherry County Playhouse, and his charming wife Gretchen. Jack finds the water skiing delightful, and spends spare time between performances enjoying the various golf courses in the area. Hero of thousands as Dr. Paul Graham of TV's "Eleventh Hour", Jack is creating new fans with each performance of the delightful "KING OF HEARTS" in which he appears every evening through July 21 and at a matinee Thursday July 18 at the Cherry County Playhouse. Box office at the Playhouse is open from 10 A.M. until 10 P.M., or reservations may be made by calling WI 7-9560.

A favorite of tots and totterers, Charles Ruggles, will star next week in the brand new English mystery play "Not in the Book". Since Charle's first appearance as a school boy with a stock company in 1905, his hits in both TV and movies would fill a collector's scrap book. "Not in the Book" will open at the Cherry County Playhouse July 23.

New Craft Joins Charlevoix Lifeboat Fleet

Pictured here is the new 44 foot motor lifeboat as it arrived from Curtis Bay, Md., where it was constructed, for use at the Charlevoix Lifeboat Station.

Constructed primarily for search and rescue under heavy sea and surf conditions, the steel-hulled craft is powered by two 200 hp Cummins diesel engines. It has a cruising range of approximately 150 nautical miles and a speed of 16 knots (approx. 19 miles) per hour.

It was built at a cost exceeding $100,000 and is equipped with radar, fathometer, direction finder, pumps for salvage work and radio.

It will carry up to 37 passengers in addition to a crew of three.

The new craft will join the fleet of boats at the Charlevoix Lifeboat station which presently includes 40 ft. and 30 ft. utility boats and a 36 ft. motor lifeboat presently at Milwaukee where its hull is being repaired.

A crew of three men from the Charlevoix Lifeboat Station, Thomas Parrish, BM 1, Max Selfridge EN 1 and Harry Gingery FN brought the new craft over the more than 1300 mile water route from Curtis Bay to Charlevoix via the Inland Waterway New York Canal, Hudson River, and the Erie Canal to Buffalo, N. Y., thence via Lakes Erie, Huron and Michigan to its home port here. Traveling only during daylight hours, the trip took 14 days plus one day spent at Tawas for engine adjustments.

Local Lass Meets U. S. Servicemen In Copenhagen

Reunion in Copenhagen— an unplanned one which brought together a homesick teen-ager who is spending the summer at Humbel, Denmark, a small resort town outside the country's capitol city, and two local servicemen who had been planning a trek of the continent for many months.

The teen-ager was Teri Freedman who had gone to Copenhagen with several other youngsters who were spending the summer in Denmark under the sponsorship of the Youth for Understanding program of the Michigan Council of Churches.

The quintet had stopped to eat in a large downtown restaurant when one of the party spotted the servicemen and remarked "There's an American, a cadet from West Point". Teri, who had been sitting with her back to the pair, turned to look, did a second take, let out a scream and started across the dining room to greet Cadet Don Nowland and his companion Airman Tom Martin, who just happened to be eating in the same place.

Cadet Nowland, who will spend the month of August with a unit in Berlin, had gone to Europe late last month to join Tom Martin who has been there more than a year and who has been statloned outside Paris. The pair had planned the tour for months and had taken leaves to make it possible. They just happened to be in Copenhagen on the day of the unexpected reunion.

When Don and Tom recovered from their initial surprise at seeing someone from home and Teri managed to explain to her companions what her actions were all about, the trio arranged other meetings which resulted in hours of talking of Charlevoix and mutual friends and, as Teri wrote "just talking and listening to the English language".

Rev. Robert Pfeiffer To be Guest Speaker At Christ Church

The Rev. Robert Pfeiffer, associate rector of St. Mark's Episcopal church at Evanston, Ill., and a well known summer resident here, will conduct the 11 a.m. service at Christ Episcopal church here Sunday.

Rev. Pfeiffer has served as priest-in-charge at Christ church during the month of July for the past four summers.

At Evanston, Rev. Pfeiffer is a member of the Evanston Deanery Youth Commission.

The Rev. and Mrs. Pfeiffer and their family have been coming to Charlevoix for 17 summers. They have a cottage at Oyster Bay.

Kiwanians Hear Robert Vratina On Public Relations

Robert Vratanina, North Central Michigan College registrar and political science professor, spoke on the subject of "Democracy and Public Responsibility" at the weekly dinner meeting of the Kiwanis club held Monday at the Holiday Terrace Hotel.

Mr. Vratanina was introduced by Glenn Kenny, program chairman.

At the business meeting plans were made for the pancake and maple syrup booth and the float the club will have during the Venctian Festival and the Soap Box Derby the members will conduct as part of the festivities.

Guests at the meeting were Roy Fisher of Plymouth, a visiting Kiwanian, and Fred DesAntel of Detroit and Calvin Olsen of Tyndale, S.D. and Dr. John Lignell.

Bible Baptists to Hear Rev. Miller

Rev. Don Miller, former pastor of the First Baptist church of Boyne City and now pastor of the Bible Baptist church of Flint, will be the guest speaker at a special service at the Bible Baptist church here at 7:30 Thursday when he speaks about his recent trip to Costa Rica, according to the pastor, the Rev. James Lugiblhl.

He will also show slides of the trip that took him via boat, plane, car and dugout canoe to the Rio Sierpe river where he learned of the need of someone to help construct a church, school and first aid station at the little Baptist mission in the area. He plans to return there with his family in the near future to oversee this important work.

The pictures will also depict life among these people.

The public is invited to attend this service at 7:30 p.m. tonight (Thursday).

Congregational Women to Stage Village Fair

The annual Village Fair and bake sale sponsored by the First Congregational church will be held at the church at the corner of Park ave. and State st. next Wednesday.

A feature of the event which is scheduled to open at 10 a.m. will be the bazaar which will offer many gifts for all occasions. The bake sale will offer a variety of goodies.

The luncheon will begin at 11:30 a.m.. and will feature a choice of home cooked foods.

Tickets may be purchased at the Sternberg Beauty Shoppe or at the door.

Play First Matches In Annual City Golf Tourney

The first matches in the annual City Championship tournament were played Saturday, before the rains come, to launch the event which attracted 46 entries.

In the first flight Ken Cellner, who was favored to take this division, was dumped by Bob Goss 1-up. Goss won the match after being three down at the end of the first nine holes. In the only other match in this flight, Don Meggision defeated Homer Brady 1-up.

In the second flight, Bob VanSchoten defeated Jesse Penn 1-up and Pete Ance trimmed Art Krulik 1-up on the 19th hole; In the third flight, Tip Riley defeated Bob Ferguson 4-2 and Pete Timmer defeatcd Hal Hill 3-2.

Last week found Grady Butler posting the best score of the season, a 34 for nine holes, according to Keith Carey, course manager.

The rain cut activities at the course to a minimum over the weekend. However, the course which had suffered from the drouth benefited from the gentle rainfall, Mr. Carey said.

Michigan Waters Leading Center of Sailing Activity

Sailing is a sophisticated sport the mastery of which requires skill and knowledge, and yet its basic appeal is a primitive one. There is a feeling of discovery for a sailor each time he raises his sails and feels his craft stir as the wind is harnessed to the task of challenging the broad expanse of a lake or sea.

It is natural that Michigan with its more than 3,000 miles of Great Lakes shoreline and a land mass that is sprinkled with some 11,000 inland lakes, should be a center of sailing activity.

The colorful sails and hulls of boats ranging from ten-foot prams to ocean-going yachts brighten the surface of Michigan waters as thousands of boat owners enjoy recreational or competitive sailing.

Sooner or later, almost every sailboat owner gets the urge to test his skill and the speed of his boat against others. At first this amounts to challenging friends to impromptu sprints. Then, the racing "bug" brings him to the point of joining a yachting or racing club.

More than 40 Michigan groups are listed in the Lloyds registry of yacht clubs. They stage regattas throughout the state as do many local groups. From May to October boats of every class compete in events that range from dinghy regattas for youngsters to the internationally known Chicago to Mackinac and Port Huron to Mackinac races.

Nowhere else between the Atlantic and Pacific can the sailing buff find such a profusion of sailing activity claims the Michigan Tourist Council.

The premier events of the Michigan racing season are the yacht races that originate in Port Huron and Chicago and culminate at Mackinac Island.

Each July upwards of 100 of the most beautiful sailing craft in the world congregate in Michigan waters. First they race up Lake Michigan from Chicago and then a large number continue around the Michigan "mitten" to the south end of Lake Huron, for the start of the Port Huron to Mackinac Island race.

These races have been likened to pilgrimages and those who take part have a zeal and loyalty that is impressive. The Chicago to Mackinac Island race is the longer, covering 333 miles. The Port Huron race's course is 235 miles.

These inland seas offer a stiff challenge to the hardy army of boatowners who make the trek. Capricious Great Lakes winds can change the discontented grumblings of sailors becalmed on glassy waters to anxious oaths as they fight the rigging of their craft caught up in a sudden squall.

Though sailing is more often thought of as a participation sport, many persons enjoy watching the tactical maneuvering of the graceful sailboats as skippers search for the best wind and the shortest course.

Summer is sailing time in Michigan and the Michigan Tourist Council has included a listing of major sailing races in its calendar of events which may be obtained by writing Summer Events, Michigan Tourist Council, Lansing 26.

Candidates Vie for Venetian Crown

Courier Photo

* * *

Seeking the honor of reigning over the 1963 Venetian Festival this weekend are six candidates, five of whom are pictured on the deck of a pleasure craft in Charlevoix's water front where the Venetian boat parade Sunday night will climax the annual event.

They are (i to r) Judy Walker, Martha Coleman, Ruth Schofield, Sharon Russell and Carolyn Brady. A sixth, Ruth Ann Miller, was not present.

The identity of the 1963 Venetian Queen will remain a well-guarded secret until she receives her crown from the retiring 1952 Venetian Queen Linda Neff at the coronation ceremony to be held during the variety program in East Park Sunday evening preceding the boat parade.

One of the queen's first duties will be to serve as a judge of the boat parade along with Lt. Col. Joseph C. Kling, commanding officer of the 12th Detachment of the 10th Radar Bomb Scoring Squadron which was transferred here recently from Ironwood, John C. Lachman, general manager of Hoskins Manufacturing Co. here, Gordon Gillaume, Supervisor Michigan Department of Agriculture Weights and Measures Division and Bob Humpheries, master of ceremonies at the Sunday evening variety show and a member of the sales division of Brown Motors Inc.

Among the visiting royalty who will be introduced during the variety show will be National Cherry Queen, National Trout Queen, National Honey Queen, Petoskey Winter Sports Queen, Miss Michigan Winter Queen, Miss Cheboygan Chivaree, Miss Independence, the 1962 Venetian Queen and the 1963 Venetian Queen candidates.

To Accept Bids For Blacktopping School Drives

The Charlevoix board of education will accept bids on the blacktopping of the drives at the Charlevoix high school until 8 p.m. Monday, Aug. 5, it was announced following the regular meeting of the board.

Specifications may be obtained at the Offfice of the Superintendent and from Burr Blanchard, secretary of the board. The work is to be completed by Sept. 1.

In other action at the meeting the board voted to change from bottled gas to natural gas for cooking at the schools.

They also voted to advertise for bids for milk, gasoline for its school busses and fuel oil for the heating plants. These specifications will also be available at the Office of the Superintendent or from Mr. Blanchard, secretary. The deadline for filing bids on these items has been set for Aug. 19.

The Board of Education policies were discussed and approved. These relate to the operation of the school including membership, personnel, education and discipline.

Youngsters in the community are reminded that the deadline for filing entry blanks in the Doll, Pet and Dress-up parade la 4 p.m. tomorrow (Friday) afternoon.

The Doll, Pet and Dress-up parade, to be held in East Park at 2 p.m. Saturday, is one of the most popular events in the Venetian Festival and is open to all children between the ages of four and 10 years, according to Mrs. Wayne Woods, general chairman. Mrs. Donald DeMoor is co-chairman.

Cash prizes for the top three 'bests' in each of the three categories will be offered by the Charlevoix Chamber of Commerce which sponsors the event as part of the Venetian Festival.

Mrs. Woods has asked that all children entering the parade to gather at designated spots in an area east of the park stage prior to 2 p.m.

Rod Crede, widely known television announcer at Station RR-TV Cadillac, will be master of ceremonies for the show. Judges will be Mrs. John Michael, Miss Frances Milner and Dr. John Lignell.

Assisting Mrs. Woods and Mrs. DeMoor will be Mrs. Ralph Doan, Mrs. Robert Tollas, Mrs. Reed McVay and Mrs. Byron Wright.

All entries will receive a treat following the parade.

Application blanks may be obtained at Edwards IGA, Staley Grocery, Essenberg Grocery, Gebeau Grocery and at the Chamber of Commerce.

Plans Underway To Form Library Advisory Board

The establishment of a Library Advisory board was approved at the regular meeting of the Charlevoix board of education at its regular meeting Monday.

The board would serve a dual purposo according to E. Darrell Dinwiddie who said that it was the aim of the board of education to acquaint the public with the problems of operating a library and to seek public opinion regarding library needs.

In order to learn who in the community would be interested in the formation of such an advisory board, it has been suggested that all groups within the Charlevoix school district who are interested in the library inform the board of educaton of their interest by letter. The board of education then plans to ask each group for the names of several from its membership interested in serving on an advisory board.

If this idea is acceptable to the public, then a board will be named to aid in what ever ways seem practical in the operation of the community library more familiarly known as the Charlevox Public Library.

Mr. Dinwiddic said, in announcing plans for the formaton of this advisory group that the board was hopeful of hearing from such organizations as veterans groups, study clubs, the P. T. A., farm organizations

Host of Prizes Await Street Parade Entries

A host of prizes in the form of gift certificates await the winners in various categories of the street parade to be held at 1 p.m. Saturday, Frank Boss, general chairman and parade marshall, has announced.

The parade will form at the Charlevoix high school and begin its line of march at 1 p.m., traveling north on Bridge st. to Park ave. where it will be disbursed. The Charlevoix high school band under the direction of C. A. Odmark will lead the parade.

A committee composed of Jack Mol, Ron Peterson and Ralph Hess, Jr. has solicited more than $300 in prizes to be offered in the following categories: children's decorated bikes, five prizes totaling $57.00; old autos, four prizes featuring two dinners at local eating places; floats, two prizes of $40 and $25 for industrial and commercial floats and three prizes of $35, $25, and $15 each; for floats entered by others; horses, four prizes totaling $37 in the children's division and four prizes totaling $55 plus two dinner tickets to adult winners.

Judges will be Joe Wilkins of East Jordan, Mrs. Malcolm McDowell and Cmdr. Francis J. Mann, skipper of the U.S.C.G. Cutter Sundew.

Ebenezer PTA To Sponsor Supper

The P. T. A. of the Ebenezer Christian school of Ellsworth is sponsoring a turkey and ham supper, Thursday, August 1, in the Ellsworth community hall dining room to serve from 5:30 to 8:00 p.m.

A bazaar will open at 2:00 p.m. and remain open until 5:00.

The public is invited to attend both the bazaar and the supper, then remain for the program at 8:00 p.m. when Miss Mary Jean Essenberg and the girls who worked with her tell of their experiences doing mission work in Wisconsin. This project called SWIM is sponsored by the Youth organization of the Christian Reformed church in Michigan.

Rites Today for William E. Flynn Hotel Manager

William E. Flynn, 74, veteran hotel manager and owner, died late Monday at the Charlevoix hospital where he had been a patient for two days. He had been in failing health for some time.

Funeral services will be held at St. Mary's church at 9 a.m. on Thursday with the Rev. E. Francis Denay officiating. Burial will be in St. Mary's cemetery. The Rosary was recited at the Winchester Funeral Home Wednesday evening.

Born at Marblehead, Mass., on Aug. 10, 1888, Mr. Flynn first came to Charlevoix about 1913 to be associated with the management of the Inn Hotel, one of the outstanding resort hotels in the north at that time. He later became manager, a position he held until the structure was razed about 1940. The following year he purchased the Beach Hotel which he owned and operated until 1948 when it was sold to Mr. and Mrs. E. L. Kramer. He was a veteran of World War I. His first wife, the former Marty Powers, preceded him in death in 1943.

He was a member of St. Mary's church, the Elks Lodge of Petoskey and the Leslie T. Shapton post of the American Legion.

He is survived by his wife, the former Alice Dixon Powers whom he married in 1949; a brother, James D. Flynn of Charlevoix and four sisters, Miss Ann Flynn and Mrs. Margaret Hagan of Marblehead, Mass., Mrs. John Jeffery of Salem, Mass., and Mrs. Fred Crimmins of Waltham, Mass.

Which Boat Will Win This Plaque?

Entries for the Venetian Boat Parade are continuing to arrive, according to Paul Kohler, secretary of the Charlevoix Chamber of Commerce. The finale of the two-day festival will be climaxed Sunday evening with the spectacular boat parade on Round Lake, followed by the colorful fireworks display.

Pictured above is the 1962 winner, William R. Dickenson, Jr., whose boat depicted the Chicago fire of 1871. The float was sponsored by the Chicago club. Presenting the plaque is Queen Linda Neff who will relinquish her title Saturday evening with the naming of the 1963 queen.

Boat owners planning to enter the parade this year are urged to notify the committee immediately and give a brief description of the theme decor which will enable the judges to readily identify

Venetian Festival Scheduled to Begin One O'clock Saturday

Charlevoix will be host this weekend to hundreds of visitors who have been attracted to the community for the annual Venetian Festival scheduled to begin at 1 p.m. Saturday with a street parade and conclude Sunday evening with the Venetian boat parade on Lake Charlevoix, highlighted with a spectaculor fireworks display, D. D. Walker, general chairman, reported Wednesday.

A diversified program of entertainment has been planned for the enjoyment of the visitors.

Launching the festivities will be a strect parade at 1 p.m. under the guidance of a committee headed by Frank Boss and featuring a variety of floats, antique cars, horses and decorated bicycles with a host of prizes for the winners. Prizes will be awarded in East Park at 7 p.m.

This is to be followed by a Pet, Doll and Dress-up parade in East Park at 2 p.m. for the youngsters between the ages of four and 10 years.

Kids races in East Park under the supervision of the Kiwanis Club will follow this event.

Beginning at 6 p.m. there will be time trials and later motorcycle races at Al's Amusement Park near the ball diamond.

For sports enthusiasts there will be a baseball game at the Carpenter ave. ball park between the Charlevoix All-Stars and a Kalamazoo team beginning at 7:30 p.m.

For those with other interests there will be a Western Square Dance exhibition under the direction of Ross and Jean Rosa, popular callers from Lake Anne. This will be presented at the Park Stage in East Park.

Meanwhile, a variety of booths designed for the entertainment of all plus pony and pony-cart rides at the foot of Clinton st. will be available for the enjoyment of the children.

A Sunrise Service in East Park at 7 a.m. under the sponsorship of the Charlevoix Ministerial Association will begin the activities on Sunday.

First event of a busy afternoon will be a sky dive by Jim Annis of Petoskey. He will jump from a small plane and free fall until opening his parachute over Round Lake where he will land.

A treat for music lovers will be a band concert by the Charlevoix City Band in East Park at 4 p.m. under the direction of C. A. Odmark.

At 7 p.m. an outstanding variety show will be presented with Bob Humphries as master of ceremonies. The coronation of the 1963 Venetian Queen will be incorporated into this program.

As darkness falls at 9 p.m. the Venetian Boat parade on Round Lake will get underway. For the first time there will be only one line of boats which will be decorated on the starboard or right side only. The string of boats will circle the lake three times before disbursing under their own power. The colorful fireworks display will conclude the weekend festivities.

Motion pictures of the Venetian Festival will be made by Artista Films of California, with special emphasis on the striking Sunday night Venetian Boat Parade. Dave Banks of Netherwood, producer of the marine documentary film company, announced plans to film portions of the entire festival for the Lake Charlevoix to Mackinac Island production currently in progress by Artista, whose "Lure of the Light" series of California lighthouses is nearing completion.

School Census Shows Increase In County

Census figures released by the office of the Intermediate School district revea that the number of boys and girls in the five through 19 year age group in Charlevoix county has increased from 4,379 in 1962 to 4,405 this year.

The number of pre-school age children, however, decreased from 1,474 in '62 to 1,468 in '63.

Major increase in the 5-19 year age group was in the Charlevoix school district where the number increased from 1,254 to 1,281 while elsewhere in the county East Jordan showed a decrease of 21 and Boyne City of eight.

See page 5 for comporation figures.

It is interesting to note that the Charlevoix school district has shown a steady growth since 1957 with the exception of 1958 when the census was four less than the year before in the 5-19 age group. The pre-school census, however, has varied.

Census figures for the Charlevoix district were 1134 in the 5-19 age group in '57; 1130, '58; 1139, '59; 1165, '60 and 1185, '61. The pre-school census during the same years show 395, '57; 426, '56; 396, '59; 426, '60 and 427, '61.

The school census is compiled from figures obtained when the census is taken in each district the last two weeks in May of each year.

Ministerial Ass'n To Sponsor Annual Sunrise Service

Charlevoix's waterfront at East Park will become an outdoor chapel Sunday morning for the second annual Sunrise Service sponsored by the Charlevoix Ministerial Association as part of the Venetian Festival.

The service will begin at 7 a.m. at the park stage and continue for one hour.

The Rev. Jack Harris, pastor of the First Baptist church, will deliver the sermon at this special early morning service.

Others participating will be the Rev. Arthur Austin, pastor of the Assembly of God church, who will read the Scriptures; the Rev. George L. Majors of the Community Church of God who will give the pastoral prayer; the Rev. William Harmon of the Ironton Congregational church who will give the benediction.

The Rev. Alexander Wood, vicar of Christ Episcopal church and president of the sponsoring group, will be in charge of the service.

The Community Church of God will present a special number during the service.

The offering will be given toward the completion of the park stage.

The public is invited to attend this special sunrise service at 7 a.m. in East Park.

Price of Progress

The open meeting called Monday night by the city council to air complaints about the installation of pipe lines to supply natural gas to the area were mostly grievances registered because the public was uncertain as to what would be done to restore lawns, repair property and trees were damaged in the trenching operation. The few citizens present seemed to be seeking assurance that measures would be taken to restore streets and lawns to their original condition.

Denton S. Montross, area manager for Michigan Consolidated Gas Co., assured the council and others present that his company would take all necessary steps to restore grass on the trenches and repair all damages resulting from the installation operation.

The larger public utilities are more concerned with having good public relations than most businesses. Past records indicate they will go to extremes to maintain this relationship. There is no reason to suspect that Michigan Consolidated Gas will do an about-face in the case of Charlevoix.

Early installations of water mains and sewers were equally devastating to lawns and streets. Those installations were more or less piece-meal-made along with the growth of the community. Only sections of the city were torn up at a time. The present installation, however, is to provide the entire city with gas lines in one big operation within a specified time. Under such condition the major operations come first and the cleanup, replacement and repair must follow.

We wonder if residents of Charlevoix today had to depend on primitive plumbing, if they would not gladly endure a temporary inconvenience and unsightly lawn to get these modern conveniences.

It is safe to predict that by next year most of the grievances will be forgotten and those who use gas and those who do not will be happy to say that natural gas is available in Charlevoix.

BETWEEN YOU AND ME

- By Harold E. Kohn -

A Meaningful Use of Memory

Memories are queer things. Consider what children can forget and what they will remember. Children tend to forget to bathe, clear the table, wash the dishes, and to empty garbage. They forget to make their beds, to hang up their clothes, to sweep and dust their rooms. They forget to go to bed on time. But children remember a promise you carelessly made three weeks, or three months, or three years ago.

Adults, too, have odd memories. Nearly all of us know someone who can remember all the details of some funny story but he can't remember that he's told that story a half-dozen times before.

One man, getting off a plane with his wife after a transcontinental trip, said to the stewardess as he passed her, "Goodbye, Miss Tracy, it was a beautiful flight." The passenger's wife looked at him with mixed astonishment and suspicion and asked, "How did you know her name was Miss Tracy?" The husband replied, "The names of all members of the crew were posted in the front of the plane where the passengers could see them." "All right, Smarty," said the wife. "Tell me the name of the co-pilot!" Of course, the man was trapped.

We are likely to remember what interests us most. Conscious memory is not a depository of everything we have experienced and learned. Instead, memory is the treasury of the significant and the meaningful. A good memory permits us to lift some of the good from our past and to set it down in the present where we can enjoy it again. Some anonymous versifier has said:

"There was a dachshund, once, so long
He hadn't any notion
How long it took to notify
His tail of his emotion;
And so it happened, while his eyes
Were filled with woe and sadness
His little tail went wagging on
Because of previous gladness."

When put to good use, memory is a little like that dachshund's tail, wagging because of a "previous gladness." Our capacity to remember makes it possible for us to bring into the present moment the meaning and emotion of some past event.

This use of memory is a vital part of our religious heritage. It can be traced to the Hebrew religion. Again and again in the Old Testament the Jews are admonished to recall for their present good some mighty deed of God. "Remember the day when you came out of the land of Egypt" they were told by their teachers, reminding them of their deliverance from slavery. Around their camp fires parents told their children of the mercies God had visited upon them in the past. If God could do such wonders in the past, God could perform wonders again. In such a way memory lifted the meanings and joys of the past into the present moment. For their present encouragement they remembered the past.

Christians meaningfully use their memories when they celebrate Holy Communion. At this sacrament of the Lord's Supper Christian's recall Christ's words when He broke bread with His disciples: "Take, eat; this is my body, broken for you; this do in remembrance of me." Present-day disciples call to mind Jesus saying to His followers as He gave them to drink from a chalice, "This cup is the new testament in my blood; this do ye, as oft as ye drink it, in remembrance of me." Holy Communion is a memorial. It reminds us of crucifixion and the awfulness of sin that puts the Best at the mercy of man's worst. It repeats to us the message we so often forget that the love of God is a suffering love, hurt by our waywardness, willing to stop at nothing to bring us back to God. The Lord's Supper reminds us of how much we count with Christ: "This is my body, broken for you." "This is what you are worth to me," said Christ. "Always remember that."

The power to recall details does not necessarily make a good memory any more than an unabridged dictionary makes a piece of good literature. A good memory, like good literature, is not a collection of countless things, but a treasury of the most worthwhile things. "Remember what God has done," said the ancient Jews. "Remember what you are worth and how much you are loved: remember the broken body; remember the bloodshed. Remember it was for you," Jesus urged His disciples.

Yes, memories are odd things, but even our tricky memories can be put to the highest uses, and thus change the quality of our living.
